ing the proposed tax to facilitate understanding of and debate on CACR 9, and (2) if a property tax initiative is to be brought forward next year, it is important to develop a consensus representing many different political philosophies; rejecting House Bill 763 would be inimical to development of such a consensus. The vote 16-3 for Re-referral was a bipartisan vote, representing many different philosophical points of view. Rep. Robert C. Hayes for the Majority of Ways and Means.

MINORITY: This bill would be both complicated to implement and would require a large staff and an additional facility and computer system to administer.

It promises to relieve the property tax, but could well cost many taxpayers more money and in the long run property taxes could easily be as high for everyone as they are now. Rep Shawn N. Jasper for the Minority of Ways and Means.

Rep. Robinson moved that debate be limited to 40 minutes equally divided, with questions excluded from the time limit.

Adopted.

Rep. Jasper moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Re-refer to Committee, spoke to his motion and yielded to questions.

Rep. Hayes spoke against and yielded to questions.

Rep. Welch spoke in favor and yielded to questions.

Reps. Spencer and Teague spoke against and yielded to questions.

Rep. Jacobson spoke against.

Reps. Frances Riley and Domaingue spoke in favor.

Rep. Coffey spoke in favor and yielded to questions.

Rep. Teschner spoke against and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

U.S. Representative William Zeliff, Congressman from the 1st New Hampshire Congressional District, addressed the House.

### REGULAR CALENDAR (Continued)

**CACR 6**, relating to taxation of business income and revenue. Providing that taxes of any type may be imposed on the income or revenue of businesses. RE-REFER TO COMMITTEE.

The Committee would like more time to work on this proposed constitutional amendment to parallel Committee efforts to reform the Business Profits Tax. Vote 17-0. Rep. Douglass P. Teschner for Ways and Means.

Re-referred to Committee.

**CACR 9**, relating to revenue raised through a personal income tax. Providing that each year at least 75 percent of all general fund revenues resulting from any personal income tax be returned to the cities, towns, school districts, counties, and property taxpayers to assist in property tax relief. RE-REFER TO COMMITTEE.

The Committee feels that this proposal is worth deliberating and that it should be considered in the context of tax legislation that may be submitted. For that reason the Committee needs more time to study the subject. Vote 17-2. Rep. David M. LaMar for Ways and Means.

Rep. Scott Green spoke against.

Reps. LaMar and Donna Sytek spoke in favor and yielded to questions.

On a division vote, 285 members having voted in the affirmative and 64 in the negative, the CACR was re-referred to Committee.

**HB 336-FN-A**, relative to the definitions of "meal" and "restaurant" under the meals and rooms tax. OUGHT TO PASS WITH AMENDMENT.

This bill, as introduced, would have reestablished the controversial "snack tax" which is neither desirable nor constitutional. Instead, the Committee is using this bill as a vehicle to extend three tax increases scheduled to expire in June. The amendment continues the Real Estate Transfer Tax at \$5.25 per \$1,000; the Telecommunications Tax at 5 percent, and the Rooms and Meals Tax at 8 percent for the next biennium. Estimated revenue is \$30 million in FY '92 and \$31 million in FY '93. Vote 13-5. Rep. Donna P. Sytek for Ways and Means.

### Amendment

Amend the title of the bill by replacing it with the following:

### AN ACT

relative to the rates of certain state taxes.

Amend the bill by replacing all after the enacting clause with the following:

1 Rate of Tax for Biennium Ending June 30, 1993, Real Estate Transfer Tax. Notwithstanding the provisions of RSA 78-B:1, 1 and 1989, 416:4, for the period beginning July 1, 1991, and ending June 30, 1993, the rate of the tax is \$.525 per \$100, or fractional part thereof, of the price or consideration for such sale, grant or transfer; except that where the price or consideration is \$4,000 or less there shall be a minimum tax of \$21. The tax imposed shall be computed to the nearest whole dollar.

2 Rate of Tax for Biennium Ending June 30, 1993, Meals and Rooms Tax. Notwithstanding the provisions of RSA 78-A, the tax imposed under RSA 78-A:6 shall be imposed as follows for the period beginning July 1, 1991, and ending June 30, 1993:

- I. A tax of 8 percent of the rent is imposed upon each occupancy.
- II. A tax is imposed on taxable meals based upon the charge therefor as follows:
  - (a) Three cents for a charge between \$.36 and \$.37 inclusive;
  - (b) Four cents for a charge between \$.38 and \$.50 inclusive;
  - (c) Five cents for a charge between \$.51 and \$.62 inclusive;
  - (d) Six cents for a charge between \$.63 and \$.75 inclusive;
  - (e) Seven cents for a charge between \$.76 and \$.87 inclusive;
  - (f) Eight cents for a charge between \$.88 and \$1.00 inclusive;
  - (g) Eight percent of the charge for taxable meals over \$1.00, provided that fractions of cents shall be rounded up to the next whole cent.

3 Rate of Tax for Biennium Ending June 30, 1993, Communications Services Tax. For the period beginning July 1, 1991, and ending June 30, 1993, there is imposed a surcharge of 66-2/3 percent on the tax imposed under RSA 82-A:3 and 82-A:4 on the gross charge for communications services purchased at retail from a retailer.

4 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

During the 1990 legislative session the rate of taxation was temporarily increased for the real estate transfer tax, the meals and rooms tax, and the communications services tax, for a period beginning on April 1, 1990, and ending on June 30, 1991.

This bill keeps increased rates for these taxes in place for the biennium ending June 30, 1993.

Rep. Donna Sytek requested that the amendment be divided.

The Speaker ruled that the amendment was divisible.

Section 1, Real Estate Transfer Tax.

Rep. Donna Sytek spoke in favor.

Rep. Braiterman spoke against.

Rep. Haettenschwiler spoke against and yielded to questions.

Rep. Hayes spoke in favor.

Roll call request sufficiently seconded.

The question being on Section 1, Real Estate Transfer Tax.

**HOUSE JOURNAL No. 16**

Tuesday, April 2, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairisto.

Almighty God, under whose providence the seasons come and go each in its own time, the celebrations of Passover and Easter remind us once again of Your love and of Your saving power. Be with us in all seasons, we pray, that our hearts may be constantly filled with thanksgiving, and our lips with praise. Save us now, we ask, from all that would keep us from faithfully performing our duties. Guide us in all that we say and do, that even in the difficult choices facing us today, we may seek to do justice, to love mercy, and to walk humbly with our God. Amen.

Rep. Clemons led the Pledge of Allegiance.

### REGULAR CALENDAR

**HB 107-FN**, eliminating registration fees for class AA dams. (A) OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, repeals the \$20 fee registration for Class AA dams established by RSA 482:8-A (1990); and increases fees of class A, B, and C dams to provide an estimated \$33,150 of revenue to the dam maintenance fund to replace dam inspection funds otherwise lost through repeal. Vote 21-0. Rep. Merle W. Schotanus for Appropriations.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to registration fees for dams.

Amend the bill by replacing all after the enacting clause with the following:

1 Eliminating Annual Registration Fees for Class AA Dams and Increasing Other Fees. Amend RSA 482:8-a to read as follows:

482:8-a Annual Registration Fee. Annual registration fees for dams shall be payable to the division of water resources on [March] *January* 1 of each calendar year. Failure to pay the registration fee shall be considered a violation of RSA 482:15. Yearly dam registration fees based on the following dam classification shall be as follows: [Class AA = \$20;] Class A = [\$50] *\$75*; Class B = [\$200] *\$250*; Class C = [\$300] *\$400*. Revenues from this annual registration are to be collected by the division and deposited in the dam maintenance fund established in RSA 482:55 to be used for the inspection of dams.

2 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill eliminates the \$20 annual registration fee for Class AA dams.

The bill also increases the registration fees for Class A, Class B and Class C dams. Adopted.

Report adopted.

Ordered to third reading.

**HB 114-FN**, relative to the date for terminating the motor vehicle emissions inspection program and granting administrative fine authority to the divisions of air resources and public health services. (A) OUGHT TO PASS WITH AMENDMENT.

The bill, as amended, extends the motor vehicle emissions inspection program for two years from December 31, 1991 to December 31, 1993. The amendment removes all money from the bill. Vote 20-0. Rep. Stacey W. Cole for Appropriations.

Rep. Raynowska moved that the words Inexpedient to Legislate, be substituted for the report of the Committee, Ought to Pass with Amendment, and spoke to his motion.

Reps. Hager and Musler spoke to the bill.

Motion failed.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to the date for terminating the motor  
vehicle emissions inspection program.

Amend the bill by replacing all after section 1 with the following:

2 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill extends the date for termination of the motor vehicle emissions inspection program from December 31, 1991, to December 31, 1993.

Adopted.

Report adopted.

Ordered to third reading.

**HB 143-FN**, relative to the liquor commission's authority to close liquor stores. (A) OUGHT TO PASS.

The bill has no fiscal impact that can be determined. Commission members felt they were already doing this, but could now use the standards in the bill. Vote 18-3. Rep. Charles W. Ferguson for Appropriations.

Adopted.

Ordered to third reading.

**HB 159-FN-A**, making a supplemental appropriation to the board of tax and land appeals. INEXPEDIENT TO LEGISLATE.

This legislation is covered in the supplemental budget. Vote 22-0. Rep. Janet R. Pelley for Appropriations.

Adopted.

**HB 252-FN-A**, establishing a fund for the inspection of apiaries to prevent honey-bee colony contamination and making an appropriation therefor. (A) INEXPEDIENT TO LEGISLATE.

While the Committee thought the program was important, it could not in light of the present fiscal situation fund this activity through a special bill. The Committee will place adequate funding in HB 26 for this activity. Vote 20-1. Rep. Charles W. Ferguson for Appropriations.

Adopted.

**HB 258**, to extend the lapse date for the phase V prison construction appropriation. OUGHT TO PASS.

This bill extends the lapse date to June 30, 1993 for a previous appropriation made to the Department of Corrections for phase V prison construction. Authorization is granted to expend the remaining funds (in a previous bonding authorization) amounting to approximately \$2,000,000 to renovate existing state buildings to accommodate some 300 minimum and medium security inmates for Camp Success, a drug/alcohol treatment center and boot camp. These renovations will be accomplished using prison labor. In arriving at its decision, the Committee took into consideration that the prison is fast approaching its maximum capacity. Vote 18-4. Rep. Robert A. Johnson for Appropriations.

Rep. Rosen spoke against.

Reps. Channing Brown and Gene Chandler spoke in favor.

Adopted.

Ordered to third reading.

**HB 275-FN-A**, establishing a permanent heritage collections committee and a New Hampshire heritage trust fund, continually appropriating funds in the trust fund to the committee, and making an appropriation therefor. OUGHT TO PASS.

This bill establishes a State Heritage Collections Committee and a New Hampshire Heritage Trust Fund. It appropriates only \$1 of state money, but allows private money to be raised. Vote 15-7. Rep. Robert G. Holbrook for Appropriations.

Adopted.

Ordered to third reading.

**HB 328-A**, relative to the site location, design and planning of a new Manchester district court facility and making an appropriation therefor. (A) OUGHT TO PASS WITH AMENDMENT.

The amendment will allow Administrative Services to renovate and rehabilitate an existing building in downtown Manchester as a new courthouse within the \$250,000 bonded appropriation contained within the original bill thus opening a new court with no further expenditure. Vote 22-0. Rep. Robert E. Murphy for Appropriations.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to a new Manchester district  
court facility and making an  
appropriation therefor.

Amend the bill by replacing section 2 with the following:

2 Appropriation; Department of Administrative Services. The sum of \$250,000 is appropriated to the department of administrative services for the fiscal year ending June 30, 1992, for the site location, design, architectural plans and rehabilitation and renovation of a new Manchester district court facility. In planning this facility, the department of administrative services shall consider issues including cost, accessibility, and needs for space now and in the future for such purposes as storage of records, building security, separation of adult and juvenile detainees, and private conference rooms.

#### **AMENDED ANALYSIS**

This bill makes an appropriation to the department of administrative services for the site location, design, architectural plans, and rehabilitation and renovation for a new Manchester district court facility. This appropriation is bonded.

Adopted.

Report adopted.

Ordered to third reading.

**HB 363-FN**, relative to criminal record checks and fees charged for criminal record checks. (A) INEXPEDIENT TO LEGISLATE.

It was not possible to determine the true cost of this bill, but it would be a substantial expense from general funds. Vote 20-1. Rep. Stacey W. Cole for Appropriations.

Rep. Hager moved that HB 363 be recommitted to Appropriations, and spoke to her motion.

Recommitted to Appropriations.

**HB 393-A**, relative to preliminary designs, an environmental impact statement for improving access to the Manchester airport, re-establishing a legislative task force and making an appropriation therefor. (A) OUGHT TO PASS.

This bill is relative to preliminary designs, an environmental impact statement for improving access to the Manchester Airport, re-establishing a legislative task force and makes a bonded appropriation of \$1,000,000. The Manchester Airport is unquestionably the "heart" of New Hampshire economic life. This access road will ease traffic on overburdened local streets and increase the visibility of the airport and airport area for economic development. Vote 22-0. Rep. Raymond Buckley for Appropriations.

Adopted.

Ordered to third reading.

**HB 427-A**, relative to additional improvements on Gosling Road and making an appropriation therefor. (A) OUGHT TO PASS.

This bill authorizes the Department of Transportation to make additional improvements in the planned overpass/underpass highway at the intersection of Pease Base and Gosling Road in the towns of Newington and Portsmouth. Appropriation for the project will come from \$6.8 million revenue bonds charged against the turnpike fund. Vote 20-0. Rep. Charles L. Vaughn for Appropriations.

Rep. Vaughn yielded to questions.

Adopted.

Ordered to third reading.

**HB 448-A**, appropriating funds for environmental and engineering design studies for the Ledyard Bridge in Hanover and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

As amended, this bill authorizes \$650,000 in bonded funds for the replacement of the Ledyard Bridge between Hanover, New Hampshire and Norwich, Vermont. Funding provided by Vermont through interstate agreement will reduce the appropriation 28 percent. Vote 21-0. Rep. Merle W. Schotanus for Appropriations.

#### Amendment

Amend the bill by replacing section 1 with the following:

1 Appropriation. The sum of \$650,000 is hereby appropriated for the biennium ending June 30, 1993, to the department of transportation for the cost of environmental and preliminary engineering studies of the Ledyard Bridge crossing of the Connecticut River between Hanover, New Hampshire and Norwich, Vermont. The department is authorized to retain consultants as needed. The department is further

authorized to accept federal, state of Vermont, and private funds that may be available for these projects, and this appropriation shall be reduced by the amount of such funds. This appropriation shall be nonlapsing and is in addition to any other appropriation to the department of transportation for the biennium.

Adopted.

Report adopted.

**HB 488-FN**, relative to the flexible spending programs. **OUGHT TO PASS WITH AMENDMENT.**

This bill allows the Personnel Director to use benefit adjustment account funds for administrative fees for this program. There is no general fund impact. Vote 21-0. Rep. Charles W. Ferguson for Appropriations.

#### Amendment

Amend RSA 21-I:44-d as inserted by section 1 of the bill by replacing it with the following:

21-I:44-d Administrative Costs of Programs; Obligation of Employee. The director, division of personnel may use moneys in the employee benefit adjustment account, established under RSA 9:17-c, for the purposes of paying the administrative fees for the programs established under RSA 21-I:44-a and 21-I:44-b. The director may also use such moneys in the event money must be paid to the contracting party in advance to cover the employee's medical expenses, when the employee has not contributed all of such costs from his payroll deductions, provided that the employee benefit adjustment account shall be repaid when the employee fulfills his obligation.

**HB 608-FN**, relative to the law enforcement authority of forest rangers and officials of the division of forests and lands. (A) **OUGHT TO PASS.**

This bill allows for arrests of those who violate laws regarding forests and woodlands by forest rangers. The rangers will be trained by Police Standards and Training. The bill is funded by fines. Vote 21-0. Rep. Gerald P. Merrill for Appropriations.

Adopted.

Ordered to third reading.

**HB 611-FN**, relative to plastic holding devices used in packaging. (A) **OUGHT TO PASS WITH AMENDMENT.**

This bill, as amended, no longer carries an appropriation. This bill prohibits plastic holding devices (plastic rings around drink cans) that do not degrade when exposed to elements. Vote 21-0. Rep. Raymond Buckley for Appropriations.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The legislature finds that the plastic rings that hold soda and beer 6-packs together are harmful to wildlife. It is the purpose of this act to prohibit industries from using holding devices on their beverages unless this device decomposes by photodegradation, chemical degradation or biodegradation within a reasonable period of time upon exposure to the elements. The legislature encourages the soft drink, malt beverage and other industries which use plastic connecting rings

or similar packaging devices, to utilize the break away type of ring for packaging their beverages. In addition, the legislature further encourages any industry using these plastic rings to recycle them in order to reduce the amount of solid waste and protect our wildlife.

2 New Subdivision; Packaging Materials. Amend RSA 339 by inserting after section 70 the following new subdivision:

Packaging Materials

339:71 Definitions. In this subdivision "holding device" means any device constructed of plastic rings or plastic material that contains at least one hole greater than 1-3/4 inches in diameter, which is made, used, or designed for the purpose of packaging, transporting, or carrying multipackaged cans or bottles and which is degradable.

339:72 Certain Holding Devices Prohibited. No person may sell, or offer for sale, containers connected to each other by a holding device, unless this device decomposes by photodegradation, chemical degradation or biodegradation within a reasonable period of time upon exposure to the elements.

339:73 Rulemaking Authority. The commissioner of the department of environmental services shall adopt rules, under RSA 541-A, relative to:

I. A schedule of administrative fines which may be imposed under RSA 339:75 for violation of this subdivision.

II. Procedures for notice and hearing prior to the imposition of an administrative fine.

III. Matters related to the proper administration and enforcement of this subdivision.

IV. To require each manufacturer of holding devices to register their trademark with the department and provide the department with a sample of the device. The department shall require test data that show that the device is degradable as required in this act.

339:74 Penalty. Any person who violates any provision of this subdivision or any rule adopted under this subdivision shall be guilty of a violation.

339:75 Administrative Fines. The commissioner of the department of environmental services, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not to exceed \$1,000 for each offense upon any person who violates any provision of this subdivision or rule adopted under this subdivision. Rehearings and appeals from a decision of the commissioner under this section shall be in accordance with RSA 541. Any administrative fine imposed under this subdivision shall not preclude the imposition of further penalties under this subdivision.

3 Effective Date. This act shall take effect January 1, 1992.

Adopted.

Ordered to third reading.

**HB 721-FN-A**, relative to hiring additional weights and measures inspectors and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE.**

This bill appropriates \$200,000 in new monies for hiring additional inspectors and will increase expenditures by hundreds of thousands of badly needed dollars. The Commissioner was not overly interested in this bill since the equipment has improved beyond the need. Vote 22-0. Rep. Robert E. Murphy for Appropriations.

Adopted.

### **SPECIAL ORDER**

Rep. Gross moved to that **HB 64-FN-A**, to impose a nuclear electricity generation tax, be made a Special Order for Tuesday, April 9 at 11:00 a.m. and spoke to her motion.

Adopted.

### **REGULAR CALENDAR (Continued)**

**HB 146-FN-A**, to establish a uniform business tax and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

The amendment is the bill and enacts a one-percent increase in the Business Profits Tax for a period of 24 months, effective July 1, 1991. The introduction and intent-section clearly delineates the House's intention to bring forth a major revision to the state's business taxes during the present session. The bill is estimated to raise \$13.75 million annually. Vote 15-4. Rep. Robert C. Hayes for Ways and Means.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to the rate of the business profits tax.

Amend the bill by replacing all after the enacting clause with the following:

#### **1 Findings and Purpose.**

I. The general court, finding a need for additional revenues to finance necessary state expenditures, is enacting a temporary one percent increase in the business profits tax. However, being mindful that (1) the permanent rate of the business profits tax is among the highest in the country and (2) the applicability of the business profits tax must be expanded to promote public acceptance of its fairness and equitability, the general court declares its intention and purpose is to aggressively pursue reform of the state's business tax system during the current session.

II. Towards this end, the general court acknowledges its intention to permit credit to be received by business organizations for the one percent surcharge on the business profits tax imposed in section 2 of this act during the conversion to the new or revamped, or new and revamped, business taxes, through its incorporation into the transition rules covering implementation of these taxes.

2 Temporary Rate of Business Profits Tax. Notwithstanding the provisions of RSA 77-A:2, the tax imposed under RSA 77-A shall be imposed at the rate of 9 percent upon the taxable business profits of every business organization for the biennium ending June 30, 1993.

3 Penalty for Underpayment of Estimated Tax; Exception for Business Organizations. The provisions of RSA 21-J:32, IV(a) and (d) relative to the determination of the exceptions to the imposition of the penalty imposed under RSA 21-J:32 shall not apply to business organizations subject to tax under RSA 77-A to the extent such exceptions would apply to the tax imposed under section 2 of this act.

4 Effective Date. This act shall take effect July 1, 1991.

#### AMENDED ANALYSIS

This bill provides that the business profits tax shall be imposed at the rate of 9 percent for a period beginning on July 1, 1991, and ending on June 30, 1993.

The bill contains a declaration of purpose that it is the intent of the legislature that business organizations shall receive a credit for the surcharge imposed as part of the revamping of the state's business taxes.

Rep. Gross spoke in favor of the report.

Rep. Arnesen moved to substitute the words Inexpedient to Legislate for the report of the Committee, Ought to Pass with Amendment, spoke to her motion and yielded to questions.

Rep. Hayes spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

**HB 322.** to adopt the current version of the United States Internal Revenue Code for business profits tax purposes. **OUGHT TO PASS WITH AMENDMENT.**

The bill was requested by the Department of Revenue Administration, and as amended, makes several housekeeping changes to update and clarify existing statutes. In addition, this amendment authorizes the Commissioner to contract with financial institutions to process and deposit tax returns. Vote 19-0. Rep. Donna P. Sytek for Ways and Means.

### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to the business profits tax, the real estate  
transfer tax, the communications services tax,  
and the administration of state taxes.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraphs; Internal Revenue Code Reference. Amend RSA 77-A:1, XX (b)-(d) to read as follows:

(b) For all tax years beginning before January 1, 1987, the United States Internal Revenue Code (1954) as amended[; and].

(c) For all tax years beginning after December 31, 1986, the United States Internal Revenue Code of 1986 in effect on December 22, 1987[; and].

(d) For all tax years beginning after December 31, 1987, the United States Internal Revenue Code of 1986 in effect on November 10, 1988.

*(e) For all tax years beginning after December 31, 1988, the United States Internal Revenue Code of 1986 in effect on December 19, 1989.*

*(f) For all tax years beginning after December 31, 1990, the United States Internal Revenue Code of 1986 in effect on November 5, 1990.*

2 Definition of Manufactured Housing; Real Estate Transfer Tax. Amend RSA 78-B:1, IV to read as follows:

IV. For the purposes of this chapter, manufactured housing, as defined by RSA [31:118] **674:3I**, shall be deemed real estate at such time as it is placed on a site and tied into required utilities.

3 Transfer of Title Between Spouses. Amend RSA 78-B:2, XIII to read as follows:

XIII. To a transfer of title *between spouses* pursuant to a final decree of divorce or nullity.

4 Type of Notice Required; Communications Services Tax. Amend RSA 82-A:15, III to read as follows:

III. [Whenever notice to a retailer or taxpayer is required by this chapter, such notice shall be personally served or given by United States certified or registered mail, addressed to the retailer or taxpayer concerned at his last known address, and proof of such mailing shall be sufficient for the purposes of this chapter]. In the case of a notice of hearing, such notice shall be mailed *to the retailer or taxpayer concerned at his last known address, by United States certified or registered mail, and such notice shall be mailed* not less than 7 days prior to the date fixed for the hearing.

5 Manufactured Housing Reference Changed. Amend RSA 480:1 to read as follows:

480:1 Amount. Every person is entitled to \$5,000 worth of his homestead, or of his interest therein, as a homestead. The homestead right created by this chapter shall exist in manufactured housing, as defined by RSA [31:118] **674:31**, which is owned and occupied as a dwelling by the same person but shall not exist in the land upon which the manufactured housing is situated if that land is not also owned by the owner of the manufactured housing.

6 New Paragraph; Duties of Commissioner. Amend RSA 21-J:3 by inserting after paragraph XVIII the following new paragraph:

XIX. Enter in contractual agreements with financial institutions to receive and process tax returns or documents and deposit tax revenues received with such documents.

7 Confidentiality of Department Records: Disclosure of Information by Vendors. Amend RSA 21-J:14, I to read as follows:

I. Notwithstanding any other provision of law, and except as otherwise provided in this chapter, the records and files of the department are confidential and privileged. Neither the department, nor any employee of the department, nor any other person charged with the custody of such records or files, *nor any vendor or any of its employees to whom such information becomes available in the performance of any contractual services for the department* shall disclose any information obtained from the department's records, files, or returns or from any examination, investigation or hearing, nor may any such employee or person be required to produce any such information for the inspection of any person or for use in any action or proceeding except as hereinafter provided.

8 Confidentiality of Department Records; Violation by Vendor. Amend RSA 21-J:14, VIII to read as follows:

VIII. Violation of this section is a misdemeanor and if the offender is an officer or an employee of the state *or an officer or employee of a vendor which has entered into a contractual agreement with the department under 21-J:3, XIX*, he shall in addition be removed from his office or dismissed from his employment.

9 New Paragraph; Confidentiality of Department Records and Vendors. Amend RSA 21-J:14 by inserting after paragraph IX the following new paragraph:

X. Returns or other documents mailed to a vendor of the department for the processing and depositing of tax revenues on behalf of the department shall be confidential records of the department upon their receipt by the vendor. The vendor and its employees having any access to this confidential information shall be subject to the provisions of RSA 21-J:14.

10 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill:

(1) Updates the reference to the United States Internal Revenue code in the business profits tax.

(2) Updates references to the definition of manufactured housing in the real estate transfer tax and in the homestead exemption.

(3) Clarifies, for real estate transfer tax purposes, that a transfer of title between spouses is exempt when pursuant to a divorce decree.

(4) Changes the notice required to a retailer or taxpayer under the communications services tax.

(5) Adds new provisions relative to the duties of the commissioner of revenue administration and the confidentiality of department records.

This bill is a request of the department of revenue administration.

Adopted.

**HB 353-FN-A, to tax smokeless tobacco. OUGHT TO PASS.**

Unlike our three abutting states, there presently is no state tax on chewing tobacco and snuff. This bill imposes a tax on smokeless tobacco at a rate proportional to the cigarette tax. The Committee believes that taxing smokeless tobacco is good public policy, balancing the competing values of (1) public interest in health, (2) the state's need for revenue, (3) business interests, and (4) the rights of individuals to buy and use products. The Fiscal Note prepared by the Division of Revenue Administration calls for more than \$500,000 in revenue in FY 1992. Vote 14-5. Rep. Douglass P. Teschner for Ways and Means.

Rep. Teschner offered a floor amendment.

**Floor Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

to tax smokeless tobacco and making  
an appropriation therefor.

Amend the bill by replacing section 8 with the following:

8 Appropriation. The sum of \$4,300 for the fiscal year ending June 30, 1992, and the sum of \$1,000 for the fiscal year ending June 30, 1993, are hereby appropriated to the department of revenue administration for the purpose of administering the tax imposed in sections 1-7 of this act. These sums shall be in addition to any other funds appropriated to the department of revenue administration. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

9 Effective Date. This act shall take effect July 1, 1991.

**AMENDED ANALYSIS**

This bill adds smokeless tobacco to the tobacco products which are subject to taxation under RSA 78.

The tax upon smokeless tobacco is imposed at a rate proportional to the cigarette tax, having such ratio to the usual wholesale price of the smokeless tobacco as the cigarette tax bears to the usual wholesale price of the cigarettes.

The bill also authorizes the commissioner of revenue administration to exempt smokeless tobacco from having stamps affixed to the packages, and to require the submission of periodic reports by wholesalers in place of the stamps.

The bill makes appropriations for fiscal year 1992 and for fiscal year 1993, for the purpose of administering the tax on smokeless tobacco.

Rep. Teschner spoke in favor.

Adopted.

Rep. Drake offered a floor amendment.

**Floor Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

to tax smokeless tobacco and making an appropriation  
therefore and relative to an annual payment  
for admission to practice law.

Amend the bill by replacing section 9 with the following:

9 Annual Payment for Admission to Practice Law. Amend RSA 311:2 to read as follows:

311:2 Admission to Practice **and Annual Payment.**

I. Any citizen of the age of 18 years, of good moral character and suitable qualifications, on application **and annual payment of \$500** to the supreme court shall be admitted to practice as an attorney.

**II. Attorneys admitted to practice, but not engaged in the practice of law, shall be exempt from the annual payment provision of paragraph I.**

**III. Attorneys exclusively engaged in the practice of law as employees of the state of New Hampshire, or a political subdivision thereof, shall be exempt from the annual payment provision of paragraph I.**

**IV. If the exemptions provided in paragraphs II and III of this section should be held unconstitutional, then the annual payment provision of paragraph I shall apply to all attorneys admitted to practice.**

10 Effective Date. This act shall take effect July 1, 1991.

**AMENDED ANALYSIS**

This bill adds smokeless tobacco to the tobacco products which are subject to taxation under RSA 78.

The tax upon smokeless tobacco is imposed at a rate proportional to the cigarette tax, having such ratio to the usual wholesale price of the smokeless tobacco as the cigarette tax bears to the usual wholesale price of the cigarettes.

The bill also authorizes the commissioner of revenue administration to exempt smokeless tobacco from having stamps affixed to the packages, and to require the submission of periodic reports by wholesalers in place of the stamps.

This bill also establishes an annual fee of \$500 for practicing attorneys. The \$500 fee is paid to the supreme court. Non-practicing attorneys are exempt from paying the fee, as are attorneys exclusively employed by the state, counties or municipalities.

**HB 378-FN-A**, relative to determining reasonable compensation and adopting a safe harbor formula under the business profits tax. **OUGHT TO PASS WITH AMENDMENT.**

The amendment is the bill. The bill revises the old and often-changed definition of "reasonable compensation" in the Business Profits Tax in an attempt to eliminate some of the more abusive compensation claims. Although it is expected to generate additional revenue in future years, no increased revenue for the biennium is expected. Vote 20-0. Rep. Robert C. Hayes for Ways and Means.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to determining reasonable compensation  
under the business profits tax.

Amend the bill by replacing all after the enacting clause with the following:

I Determining Reasonable Compensation. Amend RSA 77-A:4, III to read as follows:

III. (a) In the case of a proprietorship or partnership, a deduction equal to a fair and reasonable compensation for the personal services of the proprietor or partners actually devoting time and effort in the operation of the [enterprise] *business organization*. The purpose of this paragraph is to permit deduction from gross business profits of a proprietorship or partnership only of such amounts as are fairly attributable to the personal services of the proprietor or partners *who are natural persons, but not to permit deduction of any amounts as are fairly attributable to a return on business assets or the labor of non-owner employees of the business organization*. [Such amounts would generally be the amount reported as earned income on federal income tax returns, but would also include compensation for operating rental property, amounts deemed to be reasonable commissions on the sale of property, and other amounts due to services rendered. If there is occasion to determine] *The burden shall be upon the business organization filing the return to demonstrate the reasonableness of a deduction claimed under this paragraph, by a preponderance of the evidence. In considering* the reasonableness of a deduction claimed under this paragraph, the commissioner shall consider the claimed deduction in light of compensation for personal services of employees in positions requiring similar responsibility, devotion of time, education and experience in business organizations of similar size, volume and complexity. In addition, the commissioner shall take into account the value [of the proprietorship or partnership] *to the business organization* of the labor of its *non-owner* employees, [the proprietor, or any of the partners,] and the use of [their property] *the business assets of the business organization* and any other factor which may reasonably assist the commissioner in making a determination *as to the reasonableness of the claimed deduction*. [Such determination by the commissioner shall be deemed reasonable unless the taxpayer proves to the commissioner, by a preponderance of the evidence upon the standards set forth in this paragraph and after notice and hearing, that the deduction claimed by the taxpayer is not grossly excessive. Provided, that a taxpayer ascertaining its gross business profits in this state by the allocation procedure established in RSA 77-A:3 is allowed only such percentage of the deductions allowable in paragraphs II, III, and IV as has been applied by it in ascertaining its gross business profits in this state. Provided further that subject to the

preceding sentence, a minimum deduction of \$3,000 shall be allowed on account of the proprietor or each partner actually devoting time and effort in the operation of the enterprise.]

*(b) The amount of any deduction claimed under subparagraph (a) shall not exceed the amount reported as earned income from the activities of the business organization as reflected on the federal income tax returns of the proprietor or partner rendering such personal services, but may also include an amount not to exceed net rental income as compensation for operating rental property, and an amount not to exceed 15 percent of the gross selling price as commissions on the sale of business assets. Provided, that subject to the preceding sentence, a minimum deduction of \$6,000 shall be allowed on account of the proprietor or each partner who is a natural person actually devoting time and effort in the operation of the business organization.*

2 Effective Date. This act shall take effect upon its passage, and shall apply to returns and taxes due on account of taxable periods beginning on or after January 1, 1991.

#### AMENDED ANALYSIS

This bill amends the business profits tax relative to the deduction which a proprietorship or partnership may take for fair and reasonable compensation for personal services.

The bill sets the following standard to be used in determining the deduction for reasonable compensation for proprietorships and partnerships:

- (1) The deduction must be for the personal services of the partner or the proprietor.
- (2) The partner or proprietor must be an individual or natural person who actually devotes time and effort to the business organization.
- (3) There may not be a deduction of any portion of the business organization's gross business profits from either return on capital investment or non-owner employee's labor.

The bill places the burden of proof on the taxpayer to show that he is entitled to the deduction, and sets guidelines for the commissioner of revenue administration to follow in determining the reasonableness of a deduction.

The bill also increases the minimum deduction which is currently allowed from \$3,000 to \$6,000.

Adopted.

Report adopted.

Ordered to third reading.

**HB 592-FN-A**, relative to a business tax and making an appropriation therefor. **ought to pass with amendment.**

House Bill 592, which was the ever-unpopular business poll tax, had all of its original language removed. It now is a bill which sets court fees. In the early 1980s, the Legislature gave the Supreme Court the responsibility to set fees. The Committee feels that it is appropriate for the Legislature to resume responsibility for that task. In many cases, the Committee chose not to increase the fees at all, but in other areas the increases ranged from 50 percent to 100 percent. The Committee also added a fee for all other motions. This is something for which no fee was currently being charged. The Committee believes that not only will this help offset the expense of these motions, it hopefully will reduce their numbers which often seem designed only to slow the process. Vote 14-4. Rep. Shawn N. Jasper for Ways and Means.

**Amendment**

Amend the title of the bill by replacing it the following:

AN ACT  
relative to court fees.

Amend the bill by replacing all after the enacting clause with the following:

**HB 622-FN**, relative to a debt management plan. **OUGHT TO PASS WITH AMENDMENT.**

This bill is an attempt to "raise the consciousness" of the Legislature to the long-term effect of tax-supported debt. As amended, the bill requires a 3/5 vote of the Legislature if the total tax-supported debt service in any year on all funded projects exceeds 10 percent of the previous year's unrestricted revenue. Additionally, the Legislative Budget Assistant would be required to include in the fiscal note for capital projects an estimate of the debt service incurred. Vote 19-0. Rep. Donald O. Crutchley for Ways and Means.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Debt Management. Amend RSA by inserting after chapter 6-B the following new chapter:

#### CHAPTER 6-C DEBT MANAGEMENT

6-C:1 Definitions. In this chapter, "net tax supported debt" of the state means the principal amount of any bonds, notes (excluding revenue anticipation or other temporary notes payable no later than one year from their dates), loans, leases in excess of 5 years or other evidence of indebtedness, excluding refinanced debt, which has been

authorized but not yet repaid or otherwise cancelled, for whatever period or purpose incurred, for which debt service payments are either:

I. Made directly by the state from taxes and other unrestricted general fund revenues, unless, and then only to the extent that, specific revenues are segregated or pledged for such debt service payments; or

II. Guaranteed by the state, unless, and then only to the extent that:

(a) Specific revenues are segregated or pledged for such debt service payments; or

(b) The guaranteed indebtedness is either a general obligation of a municipal corporation, for the payment of which property taxes may be levied, or is otherwise self-supporting.

#### 6-C:2 Affordable Debt Limit.

I. The general court shall not authorize any additional net tax supported debt of the state if the debt service on such additional net tax supported debt, when added to the debt service on any previously authorized net tax supported debt, both issued and unissued, exceeds 10 percent of the unrestricted general fund revenues for the previous fiscal year.

II. The general court may only exceed the ceilings in paragraph I by a 3/5 vote of each house present and voting.

2 Debt Service Fiscal Impact. Amend RSA 14:46, III to read as follows:

III. The fiscal impact note shall include:

(a) An estimate of the anticipated impact of the bill on state or city or town or county fiscal liability or revenues, including any charge in taxable valuation; [and]

(b) Whether or not there is a federal mandate for a proposed program[.]; *and*

(c) *The impact on debt service for any bill which proposes additional bonded debt for capital projects including;*

*(1) The amount of all outstanding general fund bonded indebtedness on behalf of and incurred by the state during the last completed fiscal year; and*

*(2) A debt retirement schedule for all outstanding general fund bonded indebtedness including the bill's bonded indebtedness for the following 2 bienniums.*

3 Effective Date. This act shall take effect July 1, 1991.

#### AMENDED ANALYSIS

This bill prohibits the general court from authorizing any additional net tax supported debt where such debt, under certain circumstances, would exceed 10 percent of unrestricted general fund revenues.

The bill requires any fiscal impact note prepared by the legislative budget assistant to indicate the impact which a bill has on debt services involving additional bonded debt for capital projects. The fiscal note shall also include the amount of all outstanding general fund bonded indebtedness incurred on behalf of and by the state during the last completed fiscal year and a debt retirement schedule for all outstanding general fund bonded indebtedness including the bonded indebtedness of the bill for the following 2 bienniums.

Adopted.

Rep. Sytek offered a floor amendment.

#### Floor Amendment

Amend RSA 6-C:2, II as inserted by section 1 of the bill by replacing it with the following:

II. The general court may only exceed the ceiling in paragraph I by a 3/5 vote of each house present and voting. Such 3/5 vote shall only apply to votes on final passage and adoption of committee of conference reports.

Rep. Donna Sytek spoke in favor.

Adopted.

Report adopted.

Ordered to third reading.

**HB 649-FN**, relative to roadside litter cleanup. **OUGHT TO PASS WITH AMENDMENT.**

House Bill 649 had all of its original language removed and has become the vehicle for reducing the cigarette tax from 25-cents to 21-cents per pack. New Hampshire has seen its share of the cigarette market erode significantly since we raised our tax. As a result, we did not meet our revenue projections. It is the belief of the Committee that by lowering our tax we can regain some of that market, and at the very least, we hope that our revenues will not decline any further. If our neighboring states raise their rates, we will see growth in this source of revenue. Vote 16-3. Rep. Shawn N. Jasper for Ways and Means.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to the cigarette tax.

Amend the bill by replacing all after the enacting clause with the following:

1 Cigarette Tax Decreased. Amend RSA 78:7 to read as follows:

78:7 Tax Imposed. A tax upon the retail consumer is hereby imposed at the rate of [25] 21 cents for each package containing 20 cigarettes or at a rate proportional to such rate for packages containing more or less than 20 cigarettes, on all tobacco products sold at retail in this state. The payment of the tax shall be evidenced by affixing stamps to the smallest packages containing the tobacco products in which such products usually are sold at retail. The word "package" as used in this section shall not include individual cigarettes. No tax is imposed on any transactions, the taxation of which by this state is prohibited by the Constitution of the United States.

2 Applicability. This act shall apply to the purchase of stamps or the application of stamps, or both, by machine on or after July 1, 1991.

3 Effective Date. This act shall take effect July 1, 1991; except that the commissioner of the department of revenue administration shall establish procedures to verify the tobacco stamp metering machine settings as of the close of business June 30, 1991.

#### **AMENDED ANALYSIS**

This bill decreases the cigarette tax from \$.25 to \$.21 per package.

Adopted.

Report adopted.

Ordered to third reading.

**HB 764-FN**, relative to taxation of special fuel and motor fuel and imposing a floor tax on special fuel. **INEXPEDIENT TO LEGISLATE.**

This bill would change the method of collecting the diesel tax. Currently, trucks file quarterly payments of tax owed for miles traveled in New Hampshire, while passenger cars annually pay an amount equal to double their registration fee. Under the bill,

the tax would instead be collected at the pump and truckers could file for a refund quarterly. An undetermined, but probably small amount of revenue would be received from those who are now fraudulently avoiding the tax. However, there was ample testimony that any revenue gain would be more than offset by losses in Business Profits Tax, and in the cigarettes, beer, and meals taxes. After careful consideration of the broad state-revenue impact, as well as the effect on New Hampshire businesses, the Committee voted 16-3 to retain the current system. Rep. Frederick G. Ahrens for Ways and Means.

Adopted.

**HB 800-FN-A**, relative to the general revenues of the state. **INEXPEDIENT TO LEGISLATE**.

This is an omnibus bill relative to the general revenues of the state and was voted Inexpedient to Legislate by the Committee. This bill contains many suggestions for raising revenue. Only two portions showed merit and they appear in other bills: (1) the decrease in the cigarette tax, and (2) the fees to be charged in the state court system. Vote 20-0. Rep. Barbara E. Arnold for Ways and Means.

Rep. Record moved that the words Ought to Pass with Amendment, be substituted for the report of the Committee, Inexpedient to Legislate and spoke to her motion.

Rep. DePecol spoke against and yielded to questions.

Rep. Kurk spoke in favor and yielded to questions.

Rep. Soldati spoke against and yielded to questions.

Rep. Ward spoke in favor.

Rep. Cowenhoven spoke in favor and yielded to questions.

Rep. Salatiello spoke in favor.

Roll call request sufficiently seconded.

The question being on the substitute motion.

**REMARKS**

Rep. Rosen moved that the remarks of Rep. Kurk be printed in the permanent journal.

Adopted.

Rep. C. William Johnson: Rep. Kurk, I don't see anything in there, but is that meant to be a tax on ham radio operators also, which is a non-profit type thing which is done for pleasure and sometimes for emergency services?

Rep. Kurk: As long as these folks are not charging for their services, and they don't, at least the kind of ham operators I know about, they are not at all subject to this tax.

### RECONSIDERATION

Having voted with the prevailing side, Rep. Soldati moved that the House reconsider HB 800.

### **SPECIAL ORDER**

**HB 64-FN-A**, to impose a nuclear electricity generation tax. **OUGHT TO PASS WITH AMENDMENT.**

The amendment is the bill. The bill imposes a property tax at a rate of 1/2 percent on nuclear power plants, effective July 1, 1991, raising \$17.5 million annually. The Committee amendment modifies the Governor's property-tax proposal by continuing the utilities franchise tax (retaining \$8 million annually) and eliminating the property tax credit against the Business Profits Tax. Of the almost \$18 million of new money raised, approximately 2/3 will be paid by out-of-state interests. The Committee carefully studied the constitutional issues and believes the Committee changes have buttressed the bill's constitutionality, as well as substantially increasing the revenue contained in the Governor's proposal. Vote 17-3. Rep. Robert C. Hayes for Ways and Means.

### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to establishing a tax on nuclear station property  
and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Tax on Nuclear Station Property. Amend RSA by inserting after chapter 830C the following new chapter:

#### **CHAPTER 83-D**

#### **TAX ON NUCLEAR STATION PROPERTY**

83-D:1 Declaration of Purpose and Findings. The general court finds:

1. Nuclear station property is the only property in the state that generates electricity from the fission of atoms.

II. Creating electricity from the fission of atoms imposes unique responsibilities on the state.

III. A nuclear station creates special and unique public safety requirements and burdens on the state.

IV. A nuclear station has a unique and long lasting impact on the environment which creates burdens on the state.

V. Accordingly, in the exercise of authority under Part II, Article 6 of the constitution of New Hampshire, the general court concludes that nuclear station property constitutes a distinct class of property that is appropriately subject to taxation as such by the state, to help defray the public charges of government, as provided in this chapter.

83-D:2 Nuclear Station Property Defined. For the purposes of this chapter, nuclear station property means the land, buildings, structures, tunnels, machinery, dynamos, apparatus, poles, wires, nuclear fuel and fixtures of all kinds and descriptions used in generating, producing, supplying and distributing electric power or light from the fission of atoms, exclusive of transmission lines.

83-D:3 Tax Imposed. A tax is imposed upon the value of nuclear station property at the rate of .5 percent of valuation, to be assessed annually as of April 1 and paid in accordance with this chapter.

83-D:4 Valuation. The commissioner of revenue administration shall determine the valuation of a nuclear station property. For the purposes of this chapter, the commissioner shall appraise nuclear station property using the standard established pursuant to RSA 75:1.

83-D:5 Persons Liable. The tax imposed by this chapter shall be assessed upon each person with an ownership interest in nuclear station property, in the proportion that such person's ownership interest bears to the entirety of the ownership in the property.

83-D:6 Returns and Declarations.

I. On or before January 15 each year, each person shall file with the commissioner of revenue administration, on a form prescribed by the commissioner, a return based on the valuation for April 1 of the prior year. The return shall be accompanied by the payment of such amount as has not been prepaid in accordance with paragraph III of this section. If the return shows an additional amount to be due, such additional amount is due and payable at the time the return is filed. If such return shows an overpayment of the tax due, a credit against a subsequent payment or payments due, to the extent of the overpayment, shall be allowed.

II. On or before April 15 of each year, each person liable to pay the tax imposed by this chapter shall file with the commissioner, on a form prescribed by the commissioner, a statement setting forth the amount of its ownership interest as of April 1. The statement shall include such additional information as the commissioner shall require and shall be signed by an authorized representative, subject to the pains and penalties of perjury. The statement shall be accompanied by the payment of such amount as has not been prepaid in accordance with paragraph III of this section.

III. At the time the statement required by paragraph II is filed, each person liable for the tax shall, in addition, file a declaration of the estimated tax to be assessed as of April 1 in the current calendar year, based on the tax assessed for the preceding calendar year, accompanied by payment of 1/4 of the estimated tax due. Additional payments of 1/4 of the estimated tax shall be made on June 15, September 15 and December 15.

IV. As of June 1 of each year the principal owner of a nuclear station shall file a list of the changes made to the nuclear station property since the prior April 1. This statement shall include such additional information as the commissioner shall require and shall be signed by an authorized representative, subject to the pains and penalties of perjury.

V. Taxes and estimated taxes not paid when due shall be subject to appropriate penalties and interest under RSA 21-J.

83-D:7 Records.

I. Every person liable for tax under RSA 83-D:5 shall:

(a) Keep such records as may be necessary to determine the amount of his liability under this chapter.

(b) Preserve such records for the period of at least 3 years or until any litigation or prosecution under this chapter is finally determined.

(c) Make such records available for inspection by the commissioner of revenue administration or his authorized agents, upon demand, at reasonable times during regular business hours.

II. Whoever violates any of the provisions of this section shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

83-D:8 Tax Payable for 1991. For the calendar year 1991, the tax imposed by this chapter shall be deemed to have been assessed as of April 1, 1991. No later than 30 days after the effective date of this chapter, each person liable for the tax shall file with the commissioner of revenue administration a statement setting forth the amount of the person's ownership interest and a list of the changes made to the nuclear station property since the prior April 1. Liability for the tax payable for 1991 is limited to 1/2 of the amount that would otherwise be due. Payments of estimated tax are due on September 15 and December 15, 1991. Liability for the tax payable for 1991 is limited to 1/2 of the amount that would otherwise be due. For purposes of this section, estimated tax payments shall be based upon the valuation determined by the department of revenue administration in 1990. Any overpayment or underpayment under RSA 83-D, by a person defined in RSA 83-D:5, shall be reconciled pursuant to RSA 83-D:6, I.

83-D:9 Adjustments; Procedure. The commissioner of revenue administration is empowered to determine whether there has been error in the assessment of the tax imposed by RSA 83-D:3 in accordance with the following provisions:

I. The person may demand such a determination in writing, within 30 days after the tax was due.

II. After hearing, if requested by the person, the commissioner shall affirm or shall increase or decrease the tax assessed. Any increase ordered by the commissioner shall be assessed against the person and shall carry interest as prescribed in RSA 21-J:28. Any decrease ordered by the commissioner shall, with interest pursuant to RSA 21-J:28 from the date the tax was paid, be credited against any unpaid tax then due from the person, and any balance due the person shall be certified to the state treasurer who shall pay the balance to the person. Such credit and payment together shall not exceed the amount of the tax originally paid.

83-D:10 Appeal. Within 30 days after notice of any adjustment of tax by the commissioner of revenue administration under RSA 83-D:9, a person may appeal the commissioner's determination either by written application to the board of tax and land appeals or by petition to the superior court in the county in which the person has

a place of business or resident agent. The board of tax and land appeals or the superior court, as the case may be, shall determine the correctness of the commissioner's action de novo.

83-D:11 Administration.

I. The commissioner of revenue administration shall collect the taxes, interest, additions to tax and penalties imposed under this chapter. The commissioner shall determine the expense of administration of this chapter and shall certify and pay over to the state treasurer the amount of remaining balance of the funds collected under this chapter after the expenses of administration have been deducted.

II. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:

(a) The administration of the tax imposed under RSA 83-D:3; and

(b) The recovery of any tax, interest on tax, or penalties imposed by RSA 83-

D.

III. The commissioner may institute actions in the name of the state to recover any tax, interest on tax, additions to tax or the penalties imposed by this chapter.

IV. In the collection of the tax imposed by this chapter, the commissioner may use all of the powers granted to tax collectors under RSA 80 for the collection of taxes, except that the tax imposed by this chapter shall not take precedence over prior recorded mortgages. The commissioner shall also have all of the duties imposed upon the tax collectors by RSA 80 that are applicable to him. The provisions of RSA 80:26 shall apply to the sale of land for the payment of taxes due under this chapter, and the state treasurer is authorized to purchase the land for the state. If the state purchases the land, the state treasurer shall certify the purchase to the governor, and the governor shall draw his warrant for the purchase price out of any money in the treasury not otherwise appropriated.

V. The commissioner may take the oath of any person in the course of any hearing authorized under RSA 83-D:9, II. In connection with hearings, the commissioner and taxpayer have the power to compel attendance of witnesses and the production of books, records, papers, vouchers, accounts or other documents. The commissioner and taxpayer may take the depositions of witnesses residing within or without the state pertaining to any matter under this chapter, in the same way as depositions of witnesses are taken in civil actions in the superior court. Fees of witnesses shall be the same as those allowed to witnesses in the superior court and in the case of witnesses summoned by the commissioner shall be considered as an expense of administration of this chapter.

VI. Any notice required by this chapter to be given by the commissioner to a taxpayer shall be made by first class mail to the last known address of the taxpayer, but in the case of hearings, notice shall be given at least 10 days before the date of the hearing and by certified mail.

2 Appropriation. The sum of \$19,091 for the fiscal year ending June 30, 1992, and the sum of \$14,693 for the fiscal year ending June 30, 1993, are hereby appropriated to the department of revenue administration for the purpose of administering the tax imposed in section 1 of this act. These sums shall be in addition to any other funds appropriated to the department of revenue administration. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

3 Effective Date. This act shall take effect upon its passage.

**AMENDED ANALYSIS**

This bill imposes a tax of .5 percent of valuation upon the value of nuclear station property. The tax is assessed upon each person with an ownership interest in such property, on a proportional basis.

Nuclear station property is defined as land, buildings, structures, tunnels, machinery, dynamos, apparatus, poles, wires, nuclear fuel and fixtures of all kinds and descriptions used in generating, producing, supplying and distributing electric power or light from the fission of atoms, exclusive of transmission lines.

The bill makes appropriations for fiscal year 1992 and for fiscal year 1993, for the purpose of administering the tax.

Rep. Donna Sytek spoke against the committee amendment and yielded to questions.

Amendment failed.

Rep. Hayes offered a floor amendment.

**Floor Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

relative to establishing a tax on nuclear station property  
and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Tax on Nuclear Station Property. Amend RSA by inserting after chapter 83-C the following new chapter:

**CHAPTER 83-D****TAX ON NUCLEAR STATION PROPERTY**

83-D:1 Declaration of Purpose and Findings. The general court finds:

I. Nuclear station property is the only property in the state that generates electricity from the fission of atoms.

II. Creating electricity from the fission of atoms imposes unique responsibilities on the state.

III. A nuclear station creates special and unique public safety requirements and burdens on the state.

IV. A nuclear station has a unique and long lasting impact on the environment which creates burdens on the state.

V. Accordingly, in the exercise of authority under Part II, Article 6 of the constitution of New Hampshire, the general court concludes that nuclear station property constitutes a distinct class of property that is appropriately subject to taxation as such by the state, to help defray the public charges of government, as provided in this chapter.

83-D:2 Nuclear Station Property Defined. For the purposes of this chapter, nuclear station property means the land, buildings, structures, tunnels, machinery, dynamos, apparatus, poles, wires, nuclear fuel and fixtures of all kinds and descriptions used in generating, producing, supplying and distributing electric power or light from the fission of atoms, exclusive of transmission lines.

83-D:3 Tax Imposed. A tax is imposed upon the value of nuclear station property at the rate of .64 percent of valuation, to be assessed annually as of April 1 and paid in accordance with this chapter.

83-D:4 Valuation. The commissioner of revenue administration shall determine the valuation of nuclear station property. For the purposes of this chapter, the commis-

sioner shall appraise nuclear station property using the standard established pursuant to RSA 75:1.

83-D:5 Persons Liable. The tax imposed by this chapter shall be assessed upon each person with an ownership interest in nuclear station property, in the proportion that such person's ownership interest bears to the entirety of the ownership in the property.

83-D:6 Application of Credit. If the person liable for the tax imposed by this chapter is a member of a unitary business within the meaning of RSA 77-A:1, XIV, then the entire amount of the tax due under this chapter shall be allowed as a credit pursuant to RSA 77-A:5, I, against the tax liability of such unitary business under RSA 77-A.

83-D:7 Returns and Declarations.

I. On or before January 15 each year, each person shall file with the commissioner of revenue administration, on a form prescribed by the commissioner, a return based on the valuation for April 1 of the prior year. The return shall be accompanied by the payment of such amount as has not been prepaid in accordance with paragraph III of this section. If the return shows an additional amount to be due, such additional amount is due and payable at the time the return is filed. If such return shows an overpayment of the tax due, a credit against a subsequent payment or payments due, to the extent of the overpayment, shall be allowed.

II. On or before April 15 of each year, each person liable to pay the tax imposed by this chapter shall file with the commissioner, on a form prescribed by the commissioner, a statement setting forth the amount of its ownership interest as of April 1. The statement shall include such additional information as the commissioner shall require and shall be signed by an authorized representative, subject to the pains and penalties of perjury. The statement shall be accompanied by the payment of such amount as has not been prepaid in accordance with paragraph III of this section.

III. At the time the statement required by paragraph II is filed, each person liable for the tax shall, in addition, file a declaration of the estimated tax to be assessed as of April 1 in the current calendar year, based on the tax assessed for the preceding calendar year, accompanied by payment of 1/4 of the estimated tax due. Additional payments of 1/4 of the estimated tax shall be made on June 15, September 15 and December 15.

IV. As of June 1 of each year the principal owner of a nuclear station shall file a list of the changes made to the nuclear station property since the prior April 1. This statement shall include such additional information as the commissioner shall require and shall be signed by an authorized representative, subject to the pains and penalties of perjury.

V. Taxes and estimated taxes not paid when due shall be subject to appropriate penalties and interest under RSA 21-J.

83-D:8 Records.

I. Every person liable for tax under RSA 83-D:5 shall:

(a) Keep such records as may be necessary to determine the amount of his liability under this chapter.

(b) Preserve such records for the period of at least 3 years or until any litigation or prosecution under this chapter is finally determined.

(c) Make such records available for inspection by the commissioner of revenue administration or his authorized agents, upon demand, at reasonable times during regular business hours.

II. Whoever violates any of the provisions of this section shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

83-D:9 Tax Payable for 1991. For the calendar year 1991, the tax imposed by this chapter shall be deemed to have been assessed as of April 1, 1991. For purposes of such assessment, the valuation of nuclear station property shall not exceed \$3,500,000,000. No later than 30 days after the effective date of this chapter, each person liable for the tax shall file with the commissioner of revenue administration a statement setting forth the amount of the person's ownership interest and a list of the changes made to the nuclear station property since the prior April 1. Payments of estimated tax are due on September 15 and December 15, 1991. Liability for the tax payable for 1991 is limited to 1/2 of the amount that would otherwise be due. For purposes of this section, estimated tax payments shall be based upon a valuation of nuclear station property equal to \$3,500,000,000. Any overpayment or underpayment under RSA 83-D, by a person defined in RSA 83-D:5, shall be reconciled pursuant to RSA 83-D:7, I.

83-D:10 Adjustments; Procedure. The commissioner of revenue administration is empowered to determine whether there has been error in the assessment of the tax imposed by RSA 83-D:3 in accordance with the following provisions:

I. The person may demand such a determination in writing, within 30 days after the tax was due.

II. After hearing, if requested by the person, the commissioner shall affirm or shall increase or decrease the tax assessed. Any increase ordered by the commissioner shall be assessed against the person and shall carry interest as prescribed in RSA 21-J:28. Any decrease ordered by the commissioner shall, with interest pursuant to RSA 21-J:28 from the date the tax was paid, be credited against any unpaid tax then due from the person, and any balance due the person shall be certified to the state treasurer who shall pay the balance to the person. Such credit and payment together shall not exceed the amount of the tax originally paid.

83-D:11 Appeal. Within 30 days after notice of any adjustment of tax by the commissioner of revenue administration under RSA 83-D:10, a person may appeal the commissioner's determination either by written application to the board of tax and land appeals or by petition to the superior court in the county in which the person has a place of business or resident agent. The board of tax and land appeals or the superior court, as the case may be, shall determine the correctness of the commissioner's action de novo.

83-D:12 Administration.

I. The commissioner of revenue administration shall collect the taxes, interest, additions to tax and penalties imposed under this chapter. The commissioner shall determine the expense of administration of this chapter and shall certify and pay over to the state treasurer the amount of remaining balance of the funds collected under this chapter after the expenses of administration have been deducted.

II. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:

(a) The administration of the tax imposed under RSA 83-D:3; and

(b) The recovery of any tax, interest on tax, or penalties imposed by RSA 83-D.

III. The commissioner may institute actions in the name of the state to recover any tax, interest on tax, additions to tax or the penalties imposed by this chapter.

IV. In the collection of the tax imposed by this chapter, the commissioner may use all of the powers granted to tax collectors under RSA 80 for the collection of taxes,

except that the tax imposed by this chapter shall not take precedence over prior recorded mortgages. The commissioner shall also have all of the duties imposed upon the tax collectors by RSA 80 that are applicable to him. The provisions of RSA 80:26 shall apply to the sale of land for the payment of taxes due under this chapter, and the state treasurer is authorized to purchase the land for the state. If the state purchases the land, the state treasurer shall certify the purchase to the governor, and the governor shall draw his warrant for the purchase price out of any money in the treasury not otherwise appropriated.

V. The commissioner may take the oath of any person in the course of any hearing authorized under RSA 83-D:10, II. In connection with hearings, the commissioner and taxpayer have the power to compel attendance of witnesses and the production of books, records, papers, vouchers, accounts or other documents. The commissioner and taxpayer may take the depositions of witnesses residing within or without the state pertaining to any matter under this chapter, in the same way as depositions of witnesses are taken in civil actions in the superior court. Fees of witnesses shall be the same as those allowed to witnesses in the superior court and in the case of witnesses summoned by the commissioner shall be considered as an expense of administration of this chapter.

VI. Any notice required by this chapter to be given by the commissioner to a taxpayer shall be made by first class mail to the last known address of the taxpayer, but in the case of hearings, notice shall be given at least 10 days before the date of the hearing and by certified mail.

2 Business Profits Tax; Credit Allowed for Tax on Nuclear Station Property. Amend RSA 77-A:5 by inserting after paragraph V the following new paragraph:

VI. Taxes paid pursuant to RSA 83-D.

3 Franchise Tax; Public Utility Redefined. Amend RSA 83-C:1, II to read as follows:

II. "Public utility" means every person, partnership, association and corporation except municipal corporation, engaged within this state in the manufacture, generation, distribution, transmission, or sale of gas [or electric energy].

4 Franchise Tax; Gross Receipts Redefined. Amend RSA 83-C:1, IV to read as follows:

IV. "Gross receipts" means all receipts received or accrued of the public utility from the sale of gas [or electricity] pursuant to franchises granted by this state. Gross receipts do not include receipts from sales of gas [or electricity] for use outside the state, or receipts from sales of gas [or electricity] to another public utility which is also subject to the payment of this tax.

5 Appropriation. The sum of \$19,091 for the fiscal year ending June 30, 1992, and the sum of \$14,693 for the fiscal year ending June 30, 1993, are hereby appropriated to the department of revenue administration for the purpose of administering the tax imposed in section 4 of this act. These sums shall be in addition to any other funds appropriated to the department of revenue administration. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

6 Effective Date. This act shall take effect July 1, 1991.

## AMENDED ANALYSIS

This bill imposes a tax of .64 percent of valuation upon the value of nuclear station property. The tax is assessed upon each person with an ownership interest in such property, on a proportional basis.

Nuclear station property is defined as land, buildings, structures, tunnels, machinery, dynamos, apparatus, poles, wires, nuclear fuel and fixtures of all kinds and descriptions used in generating, producing, supplying and distributing electric power or light from the fission of atoms, exclusive of transmission lines.

The bill makes appropriations for fiscal year 1992 and for fiscal year 1993, for the purpose of administering the tax.

The bill allows a credit against the tax due under the business profits tax for taxes paid pursuant to the tax on nuclear station property.

The bill also redefines "public utility" and "gross receipts" under the franchise tax to exclude utilities which generate or sell electricity from the tax.

Rep. Gross spoke in favor.

Rep. Dunn spoke against.

Rep. Chambers spoke in favor.

Rep. Jeffrey Brown spoke against and yielded to questions.

Reps. Vogler and Hayes spoke in favor and yielded to questions.

Roll call request sufficiently seconded.

The question being on the floor amendment.

**REMARKS**

Rep. Larson moved that the remarks of Rep. Gross be printed in the Permanent Journal.

Adopted.

Rep. Gross: Thank you Mr. Speaker, Members of the House: I rise in support of the floor amendment to HB 64, the so-called Hayes floor amendment which, by a unanimous vote of the Ways and Means Committee this morning, has now turned into the Ways and Means Floor Amendment. This was the amendment that was mailed to you last Friday separate from your House Calendar and so you have seen it before. Very often we Special Order things with the hope that it will be possible to return with a compromise amendment; this was indeed the case in this situation. The proposals we had last week, the Committee amendment, the Vogler amendment and the Governor's proposal had a great many things in common but they needed to have a few more things agreed to before they had a chance of passing this House and the amendment that you have before you today does have widespread support. It is carefully worded to be a property tax in order to avoid certain things we know about court decisions on certain other types of taxes on electric utilities. Specifically, Congress has passed a

very strict law that deals with taxing generating capacity or transmission lines. This is the so-called New Mexico court decision, a United States Supreme Court decision, that a New Mexico tax which had to do with generation or transmission of electricity interstate was not constitutional and that is why we do not have a tax for you today that is on generating capacity or deals with interstate transmission. We also have a New Hampshire Supreme Court advisory opinion from 1978 issued in reply from a question from this House. The question they were asked was, "Can you just tax electric utilities that have generating capacities over 500 kilowatts?", i.e. Seabrook. The answer they gave back was, "No, electricity is electricity and if you are going to tax electrical generating plants that generate electricity, you have to treat them all the same." The Court did hint in its opinion that it might be possible to establish a separate class called nuclear plants and that is what this bill does. This bill creates a tax on the property of nuclear plants. At the time we only have one, but if we had three it would tax all three of them the same way. At the present time under RSA 83:C, electric and gas public utilities pay a franchise tax, one percent of gross receipts, and this is paid by in-state electric and gas companies only. Municipal utilities are exempt from direct assessment of the franchise tax and these municipal utilities are: Ashland, Littleton, New Hampton, Wolfeboro and Woodsville. They pay the equivalent of the franchise tax when they purchase power wholesale, most likely from Public Service Co. of NH, but they do not pay the tax twice. They pay it through their wholesale purchases rather than being assessed directly. All New Hampshire in-state electric utilities pay this tax which includes not only the big ones, Public Service Co. of NH and the N.H. Electric Co-op, but it also includes, because we are treating electric utilities the same except the municipals, Concord Electric, Connecticut Valley, Exeter and Hampton and Granite State. The Seabrook Nuclear Plant is owned by 12 joint owners. Two of these are New Hampshire electric utilities which now pay the franchise tax. Ten are out-of-state utilities that do not. HB 64 would treat all 12 joint owners of Seabrook the same. It would impose a nuclear property tax at the rate of .64% that would be paid equally whether the owners were in New Hampshire or were not in New Hampshire. HB 64 would not increase rates for in-state customers because the same bill that imposes the new tax repeals the old franchise tax. It is just about a wash, that is why the rate was set at .64% and so if you have constituents who are customers of PSNH or the Co-op, they should see no appreciative difference in their bill whether we do it one way or we do it the other way. This is true of the municipals as well - it is not the intent of this bill that they pay a pass through on both the franchise tax and the new tax. As was the case with the old tax, it is the intention that they will pay in their purchase of wholesale for the new tax and not for both taxes and that for their customers also this will be a wash. In the process of putting together HB 64, if we were to repeal the franchise tax for the Co-op and for PSNH, in order that the new tax be a rough wash with what they were paying under the old tax, we also had to repeal the franchise tax for the other electric utilities in New Hampshire, and so, if you have constituents who are customers of Concord Electric, Connecticut Valley, Exeter and Hampton and Granite State, the repeal of the franchise tax they now pay should have a positive effect on their electric bills. We urge you to support this agreed-upon amendment which is the result of a great deal of work by a great many New Hampshire people, particularly Rep. Hayes who followed this through and consulted with almost everybody you could think of to consult. The compromise amendment has wide-spread support as you will see today. It is not a partisan amend-

ment. It has the support of the Governor, it has the support of House Leadership, it has the support of the Ways and Means Committee and it has the support of the leadership of the Committee on Science and Technology. Thank you.

### REMARKS

Rep. Weyler moved that the question by Rep. Jeffrey Brown and the response by Rep. Hayes be printed in the Journal.

On a division vote, 191 members having voted in the affirmative and 150 in the negative, the motion was adopted.

Rep. Jeffrey Brown: Rep. Hayes, are you telling this body, for the record, that this bill will have no effect whatsoever on the Town of Seabrook's tax rate and that is going to be the legislative intent? Is that correct?

Rep. Hayes: Your question as I understood it was this bill would have no effect on the Town of Seabrook taxes, and I can assure you that this bill will not, for the record.

### REGULAR CALENDAR

**HB 35-A**, making appropriations for capital improvements. (A) OUGHT TO PASS WITH AMENDMENT.

The amendment adds the Police Standards and Training Center, the Hazardous Waste Superfund match, and money for Lebanon Airport. It removes \$100,000 for the Technical Institute parking lot because the Planetarium does not have the money. The most important change is that the Committee accepts the Governor's recommendation to bond the aid to municipalities for water pollution control pursuant to the provisions of the Federal Clean Water Act of 1977 by adding \$13,590,000 to this capital budget. The Committee does this reluctantly, but finds, as the Governor did, that the money is not available from the operating budget. Vote 19-2. Rep. Elizabeth S. Hager for Appropriations.

9 Expenditures; General. The appropriation made for the purposes mentioned in sections 1, 3, 4, 5, 6, and 8 and the sums available for those projects shall be expended by the trustees, commissions, commissioner, or department head of the institutions and departments referred to herein; provided that all contracts and projects and plans and specifications therefor shall be awarded in accordance with the provisions of RSA 228.

10 Expenditures; University System of New Hampshire.

I. The appropriations made for the purposes mentioned in section 2 and the sums available for these projects shall be expended by the trustees of the university system of New Hampshire. All contracts for the construction of all or any part of said building or facilities shall be let only after competitive sealed bids have been received and only after an advertisement calling for such bids has been published at least once in each of 2 successive calendar weeks in a newspaper of general circulation in New Hampshire or in a trade journal known to be circulated among the contractors from whom bids will be sought with the state of New Hampshire or elsewhere in the area. The first publication of such advertisement shall be not less than 30 days prior to the date the bids will be received. All conditions considered, wherever possible, it is recommended that the services of New Hampshire architectural and construction firms be considered within the discretion of the trustees.

II. The appropriations made in section 2 are available for all costs incidental to the completion of the projects enumerated including the costs of the services of architects, engineers, and other consultants of such kind and capacity as the university system board of trustees may, in its discretion, wish to employ on such terms and conditions as the board determines. These moneys shall be spent under the direction of the university system board of trustees.

III. If, in the judgment of the trustees of the university system, just cause exists indicating the lowest bid should be rejected, then the contract may be awarded to the next lowest bidder; or, if the next lowest bid should be rejected, the contract may be awarded to the third lowest bidder.

IV. The board of trustees of the university system has the right to reject any and all bids and, if the lowest bid is in excess of the appropriation, the board has the right to negotiate with the low bidder or with the 3 lowest bidders for a contract for the construction upon terms considered most advantageous to the university. If only one bid is received, the board of trustees may negotiate a contract for the construction on terms considered most advantageous to the university system and to the state. Any authorization contained in this act which is at variance with the requirements of applicable federal law and regulations shall be controlled by the terms of the federal law and regulations.

11 Bonds Authorized. To provide funds for the total of the appropriations of state funds made in sections 1, 2, 3, 4, 5, 6, and 8 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$99,824,179 and for said purposes may issue bonds and notes in the name and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. In order to provide funds to pay the cost of issuing the bonds authorized by this section, the state treasurer may issue bonds up to 102 percent of the authorized amounts. The proceeds from the additional bonds may be used only for the purpose of paying such issuance costs.

12 Payments.

I. The payment of principal and interest on bonds and notes issued for the projects in sections 1 and 2 shall be made when due from the general funds of the state.

II. The payment of principal and interest on bonds issued for projects in:

(a) section 3 shall be made from the highway fund.

(b) section 4 shall be made from the fish and game fund.

(c) section 5 shall be made from the port authority revenues.

(d) section 6 shall be made from the police standards and training council training fund.

(e) section 8 shall be made from the dam maintenance fund.

13 Liquidation. The state treasurer is authorized to deduct from the fund accruing to the university under RSA 187-A:7, or appropriation in lieu thereof, for each fiscal year such sum as may be necessary to meet interest and principal payments in accordance with the terms and conditions of the bonds and notes issued for the purpose of section 2.

14 Land Acquisition. Any land acquired under the appropriations made in sections 1, 3, 4, 5, 6, and 8 except the land conservation program in section 1, IV, A and such land, if any, as may be acquired under the appropriation for the division of water resources, shall be purchased by the commissioner of transportation with the approval of governor and council.

15 Architectural Requirements. No new building authorized by this act shall be constructed without meeting life safety code requirements, handicapped architectural barrier-free code requirements and energy conservation code requirements.

16 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes hereof.

II. To accept any federal funds which are, or become available for any project under sections 1, 3, 4, 5, 6, and 8 beyond the estimated amounts. The net appropriation of state funds for any project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 1 shall be reduced by the same amount.

17 Transfers. The individual project appropriations provided in sections 1, 3, 4, 5, 6, and 8 of this act shall not be transferred or expended for any other purposes; provided that if there is a balance remaining after an individual project, which is fully funded by state funds, is completed, accepted, and final payment made, said balance or any part thereof may be transferred by governor and council to any other individual project or projects, which are also fully funded by state funds, within the same section and from the same funding source, provided that prior approval of the capital budget oversight committee is obtained.

18 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for any project provided for by sections 1, 3, 4, 5, 6, and 8 is determined on the basis of an estimate of anticipated federal, local, or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such project and the net appropriation of state funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or other funds are reduced. The amount of bonding authorized by section 11 shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.

19 Port Authority Bonds and Notes. Amend 1985, 409:11, IV to read as follows:

IV. To provide funds for the purposes of section 7, the rehabilitation of Barker wharf, the state treasurer is hereby authorized to borrow upon the credit of the state in the amount of \$375,000 and for that purpose shall issue [revenue] bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. The interest and principal due on the bonds or notes issued under this paragraph shall be a direct charge against the New Hampshire port authority revenues. Prior to issuance of the bonds or notes authorized hereunder, the treasurer may, for the purpose of this section, borrow money from time to time on short-term loans which may be refunded by the issuance of the bonds or notes hereunder; provided, however, that at no time shall indebtedness on such short-term loans exceed the sum of \$375,000.

20 Maturity of New Hampshire Technical Institute Bonds. Amend 1988, 164:2 to read as follows:

164:2 Bonds Authorized. To provide funds for the appropriation made in section 1 of this act, the state treasurer is authorized to borrow upon the credit of the state not exceeding \$3,467,000, and may issue bonds and notes in the name and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A, except that, notwithstanding the provisions of RSA 6-A:2, such bonds shall have a maturity of *up to* 30 years from the date of issue.

### 21 Lapse Dates Extended.

I. The appropriation made to the department of corrections in 1988, 224:1, I, A for phase V prison construction, as amended by 1989, 367:27, I, is hereby extended to June 30, 1993. Authorization is hereby granted to expend the remaining funds of approximately \$2,000,000 to renovate Laconia developmental services buildings for use as a drug and alcohol treatment center and boot camp for approximately 300 minimum and medium security prison inmates and to renovate a facility for use by men and women as a halfway house.

II. The following appropriations are hereby extended to June 30, 1992:

(a) The appropriation made to the supreme court in 1989, 367:1, XI, A, for construction of Concord district court.

(b) The appropriation made to the department of revenue administration in 1989, 367:1, X, A, for computer hardware and software development.

(c) The appropriation made to the department of resources and economic development in 1987, 3:1, as amended by 1989, 137:1, for Hampton beach seawall improvements.

(d) The appropriation made to Laconia developmental services in 1989, 367:1, V, B, 2 for replacement of steam lines.

(e) The appropriation made to the department of administrative services in 1989, 367:1, II, A - C, relative to Londergan hall renovations, repair of state house dome, and Spaulding hall renovations.

(f) The appropriation made to the department of resources and economic development in 1988, 224:1, IV, D, for Hampton harbor dredging.

(g) The appropriation made to the department of environmental services in 1989, 367:1, IV, A, 1, for small watershed programs.

(h) The appropriation made to the university system of New Hampshire in 1989, 367:2, C-F, for academic buildings and Mason library renovations in Keene, design of biological lab and Dimond library shelving in Durham, and the cultural arts building in Plymouth.

(i) The appropriation made to the department of transportation in 1988, 152:1 for the additional hangar facilities at Skyhaven airport.

(j) The appropriations made to the aeronautics commission in 1981, 565:1, II as amended by 1983, 423:17, 1986, 211:18 and 1989, 367:27, II(j) for the Skyhaven airport and the Skyhaven audit fund.

(k) The appropriation made to the aeronautics commission in 1979, 435:1, III, E as amended by 1983, 423:16 and 1986, 211:14 for the Skyhaven airport.

(l) The appropriations made to the department of transportation in 1989, 367:1, XII, A, 1, 2, 3, and 4 for aeronautics projects.

(m) The appropriation made to the aeronautics commission in 1979, 435:1, III, E, as amended by 1983, 423:16 and 1986, 211:14, for Skyhaven.

22 Effective Date. This act shall take effect July 1, 1991.

Rep. Weyler requested that the question be divided.

The Speaker ruled that the question was divisible.

The question was on Section 1, II. C., Rockingham County Courthouse.

Rep. Weyler spoke against.

Reps. Hager and Flanders spoke in favor and yielded to questions.

Reps. Gene Chandler, Martling and LaMott spoke in favor.

Rep. Gross spoke in favor and yielded to questions.

On a division vote, 238 members having voted in the affirmative and 98 in the negative, Section 1, II. C., Rockingham County Courthouse was adopted.

The remainder of the amendment was adopted.

Rep. Gene Chandler offered a floor amendment.

### **Floor Amendment**

Amend paragraph III of section 1 of the bill by deleting subparagraph D.

Amend the total state appropriation paragraph III as inserted by section 1 of the bill by replacing it with the following:

|   |              |
|---|--------------|
| Total state appropriation paragraph III | \$ 6,923,074 |
|---|--------------|

Amend the total state appropriation for section 1 of the bill by replacing it with the following:

|                                     |              |
|-------------------------------------|--------------|
| Total state appropriation section 1 | \$42,190,429 |
|-------------------------------------|--------------|

Amend the bill by replacing section 11 with the following:

11 Bonds Authorized. To provide funds for the total of the appropriations of state funds made in sections 1, 2, 3, 4, 5, 6, and 8 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$86,234,179 and for said purposes may issue bonds and notes in the name and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. In order to provide funds to pay the cost of issuing the bonds authorized by this section, the state treasurer may issue bonds up to 102 percent of the authorized amounts. The proceeds from the additional bonds may be used only for the purpose of paying such issuance costs.

Rep. Gene Chandler spoke in favor and yielded to questions.

Rep. LaMott spoke against.

Rep. Arnesen spoke in favor.

Rep. Douglas Hall spoke against.

Rep. Kurk spoke in favor.

Rep. Vaughn spoke against.

Rep. Stacey Cole spoke in favor.

Rep. Hager spoke against.

Roll call request sufficiently seconded.

The question being on the floor amendment.

## SULLIVAN

Behrens, Thomas A.            Lindblade, Eric N.            Schotanus, Merle W.  
and the floor amendment was adopted.  
Amended report adopted.  
Ordered to third reading.

**HB 53-FN-A**, establishing a continually appropriated state park fund and a ski area funding mechanism. (A) OUGHT TO PASS WITH AMENDMENT.

This bill establishes the New Hampshire state park and ski areas as an enterprise-type self-funded, accountable business entity to provide improved park and ski recreation facilities and services to New Hampshire citizens and tourists alike. Vote 21-0. Rep. Merle W. Schotanus for Appropriations.

## Amendment

Amend RSA 12-A:28 as inserted by section 1 of the bill by replacing it with the following:

12-A:28 Anticipated Revenue; Special Provisions. The commissioner may expend projected revenue from the state ski operations for the operation, servicing and maintenance of state ski area facilities to maximize state ski operation revenue only with the prior approval of the governor and council and the fiscal committee of the general court and such sum as approved is hereby appropriated.

Amend the bill by inserting after section 2 the following and renumbering original sections 3-5 to read as 5-7, respectively:

3 Beach Parking Facilities; Reference Added. Amend RSA 216:3, III to read as follows:

III. The balance of any funds in this special nonlapsing fund shall be lapsed at the close of each fiscal year to the [general] *state park* fund.

4 Purchases and Certain Expenses; References Added. Amend RSA 219:21, II to read as follows:

II. The operating costs of the ski school, ski rental and repair, souvenir, and food services concessions at [Franconia Notch state park, Mount Sunapee state park, and Mount Washington state park] *Mount Sunapee and Cannon Mountain ski areas and all state parks* shall be a direct charge against gross sales receipts. RSA 186-B:9-15 shall not apply to these facilities, but the department of resources and economic development may contract for the operation of these facilities with blind services or any other party to insure maximum benefits and revenues to the state of New Hampshire. The director of state ski operations under RSA 12-A:26, I shall make the purchases for Mount Sunapee and Cannon Mountain ski operations.

Amend the bill by replacing section 7 with the following:

7 Effective Date.

I. Section 6 of this act shall take effect July 1, 1991.

II. The remainder of this act shall take effect upon its passage.

## AMENDED ANALYSIS

This bill establishes a state park fund to provide an adequate level of service and maintenance in the state park system and to restore park facilities. The fund is continually appropriated to the commissioner of resources and economic development but may be expended only under certain circumstances.

This bill authorizes the commissioner of the department of resources and development, with the prior approval of the governor and council and the fiscal committee to expend projected revenue from state ski operations for the operation, servicing and maintenance of state ski operations to maximize revenue.

This bill permits the director, with the commissioner's approval, to charge different rates and fees depending upon snow and weather conditions.

This bill also requires that at the close of each fiscal year the balance of all funds from the beach parking facilities fund at Hampton Beach shall lapse to the state park fund.

This bill also requires that operating costs of the Mount Sunapee and Cannon Mountain ski areas and all state parks shall be a direct charge against gross sales receipts.

Adopted.

### SUSPENSION OF RULES

Reps. Gross and Chambers moved that the rules be so far suspended as to permit consideration, third reading and final passage at the present time of HB 53-FN-A, establishing a continually appropriated state park fund and a ski area funding mechanism.

Adopted by the necessary two-thirds.

Rep. Gross moved that HB 53-FN-A be read a third time and passed.

Adopted.

### Third reading and final passage

**HB 53-FN-A**, establishing a continually appropriated state park fund and ski area funding mechanism.

### REGULAR CALENDAR (continued)

**HB 57-FN**, relative to budget reductions which may be ordered by the governor. INEXPEDIENT TO LEGISLATE.

The Committee is unable to determine state expenditure impact. This broad ranging policy change should not be considered at this time. Vote 16-0. Rep. Charles W. Ferguson for Appropriations.

Adopted.

**HB 62-FN**, relative to retirement allowances under the New Hampshire retirement system. (A) OUGHT TO PASS.

The bill amends retirement system statute RSA 100-A by changing definition of "earnable compensation"; repeals fringe benefits for unclassified members who withdraw from the system and make contributions to an IRA; limits right of predecessor retirees to receive salary and full ordinary or accidental disability allowance when the retiree is engaged in gainful employment; and defines conditions which elected and appointed officials must meet to be eligible for retirement system. Vote 15-0. Rep. Stacey W. Cole for Appropriations.

Adopted.

Ordered to third reading.

**HB 157-FN**, relative to designating trauma care centers. INEXPEDIENT TO LEGISLATE.

Although this bill is laudable, the Committee felt that the Study Committee established by HB 162 and passed by the House should be allowed to complete its task before it begins the process of changing the present State Trauma System. Budget

constraints in the Department of Public Health suggests that there is a question as to the Department's capability of implementing a plan at this time. Vote 18-0. Rep. Douglas E. Hall for Appropriations.

Rep. Copenhaver spoke to the bill.

Rep. Douglas Hall spoke to the bill and yielded to questions.

Adopted.

Rep. Michael Hill abstained from voting under Rule 16.

**HB 161-FN**, to allow former federal employees to purchase credit for their federal services as creditable service, relative to providing retirement benefits upon the death of certain group I and group II members, and to define employer participation in the retirement system. OUGHT TO PASS WITH AMENDMENT.

The amendment corrects wording which was not necessary concerning group I death benefits. It also puts in language setting a time certain for non-governmental employers and employees to terminate membership under the New Hampshire Retirement System, and to require the Retirement System to help those withdrawing and to help set up successor plans. Retirement funds of \$50,000 are appropriated to implement the changes. No general funds are appropriated. Vote 19-0. Rep. Charles W. Ferguson for Appropriations.

#### Amendment

Amend the bill by inserting after section 1 the following:

2 Contributions by Nongovernmental Employers and Employees.

I. Regarding those nongovernmental employers currently contributing to the system, in order to preserve the retirement system's tax exempt status as a governmental plan, such nongovernmental employers and employees shall be required to cease contributions, and those nongovernmental employees presently covered under the system shall cease to accrue benefits under the system, no later than June 30, 1991.

II. All benefits accrued to the time of withdrawal from the system shall be fully vested in such withdrawing nongovernmental employees and shall be no less than the accumulated benefit obligation. The system shall cooperate with withdrawing nongovernmental employers in their establishing successor retirement plans and shall cooperate in arranging for the transfer of such employee retirement benefits earned under the system to successor retirement plans where practicable.

Amend the bill by deleting section 5 and renumbering the original sections 2-4 and 6-9 to read as 3-9, respectively:

Amend the bill by replacing section 8 with the following:

8 Appropriation from Administrative Account. There is hereby appropriated the sum of \$50,000 from available amounts in the New Hampshire retirement system administrative account, as established under RSA 100-A:14, XIII for the purpose of implementing the provisions of sections 1, 2, 3, and 7 of this act. The board of trustees is authorized in its sole discretion to expend such funds as it deems necessary to implement the provisions of sections 1, 2, 3, and 7 of this act, including but not limited to the employment of temporary employees. Any unexpended funds from this appropriation shall lapse to the administrative account.

#### AMENDED ANALYSIS

This amendment requires that those employers permitted to participate under the New Hampshire retirement system shall be solely limited to the government of the state of New Hampshire or the governments of its political subdivisions, and any

agencies or instrumentalities thereof, for the purpose of maintaining the retirement system's tax exempt status as a qualified governmental pension plan meeting the requirements of sections 401(a) and 414(d) of the United States Internal Revenue Code of 1986, as amended. What constitutes a "government", "political subdivision", "agency" and or "instrumentality" for purposes of system coverage is necessarily defined with respect to applicable federal rather than state law.

Regarding those nongovernmental employers currently contributing to the system, in order to preserve the retirement system's tax exempt status as a governmental plan, such nongovernmental employers and employees shall be required to cease contributions, and those nongovernmental employees presently covered under the system shall cease to accrue benefits under the system, no later than June 30, 1991.

All benefits accrued to the time of withdrawal from the system shall be fully vested in such withdrawing nongovernmental employees, and the system shall cooperate with withdrawing nongovernmental employers in their establishing successor retirement plans and shall cooperate in arranging for the transfer of such employee retirement benefits earned under the system to successor retirement plans where practicable.

This bill extends the right to purchase such out-of-state service to employees of the federal government, but excludes any military service credit which is not otherwise authorized by statute.

The bill also changes the provisions for providing retirement benefits upon the death of a group II member after the member's retirement.

Adopted.

Report adopted.

Ordered to third reading.

**HB 193-FN**, authorizing the state to enter into a lease-purchase agreement with the town of Milford for a new district courthouse. OUGHT TO PASS.

Testimony stated that present and future rental agreements will be the same as the payment for the bond which the town of Milford would float for the land and building. Legislation is necessary to go ahead with negotiations with Milford. Vote 19-0. Rep. Charles W. Ferguson for Appropriations.

Adopted.

Ordered to third reading.

**HB 211-FN-A**, relative to administrative fees of the air resources division and continually appropriating such fees. (A) OUGHT TO PASS.

This bill clarifies the intent of RSA 125-C:12, IV, adopted in 1979, and establishes the non-lapsing Air Resources Fund. Vote 20-0. Rep. Raymond Buckley for Appropriations.

Adopted.

Ordered to third reading.

**HB 226-FN-A**, relative to reimbursing the Plymouth school district for certain expenses and making an appropriation therefor. (A) INEXPEDIENT TO LEGISLATE.

This bill would reimburse the Plymouth School District for expenses incurred in converting an AREA school plan to a cooperative school district pursuant to RSA 195-A:15. Enacted in 1963, this incentive for conversion has seldom been used. Although a small amount, the Committee feels that this conversion cost request taps

an open ended funding mechanism in the law which should be closed. Senate Bill 149, now in the House, could be used for this purpose. Vote 14-5. Rep. Charles L. Vaughn for Appropriations.

Rep. Paul White moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke to his motion.

Rep. Vaughn spoke against.

Motion lost.

Report adopted.

**HB 239**, relative to approving reductions in expenditures for departments. OUGHT TO PASS.

Rep. Hager moved that HB 239 be made a Special Order for the end of the Calendar on April 11, 1991.

On a division vote, 224 members having voted in the affirmative and 114 in the negative, the motion was adopted.

**HB 261-FN**, relative to delays in processing applications for state public assistance. RE-REFER TO THE COMMITTEE ON HEALTH, HUMAN SERVICES AND ELDERLY AFFAIRS.

The Committee would like this bill to be re-referred to the Health, Human Services and Elderly Affairs Committee. At the public hearing there were a variety of ideas which came forth and the Committee would like that committee to hear this bill. Vote 16-2. Rep. Mary Jane Wallner for Appropriations.

Re-referred to Health, Human Services and Elderly Affairs.

**HB 262-FN**, revising hazardous waste facility permit fees. (A) OUGHT TO PASS.

This bill gives the Division of Waste Management the authority to assess a fee of \$5,000 for each permit application. In addition to the application fee the Division will also charge the applicant for all other costs at an hourly rate. Money received under RSA 147-A:4 shall be credited to the Hazardous Waste Clean-up Fund. Vote 21-0. Rep. Laurent J. Boucher for Appropriations.

Adopted.

Ordered to third reading.

**HB 296-FN-A**, establishing a state emergency response commission and making an appropriation therefor. (A) RE-REFER TO THE COMMITTEE ON SCIENCE, TECHNOLOGY AND ENERGY.

Rather than offer only \$1 appropriation, the Committee feels that by re-referring to Science, Technology and Energy the bill will be kept alive should federal monies become available during this session. Vote 19-0. Rep. Lee Anne Steiner for Appropriations.

Re-referred to Science, Technology and Energy.

**HB 310-FN**, increasing the hazardous waste transporter vehicle registration fee and establishing a hazardous waste fund. OUGHT TO PASS WITH AMENDMENT.

The bill increases the hazardous transporter vehicle registration fee to insure a vigorous permitting process to prevent flagrant discharge of hazardous wastes. The amendment eliminates a dedicated fund. Vote 20-0. Rep. Charles L. Vaughn for Appropriations.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

increasing the hazardous waste transporter  
vehicle registration fee.

Amend the bill by deleting sections 2-3 and renumbering section 4 to read as 2.

**AMENDED ANALYSIS**

This bill increases from \$50 to \$100 the hazardous waste transporter vehicle registration fee assessed on each vehicle listed in the hazardous waste transporter permit application.

Adopted.

Report adopted.

Ordered to third reading.

**HB 323-A**, relative to the Cheshire Bridge and making an appropriation therefor.  
**ought to pass with amendment.**

This bill, as amended, increases an existing bonded appropriation for the purchase and rehabilitation of the Cheshire Bridge; establishes a time-frame for purchase and completed rehabilitation; and requires a contract with a private company to collect bridge tolls to amortize the bonding in 20 years. Vote 21-0. Rep. Merle W. Schotanus for Appropriations.

**Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 Appropriation Increased. Amend 1988, 251:1 to read as follows:

251:1 Appropriation. The sum of [\$1,500,000] **\$3,500,000** is hereby appropriated to the department of transportation for the biennium ending June 30, [1989] **1992**, for the purchase and rehabilitation of the Cheshire Bridge. The purchase shall be subject to the approval of governor and council *and shall not exceed \$1,800,000*. This appropriation shall be nonlapsing and in addition to any other for the department of transportation for the biennium.

2 Bonds Increased. Amend 1988, 251:2 to read as follows:

251:2 Bonds. To provide funds for the appropriation in section 1 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of [\$1,500,000] **\$3,500,000** and for said purpose may issue bonds and notes in the name and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A.

3 Payment of Bonds. Amend 1988, 251:3 to read as follows:

251:3 Payment.

I. The payment of principal and interest of the bonds and notes issued for the purchase and rehabilitation of the Cheshire Bridge authorized in section 1 of this act shall be made when due from tolls collected on said bridge *by a collections contractor under contract with the department of transportation*. The state treasurer is authorized to establish a special account for this purpose.

II. The commissioner of the department of transportation, with the approval of the governor and council, shall establish a toll rate that will be sufficient to cover the operation and maintenance expenses and payments for debt service. [The commissioner shall establish a one-way toll collection system.]

*III. The commissioner of transportation shall make every effort to retire the bonds in section 2 prior to December 31, 2011.*

[III.]IV. When the payments required under paragraph I have been completed, the authority of the commissioner to collect tolls on the Cheshire Bridge shall expire.

4 Duties. 1988, 251:4 is repealed and reenacted to read as follows:

251:4 Duties. The commissioner of the department of transportation shall:

I. Acquire, operate, and maintain the privately owned Cheshire Bridge and adjoining land and appurtenances between the towns of Charlestown, New Hampshire and Springfield, Vermont through a negotiated purchase or condemnation proceedings on or before December 31, 1991.

II. Complete the bridge rehabilitation project on or before December 31, 1992.

III. Contract with an outside contractor to collect tolls with minimum expansion or rehabilitation of the toll system in use at the time of purchase. Preference shall be given to local contractors and in no event shall state employees be employed at the toll booths.

5 Elimination of Toll Booths and Lapse of Account. Amend 1988, 251 by inserting after section 4 the following new section:

254:4-a Elimination of Toll Booths; Lapse of Account.

I. Within 60 days after the bonds authorized under section 2 have been retired, or upon other action of the general court, all toll booths on the Cheshire Bridge shall be removed.

II. All funds remaining from toll collections after the removal of the toll booths pursuant to paragraph I shall lapse into the highway fund.

6 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill increases the appropriation to the department of transportation for the purchase and rehabilitation of the Cheshire Bridge.

The bill requires the commissioner of the department of transportation to contract with a private company to collect tolls on the bridge. All toll booths shall be eliminated when the bonds financing the purchase and rehabilitation project have been retired.

The bill also establishes a time-frame for the purchase and completed rehabilitation of the bridge.

**HB 329-FN-A**, relative to the business corporations act and appropriating funds for certain administrative expenses to be reimbursed by fees. (A) OUGHT TO PASS.

There is no new money involved. Fees for informational services will reimburse any expenses. Vote 19-0. Rep. Robert E. Murphy for Appropriations.

Adopted.

Ordered to third reading.

**HB 341-FN**, relative to a foundation aid formula study committee and establishing a maximum equalization factor for the foundation aid formula. (A) OUGHT TO PASS WITH AMENDMENT.

When the Foundation Aid Formula was established, a review was planned. This bill establishes a committee to study the effectiveness of the formula and to propose modifications. The amendment allows the Committee to begin the study sooner than July 1, 1991. It also made sure that beginning in 1992, a district's aid distribution shall not exceed its school budget. Vote 18-0. Rep. Debora B. Pignatelli for Appropriations.

#### Amendment

Amend the bill by replacing all after section 3 with the following:

4 New Paragraph; Maximum Equalization Factor Established. Amend RSA 198:29 by inserting after paragraph II the following new paragraph:

II-a. Beginning with distribution for fiscal year 1992 in no case shall a district's equalization factor, as determined in paragraph II, be greater than 9.

5 Effective Date. This act shall take effect upon its passage.

**HB 363-FN**, relative to criminal record checks and fees charged for criminal record checks. (A) OUGHT TO PASS.

Information submitted to the Committee indicated that there would be no substantial expense to the general fund as the information requested in the bill is already being entered into the computer. Vote 13-7. Rep. Stacey W. Cole for Appropriations.

Rep. Stacey Cole yielded to questions.

Adopted.

Ordered to third reading.

**HB 366-FN-A**, establishing an office of information technology management and making an appropriation therefor. (A) RE-REFER TO THE COMMITTEE ON EXECUTIVE DEPARTMENTS AND ADMINISTRATION.

This bill is in the hands of a special committee which has not met on its final report as yet. The system when in place will save the state money, but HB 366 is premature and not in final form. Vote 21-0. Rep. Robert E. Murphy for Appropriations.

Adopted.

**HB 381-FN-A**, relative to the recovery of legal fees incurred by the state and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

This bill removes the responsibility of collecting legal fees incurred by the state on behalf of juvenile delinquents from Juvenile Service Officers to the Office of Cost Containment. The amendment states that all who have received services may be required to pay if able. Vote 19-0. Rep. Pamela B. Bean for Appropriations.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to the recovery of legal fees incurred by the state.

Amend the bill by deleting section 3 and renumbering section 4 to read as 3.

#### AMENDED ANALYSIS

This bill provides that legal fees incurred by the state on behalf of juvenile delinquents be repaid by the defendant or by the person responsible for his support through the unit of cost containment. Currently if the defendant is convicted, repayment is made through the defendant's juvenile service officer.

The bill also changes a statement on petitions for court appointed counsel to make clear that the defendant may be required to repay legal services provided by the state, regardless of whether he is convicted.

Adopted.

Report adopted.

Ordered to third reading.

**HB 416-FN-A**, relative to drug-free school zones and making appropriations therefor. **OUGHT TO PASS WITH AMENDMENT.**

The amendment clarifies that the funds for producing the drug-free school zone signs and the toll free statewide hot line will not be charged against the general fund, but will be charged against federal drug-free schools funds received by the Office of the Governor. The Committee also changed from a misdemeanor to a violation the penalty for defacing the signs. Vote 12-6. Rep. Mary Jane Wallner for Appropriations.

#### Amendment

Amend section 1 of the bill by replacing all after RSA 193-B:5 with the following:  
193-B:6 Penalties.

I. It shall be a violation for any person to cover, remove, deface, alter or destroy any sign or other marking identifying a drug-free zone as provided in RSA 193-B:4, I.

II. Lack of knowledge that the prohibited act as defined in RSA 193-B:2 occurred on or within 1,000 feet of school property shall not be a defense.

III. A violation of RSA 193-B:2 shall not include an act which occurs entirely within a private residence wherein no person 17 years of age or under is present.

Amend the bill by replacing section 3 with the following:

3 Appropriation. The sum of \$1 for the fiscal year ending June 30, 1992, is hereby appropriated to the department of education for the purposes of funding the manufacturing and posting of drug-free school zone signs as provided in RSA 193-B:4, I in section 1 of this act. The department of corrections prison industries shall be given first priority to manufacture such signs. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

Amend the bill by replacing section 5 with the following:

5 Charge for Other Expenses. Any expenses for the manufacturing and posting of drug-free school zone signs and the establishment of the toll-free statewide drug activity reporting hotline not funded by the appropriations made in sections 3 and 4 of this act shall be charged against federal funds received by the office of the governor through the drug-free schools and communities program and shall not be charged against the general fund.

6 Effective Date.

I. Sections 3, 4 and 5 of this act shall take effect July 1, 1991.

II. The remainder of this act shall take effect January 1, 1992.

Rep. Douglas Hall spoke in favor.

**HB 431-FN**, relative to exempting certain purchases for severely emotionally disturbed children from state purchasing requirements. **OUGHT TO PASS WITH AMENDMENT.**

This bill exempts state services for severely emotionally disturbed children from bidding requirements to permit continuity of treatments. The Committee expressed concern about the financial effects. The amendment limits the exemption to non-profit providers, gives the Department of Education the option of requiring bidding, and sunsets the exemptions on June 30, 1992, to give the Department an opportunity to devise a better solution. Vote 18-0. Rep. Neal M. Kurk for Appropriations.

#### **Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 Competitive Bidding Exemption. Notwithstanding any other law to the contrary, for the fiscal year ending June 30, 1992, the purchase of services from non-profit organizations by the department of education, special education bureau, and the department of health and human services, division of mental health and developmental services, for severely disabled or severely emotionally disturbed children as provided by RSA 186-C:22, shall not be subject to the provisions of RSA 21-I. Nothing in this section shall prohibit the department of education from contracting for such services through a competitive bidding process.

2 Effective Date. This act shall take effect July 1, 1991.

Adopted.

**HB 435-FN**, permitting adjustments in legislative mileage resulting from changes in the price of gasoline. **RE-REFER TO THE COMMITTEE ON LEGISLATIVE ADMINISTRATION.**

The Committee's intent is to keep this bill alive to use as a vehicle for change needed to the Internal Revenue Service's problem with our mileage payments. Vote 14-0. Rep. Elizabeth S. Hager for Appropriations.

Re-referred to Legislative Administration.

**HB 500-FN**, relative to exemptions in the administration of the unemployment compensation laws. **(A) INEXPEDIENT TO LEGISLATE.**

The bill would give the Department of Employment Security authority to transfer funds among all line items in its budget without oversight as well as an exemption from usual state purchasing procedures. The rationale for such special treatment is that the agency is federally funded. However, other state agencies and programs are also 100 percent federally funded and were not provided similar treatment. The Committee feels that any such special exemptions should be deliberated as part of the biennial budget bill and its supporting materials. The Department of Employment Security will be provided authority within the budget to accept and expend any unanticipated federal funds for the state's unemployment program. Vote 18-2. Rep. Douglas E. Hall for Appropriations.

Adopted.

**HB 515-FN**, exempting the purchase of certain property on which dams are located from the requirements of legislative approval. (A) OUGHT TO PASS WITH AMENDMENT.

This bill gives legislative approval to the Division of Water Resources, Department of Environmental Services, to accept certain dams so long as the repair costs are paid by the current owners prior to the state assuming ownership. The amendment results in an approximate savings to the dam maintenance fund of \$215,000. Vote 21-0. Rep. Merle W. Schotanus for Appropriations.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

giving legislative approval to the division of water resources,  
department of environmental services to accept certain dams  
if repair costs are paid by the current owners.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Legislative Approval for the Acceptance of Certain Dams.  
Amend RSA 482:48 by inserting after paragraph II the following new paragraph:

III. Legislative approval is hereby given to the water resources division of the department of environmental services to accept the following dams; provided that the conditions in paragraph IV are met:

- (a) Little bog pond dam, Odell, dam #185.03.
- (b) Trio ponds dam, Odell, dam #185.02.
- (c) Meadow lake dam, Northwood, dam #183.16.
- (d) Garland pond dam, Ossipee, dam #188.19.

IV.(a) The state shall not accept title to any dam in paragraph III until the condition of the structure meets any outstanding repair order and acceptable operating and maintenance requirements of the dam safety section of the division of water resources, department of environmental services, or until the owners of such dam provide the necessary funds to accomplish such repairs to the dam maintenance fund under RSA 482:55. The owners also shall provide adequate property or easements to develop access for the public to the impoundment.

(b) The commissioner of the department of environmental services shall request the capital budget overview committee and the governor and council to accept the dam on behalf of the state only after all repairs have been completed and the dam has been deemed satisfactory through an inspection by the division of water resources.

2 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill gives the necessary legislative approval to the division of water resources, department of environmental services to accept certain dams so long as the costs to repair such dams shall be paid by the current owners prior to the state taking title.

Adopted.

**HB 549-FN**, relative to early retirement for state employee group I members of the retirement system. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, allows state employees of group I terminated by lay-off or bumping, who have at least 25 years of creditable service and have attained the age of 55 to elect to retire with benefits to commence immediately if application is filed within 90 days. Vote 14-3. Rep. Robert G. Holbrook for Appropriations.

#### Amendment

Amend paragraph II of section I of the bill by replacing it with the following:

II. Whenever the provisions of paragraph I become applicable, any state employee whose employment is terminated by layoff or by bumping, who is a member of group I, who meets the requirements of RSA 100-A:10, I(a), who has attained the age of 55 but not the age of 60, and who has at least 25 years of creditable service, may elect to retire and have benefits commence immediately as an early service retirement allowance, upon written application to the board of trustees in which application the member shall state the time he desires to have benefits commence. The service retirement allowance shall be determined in accordance with RSA 100-A:5, I(b).

#### AMENDED ANALYSIS

This bill provides that whenever, by executive order or legislative action, state economic conditions require terminating the employment of state employees by layoff or by bumping who are group I members, any such group I member who meets certain retirement requirements and who has attained the age of 55, but not the age of 60, and who has at least 25 years of creditable service, may elect to retire and have benefits commence immediately as an early service retirement allowance upon written application to the board of trustees during a period of 90 days following the executive order or legislative action.

The provisions of the bill apply for a period beginning on July 1, 1991, and ending on June 30, 1993.

**HB 601-FN-A**, establishing a public access advisory board and a statewide public boat access program on public waters and continually appropriating a special fund for the purposes of the program. (A) INEXPEDIENT TO LEGISLATE.

This bill establishing a statewide public boat access program on public waters with a special fund for projects is a new expanded, expensive program that the state can ill afford at this time. Further, the real impact of the funding mechanism is vague and unspecific. Vote 20-0. Rep. Charles L. Vaughn for Appropriations.

Reps. Lewis and Allen Wiggin moved that the words Re-refer to Committee be substituted for the report of the Committee, Inexpedient to Legislate.

Rep. Dickinson spoke in favor.

Re-referred to Committee.

**HB 648-FN**, relative to the industrial development authority and the housing finance authority. OUGHT TO PASS WITH AMENDMENT.

This bill changes the allocation of the state's private activity bond cap to more clearly reflect what has actually been happening for the last few years. It allocates 50 percent of the cap to the Industrial Development Authority and 50 percent to the Housing Finance Authority. The amendment removes the rest of the bill. Vote 19-1. Rep. Elizabeth S. Hager for Appropriations.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

I Allocation Formula; Private Activity Bonds. Amend RSA 162-M:2, II and III to read as follows:

II. The housing finance authority may from time to time assign up to [1/3] 1/2 of the state ceiling in any calendar year to and among issuers, including itself, for the purpose of (a) allocating such state ceiling to housing bonds or (b) electing under section 25(c)(2)(A)(ii) of the code not to issue a specified amount of qualified mortgage bonds in order to issue, or reserve the right to issue, mortgage credit certificates pursuant to section 25 of the code. The housing finance authority may also from time to time transfer any portion of the state ceiling within its control pursuant to this section to the industrial development authority, which may assign any state ceiling so transferred in addition to and as if it were state ceiling described in RSA 162-M:2, III.

III. The industrial development authority may from time to time assign up to [2/3] 1/2 of the state ceiling in any calendar year to and among issuers, including itself, for the purpose of allocating such state ceiling to (a) private activity bonds other than housing bonds and (b) bonds which would be private activity bonds unless an allocation of state ceiling is made to them. The industrial development authority may also from time to time transfer any portion of the state ceiling within its control pursuant to this section to the housing finance authority, which may assign any state ceiling so transferred in addition to and as if it were state ceiling described in RSA 162-M:2, II.

2 Effective Date. This act shall take effect July 1, 1991.

#### AMENDED ANALYSIS

This bill reapportions the state ceiling on private activity bonds between the industrial development authority and the housing finance authority.

**HB 745-FN**, relative to sewage disposal systems. (A) OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, requires that fees collected for recording septic system approvals and operation numbers shall be deposited by the Department of Environmental Services in the state treasury as unrestricted revenue. Vote 17-2. Rep. Merle W. Schotanus for Appropriations.

#### Amendment

Amend RSA 485-A:30, II as inserted by section 3 of the bill by replacing it with the following:

*II. Any person submitting plans and specifications for sewage or waste disposal systems shall pay to the division a fee for each system for recording the approval for operation number with the registry of deeds and for handling costs. Such fee shall be the same as that established by the registry of deeds for the recording of such documents. All fees collected under this section shall be deposited with the state treasurer as unrestricted revenue.*

Amend the bill by deleting section 4 and renumbering the original section 5 to read as 4.

#### AMENDED ANALYSIS

This bill requires the division of water supply and pollution control to record approvals of sewage or waste disposal systems with the registry of deeds. Any person submitting plans and specifications for sewage or waste disposal systems shall pay the division a fee for recording and handling costs. These fees shall be deposited with the state treasurer as unrestricted revenue.

**HB 780-FN**, relative to water treatment plant operators and fees for water system permits. (A) OUGHT TO PASS WITH AMENDMENT.

This bill continually appropriates a special fund containing fees to provide materials used for certification of water treatment operators. Further, it exempts political subdivisions of the state from future payment of these fees. The Committee amendment provides for refunds of fees already paid in 1991. There is no impact on the general fund. Vote 20-0. Rep. John P. Chandler for Appropriations.

#### Amendment

Amend the bill by replacing all after section 3 with the following:

4 Refunds. Any system owned by a state, county, municipality, town, precinct, or district shall be exempt from water system fees as provided in RSA 485:41, VIII. Any state, county, municipality, town, precinct, or district that has been billed and still has an outstanding account, shall have such outstanding account forgiven. In the event that the entity has already paid, then the sum paid shall be refunded to it. The funds necessary to provide the refunds to the state, county, municipality, town, precinct, or district exempted under RSA 485:41, VIII, are hereby appropriated and shall be a charge against the operational permits account.

5 Effective Date. This act shall take effect upon its passage.

**HR 21**, affirming revenue estimates for fiscal years 1992 and 1993. OUGHT TO PASS WITH AMENDMENT.

The Committee by this resolution asks the House to affirm its estimates of revenue for this biennium. It is our hope that numbers approved by the House in this manner will provide a formal House position on revenues available to fund the budget for the next biennium.

After House approval of the Committee recommendation, a motion will be made to table HR 21. This way the resolution will still be in the possession of the House to be amended from time to time as revenue bills are passed and additional economic information is received. Vote 16-0. Rep. Donna P. Sytek for Ways and Means.

#### Amendment

Amend the resolution by replacing all after the resolving clause with the following:

That the House wishes to go on record as affirming the following revenue estimates for fiscal years 1992 and 1993:

|                           | Fiscal Year 1992 |                | Fiscal Year 1993 |                |

### COMMUNICATION

April 3, 1991

Harold W. Burns, Speaker of the House

This letter serves to confirm our telephone conversation of Monday, March 25, 1991. As we discussed, it is with deep regret that I resign from my position as State Representative for Ward 7, District 30; effective immediately.

My current duties at the Nashua Children's Home (in excess of 49 hours), coupled with at least 21 hours per week at the State House, have left me physically exhausted. My physician has instructed me to reduce my current work schedule because I have been ill three weeks out of the past nine weeks.

Since our legislative session began, I have enjoyed my new-found relationships immensely. These individuals will truly be missed; especially the friendships that have been formed on my committee of State Institutions and Housing.

It has certainly been a wonderful learning experience during the six months since the November 1990 election. I have very much enjoyed working alongside my colleagues in New Hampshire politics. If my health improves, my physician may allow me to participate a few hours a week in local government.

Mr. Speaker, I wish you and all of the members of the House a successful 1991 and 1992 in serving your constituents.

God bless.

Respectfully submitted, Janet E. Hickey

Rep. Hill moved that the House stand in recess for the purpose of Enrolled Bills Reports only.

Adopted.

The House recessed at 4:10 p.m.

**HOUSE JOURNAL No. 18**

Thursday, April 11, 1991

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairisto.

Almighty God, who brings the promises of spring and the signs of new life to us in a never ending cycle of seasons, we thank You and praise You for Your bounty. Be with us this day, we pray, as we consider what this state will do in its new fiscal year. Enlighten us that we may fully comprehend the effects of our votes today upon our citizens, be they wealthy or poor, givers or recipients of the state's resources. Save us from pettiness, we ask, and give us such a measure of sound judgment that we may find the most equitable among the very difficult of choices before us, so that history may look back upon this session and say, "Well done." Amen.

Rep. Driscoll led the Pledge of Allegiance.

### REGULAR CALENDAR

**HB 25-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 1992, and June 30, 1993. OUGHT TO PASS WITH AMENDMENT.

This is the basic (funded) budget. The Committee has worked long and hard to see critical state services maintained within this bill. The "Ought to Pass with Amendment" vote is based on the Committee amendment to the bill and the Committee floor amendment to the bill. The Committee had to write two amendments because of deadline problems. The Committee amendment is the first list of programs it thinks should be moved into HB 25-A. It was assembled using the priority lists written by the three Subcommittees of Appropriations. The Committee floor amendment is the sec-

ond list of priorities, but was printed separately because it was based on passage of HB 64-FN-A on Tuesday.

There will be a full explanation of the budget and amendments on the floor Tuesday. Vote 11-7. Rep. Elizabeth S. Hager for Appropriations.

This bill is the rest of the budget, the unfunded part. The Committee is reporting it to the floor and recommending its passage to the Senate so that the Committee clearly points out the other programs that it believes should be part of the basic budget if funds were available.

There will be an explanation of this bill, along with the budget on the floor on Tuesday. Vote 12-6. Rep. Elizabeth S. Hager for Appropriations.

#### **Amendment**

The Amendment was printed in its entirety in House Record No. 61, April 5, 1991.

Reps. Gerald Merrill and Hager spoke in favor.

Amendment Adopted.

The Committee offered a floor amendment.

#### **Floor Amendment**

The Floor Amendment was printed in its entirety in House Record No. 64, April 11, 1991.

Amendment adopted.

Rep. Chambers offered a floor amendment.

#### **Floor Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 Operating Budget. The house hereby adopts the governor's operating budget for the fiscal years ending June 30, 1992-1993, as submitted to the house appropriations committee by Governor Judd Gregg, and refers the operating budget to the senate for its consideration.

2 Effective Date. This act shall take effect upon its passage.

Rep. Chambers spoke in favor and yielded to questions.

Rep. Wallner spoke in favor.

Rep. Donna Sytek spoke against and yielded to questions.

Rep. Pignatelli spoke in favor and yielded to questions.

Rep. Douglas Hall spoke against and yielded to questions.

Rep. Buckley spoke in favor.

Rep. Hager spoke against.

Roll call request sufficiently seconded.

The question being on the floor amendment.

**Floor Amendment**

Amend the bill by replacing all after section 19 with the following:

20 Supplemental Appropriation for Distribution to Cities and Towns: Water Pollution State Aid Grants Bonded.

I. In addition to any other funds appropriated, the sums of \$12,032,985 for the fiscal year ending June 30, 1992, and the sum of \$10,333,420, for the fiscal year ending June 30, 1993, are hereby appropriated for distribution to cities and towns as provided in RSA 31-A:4. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

II. To provide funds for water pollution state aid grants appropriated in section 1 of this act, PAU 03, 04, 03, 01, 04, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$22,366,405 and for said purpose may issue bonds and notes in the name and on behalf of the state of New Hampshire in accordance with RSA 6-A. The payments of principal and interest due on such bonds and notes shall be made when due from the general fund.

21 Higher Education Fund, the University System of New Hampshire.

I. The university system of New Hampshire shall reduce the demand on the general fund for the fiscal year ending June 30, 1992, by \$6,498,000. The chancellor shall notify the department of administrative services as to the specific amounts to be reduced in specified line items no later than 15 days after the effective date of this section.

II. The university system of New Hampshire shall reduce the demand on the general fund for the fiscal year ending June 30, 1993, by \$6,957,000. The chancellor shall notify the department of administrative services as to the specific amounts to be reduced in specified line items no later than June 1, 1992.

22 Effective Date. This act shall take effect July 1, 1991.

#### 19 Revenue Sharing.

I. When it is determined by the legislative fiscal committee, after consultation with the house ways and means committee, that general fund revenues will exceed the revenues projected in section 17 of this act, the excess is hereby appropriated for revenue sharing, in addition to the sums appropriated for revenue sharing in section 1 of this act. Such additional appropriations shall not exceed \$46,374,966 for fiscal year 1992 and \$23,695,186 for fiscal year 1993. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

II. Provided that the conditions of paragraph I are met and notwithstanding any other provisions of law, payments of distributions to cities and towns for revenue sharing for fiscal year 1992 and fiscal year 1993 shall be made in 4 equal payments on the fifteenth day of the months of September, December, March and June, beginning on September 15, 1991.

20 Effective Date. This act shall take effect July 1, 1991.

### Floor Amendment

Amend the bill by replacing section 19 with the following:

19 Revenue Sharing.

I. To provide sufficient funds for the sums appropriated in this act for payment of distributions to cities and towns for revenue sharing, the governor is hereby directed to reduce general funds appropriated for fiscal year 1992 by 7.9 percent and for fiscal year 1993 by 3.7 percent.

II. The governor shall, with the approval of the fiscal committee, reduce the rate of the reductions in paragraph I of this section, when it is determined that revenues are being received at rates that, if such rate were to continue, revenues received would exceed the estimates, by an amount not to exceed that which is necessary to satisfy paragraph I of this section.

20 Revenue Sharing; Appropriation. In addition to any other amounts appropriated for revenue sharing in section 1 of this act, there is hereby appropriated to the state treasurer for revenue sharing the sum of \$46,374,966 for the fiscal year ending June 30, 1992, and the sum of \$23,695,186 for the fiscal year ending June 30, 1993. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

21 Schedule of Payments. Notwithstanding any other provisions of law, payments of distributions to cities and towns for revenue sharing for fiscal year 1992 and fiscal year 1993 shall be made in 4 equal payments on the fifteenth day of the months of September, December, March and June, beginning on September 15, 1991.

22 Effective Date. This act shall take effect July 1, 1991.

Rep. Gross spoke in favor and yielded to questions.

Rep. Douglas Hall requested that the question be divided.

The Chair ruled that the question was divisible.

Question being on sections 20 through 22 of the floor amendment.

Amendment adopted.

**REMARKS**

Rep. Hanselman moved that the remarks of Rep. Douglas Hall be printed in the Journal.

Adopted.

Rep. Douglas Hall: Thank you Mr. Speaker. I would like to thank you in particular for allowing the question to be divided because I know this is your amendment as well as Reps. Gross, Michael Hill and Ann Torr. I stand up here now with some degree of sadness and some degree of anger about where we are.

What section 19 does is to give to the Governor an authority that this House has never granted to a Governor, any Governor, and that is a line item veto. Just read section 19 one minute. It says that the Governor is directed, he's not just authorized, he is directed to reduce general funds appropriated for fiscal year 1992 by 7.9 percent, for fiscal year 1993 by 3.7 percent. Those numbers sound small but they translate into the numbers that are down there that we just voted to appropriate for municipal revenue sharing. \$46 million to be cut in the first year. It does not say, and I've heard people talking about this saying, well this is just an across-the-board cut, read that again. This is not an across-the-board cut. It gives the Governor the authority to go anywhere he wants, take any amount of money out of any line item in order to come up with the total \$46 million. That's the equivalent of the entire University System. There are any number of places, some of which Rep. Pignatelli mentioned this morning that the Governor could go to to take money. We would all like to sit here and think he won't go to the area that I'm concerned about, but we don't know. This section of this amendment is a total abdication of responsibility on the part of this House. I don't mind that many of you, perhaps all of you, would set different priorities about what should be funded within the revenues we have. We're here as a deliberative body to work out those differences. What I do mind is saying we can't work them out. I do mind saying this is an easy one, we'll just appropriate money for municipal revenue sharing and hope that will be free money coming from someplace unspecified. This action, in addition, would set a precedent for future budgets which I think is totally unacceptable. Why would anybody want to go through the work for two months that an Appropriations committee has to go through to put together on a zero base a budget for the State of New Hampshire and then simply say to the Governor, go take anything out you want. It might make sense today because of the constraints we're operating under, the inability you feel to vote for this and not that, but if we set this precedent it's going to be hard to walk away from it the next time. I think the other and perhaps the most damning problem with this is how the public will perceive it. The biggest problem in the body politic is the sense that you can have a free lunch, that you can have government services and not pay for them. What this does is say they're right. Because we can provide municipal aid without telling anybody where it is going to come from. One of the purposes of this body ought to be to make sure the public does understand what the issues are. This amendment, if we pass it, this section 19, says to the public we don't understand what the issues are, and if we did we are not willing to

grapple with them. Does that build confidence in government? Rep. Gross said we have a revenue problem not a spending problem. I've agreed with that from the beginning. So let's leave it as a revenue problem. Let's pass to the Senate a budget that has municipal aid in it, that will be \$35 million a year out of balance, and if we're going to ask them to do something, let's ask them to come up with the revenue that we've been afraid to come up with. If you have ever opposed a line item veto in a vote in this House, then you have to oppose section 19, because that's what it is. If you oppose any of the cuts the Governor had already indicated he would make to the University System, putting responsibility back on the counties for home nursing care, school building aid, and other items that he has already proposed to cut. If you've opposed those, then you better oppose section 19, because you are giving him the authority to make those cuts with no further legislative oversight. If you believe the House has a process that we have to respect and has a responsibility to make some decisions and not just punt, then you should oppose this. I urge you to defeat section 19 of this amendment. Thank you.

Rep. Buckley: Thank you Mr. Speaker. Rep. Hall, would you not agree that it would have been a wiser choice to instruct the House Appropriations Committee to have a vote earlier today, or sometime before today, that the first priority to be revenue sharing, we will not raise any more revenue, now take back the budget and cut 7.9 percent from that? That way the process would have continued instead of passing on our responsibilities to the Governor.

Rep. Hall: I agree it would have. Last night when I had heard that this amendment was going to be proposed, I went back and I proposed for myself an amendment that would have made those cuts to make this \$46 million available. As I did it, it became clear to me that the very items that are in those sheets that you've gotten on Tuesday and today, they're right there, you know what the Appropriations Committee would have had to cut. They were the priorities that came in last. They were not in HB 25 as it was first put together. I simply made the decision that this House wouldn't support that. I might have been wrong. But, I'm not offering that amendment now, because I had the sense that this House would no more support that than it would support not funding municipal aid. So I'm not offering that amendment, although it would have been legitimate to do, I'm simply urging at this point that you not give the Governor this draconian authority.

Rep. (Question): Rep. Hall, would you believe that when this was explained to me last night, I thought it was an across-the-board cut? If this were an across-the-board cut, would you then support this amendment?

Rep. Hall: I would believe that that's what you thought. I know many members of this House thought that. If it were that, I don't know how you would feel but I could not support it for a number of reasons. You cannot do a 7.9 percent cut to debt service. You cannot do a 7.9 percent cut to a number of line items including the municipal aid, including foundation aid, that everybody says they want. What you end up with is not an across-the-board cut even if you try to phrase it that way. So, look at the wording here, it is not an across-the-board cut.

#### REMARKS

Rep. O'Brien moved that the words of Rep. Trombly be printed in the Journal.  
Adopted.

Rep. Trombly: Thank you members of the House. I don't think in 12 years I've ever stood up and spoken on an issue relating to the budget, but I have to today.

because I'm reminded of something listening to this debate. When I was young, and it really wasn't all that long ago, even though I don't look that way, a bus came to the Boscawen Elementary School and hauled us all down to the gym in Penacook. We saw a play. The play was "The Devil and Daniel Webster". I didn't even understand it. But, as I got older I did. I realized it was a morality play.

The story, for those of you who don't know it, and briefly, is about a farmer, a good and virtuous man, a family man, who cared very much for his wife and children and the land which he farmed. They ran on some tough times, very tough times and his family was suffering and he was suffering and he didn't know what he was going to do. Then one day a stranger came by his farm. It was Scratch. Mr. Scratch said to him, sign on the dotted line, I'll bring you good luck, I'm going to come back and I'll collect later, but don't worry because times are going to be great. He thought of his wife and his children and he signed. He signed on the dotted line and he made a contract with Scratch. He had wonderful times. He prospered when his neighbors failed. His family, his children and he himself survived good times and bad times. Then one day, along came Scratch. He said to the farmer, you have to pay up, and he had forgotten. He didn't remember why things worked as well as they did. But Scratch did, he said pay up. The price was his soul, and he didn't know what to do.

Daniel Webster came to defend him and the jury was picked by Scratch and it was made up of thugs and thieves and pirates and robbers. Scratch presented his contract. Pay up, that this was it. Daniel Webster thought, he didn't know how he was going to win this argument because there was the contract. The farmer wouldn't deny that it was his signature and he didn't deny that he benefited from that contract either, but he didn't want to pay and Daniel Webster didn't know what he was going to do. He couldn't argue it on the law, so he argued in a different way. He argued for the soul of his client to these criminals and crooks, by talking about the virtue of being a New Hampshire man. About what it meant to live in this state, to the honor and the integrity of its citizens. I remember in the play, there is a line that Daniel Webster looked in the eyes of the jury and saw their hearts melt and he won.

This is an argument for the soul of the House. At one point during the play, Scratch opened up a black bag and out flew something that looked like a moth and sounded like the farmer's neighbor. Scratch had gotten that one, but he didn't get this farmer. For over 200 years we have acted with integrity, I've been in the majority, I've been in the minority, but we've done what we are supposed to do. I think that we must win this argument here today. It is our responsibility to do what we have to do. We cannot shuffle it down the hall, because I don't know what is going to happen. I don't know what the price is going to be. But I do know that if you vote in favor of these sections, you take away from yourselves and the history and the people that have preceded us here. For what, so we can say that we passed a balanced budget, knowing full well in our minds that every speaker who stood up here today and everyone who has sat listening knows that the Senate will do what they want. The victory to say that we have balanced this budget is not so important that the battle we have to win is the integrity of this House. Thank you.

Rep. Betty Hall spoke to the bill and yielded to questions.

The question was on the amended committee report.

Roll call request sufficiently seconded.

Rep. Parr addressed the House.

Rep. Parr: Thank you Mr. Speaker and members of the House. I wish to thank all of you for your flowers and your cards that you have sent me since I've been ill. And, believe you me, I have been ill. I have been taking chemotherapy since the first of January. I have one more thing to ask of you all. I am going into the hospital Saturday, I'm going to be operated on on Monday at Mary Hitchcock Hospital. I need your prayers, I need your good thoughts and I need the people that live in and around Hanover to please come to see me. I will be in the hospital for three weeks and I'm 130 miles from home. Please, I need your prayers. It is a very serious operation. They have informed me it is an all-day operation.

1 New Paragraph; Rulemaking Added. Amend RSA 21-I:14 by inserting after paragraph XII the following new paragraph:

XII-a. Procedures for the waiver of certain provisions of RSA 21-I relative to purchasing under RSA 21-I:18, II.

2 Waiver Procedure Added. Amend RSA 21-I:18 to read as follows:

21-I:18 Exemptions.

I. To the extent indicated in this section, the following agencies and purchases are exempted from the provisions of this chapter. All exempt purchases shall be made in accordance with the existing laws governing such purchases:

[I.](a) The university system of New Hampshire shall not be required to make any purchases through the director of plant and property management, unless it wishes to do so. If it does, the director shall be required to follow the provisions of this chapter. The university system shall make purchases under competitive bidding requirements except when waived by the chancellor of the university system or his authorized agent upon written justification.

[II.](b) The purchasing powers now vested in the state liquor commission by RSA 176:11, RSA 176:15, and RSA 177:1 shall remain in effect. All other purchases by or for said commission shall be subject to the provisions of this chapter.

[III.](c) The legislature, secretary of state, court systems and the state reporter are completely exempted from the provisions of this chapter.

[IV.](d) This chapter shall not apply to any contracts made or entered into by the director of plant and property management or any agency under the terms of which contractors with the state purchase their own supplies directly.

[V.](e) The purchase of materials, supplies and merchandise by the department of resources and economic development as provided by RSA 219:21 shall not be subject to the provisions of this chapter.

[VI.](f) All state agencies are exempted in the matter of the purchase of books and periodicals.

[VII.](g) The purchase of gaming tickets and their dispensing equipment by the sweepstakes commission. The commission shall make such purchases under competitive bidding requirements, except when waived by the commission or its authorized agent with written justification.

[VIII.](h) The purchase of client rehabilitative equipment and supplies for disabled persons by the division of vocational rehabilitation, including adaptive equipment as provided by RSA 200-C:16, shall not be subject to the provisions of this chapter.

**II. Notwithstanding any other provision of law, the commissioner of the department of administrative services, or his designee, may waive the provisions of RSA 21-I, relative to the purchase of materials, supplies, and merchandise, when requested by the executive head of any department or agency or his designee to prevent the loss of any federal or other funds subject to recapture. Such waiver shall be acted upon in a timely manner, and approval shall not be unreasonably withheld.**

3 Medical and Surgical Benefits. Amend RSA 21-I:30, I to read as follows:

I. The state shall pay [the full] a premium for each state employee and permanent temporary or permanent seasonal employee as defined in RSA 98-A:3 including spouse and minor, fully dependent children, if any, and each retired employee, as

defined in paragraph 11 of this section, and his spouse, or retired employee's beneficiary, only if an option was taken at the time of retirement and the employee is not now living, toward group hospitalization, hospital medical care, surgical care and other medical benefits plan within the limits of the funds appropriated at each legislative session and providing any change in plan or vendor is approved by the fiscal committee of the general court prior to its adoption. Funds appropriated for this purpose shall not be transferred or used for any other purpose.

4 Filing; Intent to Cut. Amend RSA 79:10 to read as follows:

79:10 Notice of Intent to Cut.

I. Every owner, as defined in RSA 79:1, II, shall, at the beginning of each tax year and prior to commencing each cutting operation, file with the proper assessing officials in the city or town where such cutting is to take place a notice of intent to cut provided by the commissioner of revenue administration, stating his name, residence, social security number, an estimate of the volume of each species to be cut, and such other information as may be required. A supplemental notice of intent shall be filed in the same manner for any additional volume of wood or timber to be cut in excess of the original estimate and within the tax year. The appropriate copies of all intents received by a city or town shall be forwarded to the commissioner of revenue administration by the assessing officials. Upon receipt of an original intent, the commissioner of revenue administration shall assign an operation number and furnish, without cost to the owner, a certificate and report of wood cut form. Such certificate shall be posted by the owner filing such intent in a conspicuous place within the area of cutting for each operation conducted within a city or town. The appropriate copy of all intents received by the commissioner of revenue administration shall be forwarded to the division of forests and lands of the department of resources and economic development. Starting an operation before the appropriate notice of intent to cut has been filed with the city or town and signed by the appropriate municipal officials shall constitute a violation by the owner or any other person doing the cutting, or both. Failure to post the certificate on the job in a conspicuous place upon receipt shall constitute a violation.

**II. Notwithstanding the provisions of paragraph I, any owner who has commenced cutting operations under a valid notice of intent to cut prior to April 1 shall not be required to file for a new notice of intent if the cutting operation will be completed prior to June 30 of that year.**

5 Fees; Acute Care Hospitals, Specialty Hospitals, and Nursing Homes. Amend RSA 151-C:15, I to read as follows:

I. In addition to any other fees required of it, each acute care hospital, specialty hospital, and nursing home licensed under RSA 151 shall pay an annual administrative fee of up to 1/10 of one percent of their previous year's revenue minus contractual allowances or, if a new facility, up to 1/10 of one percent of their projected first year revenue minus contractual allowances. The total amount collected shall not exceed [\$400,000] **\$500,000** per year to be prorated at the end of each fiscal year among all acute care hospitals, specialty hospitals, and nursing homes licensed under RSA 151, **except those operated by county and municipal governments.**

6 Additional Fees; Wholesale Distributors. Amend RSA 178:28, II to read as follows:

II. A sum of money from [all sources of funds available] **the general fund appropriated by the general court** to the [commissioner] **department** of [public works and highways equivalent] **transportation up** to 1/15 of all fees collected under para-

graph I of this section shall be dedicated and used exclusively for the purpose of increased roadside litter removal for class I through class V highways; provided, however, that in the event beverage container mandatory deposit legislation is enacted, such amount shall cease to be so dedicated as of the effective date of such legislation.

7 Additional Fees; Beverage Manufacturer. Amend RSA 178:30, II to read as follows:

II. A sum of money from [all sources of funds available] **the general fund appropriated by the general court** to the [commissioner] **department** of [public works and highways equivalent] **transportation up** to 1/15 of all fees collected under paragraph I of this section shall be dedicated and used exclusively for the purpose of increased roadside litter removal for class I through class V highways; provided, however, that in the event beverage container mandatory deposit legislation is enacted, said amount shall cease to be so dedicated as of the effective date of said legislation.

8 Definition; Attorney General. RSA 421-A:2, I-a is repealed and reenacted to read as follows:

I-a. "Attorney general" means the attorney general or delegee.

9 Definition; Department. RSA 421-A:2, IV-a is repealed and reenacted to read as follows:

IV-a. "Department" means the department of justice.

10 Reference Changes. Amend RSA 421-A:11, I to read as follows:

I. Whenever it appears to the [director] **attorney general** that any person has engaged in or is about to engage in any act or practice constituting a violation of this chapter, or any rule adopted or order issued under it, the [director] **attorney general** may issue and cause to be served upon any person violating any of the provisions of this chapter, an order requiring the person to cease and desist therefrom; and the [director] **attorney general** may bring an action in a court of competent jurisdiction to enjoin the acts or practices and to enforce compliance with this chapter or any rule adopted or order issued under it[, or he may refer the matter to the attorney general or the county attorney of the appropriate county]. Upon a proper showing, the court may grant a permanent or temporary injunction or restraining order and may order rescission of any sales or purchases of securities determined to be unlawful under this chapter, or any rule adopted or order issued under it. The court may not require the [director] **attorney general** to post a bond.

11 Criminal Penalties. Amend RSA 421-A:13 to read as follows:

421-A:13 Criminal Penalties.

I. Any person who violates RSA 421-A:3 or any rule adopted under it, or any order of which he has notice, or who willfully violates RSA 421-A:7, 8 or 11 or any rule adopted or order issued thereunder, shall be guilty of a class B felony if a natural person, or guilty of a felony if any other person. Each of the acts specified shall constitute a separate offense and a prosecution or conviction for any of such offenses shall not bar prosecution or conviction for any other offense. No indictment or information may be returned more than 6 years after the alleged violation.

[II. The director may refer such evidence as is available concerning violations of this chapter or of any rule adopted or order issued hereunder to the attorney general or the county attorney of the appropriate county who may, with or without any reference, institute the appropriate criminal proceedings under this chapter. If referred to a

county attorney, he shall within 90 days file with the director a statement concerning any action taken or, if no action has been taken, the reasons therefor.]

[III.]II. Nothing in this chapter shall be construed to limit the power of the state to punish any person for any conduct which constitutes a crime under any other statute.

12 Definitions: Attorney General; Department. RSA 421-B:2, IV and V are repealed and reenacted to read as follows:

IV. "Attorney general" means the attorney general or delegee.

V. "Department" means the department of justice.

13 Definition: Reference Change. Amend RSA 421-B:2, II(d) to read as follows:

(d) Effecting other transactions, if such individual is an officer or director of the issuer, no commission or other remuneration is paid or given directly or indirectly for soliciting any person in this state, and upon application, such individual is specifically authorized by name in an order issued by the [director] **attorney general**; or

14 Licensing Procedure. Amend RSA 421-B:7, I to read as follows:

I. A broker-dealer, agent, or investment adviser may obtain an initial or renewal license by filing with the [director] **secretary of state** an application together with a consent to service of process pursuant to RSA 421-B:30, VII. The application shall be on a form prescribed by the [director] **attorney general** and shall contain whatever information the [director] **attorney general** requires concerning such matters as, but not limited to, the applicant's form and place of organization; the applicant's proposed method of doing business; the qualifications and business history of the applicant; in the case of a broker-dealer or investment adviser, the qualifications and business history of any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser; and, in the case of an investment adviser, the qualifications and business history of any employee; any injunction or administrative order or conviction of a misdemeanor involving a security or any aspect of the securities business and any conviction of a felony; and the applicant's financial condition and history. The [director] **secretary of state** may by rule or order require an applicant for initial license to publish an announcement of the application in one or more specified newspapers published in this state. If no denial order is in effect and no proceeding is pending under RSA 421-B:10, licensing becomes effective at noon of the thirtieth day after an application is filed. The [director] **secretary of state** may by rule or order specify an earlier effective date, and he may by order defer the effective date until noon of the thirtieth day after filing of any amendment.

15 Post-Licensing Provisions. Amend RSA 421-B:8, I-VII to read as follows:

I. Every broker-dealer or issuer-dealer doing business in this state unless otherwise directed shall, within 60 days after the close of the fiscal year, make and transmit to the [director] **secretary of state** a filing under oath of its chief managing officer showing or providing the financial statement, changes in management, changes in ownership, and any significant changes in the method of doing business for the preceding fiscal year. Said filing shall include statements or periodic reports filed with any regulatory, state or federal authority or exchange if so directed by order or rule of the [director] **attorney general**.

II. The [director] **secretary of state** may extend the time for filing such statement for cause shown for a period of not more than 60 days. A broker-dealer or issuer-dealer intentionally failing to file its annual statement as required by paragraph I shall

forfeit to the [office] **state** \$25 for each day of delinquency. The [director] **secretary of state** may refuse to continue, or may suspend or revoke, the license of any broker-dealer or issuer-dealer intentionally failing to file its annual statement when due.

III. In addition to the above, the [director] **attorney general** may require at any reasonable time and in any reasonable manner from any person or company subject to this chapter:

(a) Statements, reports, including reports audited by independent public accountants, answers to questionnaires and other information, and evidence thereof, in whatever reasonable form he designates, and at such reasonable intervals as he may choose, or from time to time;

(b) A full explanation of the programming of any data storage or communications systems in use; and

(c) Information from any books, records, electronic data processing systems, computers or any other information storage system.

IV. The [director] **attorney general** may prescribe forms for the reports under paragraph III. The forms shall be consistent, as far as practicable, with those prescribed by other states.

V. Any officer, manager or agent of any broker-dealer or issuer-dealer authorized to do or doing securities business in this state, and any person controlling or having a contract under which he has a right to control such a broker-dealer or issuer-dealer, whether exclusively or otherwise, and any person with executive authority over or in charge of any segment of such a broker-dealer's or issuer-dealer's affairs, shall reply promptly in writing or in other designated form, to any written inquiry from the [director] **attorney general or secretary of state** requesting a reply.

VI. The [director] **attorney general or secretary of state** may require that any communication made to him under this section be verified.

VII. In the absence of actual malice, no communication required by the [director] **attorney general or secretary of state** under this section shall subject the person making it to an action for damages for defamation.

16 Post-licensing Provisions. Amend RSA 421-B:9, V(b) to read as follows:

(b) If so requested by the person examined, within the period allowed under subparagraph V(a), or if deemed advisable by the [director] **attorney general** without such request, the [director] **attorney general** shall hold a closed hearing relative to the report and shall not file the report in the [office] **department** until after such closed hearing and his order thereon; except, that the [director] **attorney general** may furnish a copy of the report to the governor[, attorney general] **secretary of state** or state treasurer pending final decision thereon.

17 Suspension or Revocation of Application. Amend the introductory paragraph of RSA 421-B:10, I to read as follows:

I. The [director] **attorney general, on his own motion, or upon the recommendation of the secretary of state**, may by order deny, suspend, or revoke any license or application if he finds:

18 Registration by Coordination. Amend RSA 421-B:13, I-a to read as follows:

I-a. Before the secretary of state may accept articles of incorporation for a new corporation under RSA 293-A, an application for a certificate of authority under RSA 293-A, a certificate of limited partnership for a new limited partnership under RSA 304-B, or an application for registration of a foreign partnership under RSA 305-A, the following requirements shall be met:

(a) Along with a \$50 filing fee, a statement shall be filed with the [director] **secretary of state** that the capital stock of the corporation or the interests of the limited partnership have been registered, or when offered will be registered, under this chapter or are exempted, or when offered will be exempted, under this chapter, or are or will be offered in a transaction exempted from registration under this chapter; and, in the case of a New Hampshire corporation or limited partnership, that the articles of incorporation or certificate of limited partnership state whether the capital stock or interests in the limited partnership will be sold or offered for sale within the meaning of this chapter.

(b) The statement shall be signed by the incorporators of a corporation to be formed, by an executive officer of an existing corporation, or by the general partners or intended general partners if a limited partnership.

[(b) The director shall certify to the secretary of state that the requirements of subparagraph (a) have been met.]

19 Registration by Coordination. Amend RSA 421-B:13, III-VII to read as follows:

III. A registration statement under this section automatically becomes effective at the moment the federal registration statement becomes effective if all the following conditions are satisfied:

(a) No stop order is in effect and no proceeding is pending under RSA 421-B:16;

(b) The registration statement has been on file with the [director] **secretary of state** for at least 20 days; and

(c) A statement of the maximum and minimum proposed offering prices and the maximum underwriting discounts and commissions has been on file for 2 full business days or such shorter period as the [director] **secretary of state** permits by rule or otherwise and the offering is made within those limitations.

IV. The [director] **attorney general** may by rule or otherwise waive either or both of the conditions specified in subparagraphs III(b) and (c).

V. The registrant shall promptly notify the [director] **secretary of state** by telephone, telegram, or similar means of communication of the date and time when the federal registration statement became effective and the content of the price amendment, if any, and shall promptly file a post-effective amendment containing the information and documents in the price amendment. "Price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices, and other matters dependent upon the offering price.

VI. Upon failure to receive the required notification and post-effective amendment with respect to the price amendment, the [director] **secretary of state** may enter a stop order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until there is compliance with this section, if he promptly notifies the registrant by telephone, telegram, or similar means of communication, and promptly confirms by letter or telegram when he notifies by telephone of the issuance of the order. If the registrant proves compliance with the requirements of this section as to notice and post-effective amendment the stop order is void as of the time of its entry.

VII. If the federal registration statement becomes effective before all the conditions in this section are satisfied and they are not waived, the registration statement automatically becomes effective as soon as all of the conditions are satisfied. If the registrant advises the [director] **secretary of state** of the date when the federal regis-

tration statement is expected to become effective, the [director] **secretary of state** shall promptly advise the registrant by telephone, telegram, or similar means of communication, at the registrant's expense, whether all the conditions are satisfied and whether he then contemplates the institution of a proceeding under RSA 421-B:16; but this advice by the [director] **secretary of state** does not preclude the institution of such a proceeding at any time.

20 Registration by Qualification. Amend RSA 421-B:14, III to read as follows:

III. A registration statement under this section becomes effective when the [director] **secretary of state** so orders.

21 Registration; Generally. Amend RSA 421-B:15 to read as follows:

421-B:15 Provisions Applicable to Registration Generally.

I. A registration statement may be filed **with the secretary of state** by the issuer, any other person on whose behalf the offering is to be made, or a licensed broker-dealer.

II. Every registration statement shall specify:

(a) The amount of securities to be offered in this state;

(b) The states in which a registration statement or similar document in connection with the offering has been or is to be filed; and

(c) Any adverse order, judgment, or decree entered in connection with the offering by the regulatory authorities in each state or by any court or the Securities and Exchange Commission.

II-a. Every corporation and partnership having securities registered in this state shall, within 90 days after the close of their fiscal year, file with the [director] **secretary of state** annually a financial statement audited and certified by an independent certified public accountant. The audited statement shall be prepared in accordance with generally accepted accounting principles and such other standards as the [director] **attorney general** shall adopt by rule. Issuers of securities registered under this chapter shall also provide quarterly financial reports within 60 days of the end of each quarter to their shareholders, partners, and the [director] **attorney general**. Such quarterly reports need not be independently audited.

III. Any document filed under this chapter or a predecessor chapter within 5 years preceding the filing **with the secretary of state** of a registration statement may be incorporated by reference in the registration statement to the extent that the document is currently accurate.

IV. The [director] **attorney general** may by rule or otherwise permit the omission of any item of information or document from any registration statement.

V. The [director] **attorney general** may by rule or order require as a condition of registration by qualification or coordination:

(a) That any security issued within the past 3 years or to be issued to a promoter for a consideration substantially different from the public offering price, or to any person for a consideration other than cash, be deposited in escrow; and

(b) That the proceeds from the sale of the registered security in this state be impounded until the issuer receives a specified amount from the sale of the security either in this state or elsewhere.

VI. The [director] **attorney general** may by rule or order determine the conditions of any escrow or impounding required under this section, but he may reject a depository solely because of location in another state only if the offering is not being registered under the Securities Act of 1933 and the principal place of business of the registrant is in this state.

VII. The [director] **attorney general** may by rule or order require as a condition of registration that any security registered by qualification or coordination be sold only on a specified form of subscription or sale contract, and that a signed or conformed copy of each contract be filed with the [director] **secretary of state** or preserved for any period up to 3 years specified in the rule or order.

VIII. Every registration statement shall be effective, for the purpose of any non-issuer distribution until withdrawn, suspended or revoked. All outstanding securities of the same class as a registered security are considered to be registered for the purpose of any non-issuer transaction so long as the registration statement is effective. A registration statement may not be withdrawn for one year from its effective date if any securities of the same class are outstanding.

IX. So long as a registration statement is effective, the [director] **attorney general** may by rule or order require the person who filed the registration statement to file **with the secretary of state** reports, not more often than quarterly, to keep reasonably current the information contained in the registration statement, to disclose the process of the offering and the use of any proceeds received from the offering, and to submit reports of sales. The [director] **attorney general** may by rule or order require that the issuer distribute annual reports to its shareholders.

X. A registration statement relating to a security issued by a face-amount certificate company or a redeemable security issued by an open-end management company or unit investment trust, as those terms are defined in the Investment Company Act of 1940, may be amended after its effective date so as to increase the securities specified as proposed to be offered. Such an amendment becomes effective when the [director] **attorney general** so orders.

XI. So long as a registration statement is effective the [director] **attorney general** may require an issuer to file **with the secretary of state** an annual report in such form as the [director] **attorney general** by rule prescribes. Failure to file the annual report within 30 days after its request may be deemed a request for withdrawal.

XII. No registration shall be deemed to be filed **with the secretary of state** until the fee established pursuant to RSA 421-B:31 has been paid.

22 Suspension or Revocation of Registration. Amend the introductory paragraph to RSA 421-B:16, I to read as follows:

I. The [director] **attorney general, on his own motion, or on the recommendation of the secretary of state**, may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, any registration statement if he finds:

23 Misleading Filings: Amend RSA 421-B:19 to read as follows:

421-B:19 Misleading Filings. It is unlawful for any person to make or cause to be made in any document filed [with the director] **under this chapter** or in any proceeding under this chapter any statement which is, at the time and in the light of the circumstances under which it is made, false or misleading in any material respect or, in connection with such statement, to omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they are made, not misleading.

24 Reference Change; Unlawful Representations. Amend RSA 421-B:20, I to read as follows:

I. Neither the fact that a registration statement or an application for a license has been filed **under this chapter** with the state of New Hampshire nor the fact that a security is effectively registered or a person is licensed in the state of New Hampshire constitutes a finding by the [director of the office of securities regulation] **attorney**

**general or the secretary of state** that any document filed under RSA 421-B is true, complete and not misleading. Neither any such fact nor the fact that an exemption or exception is available for a security or a transaction means that the [director of the office of securities regulation] **attorney general** has passed in any way upon the merits or qualifications of, or recommended or given approval to, any person, security, or transaction. It is unlawful to make, or cause to be made, to any prospective purchaser, customer, or client any representation inconsistent with the provisions of this paragraph.

25 Administration. RSA 421-B:21 is repealed and reenacted to read as follows:

421-B:21 Administration.

I. This chapter shall be administered by the attorney general, with the assistance of the secretary of state who shall receive and maintain all documents which are required to be filed under this chapter. The secretary of state shall, to the greatest extent practical, physically and substantively consolidate the activities and functions related to corporations, limited partnerships, and other business organizations and entities administered by the department of state with the activities and functions related to the registration of securities which are performed by the attorney general and secretary of state under this chapter.

II. The attorney general shall have all powers specifically granted or reasonably implied in order to perform the substantive responsibilities imposed by this title, and may, by rule, after consultation with and approval from the secretary of state, impose duties upon the secretary of state with regard to the receipt, maintenance and review of documents required to be filed under this chapter and the coordination of activities between the department of justice and the office of secretary of state.

III. It is unlawful for the attorney general, the secretary of state or any officers or employees of the department of justice or the secretary of state to use for personal benefit any information which is filed with or obtained by the attorney general or the secretary of state and which is not made public. No provision of this chapter authorizes the attorney general, the secretary of state or any officers or employees of the department of justice or the secretary of state to disclose any such information except among themselves or when necessary or appropriate in a proceeding or investigation under this chapter. No provision of this chapter either creates or derogates from any privilege which exists at common law or otherwise when documentary or other evidence is sought under a subpoena directed to the attorney general, the secretary of state or any officers or employees of the department of justice or the secretary of state.

26 Judicial Review. Amend RSA 421-B:27 to read as follows:

421-B:27 Judicial Review of Orders. Requests for rehearings and appeals from orders of the director shall be governed by RSA 541 and by the rules adopted by the [director] **attorney general** pursuant to title [XXXVII] **XXXVIII** and RSA 541-A.

27 Administrative Files and Opinions. Amend RSA 421-B:29 to read as follows:

421-B:29 Administrative Files and Opinions.

I. A document is filed when it is received by the [director], **secretary of state**.

II. The [director] **secretary of state** shall keep a register of all applications for licensing and registration statements which are or have ever been effective under this chapter and all denial, suspension, or revocation orders which have been entered under this chapter. The register shall be open for public inspection.

III. The information contained in or filed with any registration statement, application, or report may be made available to the public under such rules as the [director] **attorney general** adopts pursuant to RSA 541-A.

IV. Upon request and at such reasonable charges as he prescribes, the [director] **secretary of state** shall furnish to any person photostatic or other copies, certified under his seal of office if requested, of any entry in the register or any document which is a matter of public record. In any proceeding or prosecution under this chapter any copy so certified is prima facie evidence of the contents of the entry or document certified.

28 Service of Process; Rules. Amend the introductory paragraph of RSA 421-B:30, VII to read as follows:

VII. Every applicant for licensing under this chapter and every issuer who proposes to offer a security in this state through any person acting on an agency basis in the common-law sense shall file with the [director] **secretary of state**, in such form as he prescribes by rule, irrevocable consent appointing the [director or his successor in office to be his attorney] **secretary of state** to receive service of any lawful process in any non-criminal suit, action, or proceeding against him or his successor, executor, or administrator which arises under this chapter or any rule or order under this chapter after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed such a consent in connection with a previous registration need not file another. Service may be made by leaving a copy of the process in the office of the [director] **secretary of state** along with \$5, but it is not effective unless:

29 Reference Change: Service of Process. Amend the introductory paragraph of RSA 421-B:30, VIII to read as follows:

VIII. When any person, including any nonresident of this state engages in conduct prohibited or made actionable by this chapter or any rule or order under this chapter, and he has not filed a consent to service of process under paragraph VII and personal jurisdiction over him cannot otherwise be obtained in this state, that conduct shall be considered equivalent to his appointment of the [director or his successor in office to be his attorney] **secretary of state** to receive service of any lawful process in any non-criminal suit, action, or proceeding against him or his successor, executor, or administrator which grows out of that conduct and which is brought under this chapter or any rule or order under this chapter, with the same force and validity as if served on him personally. Service may be made by leaving a copy of the process along with \$5 in the office of the [director] **secretary of state**, and it is not effective unless:

30 Change from "Director" to "Attorney General". Amend the following RSA provisions by replacing "director" with "attorney general":

I. RSA 421-A:3; 421-A:4, X; 421-A:5; 421-A:6; 421-A:8; 421-A:9; 421-A:11, II, III; 421-A:12.

II. RSA 421-B:2, III(e); 421-B:2, IX(i); 421-B:2, X, XI; 421-B:4, II, III; 421-B:6, II; 421-B:7, III-VI; 421-B:9, I-III; 421-B:9, V(a); 421-B:9, V(c)-(e); 421-B:9, VI-VIII; 421-B:10, I(b)(5), (8), (11), (13); 421-B:10, II-VI; 421-B:12; 421-B:13, II; 421-B:14, II, IV; 421-B:16, I(b)(3), (7), (10), (11); 421-B:16, II-IV; 421-B:17; 421-B:18; 421-B:22; 421-B:23; 421-B:25, VIII; 421-B:26; 421-B:28; 421-B:30, VII(a); 421-B:30, VIII(a); 421-B:30, IX; 421-B:31, III.

31 Change from "Office" to "Department." Amend the following RSA provisions by replacing "office" with "department": RSA 421-A:9, I; 421-A:12, II; 421-B:9.

32 Transitional Rules. The rules of the office of securities regulation in effect immediately prior to July 1, 1991, may be continued in effect for a period of up to 1 year upon the order of the attorney general. Notwithstanding RSA 541-A, the attorney general may also issue orders which modify these existing rules for the sole purpose

of properly allocating responsibilities between the department of justice and the department of state in a manner consistent with the provisions of this chapter. Such modifications shall be filed with the legislative committee on administrative rules and the office of legislative services prior to taking effect, but shall not be subject to the other requirements of RSA 541-A:3.

33 Salaries Eliminated. Amend RSA 94:1-a, I, group O by deleting the following:

- I. Director of the office of securities regulation.
- II. Chief investigator, office of securities regulation.
- III. Administrator of the office of securities services, office of securities regulation.

IV. Administrator of the bureau of securities filings, office of securities regulation.

V. Administrator of the bureau of securities audits and examinations, office of securities regulation.

34 Repeal. The following are repealed:

- I. RSA 400-A:40-66, relative to the office of securities regulation.
- II. RSA 421-B:24, III, relative to criminal penalties.

35 Jurors' Fee Reduced. Amend RSA 500-A:15, I to read as follows:

I. Grand and petit jurors' fees and mileage shall be paid by the state. The jurors' fees shall be [\$15] **\$10** for each half day's attendance before a superior court; for each mile's travel to and from the place where the juror serves, mileage shall be paid at the rate of \$.20 per mile, mileage to be allowed for each day's attendance when the juror is required to leave the town or city in which he resides.

36 Restrictions on Transfer of Funds Eliminated. During the biennium ending June 30, 1993, restrictions on the transfer of funds within the lowest program unit budgeted for an agency are hereby suspended. Agencies may transfer within and among classes 10-19, 50-59, and 60; within and among classes 20-49, and 70; except where noted by footnote D. Transfers may be authorized between program budget units only with prior approval of the fiscal committee and governor and council. To the extent that this section conflicts with the provisions of RSA 9 or RSA 99:4, such provisions are suspended for this biennium.

37 Transfers Within PAU; Indigent Defenders. Notwithstanding RSA 9:16-a, the commissioner of the department of administrative services is authorized to transfer funds within PAU 01, 04, 01, 02, 04, indigent defenders.

38 Loss of Taxes. The commissioner of revenue administration shall compute the payment for lost taxes under RSA 219:32 as follows:

I. Add together the high and low value in the highest range of values within the forest land category, as set by the current use advisory board pursuant to RSA 79-A, then divide by 2 to arrive at the per acre value:

II. Multiply the per acre value by the number of acres on which application for loss of taxes is made, to arrive at the total assessment, to be further adjusted by the equalization ratio:

III Multiply the assessment by the local municipal tax rate to arrive at the payment due to the town, reduced in accordance with RSA 219:29, and adjusted for equity in accordance with RSA 219:33.

39 Effective Date. This act shall take effect July 1, 1991.

### AMENDED ANALYSIS

This bill abolishes the office of securities regulation. It makes the attorney general responsible for the enforcement of the securities laws and gives the secretary of state responsibility for securities filings and related administrative duties.

The bill changes the state's responsibility for paying the premium for state employee health insurance.

This bill establishes a waiver procedure of certain provisions of RSA 21-I when requested by any department or agency to prevent the loss of any federal or other funds subject to recapture.

The bill also:

(1) Increases administrative fees collected from hospitals and nursing homes licensed under RSA 151.

(2) Makes discretionary by the general court the expenditure of the equivalent of 1/15 of the beer tax for roadside litter removal.

(3) Eliminates certain restrictions on transfer of funds within program units.

(4) Establishes a method for computing payment for lost taxes under RSA 219:32.

(5) Suspends the requirement of filing for a new notice of intent to cut when a cutting operation is completed prior to June 30.

(6) Reduces jurors' fees.

Adopted.

The Appropriations Committee offered a floor amendment.

#### Floor Amendment

Amend the bill by replacing section 39 with the following:

39 Birth Registration Cards; Fee Increased. Amend RSA 126:13 to read as follows:

126:13 Birth Registration Cards. The registrar of vital records and health statistics, or the town clerk, may issue, in accordance with the provisions of RSA 126:14, a card containing information relative to the date and place of birth of such persons as may be on record in his office. The fee for the issuance of any such card shall be [3] **\$10**. However, under no circumstances shall any information relative to any adoption be disclosed or given out by the registrar of vital records and health statistics, or the town clerk, or any other individual except pursuant to RSA 170-B:19, II, except that a birth certificate which does not indicate that the certificate has been amended or that an individual has been adopted may be issued.

40 Fee Increased for Requesting Vital Records. Amend RSA 126:15 to read as follows:

126:15 Fees For Copies and Verifications. A town clerk or the registrar of vital records and health statistics shall be paid in advance, by any person requesting any copy or verification as provided in RSA 126:14, the sum of [3] **\$10** for making search, which sum shall include payment for the issuance of such copy or verification, provided that the fee to town clerks for examination of documents and issuance of a delayed birth certificate shall be \$4.

41 Exemption From Competitive Bidding; School Improvement Program. Notwithstanding any law or rule to the contrary, the school improvement program established under RSA 186:69 is hereby exempt from the competitive bidding requirements.

42 Calculation and Timing of Foundation Aid Payments. Notwithstanding the provisions of RSA 198:31:

I. The first 2 payments of foundation aid for fiscal year 1992 shall be based on a total appropriation of \$47,118,312. The third payment of foundation aid for fiscal year

1992 shall be based on a total appropriation of \$47,118,312 but shall be reduced by \$1,800,000.

II. The sum of \$1,800,000 from the foundation aid appropriation for fiscal year 1993 shall be distributed during the month of July, 1992. This distribution shall be calculated using the formula under RSA 198:29 in the same manner as if it were a fiscal year 1992 distribution. Three payments of foundation aid for fiscal year 1993 shall be made in September, January, and April and shall be based on the total amount appropriated for foundation aid for fiscal year 1993, less \$1,800,000.

III. Each city, town, or other locality may treat its portion of the \$1,800,000 distributed in July, 1992 under paragraph II as accounts receivable for fiscal year 1992.

43 Effective Date. This act shall take effect July 1, 1991.

Rep. Chambers offered a floor amendment.

#### Floor Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to administration and enforcement of the securities  
laws, privatization of retail liquor sales, state  
employee benefits, and state fees, funds,  
revenues, and expenditures.

Amend the bill by replacing section 43 with the following:

43 Definition; Off sale. Amend RSA 175:1, L to read as follows:

L. "Off sale" means [table] **liquor**, wine and beverage sold for consumption off the premises.

44 Directors of Data Processing and Financial Reporting. Amend RSA 176:8, V and the introductory paragraph of RSA 176:8, VI to read as follows:

V. There shall be a director of data processing who shall have such labor grade as may be determined by the [division] **director** of personnel and who shall be responsible for the data processing activities of the commission. [The director of data processing shall maintain records to assure fiscal and inventory control, prepare reports as required by the commission, design and implement internal security procedures to minimize losses to the state, gather and consolidate information for budgetary and other purposes, and recommend to the commission improvements in the commission's hardware and software as may be needed to keep the system current with industry. The director of data processing shall report directly to the commission. Such reports shall include, on a regular basis:

(a) The results of sales, post-offs, and other sales promotions.

(b) An analysis of the profitability of each item listed for sale by the commission.]

VI. There shall be a director of financial reporting and analysis who shall have such labor grade as may be determined by the [division] **director** of personnel and who shall be responsible for all financial and accounting functions, including preparations for monthly and annual financial reports[, including analyses of the results of operations]. The director of financial reporting and analysis shall:

45 Director of Wholesale Operation. RSA 176:8, VII is repealed and reenacted to read as follows:

VII.(a) There shall be a director of wholesale operations who shall have such labor grade as may be determined by the director of personnel who shall be responsible for the purchase of products for resale based on depletions of original inventory plus additional products requested by licensees at least one month before the anticipated date of delivery. Each quarter the director shall make available to licensees the wholesale prices of all products available.

(b) If the director does not make available for sale a brand of product requested by a licensee within 60 days after the date of order, the licensee may purchase the product from any source.

46 Rulemaking. RSA 176:14 is repealed and reenacted to read as follows:

176:14 Rulemaking. The commission shall adopt rules, under RSA 541-A, relative to:

I. The licensing of off-sale liquor sales.

II. Procedure for purchases, by retailers, of liquor from the warehouses.

III. Staffing, inventory and location of warehouses.

IV. The operation of a wholesale liquor business.

V. Any other matter necessary to the proper administration and enforcement of this title.

47 Sale of Liquor. Amend RSA 176:16 to read as follows:

176:16 Funds. All gross revenue derived by the commission from the [sale] **wholesale distribution** of liquor, or from licenses to manufacture or sell liquor, shall be deposited into the general funds of the state. The expenses of administration and all other expenditures provided for in this title shall be paid by the state treasurer on warrants of the governor with the advice and consent of council.

48 Liquor and Wine Import Warehouse License. Amend RSA 178:5, II to read as follows:

II. Import warehouse licensees licensed under paragraph I may transport wine and liquor from their own warehouses directly to [state liquor stores and] on-premise and off-premise licensees, in accordance with rules adopted by the commission pursuant to RSA 541-A, for the purposes of enhancing service to the state and its licensed purchasers, increasing selection for the benefit of consumers, and reducing the operating expenses of the state.

49 Combination License. Amend RSA 178:16 to read as follows:

178:16 Combination License.

I. Off-sale licenses shall be issued only for grocery[,] **and liquor**[, and drug] stores not holding on-sale licenses. Such licenses shall authorize the licensees to sell [table wine] **liquor** and beverages for consumption only off the premises designated in the licenses and not to other licensees for resale. Such sale shall be made only in the immediate container in which the beverage **or liquor** was received by the off-sale combination licensee; except that in the case of the holder of a wholesale distributor license, beverages may be sold only in such barrels, bottles, or other containers as the commission may by rule prescribe. There shall be no restriction on the number of combination retail [table wine] **liquor** and beverage licenses held by any person. The license shall authorize the licensee to transport and deliver beverages ordered from and sold by him and to transport and deliver [table wines] **liquor** ordered from and sold by the commission and sold by the licensee in vehicles operated under his control or an employee's control.

**II. There shall be 2 classifications of combination licenses:**

(a) **The class A license shall entitle the off-sale licensee to sell liquor, wine, and beer in a liquor store.**

(b) **The class B license shall entitle the off-sale licensee to sell wine and beer in a grocery store.**

[II.] **III.** All sales of beverages and [table wine] **liquor** shall be recorded on cash registers. No additional registers shall be added during the remainder of the year without prior approval of the commission. No rebate shall be allowed for cash registers discontinued during the license year.

50 New Section; Retail Liquor License. Amend RSA 178 by inserting after section 17 the following new section:

178:17-a Retail Liquor License.

I. A retail liquor license may be issued by the commissioner to any person operating a retail outlet in this state which shall allow the licensee to sell liquor directly to individuals at retail on the premises for consumption off the premises. A separate license shall be required with respect to each place of business of an applicant. The license shall authorize the licensee to transport and deliver liquor sold by the licensee in vehicles operated under his control or an employee's control.

II. All sales of liquor shall be recorded on cash registers. No additional registers shall be added during the remainder of the year without prior approval of the commissioner. No rebate shall be allowed for cash registers discontinued during the license year.

51 Off-Sale; Fees. Amend the introductory paragraph of RSA 178:27, II(a) to read as follows:

(a) Retail wine **and retail liquor** including vehicles:

52 New Section; Liquor Manufacturer's and Liquor Vendor's Interests Prohibited. Amend RSA 179 by inserting after section 12 the following new section:

179:12-a Liquor Manufacturer's and Liquor Vendor's Interests Prohibited.

I. No holder of a liquor manufacturer license and no officer, director, stockholder, employee or agent of the holder of a liquor manufacturer license shall through interlocking stock ownership, interlocking directorship, or otherwise, have an interest, either direct or indirect in the business of the holder of a retailer license.

II. No person holding a liquor vendor license shall be employed by any licensee in any capacity, and no licensee shall employ in any capacity a person holding a liquor manufacturer license.

53 Coupon Offers. Amend RSA 179:31, IX to read as follows:

IX. Advertising of liquor or beverages may contain inducements setting forth special offers for liquor or beverage purchasers. Coupon offers shall be redeemed by the vendor or his agent as specified in the offer. [No redemptions shall be made by the retail licensee or state store.] No on-sale or off-sale licensee shall sell or distribute coupons or tickets which may be redeemed for alcoholic beverages.

54 Advertising by Certain Licensees. Amend RSA 179:31, XIII and XIV to read as follows:

XIII. No holder of an on-sale [or off-sale] license shall advertise beverages or liquor by the use of cards in windows, except the posting of a printed menu.

XIV. No holder of an on-sale [or off-sale] license shall allow advertising material or display to be located near windows so as to constitute a window display or advertis-

ing, except the posting of a printed menu. Table tents may be utilized in licensed premises.

55 Gifts of Beverages or Liquor. Amend RSA 179:41, I to read as follows:

I. No [off-sale] licensee shall give away any beverage and wine with the purchase of merchandise or food or as payment in any business enterprise.

56 Sale of Sweepstakes Tickets. Amend RSA 284:21-h, II(a) to read as follows:

(a) Shall be sold by the sweepstakes commission [(1) in state liquor stores and the state liquor commission is hereby directed to cooperate with the sweepstakes commission in the sale of such tickets, and (2)] within the enclosure of any track where a race or race meet is conducted by license issued under this chapter and the sweepstakes commission is authorized to request and accept cooperation of the licensee in the sale of such tickets therein.

57 Ballot Questions. Amend RSA 663:5, I(a) to read as follows:

(a) "Shall [state stores be operated] **liquor be sold off the premises** by permission of the state liquor commission in this city or town?"

58 Ballot Vote. Amend RSA 663:5, II to read as follows:

II. If a majority of the qualified voters present and voting in a city or town signifies the disapproval of question (a) above, the commission shall not [operate state liquor stores] **license off-premise liquor sales** in that city or town.

59 Historical Fund. The joint legislative historical committee shall have authority over all proceeds contained in the historical fund on the effective date of this section. Proceeds raised from the sale of commemorative bottles shall be deposited in such fund until such time as the state stores are no longer in operation. This authority shall extend until such time as all of the money contained in such fund is exhausted.

60 Transition.

I. Beginning on January 1, 1992, the liquor commission, department of administrative services and any other state officials or agencies necessary, shall be responsible for carrying out the transition of the retail sale at liquor from the liquor commission to private industry by June 30, 1992. The state stores shall continue in operation until they are sold or until June 30, 1992, whichever occurs first.

II. During the transition, the commission shall retain the power to sell the state's interest in each state liquor store. Before offering a store for sale to the general public, the commission shall first offer it to the liquor store employees working in that store. If they decline the offer, the commission shall offer the store to the municipality in which it is located. If the municipality declines the offer, the commission shall open bidding to the general public.

III. Once a store is on the open market, the commission shall contract with a local real estate agency to sell the liquor store and its contents. The selling price shall include all leaseholds, freeholds, equipment and inventory of the store. Buyers shall agree to retain any remaining employees of the state store for at least 6 months from the date of purchase.

IV. On June 30, 1992, all state owned liquor stores shall cease operation. Any remaining stores and inventory still under the commission's control after June 30, 1992 shall be sold through the department of administrative services.

V. The liquor commission shall cooperate with the attorney general in overseeing the termination and, where necessary, the settlement of all leases, contracts, and other obligations of the liquor commission and the state as a result of this act.

61 Added Creditable Service. Notwithstanding RSA 100-A:4 or any other provision of law, every person employed in a state liquor store on January 1, 1992, who has

completed at least 10 years of creditable services as of January 1, 1992, and who has attained the age of 50, but not the age of 60, shall be awarded an additional 3 years of creditable service.

62 Repeal. The following are repealed:

- I. RSA 175:4, relative to the advertising of liquor and beverages.
- II. RSA 175:6, relative to transportation of liquor.
- III. RSA 176:8, II-IV, relative to the directors of marketing and merchandising, store operations and warehousing and transportation.
- IV. RSA 176:8, VI(c) relative to maintaining liquor store records.
- V. RSA 176:12, relative to New Hampshire products.
- VI. RSA 176:13, relative to listing and delisting products.
- VII. RSA 177, relative to the sale of liquor and state liquor stores.
- VIII. RSA 178:6, VI, relative to the sale price of domestic wine products.
- IX. RSA 178:26, relative to discounts and credits.
- X. RSA 179:22, I(b) relative to intervening in product display decisions by the commission.
- XI. RSA 179:22, III, relative to intervening in commission displays.
- XII. RSA 179:31, IV, and V relative to sales promotions in the state stores and warehouses and listing of retail prices.
- XIII. RSA 179:31, XII, relative to liquor or beverage display advertising.
- XIV. RSA 179:31, XV, relative to advertising liquor.
- XV. RSA 179:36, relative to registration of wine brand size.
- XVI. RSA 179:37, relative to services from wine venders.
- XVII. RSA 179:43, relative to sales on credit.
- XVIII. RSA 273:12, III, relative to toll-free use of the turnpike system for employees of state liquor stores.

63 Effective Date.

- I. Sections 43-62 of this act shall take effect January 1, 1992.
- II. The remainder of this act shall take effect July 1, 1991.

### Floor Amendment

Amend the bill by replacing section 43 with the following:

43 Schedule of Payments. Notwithstanding any other provisions of law, payments of distributions to cities and towns for revenue sharing for fiscal year 1992 and fiscal year 1993 shall be made in 4 equal payments on the fifteenth day of the months of September, December, March and June, beginning on September 15, 1991.

44 Schedule of Payments Deleted from Operating Budget. Amend HB 25-A of the 1991 legislative session by deleting section 21 and renumbering section 22 to read as 21.

45 Contingency. Sections 43 and 44 of this act shall take effect only if sections 19-21 of HB 25-A of the 1991 legislative session becomes laws.

46 Effective Date.

I. Sections 43 and 44 of this act shall take effect as provided in section 45 of this act.

II. The remainder of this act shall take effect July 1, 1991.

### AMENDED ANALYSIS

This bill abolishes the office of securities regulation. It makes the attorney general responsible for the enforcement of the securities laws and gives the secretary of state responsibility for securities filings and related administrative duties.

The bill changes the state's responsibility for paying the premium for state employee health insurance.

This bill establishes a waiver procedure of certain provisions of RSA 21-I when requested by any department or agency to prevent the loss of any federal or other funds subject to recapture.

The bill also:

(1) Increases administrative fees collected from hospitals and nursing homes licensed under RSA 151.

(2) Makes discretionary by the general court the expenditure of the equivalent of 1/15 of the beer tax for roadside litter removal.

(3) Eliminates certain restrictions on transfer of funds within program units.

(4) Establishes a method for computing payment for lost taxes under RSA 219:32.

(5) Suspends the requirement of filing for a new notice of intent to cut when a cutting operation is completed prior to June 30.

(6) Reduces jurors' fees.

(7) Increases fees for birth registration cards and for copies and verifications of vital records.

(8) Exempts the school improvement program from competitive bidding.

(9) Changes the calculation and timing of foundation aid payments for fiscal years 1992 and 1993.

(10) Changes the schedule of payments for distribution to cities and towns for revenue sharing for fiscal years 1992 and 1993.

Rep. Gross spoke in favor.

Adopted.

Rep. Lozeau offered a floor amendment.

### Floor Amendment

Amend the bill by replacing all after section 42 with the following:

#### 43 Revenue Sharing.

I. To provide sufficient funds for the sums appropriated in HB 25-A of the 1991 legislative session for payment of distributions to cities and towns for revenue sharing, the governor is hereby directed to reduce general funds appropriated for fiscal year 1992 by 7.9 percent and for fiscal year 1993 by 3.7 percent; subject to the approval by a majority vote of the general court for each line item reduction.

II. The governor shall, with the approval of the fiscal committee, reduce the rate of the reductions in paragraph I of this section, when it is determined that revenues are being received at rates that, if such rate were to continue, revenues received would exceed the estimates, by an amount not to exceed that which is necessary to satisfy paragraph I of this section.

44 Schedule of Payments. Notwithstanding any other provisions of law, payments of distributions to cities and towns for revenue sharing for fiscal year 1992 and fiscal year 1993 shall be made in 4 equal payments on the fifteenth day of the months of September, December, March and June, beginning on September 15, 1991.

45 Revenue Sharing and Schedule of Payments Deleted from Operating Budget. Amend HB 25-A of the 1991 legislative session by deleting sections 19 and 21 and renumbering section 20 to read as 19 and section 22 to read as 20.

46 Contingency. Sections 43-45 of this act shall take effect only if sections 19-21 of HB 25-A of the 1991 legislative session becomes law.

46 Effective Date.

I. Sections 43-45 of this act shall take effect as provided in section 46 of this act.

II. The remainder of this act shall take effect July 1, 1991.

Amended committee report adopted.

Ordered to third reading.

**HB 443-FN-A**, relative to shoreland protection and making an appropriation therefor and relative to water user fees. (A) OUGHT TO PASS WITH AMENDMENT.

This bill represents several years of diligent effort to establish statewide shoreland protection standards and the authority for implementation and enforcement of these standards. However, the Committee encountered two difficulties: (1) implementation and enforcement would constitute a new program when there are many existing and equally worthy programs not yet funded for the next biennium; and (2) reliable budgetary data to support the recommended program is not available. The amendment serves to preserve the concept, but delays implementation pending completion of an implementation plan by the Department of Environmental Services on or before December 30, 1992 and further legislative funding action. Vote 16-4. Rep. John P. Chandler for Appropriations.

## Amendment

Amend the title of the bill by replacing it with the following:

## AN ACT

relative to shoreland protection and making an appropriation  
therefor and relative to pesticide applications.

Amend RSA 483-B as inserted by section 1 of the bill by deleting RSA 483-B:18 and renumbering the original RSA 483-B:19 and RSA 483-B:20 to read as RSA 483-B:18 and RSA 483-B:19, respectively.

Amend RSA 483-B:8, III and IV as inserted by section 1 of the bill by replacing them with the following:

III. Municipalities in which protected shoreland is situated may enforce the provisions of this chapter by issuing cease and desist orders and by seeking injunctive relief or civil penalties as provided in RSA 483-B:18, III(a) and (b). Civil penalties and fines collected by the court shall be remitted within 14 days to the treasurer of the municipality prosecuting said violations, for the use of the municipality. Any municipality electing to enforce the provisions of this chapter shall send copies of any pleading to the attorney general at the time of filing. Municipalities bordering the same water body are encouraged to employ jointly a single code enforcement officer to monitor compliance.

IV. The authority granted to municipalities under this chapter shall not be interpreted to extend to RSA 430:28-48.

Amend the bill by replacing all after section 4 with the following:

5 Additional Staff Authorized. The department is authorized to employ additional staff for the administration of section 1 of this act.

6 Draft Ordinance; Office of State Planning to Prepare. Not later than October 1, 1991, the director, office of state planning, shall provide to the commissioner of environmental services a draft model ordinance for use by municipalities in developing

local ordinances to sustain the shoreland protection program established in RSA 483-B.

7 Appropriation. There is appropriated to the department of environmental services the sum of \$1 for the biennium ending June 30, 1993, for the purposes of sections 1 and 5 of this act. The governor shall draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

8 Report. The commissioner shall report to the governor, speaker of the house, and president of the senate on or before December 30, 1992, on an implementation plan for the requirements of this act. This report shall include information on the costs contemplated by the department in implementing the requirements and on the sources of revenue to be used.

9 Contingency. Sections 1, 2, 5 and 6 of this act shall take effect only after the general court has approved funding of sections 1, 2, 5 and 6 of this act after consideration of the implementation plan required under section 8 of this act, except that any gifts, grants, and donations solicited or received by the department of environmental services under RSA 483-B:15 may be expended only for the purpose of preparation of the report required under section 8 of this act. The commissioner shall not activate the rulemaking process pursuant to RSA 483-B:17 until the general court has approved funding of sections 1, 2, 5 and 6 of this act after consideration of the implementation plan required under section 8 of this act.

10 Effective Date.

I. Sections 1, 2, 5 and 6 of this act shall take effect as provided in section 9 of this act.

II. The remainder of this act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill establishes a comprehensive shoreland protection act which:

I. Delineates state and municipal legislative and enforcement authority over shoreland development.

II. Establishes minimum standards for shoreland development.

III. Establishes permitted uses for new and pre-existing lots along shoreland areas.

IV. Provides for technical assistance to municipalities in developing local shoreland protection ordinances.

V. Authorizes acceptance of gifts, grants and donations of money or land to be used for the purpose of shoreland protection.

VI. Requires the commissioner of the department of environmental services to report to the governor and legislative leadership on the implementation plan for this chapter.

The bill excludes rivers from protection and preservation.

Implementation of the shoreland protection act is contingent upon the approval by the general court of the act's funding after consideration of an implementation plan prepared by the commissioner of the department of environmental services.

The bill also makes minor changes in laws relating to pesticide applications.

Adopted.

Rep. Dickinson yielded to questions.

Rep. Markley moved that HB 443-FN-A be laid on the table.

On a division vote 156 members having voted in the affirmative and 166 in the negative, the motion failed.

Report adopted.

Ordered to third reading.

**SB 29-FN-A**, establishing a legislative ethics committee. OUGHT TO PASS.

Senate Bill 29 creates a Legislative Ethics Committee to propose standards for legislative conduct, answer questions from members about ethical behavior and investigate complaints about improper conduct. As a result of intense discussion and public input last year, the bill passed the Senate 24-0; the House Committee voted in favor 12-1. A technical amendment regarding mileage for non-legislative members will be taken care of in SB 15. Rep. Caroline L. Gross for Legislative Administration.

Adopted.

Ordered to third reading.

### SPECIAL ORDERS

**HB 239**, relative to approving reductions in expenditures for departments. OUGHT TO PASS.

This bill removes the option of the Governor to order reductions in expenditures when revenues are below estimate. Vote 13-6. Rep. Paul I. LaMott for Appropriations.

Rep. Stacey Cole moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass and spoke to his motion.

Rep. Nardi spoke against.

On a division vote, 193 members having voted in the affirmative and 135 in the negative, the substitute motion was adopted.

**HB 727-FN**, relative to DWI testing, motor vehicle records fees, and commercial driver licenses. (A) OUGHT TO PASS WITH AMENDMENT.

The amendment deletes section I of the bill which raises the fee two dollars for insurance company record requests. The original bill sets rule and fees for temporary vehicle registration. The bill also sets penalties for commercially licensed drivers who refuse to submit to tests for alcohol concentration or drug presence. It has no fiscal impact. Vote 12-7. Rep. Channing T. Brown for Appropriations.

### Amendment

Amend the bill by deleting section I and renumbering sections 2-5 to read as 1, 2, 3, and 4, respectively.

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect July 1, 1991.

### AMENDED ANALYSIS

This bill deletes certain restrictions on commercial motor vehicle driving.

The bill also deletes the requirement that any person seeking a temporary 20-day registration from the division of motor vehicles possess a sales receipt for the vehicle which is dated the same day or one day after issuance of the registration.

Adopted.

Rep. Lozeau offered a floor amendment.

### Floor Amendment

Amend the bill by replacing section 3 with the following:

3 Refusal to Consent to Tests. RSA 263:96, III is repealed and reenacted to read as follows:

III.(a) Upon the first refusal of any person to submit to a test or tests as administered by a law enforcement officer for the purposes of determining the person's alco-

hol concentration or the presence of other drugs, the director shall revoke his commercial license for a period of not less than one year.

(b) If the person has a prior refusal under subparagraph III(a) then, upon the second or subsequent refusal of such person to submit to a test or tests as administered by a law enforcement officer for the purposes of determining the person's alcohol concentration or the presence of other drugs, the director shall revoke his commercial license for a period of not less than 5 years.

Rep. Martling spoke in favor.

Adopted.

Amended report adopted.

Ordered to third reading.

### RESOLUTION

Rep. Gross offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Tuesday, April 23, 1991 at 1:00 p.m.

Adopted.

### LATE SESSION

#### Third reading and final passage

**HB 25-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 1992, and June 30, 1993.

**HB 65-FN-A**, relative to administration and enforcement of the securities law, state employee benefits, and state fees, funds, revenues, and expenditures.

**HB 443-FN-A**, relative to shoreland protection and making an appropriation therefor and relative to pesticide applications.

**SB 29-FN-A**, establishing a legislative ethics committee.

**HB 727-FN**, relative to DWI testing, motor vehicle records fees, and commercial driver licenses.

### UNANIMOUS CONSENT

Rep. Guest addressed the House.

Mr. Speaker, I rise to memorialize John Sloan Dickey of Hanover, Dartmouth's great president from 1945 to 1969, who recently died in Hanover.

Whereas, it was our good fortune to have had such a leader in education looking out for the young people of this state and nation; no simple task, let us reflect. As he said to the graduating seniors of 1956 and their parents:

You know that life has never made complete sense to any thoughtful person and, yet, that it makes too much sense to be left either to chance or to fools. Hence, education.

World War II and his work in the creation of the United Nations convinced him that our lives are now inescapably international. He broadened the College's perspectives, brought in foreign teachers and students, made a place for Black Americans, and created his famous Great Issues course.

To the new veterans of 1947 he said that we — three wars later — should now be saying:

The wartime issue, however complex in its origins, was starkly simple: it was we or they and to the finish. The issues of peacetime are different. They are numerous.

complex, and ill-defined....the business of the truly educated man; it is a harder business than you imagine.

Mr. Dickey was a big man in all respects. He peopled his college with the best students and teachers he could find. Yet, he knew that the excitement of scholarship in library or laboratory must be balanced by the fellowship of football or fishing, or exploring in the wilderness of thought. For him, such recreation often meant snow-shoeing with his wife or hunting with his old friend, Robert Frost, (a poor shot but dead-eye poet).

Perhaps the happiest event of his 24-year tenure was taking President Eisenhower and Governor Sherman Adams on a fishing trip to the (well-stocked) rivers of the Dartmouth Grant.

Therefore, we congratulate Dartmouth College (an institution older than the State of New Hampshire) on having had, for a quarter century, such a man for President;

That we send to his wife and family our deepest sympathy;

and that we ourselves resolve to do what we can for our young people to keep their talents and prospects from the hands of fools or chance.

Rep. Michael Hill moved that the House stand in recess for the purpose of Enrolled Bills Reports only.

Adopted.

The House recessed at 6:10 p.m.

### COMMITTEE REPORTS CONSENT CALENDAR

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

Consent Calendar adopted.

**SB 28-FN-A**, relative to promoting New Hampshire businesses and products internationally. **OUGHT TO PASS**.

The structure created by this bill is a most positive step for economic development in the State of New Hampshire. It creates a form of structure between public and private sectors. Vote 13-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

Referred to Appropriations.

**SB 52**, changing the name of the Federal Home Loan Bank Board to the Office of Thrift Supervision. **OUGHT TO PASS**.

This bill brings New Hampshire statutes into conformity with federal law by changing the name of Federal Home Loan Bank Board to the Office of Thrift Supervision. Vote 13-0. Rep. Bonnie B. Packard for Commerce, Small Business and Consumer Affairs.

**SB 143**, extending time limits for condominium projects. **OUGHT TO PASS WITH AMENDMENT**.

Senate Bill 143 addresses the concerns of both condominium owners and developers. It grants additional time to builders and their financiers to complete a development. Condominium owners are given more power in determining final dispositions

of common land where the builder is unable to complete the project. Vote 18-0. Rep. Eric N. Lindblade for Commerce, Small Business and Consumer Affairs.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Contents of Declaration. Amend RSA 356-B:16, III(c) to read as follows:

(c) A time limit, not exceeding 7 years from the recording of the declaration, upon which the option to expand the condominium shall expire, *provided, however, that the time limit contained in the declaration may be extended by not more than 7 years by an amendment to the declaration adopted pursuant to RSA 356-B:54, V*, together with a statement of the circumstances, if any, which will terminate that option prior to the expiration of the time limit so specified;

2 Contents of Declaration. Amend RSA 356-B:16, IV(c) to read as follows:

(c) A time limit, not exceeding 7 years from the recording of the declaration, upon which the option to contract the condominium shall expire, *provided, however, that the time limit contained in the declaration may be extended by not more than 7 years by an amendment to the declaration adopted pursuant to RSA 356-B:54, V*, together with a statement of the circumstances, if any, which will terminate that option prior to the expiration of the time limit so specified;

3 Certification Language. Amend RSA 356-B:20, I and II to read as follows:

I. There shall be recorded simultaneously with the declaration one or more site plans of survey showing the location and dimensions of the submitted land, the location and dimensions of any convertible lands within the submitted land, the location and dimensions of any existing improvements, the intended location and dimensions of any contemplated improvements which are to be located on any portion of the submitted land other than within the boundaries of any convertible lands, and, to the extent feasible, the location and dimensions of all easements appurtenant to the submitted land or otherwise submitted to this chapter as a part of the common areas. If the submitted land is not contiguous, then the site plans shall indicate the distances between the parcels constituting the submitted land. The site plans shall label every convertible land as a convertible land, and if there be more than one such land the site plans shall label each such land with one or more letters or numbers or both different from those designating any other convertible land and different also from the identifying number of any unit. The site plans shall show the location and dimensions of any withdrawable lands, and shall label each such land as a withdrawable land. If, with respect to any portion or portions, but less than all, of the submitted land, the unit owners are to own only an estate for years, the site plans shall show the location and dimensions of any such portions, and shall label each such portion as a leased land. If there is more than one withdrawable land, or more than one leased land, the site plans shall label each such land with one or more letters or numbers or both different from those designating any convertible land or other withdrawable or leased land, and different also from the identifying number of any unit. The site plans shall show all easements to which the submitted land or any portion thereof is subject, and shall show the location and dimensions of all such easements to the extent feasible. The site plans shall also show all encroachments by or on any portion of the condominium. In the case of any improvements located or to be located on any portion of the submitted land other than within the boundaries of any convertible lands, the site plans shall indicate which, if any, have not been begun by the use of the phrase "(NOT YET BEGUN)" and which, if any, have been begun but have not been substantially com-

pleted by the use of the phrase “(NOT YET COMPLETED).” In the case of any units the vertical boundaries of which lie wholly or partially outside of structures for which floor plans pursuant to paragraph II are simultaneously recorded, the site plans shall show the location and dimensions of such vertical boundaries to the extent that they are not shown on such floor plans, and the units or portions thereof thus depicted shall bear their identifying numbers. Each site plan shall be certified as to its accuracy and compliance with the provisions of this paragraph by a registered land surveyor, and the said surveyor shall certify that all units or portions thereof depicted [thereon as completed] *on any portion of the submitted land other than within the boundaries of any convertible lands* have been substantially completed. The specification within this paragraph of items that shall be shown on the site plans shall not be construed to mean that the site plans shall not also show all other items customarily shown or hereafter required for land title surveys.

II. There shall also be recorded, simultaneously with the declaration, floor plans of every structure which contains or constitutes all or part of any unit or units, and which is located on any portion of the submitted land other than within the boundaries of any convertible lands. The floor plans shall show the location and dimensions of the vertical boundaries of each unit to the extent that such boundaries lie within or coincide with the boundaries of such structures, and the units or portions thereof thus depicted shall bear their identifying numbers. In addition, each convertible space thus depicted shall be labeled a convertible space. The horizontal boundaries of each unit having horizontal boundaries shall be identified on the floor plans with reference to established datum. Unless the condominium instruments expressly provide otherwise, it shall be presumed that in the case of any unit not wholly contained within or constituting one or more such structures, the horizontal boundaries thus identified extend, in the case of each such unit, at the same elevation with regard to any part of such unit lying outside of such structures, subject to the following exception: in the case of any such unit which does not lie over any other unit other than basement units, it shall be presumed that the lower horizontal boundary, if any, of that unit lies at the level of the ground with regard to any part of that unit lying outside of such structures. The floor plans shall be certified as to their accuracy and compliance with the provisions of this paragraph by a registered architect, registered engineer or licensed land surveyor, and such architect, engineer or land surveyor shall certify that all units or portions of units depicted on the floor plan [as completed] have been substantially completed.

4 Conversion of Convertible Lands. Amend RSA 356-B:23, III to read as follows:

III. All convertible lands shall be deemed a part of the common areas except for such portions thereof as are converted in accordance with the provisions of this section. Until the expiration of the period during which conversion may occur or until actual conversion, whichever occurs first, real estate taxes shall be assessed against the declarant rather than the unit owners as to both the convertible land and any improvements thereon. No such conversion shall occur after 5 years from the recording of the declaration, or such shorter period of time period as the declaration may specify, *provided, however, that the time limit contained in the declaration may be extended by not more than 5 years by an amendment to the declaration adopted pursuant to RSA 356-B:54, V.*

5 Procedure For Amendment. Amend RSA 356-B:34, II to read as follows:

II. If there is any unit owner other than the declarant, then the condominium instruments shall be amended only by agreement of unit owners of units to which 2/3

of the votes in the unit owners' association appertain, or such larger majority as the condominium instruments may specify, except in cases for which this chapter provides different methods of amendment. *The procedures established in RSA 356-B:54, V shall be followed for amendments to extend the time limits for conversion, expansion, or contraction of a condominium.*

6 New Paragraph: Amendment Procedure. Amend RSA 356-B:54 by inserting after paragraph IV the following new paragraph:

V.(a) Any extension of a time limit set forth in a declaration and relating to RSA 356-B:16, III(c), RSA 356-B:16, IV(c) or RSA 356-B:23, III shall be effective upon the recordation of an amendment reflecting the agreement of owners of substantially completed units to which 2/3 of the votes in the unit owners' association appertain, or such larger majority as the condominium instruments may specify, provided, however, that if the existing rights to expand or contract the condominium or to exercise convertible land rights have expired, such an amendment shall require the unanimous vote of all unit owners of substantially completed units who are present or voting by proxy at a duly called and noticed meeting of the unit owners' association. The amendment shall be deemed a material change requiring submission to the agency of both a copy of the amendment and a certification to include the following information:

- (1) The necessary vote that was obtained.
- (2) The date that the declaration was originally recorded.
- (3) The date that the amendment under this section was recorded.
- (4) The number of units that are substantially completed.
- (5) The number of units that may be added to the condominium by reason of conversion or expansion.

(b) The certification shall be filed on a specific form made available by the agency upon request. Any amendment made pursuant to this section shall be clearly and conspicuously disclosed in any public offering statement that is required for the condominium. A copy of such disclosure shall be submitted to the agency, but does not require its approval. However, any defects or ambiguities noted therein by the agency and communicated to the submitting party shall be corrected prior to any further use or distribution of the statement.

7 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill extends the time limits within which condominium projects can be completed. The bill establishes a procedure for amending the condominium instruments to extend such time limits.

**SB 228-FN-A**, relative to the treatment of New Hampshire trusts and the open bank assistance program under the New Hampshire business profits tax. **OUGHT TO PASS WITH AMENDMENT.**

This bill codifies the position of New Hampshire investment trusts under statutory law and permits their entrance into investment activity per se. This bill, made operational, should provide a solid boost to the state's economy. In no way does this bill provide an opportunity for banks to enter the insurance field. Vote 15-0. Rep. Eric N. Lindblade for Commerce, Small Business and Consumer Affairs.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

relative to the treatment of New Hampshire investment trusts  
and the open bank assistance program under the  
New Hampshire business profits tax.

Amend the bill by replacing all after the enacting clause with the following:

I New Chapter; Treatment of New Hampshire Investment Trusts. Amend RSA by inserting after chapter 293-A the following new chapter:

**CHAPTER 293-B****TREATMENT OF NEW HAMPSHIRE INVESTMENT TRUSTS**

293-B:1 Purpose. The general court finds that the revitalization of the state's economy and the development of business and investment in New Hampshire will be facilitated by making available a broad range of entities for investment enterprises. The statutory recognition of investment trusts, previously recognized only in common law, provides an alternative to conducting investment activity through entities such as corporations and partnerships and will introduce certainty as to treatment of investment trusts under state law, particularly with respect to the rights and duties of their trustees and beneficiaries. It is the intent of the general court to give the constituent members of investment trusts the widest discretion to fashion structures of such entities to meet their investment needs consistent with the provisions of this chapter.

293-B:2 Definitions. As used in this chapter, unless the context otherwise requires:

I. "Bank" means bank as such term is defined in RSA 384-B:1, I and shall also include any national banking association authorized to conduct business in this state.

II. "Beneficial owner" means any owner of a beneficial interest in a New Hampshire investment trust, the fact of ownership to be determined and evidenced (whether by means of registration, the issuance of certificates, or otherwise) in conformity to the applicable provisions of the governing instrument of the New Hampshire investment trust.

III. "Governing instrument" means a trust instrument which creates a New Hampshire investment trust and provides for the governance of the affairs of the New Hampshire investment trust and the conduct of its investment activities.

IV. "New Hampshire investment trust" means a "qualified investment company" as defined in RSA 77-A:1, XXI.

V. "Other investment entity" means an out-of-state investment entity which meets the definition of a "qualified investment company" as defined in RSA 77-A:1, XXI, with the exception that such other investment entity need not submit certification to the commissioner.

VI. "Person" means a natural person, partnership, limited partnership, trust, estate, association, corporation, custodian, nominee or any other individual or entity in its own or any representative capacity.

VII. "Trustee" means the person or persons appointed as a trustee in accordance with the governing instrument of a New Hampshire investment trust to manage the business, investment activity, and affairs of such New Hampshire investment trust, and may include the beneficial owners or any of them.

293-B:3 Organization; Purposes. A New Hampshire investment trust may be organized under this chapter for the purpose of carrying on any lawful investment activity

within or outside this state, except that nothing contained in this chapter shall preclude a New Hampshire investment trust from engaging in the activities of a trust.

**293-B:4 Liability of Beneficial Owners and Trustees.**

I. Except to the extent otherwise provided in the governing instrument of the New Hampshire investment trust, the beneficial owners shall be entitled to the same limitation of personal liability extended to stockholders of business corporations.

II. Except to the extent otherwise provided in the governing instrument of a New Hampshire investment trust, a trustee, when acting in such capacity, shall not be personally liable to any person for any act, omission or obligation of the New Hampshire investment trust or any trustee thereof, other than any liabilities to the New Hampshire investment trust or a beneficial owner which arise under the terms of the governing instrument of the New Hampshire investment trust.

**293-B:5 Legal Proceedings.**

I. A New Hampshire investment trust may sue and be sued. In furtherance of the foregoing, a New Hampshire investment trust may be sued for debts and other obligations or liabilities contracted or incurred by the trustees, or by the duly authorized agents of such trustees, in the performance of their respective duties under the governing instrument of the New Hampshire investment trust, and for any damages to persons or property resulting from the negligence of such trustees or agents acting in the performance of such respective duties. The property of a New Hampshire investment trust shall be subject to attachment and execution as if it were a corporation, in accordance with the relevant provisions of New Hampshire law.

II. Notwithstanding paragraph I, if the governing instrument of a New Hampshire investment trust which is a registered investment company under the Investment Company Act of 1940, as amended (15 U.S.C. section 80a-1 et seq.), creates one or more series as provided in RSA 293-B:7, II(d), and if separate and distinct records are maintained for any such series and the assets associated with any such series are held and accounted for separately from the other assets of the New Hampshire investment trust, or any other series thereof, and if the governing instrument so provides, and notice of the limitation on liabilities of a series as referenced in this sentence is set forth in the certificate of trust of the New Hampshire investment trust, then the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to a particular series shall be enforceable against the assets of such series only, and not against the assets of the New Hampshire investment trust generally.

**293-B:6 Rights of Beneficial Owners in Trust Property.**

I. Except to the extent otherwise provided in the governing instrument of the New Hampshire investment trust, a beneficial owner shall have an undivided beneficial interest in the property of the New Hampshire investment trust or, if applicable, in accordance with the provisions of RSA 293-B:7, specified property of the New Hampshire investment trust, and shall share in the profits and losses of the New Hampshire investment trust in the proportion, expressed as a percentage, of the entire undivided beneficial interest in the New Hampshire investment trust owned by such beneficial owner or, if applicable, in accordance with the provisions of RSA 293-B:7, in the proportion, expressed as a percentage, of the entire undivided beneficial interest in the series or class of beneficial interests in the New Hampshire investment trust owned by such beneficial owner. The governing instrument of a New Hampshire investment trust may provide that the New Hampshire investment trust or the trustees, acting for and on behalf of the New Hampshire investment trust, shall be deemed to

hold beneficial ownership of any income earned on securities of the New Hampshire investment trust issued by any business entities formed, organized, or existing under the laws of any jurisdiction, including the laws of any foreign country.

II. No creditor of the beneficial owner shall have any right to obtain possession of, or otherwise exercise legal or equitable remedies with respect to, the property of the New Hampshire investment trust.

III. A beneficial owner's beneficial interest in the New Hampshire investment trust is freely transferable except to the extent otherwise provided in the governing instrument of the New Hampshire investment trust.

293-B:7 Management of a New Hampshire Investment Trust.

I. The business and affairs of a New Hampshire investment trust shall be managed by or under the direction of its trustees. To the extent provided in the governing instrument of a New Hampshire investment trust, any person, including a beneficial owner, shall be entitled to direct the trustees in the management of a New Hampshire investment trust, including without limitation the investment of securities, real estate, mortgages, and other assets of the New Hampshire investment trust. Except to the extent otherwise provided in the governing instrument of a New Hampshire investment trust, neither the power to give direction to a trustee nor the exercise thereof by any person, including a beneficial owner, shall cause such person to be a trustee.

II. A governing instrument may contain any provision relating to the management of the business or investment affairs of the New Hampshire investment trust, and the rights, duties and obligations of the trustees, beneficial owners and other persons, which is not contrary to any provision or requirement of this chapter and, without limitation:

(a) May provide that a person shall become a beneficial owner and shall become bound by the governing instrument if such person, or a representative authorized by such person orally, in writing or by other action such as payment for a beneficial interest, complies with the conditions for becoming a beneficial owner set forth in the governing instrument or any other writing and acquires a beneficial interest;

(b) May consist of one or more agreements, instruments or other writings and may include or incorporate bylaws containing provisions relating to the business or investment activities of the New Hampshire investment trust, the conduct of its affairs and its rights or powers or the rights or powers of its trustees, beneficial owners, agents or employees;

(c) May provide for classes, groups or series of trustees or beneficial owners, or classes, groups or series of beneficial interests, having such relative rights, powers and duties as the governing instrument may provide, and may make provision for the future creation in the manner provided in the governing instrument of additional classes, groups or series of trustees, beneficial owners or beneficial interests, having such relative rights, powers and duties as may from time to time be established, including rights, powers and duties senior or subordinate to existing classes, groups or series of trustees, beneficial owners or beneficial interests;

(d) May establish or provide for the establishment of designated series of trustees, beneficial owners or beneficial interests having separate rights, powers or duties with respect to specified property or obligations of the New Hampshire investment trust or profits and losses associated with specified property or obligations, and to the extent provided in the governing instrument, any such series may have a separate investment objective;

(e) May provide for the taking of any action, including the amendment of the governing instrument; the accomplishment of a merger or consolidation; the appointment of one or more trustees; the sale, lease, exchange, transfer, pledge or other disposition of all or any part of the assets of the New Hampshire investment trust or the assets of any series; or the dissolution of the New Hampshire investment trust, or may provide for the taking of any action to create under the provisions of the governing instrument a class, group or series of beneficial interests that was not previously outstanding, in any such case without the vote or approval of any particular trustee or beneficial owner, or class, group or series of trustees or beneficial owners;

(f) May grant to or withhold from all or certain trustees or beneficial owners, or a specified class, group or series of trustees or beneficial owners, the right to vote, separately or with any or all other classes, groups or series of the trustees or beneficial owners, on any matter, such voting being on a per capita, number, financial interest, class, group, series or any other basis;

(g) May, if and to the extent that voting rights are granted under the governing instrument, set forth provisions relating to notice of the time, place or purpose of any meeting at which any matter is to be voted on; waiver of any such notice; action by consent without a meeting; the establishment of record dates, quorum requirements, voting in person, by proxy or in any other manner; or any other matter with respect to the exercise of any such right to vote; or

(h) May provide for the present or future creation of more than one New Hampshire investment trust, including the creation of a future New Hampshire investment trust to which all or any part of the assets, liabilities, profits or losses of any existing New Hampshire investment trust will be transferred, and for the conversion of beneficial interests in an existing New Hampshire investment trust, or series thereof, into beneficial interests in the separate New Hampshire investment trust, or series thereof.

293-B:8 Trustee in State.

I. Every New Hampshire investment trust shall at all times have at least one trustee which may either be a natural person or a bank, and in the case of a natural person shall be a person who is a resident of this state. As long as this requirement is satisfied, any additional trustee need not be a bank or natural person who is a resident of this state.

II. Notwithstanding the provisions of paragraph I, if a New Hampshire investment trust is or becomes a registered investment company under the Investment Company Act of 1940, as amended (15 U.S.C. section 80a-1 et seq.), such New Hampshire investment trust shall not be required to have a trustee who is a resident of this state or a bank if and for so long as such New Hampshire investment trust shall be in compliance with paragraph III.

III. Each New Hampshire investment trust shall have and maintain in this state:

(a) A registered office, which may but need not be a place of business in this state; and

(b) A registered agent for service of process on the New Hampshire investment trust, which agent may be either an individual resident of this state or a business entity authorized to do business in this state.

IV. A New Hampshire investment trust may change the location of its registered office in this state to any other place in this state, or may change the registered agent to any other individual resident of this state or business entity having its principal place

of business in this state, by delivering for filing an amendment to its certificate of trust to the secretary of state in accordance with the applicable provisions of this chapter.

293-B:9 Existence of New Hampshire Investment Trust.

I. A New Hampshire investment trust shall exist as a separate legal entity.

II. Except to the extent otherwise provided in the governing instrument of the New Hampshire investment trust, the New Hampshire investment trust shall have perpetual existence.

III. Except to the extent otherwise provided in the governing instrument of a New Hampshire investment trust, the death, incapacity, dissolution, termination or bankruptcy of a beneficial owner shall not result in the termination or dissolution of a New Hampshire investment trust.

293-B:10 Applicability of Trust Law. Except to the extent otherwise provided in the governing instrument of a New Hampshire investment trust or in this chapter, the laws of this state pertaining to trusts are hereby made applicable to New Hampshire investment trusts.

293-B:11 Certificate of Trust; Amendment; Cancellation.

I. One original and one exact copy of a certificate of trust for a New Hampshire investment trust shall be executed and shall be delivered for filing to the secretary of state. The certificate of trust shall set forth:

(a) The name of the New Hampshire investment trust;

(b) The name and the business address of each of the trustees;

(c) The name and the business address of the registered agent for service of process;

(d) The future effective date or time, which shall be a date or time certain, of effectiveness of the certificate if it is not to be effective upon the filing of the certificate; and

(e) Any other information the trustees determine to include.

II. A certificate of trust may be amended by delivering for filing one original and one exact copy of a certificate of amendment to the secretary of state. The certificate of amendment shall set forth:

(a) The name of the New Hampshire investment trust;

(b) The amendment to the certificate; and

(c) The future effective date or time, which shall be a date or time certain, of effectiveness of the certificate if it is not to be effective upon the filing of the certificate.

III. A certificate of trust may be amended at any time for any purpose as the trustees may determine. A trustee who becomes aware that any statement in a certificate of trust was false when made or that any matter described has changed making the certificate false in any material respect, shall promptly file a certificate of amendment.

IV. A certificate of trust shall be cancelled upon the completion of winding up of the New Hampshire investment trust and its termination. One original and one exact copy of a certificate of cancellation and a statement from the department of revenue administration that all taxes due from or accrued by the New Hampshire investment trust through the effective date of cancellation have been either assessed and paid or adequately provided for in a manner acceptable to the department of revenue administration shall be delivered for filing to the secretary of state and shall set forth:

(a) The name of the New Hampshire investment trust;

(b) The date of filing of its certificate of trust;

(c) The future effective date or time, which shall be a date or time certain, of cancellation if it is not to be effective upon the filing of the certificate; and

(d) Any other information the trustees determine to include.

293-B:12 Execution.

I. Each certificate required by this chapter to be delivered for filing to the secretary of state shall be executed in one original and one exact copy in the following manner:

(a) A certificate of trust shall be signed by all of the trustees;

(b) A certificate of amendment shall be signed by at least one of the trustees;

(c) A certificate of cancellation shall be signed by all of the trustees or as otherwise provided in the governing instrument of the New Hampshire investment trust; and

(d) If a New Hampshire investment trust is filing a certificate of merger or consolidation, the certificate of merger or consolidation shall be signed by all of the trustees or as otherwise provided in the governing instrument of the New Hampshire investment trust, or, if the certificate of merger or consolidation is being filed by an other investment entity, the certificate of merger or consolidation shall be signed by a person authorized to execute such instrument on behalf of such other investment entity.

II. The execution of a certificate by a trustee constitutes an oath or affirmation, under the penalties of perjury that, to the best of the trustee's knowledge and belief, the facts stated in the certificate are true.

293-B:13 Filing.

I. One original and one exact copy of the certificate of trust and any certificates of amendment or cancellation or any certificate of merger or consolidation shall be delivered to the secretary of state. Unless the secretary of state finds that any certificate does not conform to law, upon receipt of all filing fees required by law he shall:

(a) Certify that the certificate of trust, the certificate of amendment, the certificate of cancellation, or the certificate of merger or consolidation has been filed in his office by endorsing upon the original certificate the word "Filed", and the date and hour of the filing. This endorsement is conclusive of the date and time of its filing in the absence of actual fraud;

(b) File and index the endorsed certificate; and

(c) Return the exact copy, similarly endorsed, to the person who filed it or his representative.

II. Upon the filing of a certificate of trust with the secretary of state, or upon the future effective date or time of a certificate of trust as provided for therein, the certificate of trust shall be effective. Upon the filing of a certificate of amendment in the office of the secretary of state, or upon the future effective date or time of a certificate of amendment as provided for therein, the certificate of trust shall be amended as set forth therein. Upon the filing of a certificate of cancellation or a certificate of merger or consolidation which acts as a certificate of cancellation with the secretary of state, or upon the future effective date or time of a certificate of cancellation or a certificate of merger or consolidation which acts as a certificate of cancellation, as provided for therein, the certificate of trust shall be cancelled.

III. A fee as set forth in RSA 293-B:14, I shall be paid at the time of the filing of a certificate of trust, a certificate of amendment, a certificate of cancellation or a certificate of merger or consolidation.

293-B:14 Fees.

I. No documents required to be filed under this chapter shall be effective until the applicable fee required by this paragraph is paid. The secretary of state shall charge and collect the following fees:

(a) A fee of \$35 for:

- (1) Filing a certificate of trust;
- (2) Filing a certificate of amendment;
- (3) Filing a certificate of cancellation; or
- (4) Filing a certificate of merger or consolidation.

(b) A fee of \$15 for:

- (1) Filing an application for reservation of name;
- (2) Filing a notice of transfer of reservation; or
- (3) Filing a notice of cancellation of reservation.

II. In addition to the fee provided in subparagraph I(a), a registration fee of \$50 from each New Hampshire investment trust at the time of filing a certificate of trust.

III. For the privilege of maintaining its certificate of trust in good standing and continuing to exercise its authority to transact the business of a New Hampshire investment trust in this state, a fee of \$200 from each New Hampshire investment trust established under RSA 293-B, payable on or before April 1 of each year.

293-B:15 Collection of Fees; Administration.

I. The secretary of state shall collect all fees required under RSA 293-B and shall pay them to the treasurer to be deposited in the general fund as unrestricted revenue, except as provided in paragraph II.

II. The state treasurer shall pay the expense of administering RSA 293-B out of any money in the treasury not otherwise appropriated until the fees collected pursuant to RSA 293-B:14, I, have been received by him. Thereafter, he shall pay for the expenses of administering this chapter out of the fees collected under RSA 293-B:14, I, and shall reimburse the treasury for previous expenses paid by him. The governor is authorized to draw his warrant for the sums authorized by this section out of any money in the treasury not otherwise appropriated.

293-B:16 Use of Names Regulated.

I. The name of each New Hampshire investment trust as set forth in its certificate of trust shall not be the same or deceptively similar to the name of any corporation, trade name, limited partnership or New Hampshire investment trust reserved, registered or organized under the laws of this state or qualified to do business or conduct investment activity or registered as a foreign corporation or foreign limited partnership in this state; provided, however, that a New Hampshire investment trust may register under any name which is similar to the name of any corporation, trade name, limited partnership or New Hampshire investment trust reserved, registered or organized under the laws of this state or qualified to do business or conduct investment activity or registered as a foreign corporation or foreign limited partnership in this state with the consent of the other corporation, trade name, limited partnership or New Hampshire investment trust, which written consent shall be filed with the secretary of state.

II. The exclusive right to the use of a name may be reserved by:

(a) Any person intending to form a New Hampshire investment trust and to adopt that name; and

(b) Any New Hampshire investment trust registered in this state which proposes to change its name.

III. The reservation of a specified name shall be made by filing with the secretary of state an application, executed by the applicant, which may either be a signed or conformed copy, specifying the name to be reserved and the name and address of the applicant. If the secretary of state finds that the name is available for use by a New Hampshire investment trust, he shall reserve the name for the exclusive use of the applicant for a period of 120 days. The same applicant may not reserve the same name until a period of 60 days has passed since the expiration of that applicant's prior reservation. The right to the exclusive use of a reserved name may be transferred to any other person by filing in the office of the secretary of state a notice of the transfer, executed by the applicant for whom the name was reserved, which may be either a signed or conformed copy, specifying the name to be transferred and the name and address of the transferee. The reservation of a specified name may be cancelled by filing with the secretary of state a notice of cancellation, executed by the applicant or transferee, which may be either a signed or conformed copy, specifying the name reservation to be cancelled and the name and address of the applicant or transferee.

IV. A fee as set forth in RSA 293-B:14, I(b) shall be paid at the time of the initial reservation of any name, and at the time of the filing of a notice of the transfer or cancellation of any such reservation.

293-B:17 Merger and Consolidation.

I. Pursuant to an agreement of merger or consolidation, a New Hampshire investment trust may merge or consolidate with or into one or more New Hampshire investment trusts or other investment entities formed or organized or existing under the laws of any other state or the United States or any foreign country or other foreign jurisdiction, with such New Hampshire investment trust or other investment entity as the agreement shall provide being the surviving or resulting New Hampshire investment trust or other investment entity. Unless otherwise provided in the governing instrument of a New Hampshire investment trust, a merger or consolidation shall be approved by each New Hampshire investment trust which is to merge or consolidate by all of the trustees and the beneficial owners of such New Hampshire investment trust. In connection with a merger or consolidation hereunder, rights or securities of, or interests in, a New Hampshire investment trust or other investment entity which is a constituent party to the merger or consolidation may be exchanged for or converted into cash, property, rights or securities of, or interests in, the surviving or resulting New Hampshire investment trust or other investment entity or, in addition to or in lieu thereof, may be exchanged for or converted into cash, property, rights or securities of, or interest in, a New Hampshire investment trust or other investment entity which is not the surviving or resulting New Hampshire investment trust or other investment entity in the merger or consolidation. Notwithstanding prior approval, an agreement of merger or consolidation may be terminated or amended pursuant to a provision of such termination or amendment contained in the agreement of merger or consolidation.

II. If a New Hampshire investment trust is merging or consolidating under this section, the New Hampshire investment trust or other investment entity surviving or resulting in or from the merger or consolidation shall deliver one original and one exact copy of a certificate of merger or consolidation to the secretary of state. The certificate of merger or consolidation shall state:

(a) The name and jurisdiction of formation or organization of each of the New Hampshire investment trusts or other investment entities which is to merge or consolidate;

(b) That an agreement of merger or consolidation has been approved and executed by each of the New Hampshire investment trusts or other investment entities which is to merge or consolidate;

(c) The name of the surviving or resulting New Hampshire investment trust or other investment entity;

(d) The future effective date or time, which shall be a date or time certain, of the merger or consolidation if it is not to be effective upon the filing of the certificate of merger or consolidation;

(e) That the executed agreement of merger or consolidation is on file at the principal place of business of the surviving or resulting New Hampshire investment trust or other investment entity, and shall state the address thereof;

(f) That a copy of the agreement of merger or consolidation will be furnished by the surviving or resulting New Hampshire investment trust or other investment entity, on request and without cost, to any beneficial owner of any New Hampshire investment trust or any person holding an interest in any other investment entity which is to merge or consolidate; and

(g) If the surviving or resulting entity is not a New Hampshire investment trust, a statement that such surviving or resulting other investment entity agrees that it may be served with process in the state of New Hampshire in any action, suit or proceeding for the enforcement of any obligation of any New Hampshire investment trust which is to merge or consolidate, irrevocably appointing the secretary of state as its agent to accept service of process in any such action, suit or proceeding and specifying the address to which a copy of such process shall be mailed to it by the secretary of state. In the event of service under this subparagraph upon the secretary of state, the plaintiff in any such action, suit or proceeding shall furnish the secretary of state with the address specified in the certificate of merger or consolidation provided for in this section and any other address which the plaintiff may elect to furnish, together with copies of such process as required by the secretary of state, and the secretary of state shall notify such surviving or resulting other investment entity thereof at all such addresses furnished by the plaintiff by letter, certified mail, return receipt required. Such letter shall enclose a copy of the process and any other papers served upon the secretary of state. It shall be the duty of the plaintiff in the event of such service to serve process and any other papers in duplicate, to notify the secretary of state that service is being made pursuant to this subparagraph, and to pay the secretary of state the sum of \$25 for use of the state of New Hampshire, which sum shall be taxed as part of the costs in the proceeding, if the plaintiff shall prevail therein. The secretary of state shall maintain an alphabetical record of any such process setting forth the names of the plaintiff and defendant, the title, docket number and nature of the proceedings in which process has been served upon him, the return date thereof, and the day and hour when the service was made. The secretary of state shall not be required to retain such information for a period longer than 5 years from his receipt of the service of process.

III. Any failure to file a certificate of merger or consolidation in connection with a merger or consolidation which was effective prior to the effective date of this chapter shall not affect the validity or effectiveness of any such merger or consolidation.

IV. Unless a future effective date or time is provided in a certificate of merger or consolidation, in which event a merger or consolidation shall be effective at any such future effective date or time, a merger or consolidation shall be effective upon the filing in the office of the secretary of state of a certificate of merger or consolidation.

V. A certificate of merger or consolidation shall act as a certificate of cancellation for a New Hampshire investment trust which is not the surviving or resulting entity in the merger or consolidation.

VI. Notwithstanding anything to the contrary contained in the governing instrument of a New Hampshire investment trust, a governing instrument of a New Hampshire investment trust containing a specific reference to this paragraph may provide that an agreement of merger or consolidation approved in accordance with paragraph I may (1) effect any amendment to the governing instrument of the New Hampshire investment trust or (2) effect the adoption of a new governing instrument of the New Hampshire investment trust if it is the surviving or resulting New Hampshire investment trust in the merger or consolidation. Any amendment to the governing instrument of a New Hampshire investment trust or adoption of a new governing instrument of the New Hampshire investment trust made pursuant to this paragraph shall be effective at the effective time or date of the merger or consolidation. The provisions of this paragraph shall not be construed to limit the accomplishment of a merger or consolidation or of any of the matters referred to herein by any other means provided for in the governing instrument of a New Hampshire investment trust or other agreement or as otherwise permitted by law, including that the governing instrument of any constituent New Hampshire investment trust to the merger or consolidation, including a New Hampshire investment trust formed for the purpose of consummating a merger or consolidation, shall be the governing instrument of the surviving or resulting New Hampshire investment trust.

VII. When any merger or consolidation shall have become effective under this section, for all purposes of the laws of the state of New Hampshire, all of the rights, privileges and powers of each of the New Hampshire investment trusts and other investment entities that have merged or consolidated, and all property, real, personal and mixed, and all debts due to any of said New Hampshire investment trusts and other investment entities, as well as all other things and causes of action belonging to each of such New Hampshire investment trusts and other investment entities, shall have vested in the surviving or resulting New Hampshire investment trust or other investment entity, and shall thereafter be the property of the surviving or resulting New Hampshire investment trust or other investment entity as they were of each of the New Hampshire investment trusts and other investment entities that have merged or consolidated, and the title to any real property vested by deed or otherwise, under the laws of the state of New Hampshire, in any of such New Hampshire investment trusts and other investment entities, shall not revert or be in any way impaired by reason of this chapter: but all rights of creditors and all liens upon any property of any of said New Hampshire investment trusts and other investment entities shall be preserved unimpaired, and all debts, liabilities and duties of each of the said New Hampshire investment trusts and other investment entities that have merged or consolidated shall thenceforth attach to the surviving or resulting New Hampshire investment trust or other investment entity, and may be enforced against it to the same extent as if said debts, liabilities and duties had been incurred or contracted by it.

293-B:18 Derivative Actions.

I. A beneficial owner may bring an action in the right of a New Hampshire investment trust in the same state court of New Hampshire as derivative actions with respect to corporations under RSA 293-A:49 to recover a judgment in its favor if trustees with authority to do so have refused to bring the action or if an effort to cause those trustees to bring the action is not likely to succeed.

II. In a derivative action, the plaintiff shall be a beneficial owner at the time of bringing the action:

(a) At the time of the transaction of which he complains; or

(b) His status as a beneficial owner had devolved upon him by operation of law or pursuant to the terms of the governing instrument of the New Hampshire investment trust from a person who was a beneficial owner at the time of the transaction.

III. In a derivative action, the complaint shall set forth with particularity the effort, if any, of the plaintiff to secure initiation of the action by the trustees, or the reasons for not making the effort.

IV. If a derivative action is successful, in whole or in part, or if anything is received by a New Hampshire investment trust as a result of a judgment, compromise or settlement of any such action, the court may award the plaintiff reasonable expenses, including reasonable attorneys' fees. If anything is so received by the plaintiff, the court shall make such award of plaintiff's expenses payable out of those proceeds and direct plaintiff to remit to the New Hampshire investment trust the remainder thereof, and if those proceeds are insufficient to reimburse plaintiff's reasonable expenses, the court may direct that any such award of plaintiff's expenses or a portion thereof be paid by the New Hampshire investment trust.

293-B:19 Indemnification.

I. Subject to such standards and restrictions, if any, as are set forth in the governing instrument of a New Hampshire investment trust, a New Hampshire investment trust shall have the power to indemnify and hold harmless any trustee or beneficial owner or other person from and against any and all claims and demands whatsoever.

II. The absence of a provision for indemnity in the governing instrument of a New Hampshire investment trust shall not be construed to deprive any trustee or beneficial owner or other person of any right to indemnity which is otherwise available to such person under the laws of this state.

293-B:20 Applicability. To the extent that any provision of any other chapter of the New Hampshire Revised Statutes Annotated conflicts with any provision in this chapter, the provisions in this chapter shall be controlling, with respect to a New Hampshire investment trust or other investment entity.

293-B:21 Short Title. This chapter may be cited as the "New Hampshire Investment Trust Act."

293-B:22 Other Trusts not Affected. This chapter shall not be interpreted to limit or to enlarge the power of trusts that are organized under any other law and shall apply only to a New Hampshire investment trust as defined in RSA 293-B:2, IV and an other investment entity as defined in RSA 293-B:2, V.

293-B:23 Insurance not Affected. This chapter shall not be interpreted to limit or to enlarge the power of any state-chartered or federally-chartered financial institution to engage in the business of insurance or in any activity requiring licensing under RSA 401 or RSA 405.

2 Voluntary Corporations; Name. Amend RSA 292:3 to read as follows:

292:3 Name. Any corporate name may be assumed which is not the same as or deceptively similar to an existing corporation name, reserved or registered name, *New Hampshire investment trust*, partnership or trade name, provided that a similar name may be assumed if written consent is obtained from the holder of the existing name.

3 Business Corporations; Corporate Name. Amend the introductory paragraph of RSA 293-A:8, I(c) to read as follows:

(c) Shall not be the same as, or deceptively similar to, the name of any domestic corporation existing under the laws of this state or any foreign corporation authorized to transact business in this state, or a name the exclusive right to which is, at the time, reserved in the manner provided in this chapter, or the name of a corporation which has in effect a registration of its corporate name as provided in this chapter, or the name of an agency or instrumentality of the United States or this state or a subdivision thereof, or the name of a proprietorship, partnership, *New Hampshire investment trust*, or an association registered as a trade name in this state. This provision shall not apply if the applicant files with the secretary of state either of the following:

4 Limited Partnerships; Name. Amend RSA 304-B:2, III to read as follows:

III. May not be the same as, or deceptively similar to, the name of any corporation [or], limited partnership *or New Hampshire investment trust* organized under the laws of this state or licensed or registered as a foreign corporation [or], limited partnership *or New Hampshire investment trust* in this state.

5 Foreign Partnerships; Registration. Amend RSA 305-A:1, IV to read as follows:

IV. A foreign partnership may assume any name which is not in use by any domestic partnership or any other foreign partnership admitted to do business in this state, and which is not so similar thereto or to that of any corporation, *New Hampshire investment trust*, or association carrying on business in this state as to be liable to be mistaken for it; provided that such name or similar name may be adopted with the consent in writing of such existing corporation, *New Hampshire investment trust*, partnership or association filed with the application for certificate of authority pursuant to RSA 305-A:2.

6 Trade Name; Registration; Generally. Amend RSA 349:1 to read as follows:

349:1 Registration; Generally. Every sole proprietor doing business in this state under any other name than his own, and every partnership, corporation, *New Hampshire investment trust* or association doing business in this state shall register the trade name of such business *or New Hampshire investment trust* in the manner provided in RSA 349:5 and 349:6. The provisions of this chapter shall not apply to corporations organized under RSA 292, 293-A and 301, *or to New Hampshire investment trusts organized under RSA 293-B*, except as such corporations *or New Hampshire investment trusts* may be doing business *or the business of a New Hampshire investment trust* under trade names other than the name of the corporation *or New Hampshire investment trust*; and the provisions hereof shall not apply to rating organizations, advisory organizations, or any group, association or other organization or insurers which engage in joint underwriting or joint reinsurance which are referred to in, and subject to the provisions of, RSA 413. The secretary of state shall decline to register any trade name similar or likely to be confused with or mistaken for any trade name title or identification of any existing validly registered person, proprietorship, firm, partnership, corporation, *New Hampshire investment trust* or association unless such existing person, proprietorship, firm, partnership, corporation, *New Hampshire investment trust* or association assents in writing to the adoption of such similar name.

7 Who Taxable; Interest and Dividends Tax. Amend RSA 77:3 to read as follows:

77:3 Who Taxable.

I. Taxable income is that income received from interest and dividends during the tax year prior to the assessment date by:

[I.](a) Individuals who are inhabitants or residents of this state for any part of the taxable year whose gross interest and dividend income from all sources exceeds \$1,200 during that taxable period.

[II.](b) Partnerships, associations, and trusts, [other than a trust comprising a part of an employee benefit plan, as defined in the Employee Retirement Income Security Act of 1974, section 3.] the beneficial interest in which is not represented by transferable shares, whose gross interest and dividend income from all sources exceeds \$1,200 during the taxable year, *but not including a qualified investment company as defined in RSA 77-A:1, XXI, or a trust comprising a part of an employee benefit plan, as defined in the Employee Retirement Income Security Act of 1974, section 3.*

[III.](c) Fiduciaries deriving their appointment from a court of this state whose gross interest and dividend income from all sources exceeds \$1,200 during the taxable year.

*II. No person shall be subject to tax under RSA 77 solely due to its holding an ownership interest in a qualified investment company as defined in RSA 77-A:1, XXI.*

8 New Paragraph; What Taxable; Interest and Dividends Tax. Amend RSA 77:4 by inserting after paragraph IV the following new paragraph:

V. For each holder of an ownership interest in a qualified investment company as defined in RSA 77-A:1, XXI, which holder is subject to tax under RSA 77, the holder's proportional share of the income, less any income attributable to United States government notes or bonds, of such qualified investment company shall be treated as a dividend; however, notwithstanding any other provision of RSA 77, no actual distribution made to such holder by such qualified investment company shall be taxable under RSA 77.

9 Definitions; Business Profits Tax. Amend RSA 77-A:1, I to read as follows:

I. "Business organization" means any enterprise, whether corporation, partnership, proprietorship, association, business trust, real estate trust or other form of organization, organized for gain or profit, carrying on any business activity within the state, except such enterprises as are expressly made exempt from income taxation under the United States Internal Revenue Code as defined in RSA 77-A:1, XX. Each enterprise under this definition shall be subject to taxation under RSA 77-A:2 as a separate entity, unless specifically authorized by this chapter to be treated otherwise, such as, but not limited to, combined reporting. The use of consolidated returns as defined in the United States Internal Revenue Code as defined in RSA 77-A:1, XX is not permitted. *Notwithstanding any other provision of this paragraph, an enterprise shall not be characterized as a business organization and shall be excluded from taxation at the entity level if it is a qualified investment company as defined in RSA 77-A:1, XXI.* A partnership, estate, trust, "S" corporation, real estate investment trust, [regulated investment company,] or any other such entity, *other than a qualified investment company as defined in RSA 77-A:1, XXI*, whose net income is reportable by the true owners either directly or indirectly shall be subject to tax at the entity level, and no part of such earnings or loss shall be included in the calculation of the gross business profits of the owners of such entity.

10 Definitions; Business Profits Tax. Amend RSA 77-A:1, XII to read as follows:

XII. "Business activity" means a group of actions performed by a business organization for the purpose of earning income or profit from such actions and includes every operation which forms a part of, or a step in, the process of earning income or

profit from such group of actions. The actions ordinarily include, but are not limited to, the receipt of money, property, or other items of value and the incurring or payment of expenses. *Notwithstanding any other provision of this paragraph, a holder of an ownership interest in a qualified investment company as defined in RSA 77-A:1, XXI, shall not be deemed to be carrying on any business activity within this state due solely to its holding an ownership interest in such qualified investment company.*

11 New Paragraph; Definition; Business Profits Tax. Amend RSA 77-A:1 by inserting after paragraph XX the following new paragraph:

XXI. "Qualified investment company" means a regulated investment company as defined in section 851 of the United States Internal Revenue Code as defined in RSA 77-A:1, XX, or an organization that would be an investment company under the Investment Company Act of 1940, as amended, except for the exemption provided by section 3(c)(1) of said Investment Company Act, provided, however, a qualified investment company shall limit its activities to investment activities and those incidental to or in support of such activities and shall submit certification that it satisfies the requirements to be classified as a qualified investment company to the commissioner no later than 9 months subsequent to commencement of its investment activities. Upon petition, the commissioner may accept an untimely submission of such certification, which acceptance shall not be unreasonably withheld.

12 New Paragraphs; Additions and Deductions; Business Profits Tax. Amend RSA 77-A:4 by inserting after paragraph XIV the following new paragraphs:

XV. In the case of a business organization that is a holder of an ownership interest in a qualified investment company as defined in RSA 77-A:1, XXI, an addition to gross business profits of an amount equal to the holder's proportional share of profits of the qualified investment company, computed as if the qualified investment company were a business organization subject to tax under RSA 77-A. Such a holder shall deduct from gross business profits that portion of actual distributions made to such holder by such qualified investment company that would otherwise be part of taxable business profits.

XVI. In the case of a business organization that receives assistance payments under 12 U.S.C. section 1823, a deduction from gross business profits of an amount equal to the sum of such assistance.

13 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill gives statutory recognition to and clarifies the treatment of investment trusts. At present, investment trusts are recognized only under New Hampshire common law. An investment trust is an organization which contains features of both partnership and corporate structures. It is managed by a trustee or trustees for the benefit of holders of interests in the trust. It is formed by the voluntary act of the parties and is based upon contract.

The secretary of state will oversee the certification of such trusts in New Hampshire and will collect all filing fees relevant to such certification.

This bill clarifies the tax treatment of qualified investment companies, as defined in this bill, and of holders of ownership interests in such qualified investment companies. This bill makes it clear that income will not be taxed at the entity level, but rather will be taxed at the true ownership level.

This bill also clarifies that for purposes of the interest and dividends tax and the business profits tax, qualified investment companies will not be taxed at the entity level; rather, holders of ownership interests in such investment companies who would otherwise be subject to the interest and dividends tax or the business profits tax are taxed on their proportional shares of the entity's income, as defined in this bill.

These proportional shares will be taxed regardless of whether the entity makes an actual distribution to the holder of the ownership interest.

The bill limits the activities of qualified investment companies to investment activities and clarifies the treatment, under the business profits tax, of business organizations receiving open bank assistance payments.

**SB 40**, making the pink lady's slipper the state wildflower. OUGHT TO PASS.

This bill designates the pink lady slipper as the state wildflower. The purple lilac retains its distinction as the state flower. Vote 16-0. Rep. Rick A. Trombly for Environment and Agriculture.

**SB 122-FN**, exempting certain solid waste districts from application fees. OUGHT TO PASS.

This bill provides relief to a district which because it applied to the Department of Environmental Services for a permit in October 1990, saw its fee increased abruptly from \$1,000 to \$17,000. The increase contradicted the Department's commitment to the district for a \$1,000 fee, and was solely the result of a new DES fee structure. Vote 17-0. Rep. Daniel M. Burnham for Environment and Agriculture.

Referred to Appropriations.

**SB 127-FN**, relative to removing vegetation obstructing advertising devices and planting lilac bushes. INEXPEDIENT TO LEGISLATE.

As passed by the Senate, this bill is identical to legislation defeated in the House earlier this session. An amendment proposed by an industry representative during hearings did not reverse the Committee's original view that removing trees along the state highway system is not in the broad public interest. Vote 16-0. Rep. Gregory L. Hanselman for Environment and Agriculture.

**SB 128-FN-A**, relative to the development of an electronic benefit transfer system and making an appropriation therefor. OUGHT TO PASS.

Senate Bill 128 requires the Division of Human Services of the Department of Health and Human Services to develop plans for and subsequently implement a system of distribution of human services benefits via electronic "credit" cards. The Division has shown exceptional initiative in formulating the groundwork for this study and significant improvements to clients and providers, as well as significant administrative savings, will be achieved. Vote 17-0. Rep. Gordon E. Wiggin for Health, Human Services and Elderly Affairs.

Referred to Appropriations.

**SB 172-FN-A**, establishing a committee to study the board and care rates for residents of enhanced family care facilities. RE-REFER TO COMMITTEE.

This bill establishes a legislative committee to study the method of determining board and care rates for residents of enhanced family care facilities (disabled or mentally impaired) and whether such rates should be increased. The Committee heard of the rate discrepancy between enhanced care facility (\$522 per month) and shared homes (\$640 per month). Rates have not changed for 10 years. As this was felt to be an important bill, it was re-referred in hopes of a better economic climate in the next

session. Vote 17-0. Rep. Bronwyn L. Asplund for Health, Human Services and Elderly Affairs.

**SB 26-FN.** relative to licenses to carry firearms. INEXPEDIENT TO LEGISLATE.

The handgun permit form, as provided by the Department of Safety, already provides a reasonable physical description of each permit holder, for inspection and identification by peace officers. The Committee felt that the great majority of New Hampshire handgun permit holders already did carry on their person an acceptable photo identification, at all times when away from their residences, and when carrying a handgun. Therefore, the Committee was of the opinion that additional legislation, on the identification of handgun permit holders, was not needed. Vote 15-0. Rep. Dennis H. Fields for Public Protection and Veterans Affairs.

**SB 144-FN-A.** relative to the Women's War Memorial and making an appropriation therefor. OUGHT TO PASS.

The monument to be erected at the entrance to Arlington National Cemetery, dedicated to the women who have served with distinction in the United States Armed Forces, is long overdue. It is unfortunate that only \$1 can be appropriated at this time as New Hampshire's contribution to the memorial. The State Veterans' Council is authorized to accept contributions from the public and private sector in furtherance of the memorial project. Vote 15-0. Rep. Eleanor M. Anderson for Public Protection and Veterans Affairs.

**SB 39-FN.** relative to reopening liquor stores. INEXPEDIENT TO LEGISLATE.

The Chairman of the New Hampshire Liquor Commission stated that the Commission was considering one of these locations for its first agency store and the other location addressed, while a profitable store, was part of the Commission's effort to consolidate and downsize the system to maximize profits. Vote 17-0. Rep. William J. Desrosiers for Regulated Revenues.

**SB 161.** relative to meetings of community associations. INEXPEDIENT TO LEGISLATE.

Since no one showed up to testify for or against this bill, and the Committee felt it important that all members of an association receive notice of meetings, it was deemed inexpedient. Vote 10-0. Rep. Patricia A. Hambrick for State Institutions and Housing.

### REGULAR CALENDAR

**SB 15.** relative to special identification of legislation that amends existing revenue statutes which send all or part of certain revenues to subdivisions of the state. OUGHT TO PASS WITH AMENDMENT.

This bill requires the word "local" to be placed on all legislation and amendments which may impact local revenues or expenditures. Vote 14-0. Rep. Jennifer G. Soldati for Legislative Administration.

### Amendment

Amend the title of the bill by replacing it with the following:

## AN ACT

relative to special identification of legislation that may have an impact on local expenditures or requires the state to forward all or part of any designated revenues to cities or towns and relative to mileage payments to members of the legislative ethics committee.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Legislation Impacting Local Revenues and Expenditures. Amend RSA 14 by inserting after section 47 the following new subdivision:

Legislation Impacting Local Revenues and Expenditures

14:48 Legislation Impacting Local Revenues and Expenditures. The word "LOCAL" shall be placed after each house and senate bill number of all legislation and all proposed amendments which may impact local expenditures or which require the state to forward all or part of any designated revenues to the cities or towns. The office of legislative services shall indicate whether new legislation affects revenue sharing statutes.

2 Legislative Ethics Committee; Mileage. Amend RSA 14-B:2, II to read as follows:

II. The first committee meeting shall be called within 60 days of the effective date of this chapter. The members shall elect a chairman at this meeting. The members shall serve for the biennium and shall not be removed from the committee for any reason except for good cause by unanimous vote of the remaining committee members. Members shall receive no compensation, except that [all] *legislative* members shall receive mileage at the legislative rate *and public members shall receive mileage at the state employee rate.*

3 Contingency. If SB 29-FN-A, "An act establishing a legislative ethics committee," becomes law, section 2 of this act shall take effect July 1, 1991, at 12:01 a.m. If SB 29-FN-A does not become law, section 2 of this act shall not take effect.

4 Effective Date.

I. Section 1 of this act shall take effect 60 days after its passage.

II. Section 2 of this act shall take effect as provided in section 3 of this act.

III. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires that the word "LOCAL" appear after the bill number of all bills and amendments that impact local expenditures or that require the state to distribute all or part of any designated revenues to municipalities.

The bill also clarifies how mileage payments are to be made to the legislative and public members of the legislative ethics committee.

Adopted.

Report adopted.

Ordered to third reading.

**SB 100-FN**, relative to simulcast wagering. **OUGHT TO PASS WITH AMENDMENT.**

This bill was submitted at the request of the three dog tracks in the state. This bill, as amended, allows simulcast races to be conducted at the dog tracks intra-state, i.e. Rockingham races may be simulcast to Seabrook, Hinsdale and Belmont. The Committee felt that this was a "win win" situation for everyone. The tracks, the Racing

Commission, the horsemen, and the towns involved all testified in favor of the bill. Vote 17-0. Rep. Dana F. Kelley for Regulated Revenues.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Sale of Pari-Mutuel Pools. The introductory paragraph of RSA 284:22 is repealed and reenacted to read as follows:

During the calendar years of 1941-1999, a licensee under this chapter may sell pari-mutuel pools in accordance with this chapter and rules adopted by the commission. Pari-mutuel pools shall be sold within the enclosure of the racetrack where a licensed race or race meet is held or as provided in RSA 284:22-a. and not elsewhere. RSA 284:23 shall apply to the type of race on which wagers are made, whether live or simulcast.

2 New Section: Pari-Mutuel Pools on Simulcast Racing. Amend RSA 284 by inserting after section 22 the following new section:

284:22-a Pari-mutuel Pools on Simulcast Racing.

I. In this section:

(a) "State" means each state of the United States, the District of Columbia, the Commonwealth of Puerto Rico and the territory or possession of the United States.

(b) "Simulcast" means a licensee's receipt of the transmission of races conducted at a racetrack other than the licensee's racetrack and which races are exhibited simultaneously at the licensee's racetrack by television or other means of electronic reproduction with the conduct of such races at the point of origin and on which races the licensee sells pari-mutuel pools.

(c) "Licensee" means any individual, association, partnership, joint venture, corporation, or other organization or other entity which holds a license under RSA 284 to conduct a race meet.

II. During the calendar years 1941-1999, a licensee may sell pari-mutuel pools on races held at racetracks other than the racetrack at which the licensee conducts its race meet, provided:

(a) Such sales are within the enclosure of the racetrack at which the licensee holds a license for the current year to conduct live racing in this state;

(b) Wagers are made on races which are exhibited by television or other means of electronic reproduction at the licensee's racetrack simultaneously with the conduct of each such race at its point of origin;

(c) The licensee conducts live racing on the day on which the licensee simulcasts; and

(d) The licensee obtains the consents and approvals set forth in RSA 284:22-a, III.

III. A licensee may sell pari-mutuel pools on races held at other appropriately licensed racetracks, whether such racetracks are in the state of New Hampshire or outside the state of New Hampshire. A licensee may sell pari-mutuel pools under RSA 284:22-a on the same types of races that it conducts live at its racetrack with the approval of the commission. A licensee may sell pari-mutuel pools under RSA 284:22-a on types of races different from the type of races conducted live at the licensee's racetrack provided:

(a) The licensee obtains the approval of the commission; and

(b) The licensee shall have received city or town approval under RSA 284:17 to conduct the type of racing which is to be simulcast prior to or subsequent to the

effective date of RSA 284:22-a; the type of racing which is to be simulcast shall have been approved by the city or town in which the licensee's racetrack is located in accordance with RSA 284:17 prior to or subsequent to the effective date of RSA 284:22-a; or the acceptance of wagers or simulcast races of a type other than the type of racing which the licensee conducts live at its racetrack shall have been approved by a majority vote at an annual town meeting or special town meeting called for such purpose in the town in which the licensee's racetrack is located.

IV. Notwithstanding the provisions of RSA 284:22-a, II(c), a licensee may simulcast on a day on which live racing is scheduled at the licensee's racetrack, without conducting live racing provided that the live racing program is cancelled due to weather or other conditions which produce unsafe conditions at the racetrack of the licensee. The determination to cancel a live program based upon weather or the condition of the racetrack shall be made by the licensee, and notice of the cancellation shall be provided to the commission. The licensee, however, shall, in no event, simulcast on more than 10 days in each calendar year when it conducts no live racing as a result of the cancellation of the live program, pursuant to this paragraph.

V.(a) A licensee may sell pari-mutuel pools for simulcast races for races held at racetracks within the state of New Hampshire in accordance with RSA 284:22-a, II, within the enclosure of said licensee's racetrack or a licensee, with the written agreement with the licensee which conducts the race which is to be simulcast, may sell a common pari-mutuel pool in conjunction with the licensee which conducts the race which is to be simulcast. In the event of common pools, the licensee which conducts the race shall pay the tax required under RSA 284:23 for the portion of the common pool actually contributed at said licensee's racetrack and the licensee which simulcasts shall pay the tax due under RSA 284:23 for the portion of the common pool actually contributed at said licensee's racetrack.

(b) A licensee may sell pari-mutuel pools for simulcast races for races held at racetracks outside the state of New Hampshire in accordance with RSA 284:22-a, II, within the enclosure of said licensee's racetrack or said licensee, with the written agreement with the entity which conducts the race which is to be simulcast, may sell a common pari-mutuel pool in conjunction with the entity which conducts the race which is to be simulcast. In the event of such common pools, the commission shall be in the amount established by the law of the state in which the race to be simulcast is actually conducted, provided, however, the licensee shall pay the tax as provided under RSA 284:23.

VI. Racing officials, as defined in the rules adopted by the commission, any employee or owner of the entity which provides the totalizator system to the licensee, and any person responsible for the operation of the electronic reproduction equipment which receives the simulcast shall be prohibited from participating in wagering, directly or indirectly, on simulcast races shown at the licensee's racetrack.

VII. The provisions of RSA 284:15-c, RSA 284:16-a, RSA 284:16-c, RSA 284:17, RSA 284:17-a, and RSA 284:17-c shall not apply to simulcast and pari-mutuel pools under RSA 284:22-a, except as specifically provided in RSA 284:22-a.

VIII. RSA 284:22, I, II, III, and IV shall apply according to the type of race on which the simulcast wagers are made, excepting, however, interstate common pools as provided in RSA 284:22-a, V(b) and that the provisions made for purses made in RSA 284:22, I shall not apply to simulcast races. The commission on simulcast race pools shall be available to the simulcasting licensee to satisfy obligations to the racing

association originating such simulcast races or to the horsemen's group of such association.

3 Restriction on Gambling. Amend RSA 284:17-c to read as follows:

284:17-c Restriction on Gambling. Notwithstanding any other provision of law, except as provided *in RSA 284:22-a and* in the introductory paragraph of RSA 284:22, no licensee who holds running horse races shall at the same facility hold any other kinds of races or permit any other type of gambling except harness horse races and activities licensed by the sweepstakes commission.

4 Reference Added. Amend RSA 284:12, IV to read as follows:

IV. The sale of pari-mutuel pools as authorized under RSA 284:22 *and RSA 284:22-a.*

5 Powers and Duties of Commission. Amend RSA 284:6-a, III to read as follows:

III. The pari-mutuel commission shall have all the powers, duties, and rights conferred upon state commissions under the United States Interstate Horseracing Act of 1978 *as it currently exists and as it may be amended from time to time.*

6 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill allows racetrack licensees to simulcast races, different from the type of live races they conduct, with the approval of the city or town in which the licensees' track is located.

The bill also allows races to be simulcast which are conducted on tracks outside of New Hampshire, as well as within New Hampshire.

The bill also addresses the tax liabilities between the track at which a race is conducted and the track at which a race is simulcast.

Rep. Reidy spoke in favor.

Rep. Robert Kelley spoke in favor and yielded to questions.

On a division vote 285 members having voted in the affirmative and 17 in the negative, the amendment was adopted.

Tuesday, April 30, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairst.

Eternal God, who protected our ancestors and who will provide for our descendants, we thank You for Your creating and caring love for generation upon generation. Give us now, we pray, a sense of history so that we may learn from the past, a clear understanding of the present so that we may build upon it, and a bold vision of all the good the future could bring so that we may try to achieve it. Guide us in all that we say and do, that we may seek to do Your will. Amen.

Rep. Hurst led the Pledge of Allegiance.

This bill makes the law apply to candidates who intend to have their name on the state general election by means of petition. Current law only applies to candidates who are nominated in their party primary and to write-in candidates. The bill also changes the membership on the Advisory Committee which Monitors Campaign Financing statutes to include a member appointed by the Governor. It also establishes a minimum filing fee and primary petition requirements and adds a new definition of expenditures. Vote 12-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Declaration of Purpose. Amend 1989, 212:1, IV to read as follows:

IV. Unimpeded access to the ballot is crucial to the realization of the constitutional guarantee of a representative form of government. The philosophical basis for democracy is the equal opportunity to participate. Greater participation increases effective representation, preserving the political power guaranteed to the people by the constitution. Expenditure limitations will allow greater ballot access, freer competition of ideas through individual speech and interaction, and more competitive campaigns. Voluntary compliance with expenditure limitations will help provide greater ballot access, which by its nature is necessary to and a part of the election process. *In further recognition of the state's traditional role in regulating ballot access and candidate qualifications, the general court finds that these objectives can be accomplished by the voluntary procedure set forth herein.* The general court finds that these objectives can be accomplished by campaign expenditure limitations.

2 Filing Declaration of Intent with Secretary of State. Amend RSA 655:14-a to read as follows:

655:14-a Filing by Other Candidates. Every candidate for state or federal office who intends to have his name placed on the ballot for the state general election by

means other than nomination by party primary shall file a declaration of intent with the [appropriate official] *secretary of state* as provided in RSA 655:17-a or RSA 655:17-b during the same time period in which party candidates file a declaration under RSA 655:14.

3 Filing Fees for all Candidates. RSA 655:19 is repealed and reenacted to read as follows:

655:19 Filing Fees.

I. At the time of filing declarations of candidacy, each candidate for the following offices shall pay to the official with whom the declarations are filed the following filing fees, and shall file with the appropriate official the requisite number of primary petitions as provided in RSA 655:20 and 655:22, unless the candidate agrees to limit his expenditures in accordance with RSA 664:5-a. At the time of filing declarations of intent, each candidate for the following offices shall pay to the secretary of state the following filing fees, and the following filing fees shall be paid in addition to the requisite number of nomination papers which must be submitted and filed. The filing fee paid under this section shall be in addition to the administrative assessment paid under RSA 655:19-c. The filing fees shall be as follows:

(a) For governor, United States senator, and representative to Congress, \$5,000.

(b) For executive councilor, \$500.

(c) For county officer, \$100.

(d) For state senator, \$100.

(e) For state representative, \$25.

II. The fees paid to a town or city clerk by candidates for state representative shall be forwarded to the treasurer of the town or city and shall be for the use of the town or city. The fees paid to the secretary of state shall be deposited by him in the general fund.

4 Reference to Filing Declaration of Intent. Amend RSA 655:19-b to read as follows:

655:19-b Waiver of Filing Fee *and Primary Petitions*.

I. A candidate for any of the offices enumerated in RSA 655:19 who, pursuant to RSA 664:5-a, voluntarily accepts the expenditure limitation set forth in RSA 664:5-b shall have the filing fee *under RSA 655:19* either waived or refunded, *and shall have the requirement for filing petitions under RSA 655:20 waived*, as provided in paragraph II.

II. If a candidate files the affidavit as specified in RSA 664:5-a at the time he files the declaration of candidacy *or declaration of intent*, the filing fee *required under RSA 655:19 and the petitions required to be filed under RSA 655:20* shall be waived. If such affidavit is filed within [10] 3 days following the filing of the declaration of candidacy, the appropriate officer shall refund the filing fee paid by the candidate as soon as practicable.

5 New Section: Administrative Assessment and Primary Petitions. Amend RSA 655 by inserting after section 19-b the following new section:

655:19-c Administrative Assessment; Primary Petitions; Nomination Papers.

I. Candidates for governor, United States senator, representative to Congress, executive councilor, state senator, county officer, and state representative who file declarations of candidacy shall pay the administrative assessment in paragraph I or file primary petitions as provided in paragraph III in addition to the filing fee and primary petition requirements of RSA 655:19 and 655:20. Candidates for governor,

United States senator, representative to Congress, executive councilor, state senator, county officer, and state representative who file declarations of intent shall pay the administrative assessment in paragraph I in addition to the filing fee required by RSA 655:19 and shall meet the requirements of RSA 655:40-45 for nomination by nomination papers. Neither the administrative assessment which is paid nor the primary petitions which are filed under this section, nor the nomination papers which must be submitted under RSA 655:41 and filed under RSA 655:43, shall be waived or refunded for a candidate for any of the offices listed in this section who, pursuant to RSA 664:5-a, voluntarily accepts the expenditure limitation set forth in RSA 664:5-b. At the time of filing declarations of candidacy or declarations of intent, the administrative assessment shall be as follows:

- (a) For governor and United States senator, \$100.
- (b) For representative to Congress, \$50.
- (c) For executive councilor, \$25.
- (d) For state senator, \$10.
- (e) For county officer, \$10.
- (f) For state representative, \$2.

II. The administrative assessment paid to a town or city clerk by candidates for state representative shall be forwarded to the treasurer of the town or city and shall be for the use of the town or city. The administrative assessment paid to the secretary of state shall be deposited by him into the general fund.

III. Any person otherwise qualified to run for office who chooses not to pay the administrative assessment as prescribed in paragraph I may have his name printed on the primary ballot of any party by filing with the appropriate official the requisite number of primary petitions made by members of the party, together with one written assent to candidacy. The number of primary petitions to be filed for each office shall be as follows: for governor and United States senator, 200; for representative in Congress, 100; for executive councilor and county officer, 50; for state senator, 20; for state representative, 5. Candidates for delegate to the state convention shall not be required to submit any primary petitions.

6 Filing Primary Petitions. Amend RSA 655:20, II to read as follows:

II. Any person qualified to run for office who does not, pursuant to RSA 664:5-a, voluntarily accept the expenditure limitation set forth in RSA 664:5-b shall, in order to have his name printed on the primary ballot of any party, in addition to the filing fees prescribed in RSA 655:19, file with the appropriate official the requisite number of primary petitions *required under RSA 655:22* made by members of the party, together with one written assent to candidacy. *Primary petitions filed under this section shall be filed in addition to the requirement for filing petitions under RSA 655:19-c.*

7 Filing Number of Petitions. Amend RSA 655:22 to read as follows:

655:22 Number of Petitions. The number of primary petitions to be filed for each office under RSA 655:20 shall be as follows: for governor and United States senator, 2,000; for representative in Congress, 1,000; for executive councilor, *500; for* county officer, *100; [and] for* state senator, [500] *100*; for state representative, [20] *10*. Candidates for delegate to the state convention shall not be required to submit any primary petitions. *The provisions of this section shall apply to candidates who do not, pursuant to RSA 664:5-a, voluntarily accept the expenditure limitations set forth in RSA 664:5-b. Primary petitions filed under this section shall be in addition to the number of petitions filed under RSA 655:19-c.*

8 Application of Excess Campaign Contributions Restrictions to Congressional Elections. Amend RSA 664:1 to read as follows:

664:1 Applicability of Chapter. The provisions of this chapter shall apply to all state primary, general, and special elections, but shall not apply to presidential preference primaries. The provisions relating to political advertising, RSA 664:14 through 17-a, shall additionally apply to city, town, school district and village district elections. The provisions relating to voluntary expenditure limitations, RSA 664:5-a and 664:5-b, [and excess campaign contributions, RSA 664:4-c.] shall additionally apply to elections for United States senator and representative to Congress.

9 Expenditure Redefined. Amend RSA 664:2, IX to read as follows:

IX. "Expenditure" shall mean the disbursement of money or thing of value or the making of a legally binding commitment to make such a disbursement in the future *for the purpose of influencing the nomination for election or election of any candidate*. It does not include the candidate's filing fee or his expenses for personal travel and subsistence.

10 Reference to Declaration of Intent. Amend RSA 664:5-a, III to read as follows:

III. Affidavits in compliance with this section shall be filed within [10] 3 days after the date on which a candidate files his declaration of candidacy *or his declaration of intent*, or is declared a write-in winner of a primary election.

11 New Paragraph; Political Expenditures for Primary and General Elections. Amend RSA 664:5-b by inserting after paragraph V the following new paragraph:

VI. For the purposes of this section, RSA 664:5-a and the enforcement provisions of this chapter, total expenditures shall mean the sum of all expenditures made to influence either a state primary or a state general election made by a candidate and those made on his behalf by his committee or committees, his party, and his immediate family. Each campaign expenditure limitation amount shall apply solely and independently to either the state primary election or the state general election.

12 Advisory Committee; Additional Member. Amend RSA 664:5-c, II to read as follows:

II. The committee shall consist of the secretary of state, *who shall be an ex officio and nonvoting member*, and [4] 5 other members: one person appointed by the house majority leader; one person appointed by the house minority leader; one person appointed by the senate majority leader; [and] one person appointed by the senate minority leader; *and one person appointed by the governor*.

13 Signature of Treasurer of Political Committee. Amend RSA 664:14, I and II to read as follows:

I. All political advertising shall be signed at the end with the names and addresses of the candidate, his fiscal agent, or the name and address of the chairman or the [secretary] *treasurer* of a political committee, or the name and address of a natural person, according to whether a candidate, political committee, or natural person is responsible for it. Said signature shall clearly designate the name of the candidate, party or political committee by or on whose behalf the same is published or broadcast.

II. Political advertising to promote the success or defeat of a measure by a partnership, corporation, labor union, or other organization shall be signed. The name of such organization shall be indicated and the chairman or [secretary] *treasurer* of such organization shall sign his name and address. Nothing in this section shall be construed to permit contributions which are prohibited under RSA 664:4.

14 Section Heading Changed. The section heading for RSA 664:21 is repealed and reenacted to read as follows:

664:21 Penalty for Exceeding Total Expenditure Limitation.

15 Power of Attorney General. RSA 664:21, III is repealed and reenacted to read as follows:

III. Nothing in this section shall be construed to limit the enforcement powers of the attorney general under RSA 664:18.

16 New Section; Severability. Amend RSA 664 by inserting after section 22 the following new section:

664:23 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect any other provisions or applications of the chapter which can be given effect without the invalid provisions or applications, and to this end the provisions of this chapter are severable.

17 Repeal. 1989, 212:1, VI, relative to a declaration of purpose and changes in federal law, is repealed.

18 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill amends the law on campaign expenditure limitations.

The bill makes it apply to candidates who intend to have their names placed on the state general election ballot by means of primary petitions or nominating petitions. The current law only applies to candidates who are nominated in their party primary, and to write-in candidates.

The bill also:

(1) Changes the membership on the advisory committee which monitors campaign financing statutes.

(2) Requires a candidate who does not voluntarily accept expenditure limitations to pay both a filing fee and to file primary petitions.

(3) Establishes minimum filing fee and primary petition requirements, regardless of whether a candidate voluntarily accepts expenditure limitations.

(4) Adds a new definition for "expenditures".

**SB 212-FN-A**, establishing a committee to study the method of sweepstakes revenue distribution. INEXPEDIENT TO LEGISLATE.

House Bill 341 will be used as a vehicle to accomplish the aims of this Senate Bill so there will be no need for both bills. Vote 20-0. Rep. Nils H. Larson for Education.

**SB 24**, relative to revising the administrative procedure act. OUGHT TO PASS.

This legislation creates two alternate members for the House and Senate to serve on the Administrative Rules Committee. There is, and continues to be, a demonstrated need for this legislation. Vote 15-0. Rep. Kathleen W. Ward for Executive Departments and Administration.

**SB 192-FN-A**, relative to the office of chief medical examiner. OUGHT TO PASS.

This legislation meets a demonstrated need for the state's responsibility concerning autopsies and other related matters. This is must legislation. Vote 15-0. Rep. Kathleen W. Ward for Executive Departments and Departments.

Referred to Appropriations.

**SB 72-FN-A**, establishing and continually appropriating a fund for the purchase of vaccines. OUGHT TO PASS.

This bill establishes a continual fund to be used by the Public Health Services for the purchase of vaccines, antitoxins, serums and immunizing agents in the effort to decrease the incidence of measles, mumps, rubella and hemophiliac influenza. This bill is important in preventing serious outbreaks of childhood diseases in our state. Most of the funding for this program will be underwritten by Health Maintenance organizations and Blue Cross/Blue Shield. Vote 18-0. Rep. Marion L. Copenhagen for Health, Human Services and Elderly Affairs.

Referred to Appropriations.

**SB 70-FN**, relative to superior court clerks for Hillsborough county. OUGHT TO PASS.

The Committee supports and authorizes the appointment of two (2) Superior Court Clerks for Hillsborough - funding was passed last year. This is needed to open the new Nashua Courthouse. Vote 17-0. Rep. Alice B. Record for Judiciary.

**SB 71-FN-A**, relative to superior court justices. OUGHT TO PASS.

This bill authorizes the addition of four new Superior Court Justices to the 24 now on the bench. These positions are essential; without them new courthouses cannot function. No funding is provided in the bill, but the authorization should pass in the hope that money can be found. Vote 17-0. Rep. Peter Hoe Burling for Judiciary.

Referred to Appropriations.

**SB 82**, relative to powers of directors, officers, and trustees of health service corporations. OUGHT TO PASS.

The Committee supports this appropriate extension of the existing law to health organizations covered by RSA 420:A. This will allow Blue Cross/Blue Shield to indemnify officers and directors against personal losses arising out of civil actions incident to their actions on behalf of the organization. Vote 16-1. Rep. Alice B. Record for Judiciary.

**SB 109-FN**, relative to the time for holding the 1991 Newmarket town meeting. OUGHT TO PASS.

This bill authorizes the town of Newmarket to hold its 1991 annual meeting on the second Tuesday of May, rather than on the second Tuesday of March. Vote 15-0. Rep. Thomas B. Salatiello for Municipal and County Government.

**SB 4-FN-A**, establishing a committee to study the New Hampshire state port authority. OUGHT TO PASS WITH AMENDMENT.

The Senate amended SB 4 to provide for a nine-member committee to further study the New Hampshire Port Authority. A number of questions have arisen regarding the Port Authority and both the Senate and the Public Works Committee agree that the study is necessary at this time. The Committee amendment allows the Authority to make arrangements with foreign port entities for the interchange of business and changes the effective date to allow the study to begin upon passage. Vote 13-0. Rep. Roland A. Frechette for Public Works.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

establishing a committee to study the New Hampshire state  
port authority and relative to international trade.

Amend the bill by inserting after section 5 the following and renumbering the original section 6 to read as 7:

6 Port Authority Business with Foreign Countries. Amend RSA 271-A:3, I to read as follows:

I. Have the authority to make all necessary arrangements with other port authorities of other states and federal departments [and], agencies, *and foreign countries and their port entities* for the interchange of business, and for such other purposes as will facilitate and increase the commerce of the ports, harbors, and tidal navigable rivers of the state.

Amend the bill by replacing section 7 with the following:

7 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill creates a committee to study the New Hampshire state port authority including, but not limited to, a cost-benefit analysis of a capital investment to expand the port and the feasibility of merging the New Hampshire state port authority with the Pease development authority.

This bill also authorizes the port authority to make all necessary arrangements with foreign countries and their port entities for the interchange of business.

**SB 55-A**, relative to replacing the Warren Bridge on New Hampshire Route 25. **ought to pass.**

This bridge is the scene of an unfortunate accident in which two State Troopers and a passenger were killed. It is on an S Turn and a new bridge would straighten out the highway creating a much safer highway. This bill adds this bridge to the 10-year highway plan. Vote 12-0. Rep. William J. Driscoll for Public Works.

Referred to Appropriations.

**SB 162-A**, relative to rebuilding, modernizing, and maintaining rail properties and making an appropriation for the Conway branch line. **RE-REFER TO COMMITTEE.**

The motivation behind this bill is to promote economic development. Because the owners of the rail, Guilford Transportation, are facing economic difficulties themselves, they have been unwilling to put resources into upgrading the line. However, recent contact with the company by Senator Dupont, the sponsor, have been fruitful. He has recommended re-referral while more dialogue takes place. Vote 17-0. Rep. Sandra B. Keans for Public Works.

**SB 123-FN**, relative to the wine industry of New Hampshire. **ought to pass.**

Three years ago, the Liquor Commission asked that exact percentages be set defining what domestic wine was. The Legislature gave the Commission what it asked for, a set figure of five percent New Hampshire grape content. Apparently, this percentage was not what was needed. More grapes were needed. The Commission and the industry have worked out the percentages and the Committee, by a vote of 15-0, endorsed this arrangement. It hopes that the Legislature won't be called on again about this issue. Rep. Thomas A. Behrens for Regulated Revenues.

**SB 152**, relative to a joint New Hampshire-Quebec trade council. **ought to pass with amendment.**

This bill authorizes the Commissioner of Resources and Economic Development and Secretary of State to establish a New Hampshire trade council to meet with trade

councils established by the Canadian provinces. Vote 12-0. Rep. Lawrence J. Guay for State-Federal Relations.

#### Amendment

Amend RSA 12-A:2-e as inserted by section 1 of the bill by replacing it with the following:

12-A:2-e New Hampshire-Canadian Trade Council. The commissioner of resources and economic development and the secretary of state shall have the authority to establish a New Hampshire trade council to meet with one or more trade councils established by the Canadian provinces, either separately or collectively. The members of the council shall include 2 senators, 2 house members, the commissioner or his assignee, the secretary of state or his assignee, and such other members as the commissioner and secretary of state may appoint.

#### AMENDED ANALYSIS

This bill authorizes the commissioner of resources and economic development and the secretary of state to establish a New Hampshire trade council to meet with trade councils established by the Canadian provinces.

**SB 25-FN**, relative to obtaining out-of-state driving records. OUGHT TO PASS.

This bill will require the Director to certify and provide the out-of-state driving records upon receipt of a request from a law enforcement agency. This will assist in the prosecution of serious offenses for effective law enforcement. Vote 13-0. Rep. Kenneth W. Malcolm for Transportation.

**SB 106-FN**, relative to anatomical gifts. OUGHT TO PASS.

After hearing testimony, it was the unanimous opinion of the Committee that this bill would be beneficial especially as an educational aid in alerting the public about becoming organ donors. Vote 16-0. Rep. Brenda E. Keith for Transportation.

**SB 112-FN**, relative to license plates for firefighters. INEXPEDIENT TO LEGISLATE.

This bill has appeared in many similar forms over the last few sessions, and while the idea to honor firemen is a worthy cause and has great merit, it should not be done this way. At the hearing on this bill, no firemen came to testify in support of it. The Committee felt that it should be consistent and therefore voted 12-0 Inexpedient to Legislate. Rep. Andrew Christie, Jr. for Transportation.

#### REGULAR CALENDAR

**SB 7-FN-A**, relative to an industrial research center at the university of New Hampshire. OUGHT TO PASS WITH AMENDMENT.

This bill establishes an Industrial Research Center within the University of New Hampshire to improve the technological base of New Hampshire industry via research projects, jointly funded by the state and industry on a matching basis, thereby increasing its competitiveness. The bill appropriates \$500,000 from the New Hampshire Development Fund in FY '92 and '93 for the center. The money has already been appropriated in House Bill 50. Vote 19-0. Rep. Arthur B. Corte for Education.

#### Amendment

Amend the bill by replacing section 1 with the following:

I New Subdivision; Industrial Research Center Established. Amend RSA 187-A by inserting after section 29 the following new subdivision:

### Industrial Technology Research and Innovation Center

187-A:30 Purpose. To promote the economic well being of its citizens, the general court finds it desirable to establish an industrial research center at the University of New Hampshire for the purpose of providing a mechanism to promote applied and basic research and technological transfer to support the New Hampshire industrial and business community. This center will provide the means for improving the competitiveness of New Hampshire industry and the upgrading and development of new and old products through the support and cooperation of the state with industry and business. The supported research, innovation and technology transfer activities will preserve and increase the number of jobs in New Hampshire.

187-A:31 Grant Program. To carry out the purposes of this subdivision the department of resources and economic development shall enter into a grant program with the university of New Hampshire to establish a Center for Industrial Technology Research and Innovation at the Durham campus. Through the grant program, the center shall provide applied and basic research capability and technology transfer in support of New Hampshire's industrial and business community. To be eligible for the grant program, businesses and industries must have an ongoing business within the state or an announced intention to locate a business in the state.

### 187-A:32 Oversight Committee; Membership; Duties.

I. An oversight committee is hereby established to oversee the operations of the center. The committee shall consist of the following members:

(a) The commissioner of the department of resources and economic development, or his designee.

(b) One member of the house, appointed by the speaker of the house.

(c) One member of the senate, appointed by the president of the senate.

(d) The dean of the college of Engineering and Physical Sciences.

(e) The university's vice president for research.

(f) Five members representing business and industry, 3 of whom shall represent small and medium sized businesses, appointed by the governor.

II. The members of the committee appointed by the governor shall serve 3-year staggered terms. The terms of office for other members of the committee shall be co-terminous with the term of office in the position that qualifies that member to be a member of the committee.

III. The committee, in consultation with the board of trustees, shall establish criteria and procedures relative to the general operation of the center. Such criteria shall include, but not be limited to, the following:

(a) Administrative leadership for the center.

(b) Submission, acceptance and awarding of proposals for funding.

(c) Cooperative agreements with neighboring states.

IV. The officers of the committee shall be selected by the committee from its membership.

V. The committee shall coordinate and cooperate with the appropriate state agencies.

187-A:33 Funding. Any center project utilizing state appropriations shall match state funds at least dollar for dollar with funds generated by the center from the net income of any of the following operations of the center; the center's research clients; profit and nonprofit organizations; the federal government; or local political subdivisions. In kind and equipment contributions may be accepted as matching funds under criteria established by the committee.

**SB 149-FN-A**, relative to reimbursing a certain school cooperative for certain expenses and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, would authorize the payment of the reimbursement expenses as provided in RSA 195-A:15 for these two districts which qualify for payment and repeals the program effective on the completion of these outstanding obligations. The Fiscal Note calls for state expenditures of \$11,000 in 'FY 1991. Vote 19-0. Rep. Nils H. Larson for Education.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to reimbursing certain school cooperatives for certain expenses and making an appropriation therefor.

Amend the bill by replacing all after section 1 with the following:

2 Appropriation. The sum of \$6,000 is hereby appropriated to the Pemi-Baker regional school district in Plymouth for the fiscal year ending June 30, 1991. The appropriation is for the purpose of reimbursing the school for expenses incurred in converting an area school plan to a cooperative school district pursuant to RSA 195-A:15, II. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

3 Applicability. The repeal of RSA 195-A:15, II in section 4 of this act shall not affect the reimbursements to be made with the sums appropriated in sections 1 and 2 of this act.

4 Repeal. RSA 195-A:15, II, relative to reimbursement for conversion to a cooperative school district, is repealed.

5 Effective Date.

I. Sections 1-3 of this act shall take effect upon its passage.

II. Section 4 of this act shall take effect at 12:01 a.m. of the date of its passage.

#### AMENDED ANALYSIS

This bill appropriates \$5,030 to the Hollis-Brookline cooperative school district and \$6,000 to the Pemi-Baker regional school district for expenses incurred in converting area plans into cooperative school districts pursuant to RSA 195-A:15, II.

This bill also repeals the provision that reimburses schools for expenses incurred in converting to a cooperative school district in future conversions.

**SCR 1**, relative to L-Tryptophan. OUGHT TO PASS.

This resolution urges the United States Congress to hold hearings on the issue of L-Tryptophan, a benign dietary supplement. The Federal Drug Administration does not regulate L-Tryptophan since it is a health substance. However, a large number of people have severe health problems as a consequence of taking this dietary supplement. There has been a severe problem with one manufacturer, which has caused 29

deaths, and this particular manufacturer has made no effort to offer any type of compensation or to submit medical statements to the victims of EMS (Eosinophilia Myalgia Syndrome), a rare and deadly blood disorder. Vote 17-1. Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs.

Adopted.

Ordered to third reading.

**SB 66**, relative to durable power of attorney for health care. **OUGHT TO PASS.**

The Committee felt the bill was well drafted, and represented an extraordinary work product reached after years of work. Vote 15-3. Rep. Peter Hoe Burling for Judiciary.

Rep. Daniels spoke against.

Rep. Burling spoke in favor and yielded to questions.

Adopted.

Ordered to third Reading.

Reps. Daniel Healy and Frances Riley notified the Clerk that they wished to be recorded in opposition to SB 66.

**SB 81**, relative to damages for wrongful death. **RE-REFER TO COMMITTEE.**

This bill, on elements of damage in wrongful death cases, presented the Committee with issues of immense complexity. It became obvious in the course of Subcommittee deliberations that much more work will have to take place before the Committee can vote on this with comprehension and a clear sense of purpose. Vote 12-6. Rep. Peter Hoe Burling for Judiciary.

Re-referred to Committee.

**SB 91**, relative to the disclosure of discoverable materials in product liability actions. **INEXPEDIENT TO LEGISLATE.**

The majority of the Committee felt that this bill is not necessary. Current court rules on discovery are more than adequate, if a problem exists with discovery it is best addressed through court rules and procedures. Vote 16-2. Rep. Patricia R. Dwyer for Judiciary.

Adopted.

**SB 210-FN**, relative to drugged driving and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

The amended bill reduces an original appropriation request of \$547,164 from the highway fund for the biennium, to one of \$240,000 from the general fund for the fiscal year ending June 30, 1992, said funds to be used to continue a toxicology program that trains law enforcement personnel to test for controlled substances in persons suspected of driving while impaired. Removed from the bill, for further study, clarification and re-drafting was language authorizing implementation of such enforcement procedures relative to driving while impaired by controlled drugs as criminal charges, license revocation, implied consent procedures relative to the administrative handling of test results, informed consent and constitutional rights. The Committee's intent is to deal with these issues in other legislation during the session beginning in January, 1992. Vote 16-2. Rep. Robert A. Lockwood for Judiciary.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 New Positions. The commissioner of the department of health and human services is authorized to hire a laboratory scientist II, a laboratory scientist III, and a secretary-typist II to be located in the division of public health services.

2 Forensic Toxicologist Salary. Amend RSA 94:1-a, I by inserting in group N: forensic toxicologist.

3 Appropriation. The sum of \$240,000 for the year ending June 30, 1992, is hereby appropriated to the division of public health services of the department of health and human services for the purposes of sections 1-2 of this act. This appropriation shall be in addition to any other appropriations made to the division of public health services of the department of health and human services for the biennium. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

4 Effective Date. This act shall take effect July 1, 1991.

### AMENDED ANALYSIS

The bill authorizes the commissioner of the department of health and human services to hire for the division of public health services 2 laboratory scientists and a secretary-typist and creates the position of forensic toxicologist within the division. The bill makes an appropriation to the department.

Adopted.

Report adopted.

**SB 21**, establishing a commission to study and recommend the elimination of state-mandated programs. RE-REFER TO COMMITTEE.

The subject of "mandates" is of the greatest interest to all echelons of state government and political subdivisions. With this in mind, the Committee felt that SB 21 had merit in securing grass roots information on the extent of mandates at the lower levels of government.

The bill needs extensive review and revision to accomplish this purpose and referral to this Committee is considered to be the best solution. Vote 10-2. Rep. Richardson D. Benton for Legislative Administration.

Re-referred to Committee.

**SB 180-FN**, relative to the hearings process on tax abatements for property taxes and making a supplemental appropriation for the board of tax and land appeals. OUGHT TO PASS WITH AMENDMENT.

This bill had some problems as it came from the Senate. The Board of Tax and Land Appeals and the sponsor agreed to the changes made by the Committee. Vote 15-0. Rep. John S. Barnes, Jr. for Municipal and County Government.

### Amendment

Amend RSA 76:16, II as inserted by section 3 of the bill by replacing it with the following:

*II. Upon receipt of an application under paragraph I, the selectmen or assessors shall review the application and grant or deny the application in writing within 6 months after notice of such tax, and failure to do so shall constitute a denial. "Notice of such tax" is defined in RSA 76:16-a, I.*

Amend the bill by replacing section 4 with the following:

4 Information Required in Appeal Following Failure to Abate Taxes. Amend RSA 76:16-a, I to read as follows:

I. [If] *After* the selectmen neglect or refuse to so abate, *in accordance with RSA 76:16*, any person aggrieved, having complied with the requirements of RSA 74, upon payment of a \$40 filing fee, may, within [6] 8 months after notice of such tax, and not afterwards, apply in writing to the board of tax and land appeals which, after inquiry and investigation, shall hold a hearing if requested as provided in this section and shall make such order thereon as justice requires; and such order shall be enforceable as provided hereafter. "Notice of such tax" means the date the department of revenue administration determines to be the last date of mailing of tax bills by the taxing district. *The person aggrieved shall state in its appeal to the board either the date of the municipality's decision on the RSA 76:16 application, or that 6 months has passed since the notice of the tax and that the municipality failed to issue a decision in accordance with RSA 76:16.*

Rep. Grodin spoke in favor.

Adopted.

Rep. Grodin offered a floor amendment.

#### Floor Amendment

Amend the bill by inserting after section 4 the following and renumbering the original sections 5-6 to read as 6 and 7 respectively:

5 Time for Petition to Superior Court. Amend RSA 76:17 to read as follows:

76:17 By Court. If the selectmen neglect or refuse so to abate, any person aggrieved, having complied with the requirements of RSA 74, may, in lieu of appealing pursuant to RSA 76:16-a, within [6] 8 months after notice of the tax apply by petition to the superior court in the county, which shall make such order thereon as justice requires.

**SB 19-FN**, establishing penalties and fines for use of blue lights by any person other than a certified police officer. **OUGHT TO PASS WITH AMENDMENT.**

The use of blue colored lights on privately-owned vehicles (POV) must be closely controlled, so as to preclude the possibility of such lights being used in criminal acts. Senate Bill 19 does just that, and the amendment makes significant changes to clarify and strengthen the bill.

The terminology of "certified police officer" is changed to that of "law enforcement officer" inasmuch as municipalities routinely engage law enforcement officers prior to their "certification" by the Police Standards and Training Council. The amendment clearly establishes that blue lights shall be used only on municipal police department vehicles or privately-owned vehicles of law enforcement officers who are actively engaged in police department activities. Lastly, the amendment establishes severe additional penalties in cases where privately-owned vehicles with blue lights have been utilized in the commission of a crime. Vote 8-6. Rep. David A. Welch for Public Protection and Veterans Affairs.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

establishing penalties and fines for use of blue lights by  
any person other than a law enforcement officer.

Amend RSA 266:74 as inserted by section 1 of the bill by replacing it with the following:

**266:74 Emergency Lights.**

**I.** It shall be unlawful for any motor vehicle equipped with an emergency light to be driven on the ways of the state. This provision shall not apply to vehicles of *any* law enforcement *agencies or* officers, forestry departments, fire departments, volunteer ambulance drivers, volunteer members of fire departments, state, city or town highway or public works departments, public utilities, wreckers, public or private ambulances, private snow removal vehicles, emergency highway service vehicles, postal service vehicles, and such other vehicles as determined by the director. Emergency lights shall not be in operation except during an emergency, and in the case of private snow removal vehicles, while such vehicle is actively in use in snow removal, and, in the case of postal service vehicles, while such vehicle is actively engaged in delivering mail.

**II.** Blue colored lights shall only be used on law enforcement vehicles *operated by law enforcement officers*. When blue colored lights are installed on a private vehicle belonging to a law enforcement officer, such lights shall be covered when the vehicle is being driven by someone other than a law enforcement officer. *The display or use of blue colored motor vehicle lights by any person who is not an employed full-time or part-time police officer shall be prohibited.*

**III.** The director by rule adopted pursuant to RSA 260:5 shall determine the location, color, and method of use of emergency lights.

**IV.** *Any person who is convicted of a violation of this section shall:*

*(a) Notwithstanding the provisions of title LXII:*

*(1) For a first offense, be guilty of a violation and fined not less than \$250 nor more than \$500.*

*(2) For a second or subsequent offense, be guilty of a misdemeanor and fined not less than \$500 nor more than \$1,000.*

*(b) If a resident of this state, have his driver's license or driving privilege or, if a nonresident, his privilege as an out-of-state driver to drive on any ways of this state, revoked for a period of not less than 30 days.*

**V.** *(a) Any person who uses blue lights knowingly or purposely to commit a crime punishable as a misdemeanor shall be guilty of a misdemeanor.*

*(b) Any person who uses blue lights knowingly or purposely to commit a crime punishable as a felony shall be guilty of a class B felony.*

Amend the bill by replacing section 3 of the bill with the following:

3 Effective Date. This act shall take effect January 1, 1992.

**AMENDED ANALYSIS**

This bill clarifies existing law which restricts the use of blue emergency lights to law enforcement vehicles by specifically prohibiting the display or use of blue lights by any person who is not a full- or part-time law enforcement officer.

The bill punishes as a misdemeanor or a felony the unlawful use of blue lights under certain circumstances.

**SB 3-A**, relative to exit 10 on the Spaulding turnpike and making an appropriation therefor. OUGHT TO PASS.

This bill amends existing legislation to bring the City of Somersworth into the planning process. The bill also increases the amount appropriated for the environmental impact study by \$100,000 to be paid from turnpike revenue bonds. Vote 17-0. Rep. Roland A. Frechette for Public Works.

Adopted.

Referred to Appropriations.

**SB 11-A**, appropriating funds for a new courthouse in Rockingham county. OUGHT TO PASS.

The Committee unanimously supports building a new courthouse in Rockingham County and has indicated its support in the Capital Budget. This facility is desperately needed to alleviate the tremendous overcrowding at the present courthouse. Vote 13-0. Rep. Gene G. Chandler for Public Works.

Adopted.

Referred to Appropriations.

**SB 14-A**, relative to environmental and engineering studies and acquisition of rights-of-way for the construction of a truck lane on United States Route 2 in Jefferson, New Hampshire, and making an appropriation therefor. OUGHT TO PASS.

The condition of the highway in this area of Route 2 creates a safety hazard. This highway serves trucks from Canada, New York, Vermont, Maine and New Hampshire. A truck lane is necessary at this time. Vote 17-0. Rep. Dennis J. Kilbride for Public Works.

Adopted.

Referred to Appropriations.

**SB 41-A**, relative to the construction of a fire training academy for New Hampshire fire fighters and making an appropriation therefor, and relative to motor vehicle records fees. MAJORITY: RE-REFER TO COMMITTEE. MINORITY: OUGHT TO PASS.

MAJORITY: Senate Bill 41 concerns the construction of a fire training academy to be operated under the direction of the Department of Safety. This issue has been around for a number of years and the majority of the Committee feels that there are a number of questions and issues that need to be resolved before passage of such a bill. Re-referral of SB 41 will allow the Committee to study all facets of the proposal and make recommendations that are in the best interest of the State of New Hampshire. Vote 11-8. Rep. Gene G. Chandler for the Majority of Public Works.

MINORITY: The testimony before the Committee was overwhelmingly in favor of this bill. The New Hampshire Association of Domestic Insurance Companies indicated that it will willingly bear the cost of the facility. This will result in absolutely no cost to the State of New Hampshire. The bill is supported by 85 Fire Chiefs, 134 volunteer fire departments, the Commissioner of Safety, the Fire Standards and Training Commission and the New Hampshire Municipal Association. Rep. Joanne A.

O'Rourke, Rowland H. Schmidtchen, William A. Driscoll, John F. Weeks, Jr., William K. Kincaid, Dennis J. Kilbride, Roland A. Frechette and Terry D. Oliver for the Minority of Public Works.

Rep. O'Rourke moved that the words Ought to Pass be substituted for the report of the Committee, Re-refer to Committee and spoke in favor.

Reps. Benton and Hoar spoke in favor.

Rep. Gene Chandler spoke against and yielded to questions.

Rep. LaMott spoke in favor.

Reps. Burling and William McCain spoke in favor and yielded to questions.

**SB 64-A**, relative to the superior courthouse in Nashua and making an appropriation therefor. **OUGHT TO PASS.**

The Committee and the entire House have repeatedly supported the new Hillsborough County Superior Courthouse in Nashua. This bill provides funding for furnishings and a security system for the currently completed, but vacant structure. Vote 13-0. Rep. David J. Alukonis for Public Works.

Adopted.

Referred to Appropriations.

**SB 117-FN-A**, relative to expenditures by the public works bureau, extending certain lapse dates, making adjustments to certain bond authorizations, making certain appropriations, relative to the port authority, and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE.**

A multitude of items in this bill have all been passed by the House twice in HB 35 with the exception of an additional appropriation for the Mason Library at Keene State College, and some changes at the Port Authority. The Port issues will be handled in another bill. Given the economic climate, the Committee feels the library work will come in within the original appropriation. Vote 17-0. Rep. David K. Wheeler for Public Works.

Adopted.

**SB 68-FN**, relative to the transportation of animals in open trucks. **OUGHT TO PASS.**

Passage of this bill would mandate that any animal being transported in the back of any open truck must be caged or secured to the truck. Also, the entire body of the

animal must remain within the confines of the truck. Vote 12-1. Rep. Thaddeus E. Klemarczyk for Transportation.

Rep. Jasper moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass and spoke in favor.

Rep. Klemarczyk spoke against.

Rep. Marilyn Campbell spoke in favor and yielded to questions.

Rep. L'Heureux spoke against and yielded to questions.

Rep. Baldizar spoke against.

On a division vote, 206 members having voted in the affirmative and 139 in the negative, the substitute motion was adopted.

**SB 222-FN**, relative to a study of alternative transportation. **OUGHT TO PASS WITH AMENDMENT.**

This bill establishes a committee to study the development of an alternative transportation system in southern New Hampshire. It also extends as a Subcommittee of the alternative transportation study advisory committee until August 1, 1993, the Nashua Passenger Rail Advisory Committee established in 1989 to study and plan a Nashua-Lowell, Massachusetts rail link. Vote 12-3. Rep. John Hoar, Jr. for Transportation.

#### Amendment

Amend paragraph I of section 2 of the bill by deleting subparagraph (d) and relettering the original subparagraphs (e)-(k) to read as (d)-(j), respectively.

Amend subparagraph I(d) of section 2 of the bill by replacing it with the following:

(d) Two representatives each from each of the 4 urbanized areas (MPOS) in southern New Hampshire: Salem/Plaistow, Rochester/Portsmouth, Nashua and Manchester, appointed by the governor with the consent of the council.

Amend paragraph V of section 2 of the bill by replacing it with the following:

V. The committee shall submit a report to the governor and council, the president of the senate, and the speaker of the house in time for preparation of legislation for the 1993 session.

Amend the bill by replacing section 3 with the following:

3 Nashua Passenger Rail Advisory Committee. The Nashua Passenger Rail Advisory Committee, established under 1989, 387, completed its phase II study. The phase II study consisted of an evaluation of implementing rail service to Lowell, Massachusetts. The committee submitted its report in September, 1990. The general court recognizes this fine effort by the committee. Because issues relating to the implementation of rail passenger service between Nashua and Lowell, Massachusetts remain, the general court believes the committee should be extended until August 1, 1993, as a subcommittee to the alternative transportation study advisory committee established under section 2 of this act.

Amend the bill by replacing section 4 with the following:

4 New Section; Committee Extended. Amend 1989, 387 by inserting after section 2 the following new section:

387:2-a Committee Extended. The Nashua passenger rail advisory committee established under 1989, 387:2 is extended, as a subcommittee of the alternative transportation study advisory committee established under section 2 of this act, until

August 1, 1993. The subcommittee shall continue the planning process with the goal of implementing a rail service from Nashua to Lowell, Massachusetts. The subcommittee also may address questions concerning implementation costs, liability issues and the management and operation of such a service. Membership and guidelines for compensation established under 1989, 387:2 shall remain in effect for the subcommittee. The subcommittee shall submit a report to the committee for inclusion in the committee's report on or before August 1, 1993.

#### AMENDED ANALYSIS

This bill establishes a committee to study the development of an alternative transportation system in southern New Hampshire.

The bill also extends as a subcommittee of the alternative transportation study advisory committee until August 1, 1993, the Nashua passenger rail advisory committee established in 1989 to study and plan a Nashua-Lowell, Massachusetts rail link.

Adopted.

Report adopted.

Ordered to third reading.

**SB 170-FN-A**, to study the revenue structure in New Hampshire and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

The bill authorizes an independent study of the revenue and spending structure in New Hampshire. The study will be conducted by an independent organization and overseen by the House and Senate Ways and Means Committees. The amendment is a rewrite of the Senate version, clarifying the study's purposes and content. The bill appropriates one dollar for the study, and the Committee is seeking the \$50,000 needed from private sources. Vote 15-1. Rep. Douglass P. Teschner for Ways and Means.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

##### 1 Study Authorized.

##### I. The general court recognizes that:

(a) State and local government spending has risen, and continues to rise, in order to provide funding for state, county, municipal, and school district expenditures.

(b) Questions have arisen regarding the fairness and equity of the present tax system.

(c) There is concern regarding possible overdependence on a restricted number of revenue sources.

(d) The relationship between the state's economy and its revenue structure is of vital concern.

(e) Actions by the federal government, including increased mandates and reduced grants to the states, have exacerbated New Hampshire's fiscal problems.

(f) Legislative action may be necessary to address the relationship between the state revenue structure and expenditures and the fiscal relationship between the state and its subdivisions.

II. The general court therefore authorizes a study of the revenue structure in New Hampshire. The study shall be conducted by an independent organization which shall be chosen by the chairpersons of the house and the senate ways and means committees.

2 Legislative Oversight. The house and the senate ways and means committees shall oversee the work of the independent organization. The house and the senate ways and means committees shall establish a schedule for the independent organization to work with these committees and to submit progress reports to both the committees.

3 Study. The independent organization shall study the spending and revenue structure at all levels of government and the fiscal relationship between the state and its subdivisions. In undertaking this study, the independent organization shall consider the following topics:

- I. The need for revenue predictability and stability.
- II. The equity and fairness of existing and proposed state and local taxes.
- III. Encouraging a climate favorable to business and economic development.
- IV. Minimizing the administrative costs of tax collection.
- V. State and local spending needs, economic and demographic trends, and the role of the public sector in New Hampshire.
- VI. Optimizing the fiscal and statutory relationships between the state government and its subdivisions.
- VII. Federal mandates and the distribution of federal revenues to state and local governments.
- VIII. Comparisons with the tax capacities and the taxes of other states and their political subdivisions.
- IX. The need for, and the appropriate funding level of, the state's revenue stabilization fund.
- X. Any other economic, political, demographic, or other considerations which are deemed appropriate.

4 Report. The independent organization shall submit a final report of the study to the senate and house ways and means committees for transmission to the governor, the speaker of the house of representatives, and the president of the senate no later than November 1, 1991.

5 Appropriation. The sum of \$1 is hereby appropriated for the fiscal year ending June 30, 1991, for the purposes of sections 1-4 of this act. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

6 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill authorizes a study of the spending and revenue structure in New Hampshire. The study is to be conducted by an independent organization which is chosen by the chairpersons of the house and the senate ways and means committees. The house and the senate ways and means committees shall oversee the study. The independent organization is given a specific list of topics to consider as part of its study.

The independent organization shall study the state's spending and revenue structure at all levels of government and the fiscal relationship between the state and its subdivisions.

The independent organization shall report its findings to the senate and house ways and means committees for transmission to the governor, the speaker of the house, and the president of the senate no later than November 1, 1991.

The bill appropriates \$1 for the purposes of the study.

Rep. Teschner yielded to questions.

On a division vote, 239 members having voted in the affirmative and 98 in the negative, the amendment was adopted.

Report adopted.

Referred to Appropriations.

**SB 156-FN-A**, establishing a committee to study the SAU structure within the state of New Hampshire and making an appropriation therefor. RE-REFER TO COMMITTEE.

The Committee feels strongly that many studies have been done on the SAU structure in schools and supports the concept of this bill. To effectively address the many concerns dealing with structure and costs as well as proliferation of these units, a proper independent consultant study should be done. Due to severe economic times, it is not possible to obtain funds for this purpose. In the re-referral process, it is hoped that the Committee can establish criteria to address the issues and possibly explore outside channels. Vote 20-0. Rep. Stanley N. Searles for Education.

Rep. Jacobson moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Re-refer to Committee, spoke to his motion and yielded to questions.

Reps. Searles and Skinner spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

#### RECESS

Rep. Michael Hill moved that the House adjourn.

Adopted.

**HOUSE JOURNAL No. 21**

Thursday, May 9, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by Guest Chaplain, the Reverend David P. Jones, St. Paul's Church, Concord.

Members of this House of Representatives, it is a rather humbling experience to have been invited to come and stand here with you. Thank you. I have heard in recent days that there are those who feel that clergy and prayers have no place in a government body such as this. I would never presume to force anyone to pray here but no one should force me or any of you not to. Live free or die cuts both ways.

And so now, if you wish, please pray with me. If you do not, please be patient with the rest of us.

Gentle and loving Father, be present this day with the men and women of this House. Open their eyes to see what is right. Open their ears to hear the wisdom of one another. Open their hearts that they might be channels of compassion for all who are in need. And then, and only then, O Lord, open their mouths to speak words of truth.

We ask You for these things because we need them. Amen.

Rep. Amanda Merrill led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Eunice Campbell, Splaine, Conroy, Feuerstein, Parr and Jelley, the day, illness.

Reps. David Flanders, Holmes, David Young (military service), Pelley, Guest, Shackett, Hawkinson, Perry, Shibley, Parks, Baldizar, Sawyer and Donald Messier, the day, important business.

Rep. Thayer, the day, death in the family.

Rep. Amidon, the day, illness in the family.

**COMMUNICATION**

May 1, 1991

Mr. James Chandler, Clerk of the House of Representatives.

This is to advise you that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Hillsborough County District No. 39 (Manchester Ward 6)

Gregory Janas, d, Manchester (1010 Page St.) 03104

Sincerely, William Gardner,  
Secretary of State

The Speaker appointed Rep. Janas to the Committee on Resources, Recreation and Development and assigned him Seat 2-60.

The Speaker appointed a House Committee on Redistricting as follows:

#### COMMITTEE OF CONFERENCE REPORT ON SB 100-FN

The committee of conference to which was referred Senate Bill 100-FN, An Act relative to simulcast wagering having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrency with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 284:22-a, I(a) as inserted by section 2 of the bill by replacing it with the following:

(a) "State" means each state of the United States, the District of Columbia, the Commonwealth of Puerto Rico and any territory or possession of the United States.

Amend RSA 284:22-a, II as inserted by section 2 of the bill by replacing it with the following:

II.(a) During the calendar years 1941-1999, a licensee may sell pari-mutuel pools on races held at racetracks other than the racetrack at which the licensee conducts its race meet, provided:

(1) Such sales are within the enclosure of the racetrack at which the licensee holds a license for the current year to conduct live racing in this state;

(2) Wagers are made on races which are exhibited by television or other means of electronic reproduction at the licensee's racetrack simultaneously with the conduct of each such race at its point of origin with the agreement or approval of the racetrack which provides the transmission of the races to be simulcast and the racetrack which conducts the races to be simulcast;

(3) The licensee conducts live racing on the day on which the licensee simulcasts; and

(4) The licensee obtains the consents and approvals set forth in RSA 284:22-a, III.

(b) The aggregate number of live races conducted at a licensee's racetrack for each calendar year shall exceed the aggregate number of races simulcast by such licensee during each such calendar year.

Amend the introductory paragraph of RSA 284:22-a, III as inserted by section 2 of the bill by replacing it with the following:

III. A licensee may sell pari-mutuel pools on races held at other appropriately licensed racetracks, whether such racetracks are in the state of New Hampshire or outside the state of New Hampshire with the agreement or approval of the racetrack which provides the transmission of the races to be simulcast and the racetrack which conducts the races to be simulcast. A licensee may sell pari-mutuel pools under RSA 284:22-a on the same types of races that it conducts live at its racetrack with the approval of the commission. A licensee may sell pari-mutuel pools under RSA 284:22-a on types of races different from the type of races conducted live at the licensee's racetrack provided:

Amend RSA 284:22-a, IV as inserted by section 2 of the bill by replacing it with the following:

IV. Notwithstanding the provisions of RSA 284:22-a, II(a)(3) and II(b), a licensee may simulcast on a day on which live racing is scheduled at the licensee's racetrack, without conducting live racing provided that the live racing program is cancelled due to weather or other conditions which produce unsafe conditions at the racetrack of the licensee. The determination to cancel a live program based upon weather or the condition of the racetrack shall be made by the licensee, and notice of

the cancellation shall be provided to the commission. The licensee, however, shall, in no event, simulcast on more than 10 days in each calendar year when it conducts no live racing as a result of the cancellation of the live program, pursuant to this paragraph. The number of races simulcast by a licensee on days when no live racing is conducted by the licensee due to weather or track conditions at the licensee's racetrack shall not be included in the aggregate number of simulcast races for the purposes of RSA 284:22-a, II(b).

Amend RSA 284:22-a, V(a) as inserted by section 2 of the bill by replacing it with the following:

V.(a) A licensee may sell pari-mutuel pools for simulcast races for races held at racetracks within or outside the state of New Hampshire in accordance with RSA 284:22-a, II, within the enclosure of said licensee's racetrack or a licensee, with the written agreement with the licensee which conducts or transmits the race which is to be simulcast, may sell a common pari-mutuel pool in conjunction with the licensee which conducts or transmits the race which is to be simulcast. In the event of common pools, the licensee which conducts or transmits the race shall pay the tax required under RSA 284:23 for the portion of the common pool actually contributed at said licensee's racetrack and the licensee which simulcasts shall pay the tax due under RSA 284:23 for the portion of the common pool actually contributed at said licensee's racetrack.

Amend RSA 284:22-a, VIII as inserted by section 2 of the bill by replacing it with the following:

VIII. RSA 284:22, I, II, III, and IV shall apply according to the type of race on which the simulcast wagers are made, excepting, however, interstate common pools as provided in RSA 284:22-a, V(b) and that the provisions made for purses made in RSA 284:22, I shall not apply to simulcast races. The commission on simulcast race pools shall be available to the simulcasting licensee to satisfy obligations to the racing association originating or transmitting such simulcast races or to the horsemen's group of such association.

Conferees on the Part of the Senate:

Sen. Blaisdell, Dist. 10; Sen. Colantuono, Dist. 14; Sen. Delahunty, Dist. 22.

Conferees on the Part of the House:

Rep. R. Kelley, Hills. 13; Rep. W. Desrosiers, Hills. 43; Rep. Simon, Rock. 9; Rep. Reidy, Hills. 45.

Report adopted.

X. One representative of a commercial insurance carrier, appointed by the insurance commissioner.

**SB 57-FN**, relative to the review of New Hampshire corporate laws. OUGHT TO PASS WITH AMENDMENT.

This bill establishes a committee to study whether changes should be made in New Hampshire's laws regarding corporations in order to entice business into the state. The Committee will examine what types of businesses and industries should be encouraged to come into the state. The amendment makes the Committee three House members and three Senate members. Vote 14-0. Rep. Patricia A. Fair for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend paragraphs I - IX of section 1 of the bill by replacing them with the following:

I. Three senators, appointed by the senate president.

II. Three representatives, at least one of whom shall be a member of the commerce, small business and consumer affairs committee, appointed by the speaker of the house.

**SB 101-FN**, establishing a study committee relative to the industrial development authority. OUGHT TO PASS.

The Committee sees this bill as another necessary tool to shape the changes for the economic environment in this state and assist in the restructuring of the Industrial Development Authority. Vote 12-0. Rep. William Tsiros for Commerce, Small Business and Consumer Affairs.

**SB 150**, relative to partnerships and relative to foreclosures. OUGHT TO PASS WITH AMENDMENT.

This bill clarifies who the parties are to be notified in case of a mortgage foreclosure. It also makes explicit the need for recording mortgages and for intervening creditors to file their affidavits within 60 days of the foreclosure sale. Vote 14-0. Rep. Eric N. Lindblade for Commerce, Small Business and Consumer Affairs.

### Amendment

Amend RSA 479:25, II as inserted by section 2 of the bill by replacing it with the following:

II. A copy of said notice shall be served upon the mortgagor or sent by registered or certified mail to his last known address or to such person as may be agreed upon in the mortgage at least 25 days before the sale. The term "mortgagor" shall include the mortgagor [or the then record owner of the premises] *and any grantee, assignee, devisee or heir of the mortgagor holding a recorded interest in the mortgaged premises subordinate to the lien of the mortgage, provided that such interest is recorded, at least 30 days before the date of the sale, in the registry of deeds for the county in which the mortgaged premises are situated.* Like notice shall be sent to any person having a lien [on the premises] of record *on the mortgaged premises*, provided that the lien is recorded at least 30 days before the date of the sale in the registry of deeds [for the county in which the property is situated]. The notice shall be sent not less than 21 days before the sale. Such notice of sale shall be sufficient if it fully sets forth the date, time, and place of sale; the town, county, street or highway and street number, if any, of the mortgaged premises; the date of the mortgage; the volume and page of the recording of the mortgage; [the location where the original mortgage instrument may be examined;] and the terms of the sale. *Any mortgagor or record lienholder who refuses to accept or claim mailed or served notice or who frustrates attempts by the mortgagee to give notice of the sale by failing to give or leave a forwarding address or by other act or omission shall be deemed to be notified of the sale, provided that, such mortgagee shall have made a good faith effort to provide such notice.* Notice of the sale as served on or mailed to the mortgagor shall include the following language:

"You are hereby notified that you have a right to petition the superior court for the county in which the mortgaged premises are situated, with service upon the mortgagee, and upon such bond as the court may require, to enjoin the scheduled foreclosure sale." Failure to institute such petition and complete service upon the foreclosing party, or his agent, conducting the sale prior to the sale shall thereafter bar any action or right of action of the mortgagor based on the validity of the foreclosure.

Amend the bill by replacing all after section 4 with the following:

### 5 Applicability.

I. The general court recognizes that a question of statutory interpretation has arisen concerning the persons who are entitled to notice of a foreclosure sale. The purpose of this act is to clarify the application of RSA 479:25, II by explicitly stating that prior to a foreclosure sale, a mortgagee must notify the mortgagor. The term "mortgagor" includes any grantee, assignee, devisee or heir of the mortgagor holding a recorded interest in the mortgaged premises subordinate to the lien of the mortgage. The general court finds that such was its intent at the time of passage of the 1979 amendment to this statute. Therefore, in order to protect the expectations of persons as to the legal significance of their acts under the prior language of this statute, the general court affirms the validity of mortgage foreclosures conducted in good faith in accordance with this interpretation of former RSA 479:25, II.

II. A challenge by any person to a foreclosure not conducted in accordance with the notification requirements of RSA 479:25, II shall not be precluded by this section.

6 Effective Date. This act shall take effect 60 days after its passage.

### AMENDED ANALYSIS

This bill establishes that for certain purposes corporations and partnerships reside in the judicial districts in which they maintain offices.

This bill also sets a limitation on the time a lienholder has to make a claim of insufficient notice concerning a foreclosure sale by a mortgagee.

The bill clarifies the ramifications of failing to record the deed and affidavit within 60 days after the foreclosure sale with regard to intervening creditors.

The bill also affirms the validity of mortgage foreclosures conducted in good faith, prior to the effective date of this act, concerning persons entitled to notice of a foreclosure sale, but does not preclude a challenge to a foreclosure which does not meet the notice requirements of RSA 479:25, II.

**SB 89**, relative to school district planning committees. OUGHT TO PASS.

This bill is enabling legislation to allow the city of Berlin and any other cities to participate in the district's school planning committee regarding establishment of a cooperative school district. Vote 13-0. Rep. Stanley N. Searles for Education.

**SB 146**, relative to equipment and instruction programs for revolving funds for regional vocational centers. OUGHT TO PASS.

This allows regional vocational centers to establish equipment and instruction programs which are funded by revolving funds. These collected funds may be used for materials, training and customized programs. Revenues received from outside sources would be placed in the revolving fund. Vote 13-0. Rep. Robert M. Gilbreth for Education.

**SB 33-FN**, relative to establishing a nonlapsing account for the New Hampshire technical institute and vocational technical colleges and creating the position of director of financial management. OUGHT TO PASS.

This legislation places into law the non-lapsing account of the New Hampshire vocational system, which has been in existence through the budget process since 1987. Vote 15-0. Rep. Kathleen W. Ward for Executive Departments and Administration.

**SB 62-FN**, relative to licensure of athletic trainers. RE-REFER TO COMMITTEE.

The Committee recognized the need to protect both the student athlete, as well as the garden variety athlete. However, as numerous issues were raised during the executive session (including impact on schools, licensure vs certification, etc.), it was the unanimous opinion that additional work is needed on this bill. Vote 15-0. Rep. Maurice E. Goulet for Executive Departments and Administration.

**SB 120-FN**, establishing a sunset committee and restoring the sunset review process and making an appropriation therefor. RE-REFER TO COMMITTEE.

Since the Committee has re-referred a sunset bill (HB 614) it feels this bill, although amended, is very similar to the House Bill and would like to look at the process from both directions. Further, the funding source the Committee had in mind went up in smoke, and time is needed to work out the details. Vote 14-0. Rep. William P. Boucher for Executive Departments and Administration.

**SB 214-FN**, exempting specialized programs or equipment of the Christa McAuliffe planetarium from the state's competitive bidding process. OUGHT TO PASS.

This legislation recognizes the unique and special programs and equipment necessary for the Christa McAuliffe Planetarium to function in the manner for which it was created. Vote 13-0. Rep. Kathleen W. Ward for Executive Departments and Administration.

**SB 47**, relative to emergency response personnel. OUGHT TO PASS WITH AMENDMENT.

This bill would add towing operations personnel to the law regarding notification if they have had an unprotected exposure to an infectious disease, especially since some diseases, such as hepatitis B, remain viable in body fluids for a considerable length of time. The amendment changes the effective date of the legislation from January 1, 1992, to "effective upon passage" to protect these people as soon as possible. Vote 18-0. Rep. Merilyn P. Senter for Health, Human Services and Elderly Affairs.

#### Amendment

Amend the bill by replacing section 3 with the following:

3 This act shall take effect upon its passage.

**SB 159-FN**, relative to posting of public documents in licensed health facilities and health care facilities. RE-REFER TO COMMITTEE.

This bill calls for the expansion of the posting of health care and occupancy licensing. The Committee feels that a full review of all public documented requirements is needed. Vote 15-0. Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs.

**SB 9-FN**, relative to a study of interactions between the mental health and criminal justice systems. OUGHT TO PASS WITH AMENDMENT.

This bill sets up a task force to study the relationship between the mental health agents and criminal justice system. The amendment adds two members, a correctional administrator from the counties, and a representative appointed by the New Hampshire Association of Police Chiefs. Vote 15-0. Rep. Alf E. Jacobson for Judiciary.

**Amendment**

Amend paragraph I(e) as inserted by section 2 of the bill by replacing it with the following:

(e) One correctional administrator, appointed by the New Hampshire Association of Counties.

Amend paragraph I as inserted by section 2 of the bill by inserting after subparagraph (o) the following new subparagraph:

(p) One representative of a city or town law enforcement agency, appointed by the New Hampshire Association of Police Chiefs.

**SB 154-FN**, relative to the jurisdiction of state police employees. RE-REFER TO COMMITTEE.

This bill is intended as an effort to settle disputes of jurisdiction between the local police and the State Police. While the bill had been a compromise, it is the intent of the Committee to attempt a resolution between two groups that can allow for a stronger showing of support between the Chiefs of Police Association and the Police Association. Vote 16-2. Rep. Donnalee M. Lozeau for Judiciary.

**SB 209-FN**, relative to issuance of a notice or citation by the probate court to a court-appointed fiduciary for failure to file an inventory or an account of administration and to requirements for notice to beneficiaries. OUGHT TO PASS.

This bill is an effort to correct the process in Probate Court whereby it has been possible for a fiduciary to abscond with funds in his/her trust. Basically, the failure of a fiduciary to file reports timely will precipitate a response by the Probate Court rather than current laggard responses. Vote 15-0. Rep. Alf E. Jacobson for Judiciary.

**SB 118-FN**, relative to the department of revenue administration. OUGHT TO PASS WITH AMENDMENT.

This bill, requested by the Department of Revenue Administration, clarifies rule-making authority and which fiscal reports are to be submitted to the Department. The amendment eliminates minor drafting errors. All testimony was favorable. Vote 18-0. Rep. Catherine V. Brungot for Municipal and County Government.

**Amendment**

Amend RSA 41:19 as inserted by section 8 of the bill to read as follows:

41:19 Report to Commissioner of Revenue Administration. Every town clerk, after the annual [town meeting] *elections*, shall [forthwith] report the names and post office addresses of [all] *each* town [officers] *officer required to be reported* to the commissioner of revenue administration. *The commissioner shall adopt rules under RSA 541-A stating the title of each town officer to be reported and the form and content of each report.* If any town officer *required to be reported* has not been chosen or appointed at that time the town clerk shall promptly make a like report when such officer is chosen or appointed so that the commissioner of revenue administration shall at all times be informed of the names and mailing addresses of all *such* town officers.

Amend RSA 74:9 as inserted by section 9 of the bill by replacing it with the following:

74:9 Declaration. The declaration required in and by such inventories shall be as follows, to be varied in cases of partnerships, corporations, administrators and the like, to conform to such circumstances [I, ..... under penalties of perjury do

solemnly declare that, to the best of my knowledge and belief, the foregoing inventory contains a full, true and correct statement of all the real and personal estate or property for which I was liable to be taxed by the selectmen of ....., under the laws of the state, on April first, ....., and of all stock in railroad corporations of this state owned by me at that time; and that I have not assigned, conveyed or disposed of any property or estate, in any manner, for the purpose of evading taxation. So help me God]. *Under penalty of perjury, I (we) declare that, to the best of my (our) knowledge and belief, the foregoing information contains a full, true and correct statement of the real property which I (we) owned as of April 1, ..... in the city/town of .....*

Amend the bill by inserting after section 13 the following and renumbering the original sections 14-15 to read as 15 and 16, respectively:

14 Statutory Interpretive Authority Granted. Amend RSA 72:43, I(a) to read as follows:

(a) His interpretation and construction of RSA 72:39, 72:40, 72:41, 72:42, [72:43-b and 72:43-c] **72:43 through 72:43-h**; and

Amend the bill by replacing section 15 with the following:

15 Repeal. The following are repealed:

I. RSA 32:7, relative to budgets forwarded to the commissioner of revenue administration.

II. RSA 72:43, II, relative to the interpretation of certain statutes by the commissioner of revenue administration.

#### AMENDED ANALYSIS

This bill:

(1) Requires the clerk of each county convention to file financial reports and independently conducted audits with the commissioner.

(2) Requires each county clerk to file the budget and minutes of the county convention with the commissioner.

(3) Requires each town clerk to report the names and addresses of certain town officers with the commissioner.

(4) Grants the commission rulemaking authority over the information to be furnished the department for annual equalizations and the content of appraisal contracts.

(5) Modifies the declaration required by the annual invoice of polls and taxable property.

(6) Renames the returns processing division of the department of revenue administration to the documents processing division.

(7) Authorizes the commissioner of revenue administration to interpret certain RSA sections without the approval of the attorney general.

**SB 134-FN**, relative to a public recreation revolving fund. **INEXPEDIENT TO LEGISLATE.**

This bill would have authorized cities and towns to establish non-lapsing revolving funds for parks and recreation, such funds to be built from collection of fees. In particular, testimony indicated one purpose was retention of funding when budgets are cut. The Committee feels that budgetary decisions should be made at town meeting. Further, the bill is inconsistent with the provisions of the Municipal Budget Act (Chapter 32). Vote 17-1. Rep. Thomas B. Salatiello for Municipal and County Government.

**SB 78-FN**, relative to loans to municipalities from state revolving loan funds.  
**ought to pass with amendment.**

This bill provides that the terms of repayment by a municipality of loans from certain state loan funds shall be governed by the law establishing and administering the loan fund. Municipalities may capitalize interest on such loans, in certain circumstances. Vote 12-1. Rep. Joanne A. O'Rourke for Public Works.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to loans to municipalities from state revolving loan  
funds and relative to the state guarantee for the  
elimination of pollution from public waters.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Increasing State Guarantee. Amend RSA 485-A:7 to read as follows:

485-A:7 State Guarantee. In view of the general public benefits resulting from the elimination of pollution from the public waters of the state, the governor and council are authorized in the name of the state of New Hampshire to guarantee unconditionally, but at no time in excess of the total aggregate sum for the entire state of [\$225,000,000] **\$250,000,000**, the payment of all or any portion, as they may find to be in the public interest, of the principal of and interest on any bonds or notes issued by any municipality, town, city, county or district for construction of sewerage systems, sewage treatment and disposal plants, or other facilities necessary, required or desirable for pollution control, and the full faith and credit of the state are pledged for any such guarantee. The outstanding amount of principal and interest on such bonds and notes, the payment of which has been guaranteed by the state under the provisions of this section, shall at no time exceed the amount of [\$225,000,000] **\$250,000,000**. The state's guarantee shall be endorsed on such bonds or notes by the state treasurer; and all notes or bonds issued with state guarantee shall be sold at public sealed bidding to the highest bidder. Any and all such bids may be rejected and a sale may be negotiated with the highest bidder. In the event of default in payment of any such notes or bonds, the state may recover any losses suffered by it by action against the municipality, town, city, county or district as provided in RSA 530. Provided, further, that in accordance with RSA 35-A:29, the foregoing requirement for public sealed bidding shall not be applicable to any bonds or notes or both so guaranteed which are sold to the New Hampshire municipal bond bank, and any bonds or notes or both so guaranteed may be sold to the New Hampshire municipal bond bank at private sale in accordance with the provisions of RSA 35-A.

#### **AMENDED ANALYSIS**

This bill provides that the terms of repayment by a municipality of loans from certain state loan funds shall be governed by the law establishing and administering the loan fund. Municipalities may capitalize interest on such loans, in certain circumstances.

The bill further provides that authenticating certificates shall no longer be required on any bond, note, or other document evidencing a state water pollution control fund loan.

The bill increases the amount which the state may guarantee for the elimination of pollution from public waters.

**SB 185-FN**, relative to liquor licenses for caterers and allowing caterers to subcontract the cooking, preparing, and serving of food. **OUGHT TO PASS WITH AMENDMENT.**

The Committee, by a unanimous vote of 17-0, concurs with the Senate's idea of allowing caterers to subcontract for their food service. However, it felt this amendment was a simpler way to accomplish this goal. Rep. Thomas A. Behrens for Regulated Revenues.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

allowing caterers to subcontract the cooking,  
preparing, and serving of food.

Amend the bill by replacing all after the enacting clause with the following:

1 On-Site Caterer's License. Amend RSA 178:20, V(e)(1) to read as follows:

(1) The commission may issue a cocktail lounge license to any caterer with on-site permanent kitchen facilities and permanent dining facilities capable of seating 100 persons or more. Such license shall allow the licensee to serve liquor and beverages with or without meals to members of a private party in any room of such on-site catering facility designated by the commission. For the purposes of this paragraph, persons under the age of 18 shall be allowed in rooms where beverages and liquor are served without a parent or guardian present. Such lounge license may allow the licensee to serve liquor and beverages on the premises of any public building approved by the commission. Licenses shall be granted only to such caterers as the commission, at its discretion, shall approve and then only to such caterers as shall show the commission on forms and under rules adopted by the commission that at least 50 percent of their combined food and liquor and beverage sales shall fall within the category of food. Caterers with annual food sales of \$100,000 or more shall be exempt from the 50 percent requirement. Caterers shall notify the commission not less than 5 days in advance of a function specifying date and time of the scheduled function. *Notwithstanding any other provision of law, a caterer, with the approval of the commission, may subcontract for the cooking, preparing or serving of food pursuant to the caterer's liquor license. The commission shall adopt rules in accordance with RSA 541-A to carry out the provisions of this subparagraph.* New premises or locations shall be approved by the commission 10 days before the scheduled events.

2 Effective Date. This act shall take effect July 1, 1991.

#### AMENDED ANALYSIS

This bill allows on-site caterers to subcontract the cooking, preparing and serving of food.

**SB 206-FN**, relative to liquor licenses for caterers. **OUGHT TO PASS WITH AMENDMENT.**

This bill, as amended, will allow caterers and social club license holders to purchase supplemental licenses and use their halls for special parties and events open to the public with approval of the Liquor Commission when no private function is being catered. The supplemental license and fees are those which are presently in the law. Vote 17-0. Rep. Betsy McKinney for Regulated Revenues.

**Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 On-Site Caterer's License. Amend RSA 178:20, V(e)(1) to read as follows:

(1)(A) The commission may issue a cocktail lounge license to any caterer with on-site permanent kitchen facilities and permanent dining facilities capable of seating 100 persons or more. Such license shall allow the licensee to serve liquor and beverages with or without meals to members of a private party in any room of such on-site catering facility designated by the commission. For the purposes of this paragraph, persons under the age of 18 shall be allowed in rooms where beverages and liquor are served without a parent or guardian present. Such lounge license may allow the licensee to serve liquor and beverages on the premises of any public building approved by the commission. Licenses shall be granted only to such caterers as the commission, at its discretion, shall approve and then only to such caterers as shall show the commission on forms and under rules adopted by the commission that at least 50 percent of their combined food and liquor and beverage sales shall fall within the category of food. Caterers with annual food sales of \$100,000 or more shall be exempt from the 50 percent requirement. Caterers shall notify the commission not less than 5 days in advance of a function specifying date and time of the scheduled function. New premises or locations shall be approved by the commission 10 days before the scheduled events.

*(B) The commission may issue a supplemental license to an on-site caterer licensed to sell beverages and liquor with food to the public on dates approved by the commission when no private function is being catered under RSA 178:20, V(1)(A), unless such premise which has been approved by the commission is capable of being physically separated between public and private functions. The supplemental license may be issued to the applicant for 18, 36, or 52 events per license year for the fees established in RSA 178:27, I. A person issued a supplemental license under this subparagraph shall meet all requirements of RSA 178:20, I-IV. The caterer shall request the commission's approval at least 5 days before any scheduled event to be serviced by a supplemental license. The commission may suspend or revoke the caterer's supplemental license without affecting any other license issued for the premises.*

2 Caterer's Supplemental License Fees. Amend RSA 178:27, I to read as follows:

1. On-sale licensees shall pay the following applicable fees annually:

3 Veteran's Clubs. Amend RSA 178:20, V(h)(2) to read as follows:

(2) No person under the age of 18 shall be in any room where liquor and beverages are sold, *except persons under the age of 18 shall be allowed in rentable rooms approved by the commission when beverages and liquor are served without a parent or guardian present at such times the club is using a supplemental license.*

4 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill allows caterers with on-site facilities to serve liquor and beverages with meals at its on-site facilities to the general public.

The bill also authorizes the commission to issue supplemental licenses to on-site caterers to hold a specified number of special events per year at which beverages and liquor may be served with food.

The bill allows persons under the age of 18 to be present at certain functions in veteran's clubs without a parent or guardian being present.

**SB 135-FN**, relative to recovering costs, fees, and expenses in certain takeovers of utilities. **OUGHT TO PASS.**

This bill seeks to protect utility ratepayers from expenses incurred during an unsuccessful takeover attempt. The costs of defending an unsuccessful takeover would be shifted from the ratepayers of the target utility company to the unsuccessful suitor company. Vote 12-0. Rep. Karen K. McRae for Science, Technology and Energy.

**SB 139-FN**, relative to preventing damage to underground utility installations. **OUGHT TO PASS.**

This bill puts teeth in the "dig safe" regulations passed previously. It makes the excavator who damages an underground utility installation liable for the costs of repairs and subject to a civil penalty. Vote 10-0. Rep. Karen K. McRae for Science, Technology and Energy.

**REGULAR CALENDAR**

**SB 190-FN**, establishing a committee to study insurance coverage for infertility. **INEXPEDIENT TO LEGISLATE.**

This bill would have established a study committee to address insurance coverage for infertility treatment. While the Committee understands the issues facing those who wish infertility coverage, the Committee believes that priority must be placed on obtaining basic health coverage for those who are uninsured and uninsurable. Vote 13-1. Rep. Patricia A. Fair for Commerce, Small Business and Consumer Affairs.

Adopted.

**SB 184-FN**, relative to voter registration. **RE-REFER TO COMMITTEE.**

The majority of the Committee favors re-referral because it feels this bill has merit, but needs further study. Vote 8-4. Rep. H. Thayer Kingsbury for Constitutional and Statutory Revision.

Re-referred to Committee.

**SB 69-FN**, relative to certification of professional counselors. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: RE-REFER TO COMMITTEE.**

**MAJORITY:** Senate Bill 69 creates a state board of professional counselors to certify counselors, including mental health counselors. The majority of the Committee felt passage of this bill would cause confusion and uncertainty in the minds of consumers because the state already has a certification board for psychologists, pastoral counselors and clinical social workers (all of whom are mental health counselors). The bill would duplicate some of the work performed by these boards. The bill also does not require the same standards and criteria for certification that the current state board of examiners requires. Finally, the grandfather clause in this bill was too broad and might allow unqualified counselors to receive state certification without proof or verification of their qualifications and expertise to practice mental health therapy. Vote 10-5. Rep. William P. Boucher for the Majority of Executive Departments and Administration.

**MINORITY:** The minority felt that by re-referring this bill the many groups who are not yet certified will have an opportunity to address their concerns. Reps. Gerald O. Gosselin and Roger B. Larochelle for the Minority of Executive Departments and Administration.

Rep. David Wheeler moved that the words Re-refer to Committee be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. William Boucher spoke against.

Rep. Gosselin spoke in favor.

Rep. Robert Wheeler spoke against.

Rep. Dunn spoke in favor.

Rep. William McCain spoke against and yielded to questions.

Rep. Stacey Cole spoke in favor.

Rep. Ward spoke against and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion lost.

Rep. Martin notified the Clerk that she wished to be recorded in favor of the substitute motion.

Report adopted.

**SB 174-FN**, relative to possessing and dispensing prescription drugs by nonprofit family planning agencies. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

**MAJORITY:** Although this bill "slightly" amends current law, the Committee had to review the impact on current family planning clinics (those currently under contract with the Division of Public Health Services) and the increase in costs to the general fund. It became apparent that the current system is appropriate to deliver services. Vote 9-5. Rep. Maurice E. Goulet for the Majority of Executive Departments and Administration.

**MINORITY:** Senate Bill 174 would allow privately funded nonprofit family planning clinics to serve a great many of the 20,000 women still in need of family planning services. These would probably be one to three new clinics opened statewide under this bill. This small number does not warrant the Pharmacy Board's strong opposition nor the fiscal note attached to the bill. Rep. Cynthia A. McGovern for the Minority of Executive Departments and Administration.

Rep. McGovern moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Dyer spoke against.

Rep. Ziegler spoke in favor.

Rep. Robert Wheeler spoke against.

Reps. Katherine Wheeler and Schotanus spoke in favor and yielded to questions.

and the motion was adopted.

Substituted report adopted.

Ordered to third reading.

**SB 229**, relative to a Martin Luther King Human Rights Day. **OUGHT TO PASS WITH AMENDMENT.**

This bill is a compromise reflecting input from every portion of the ideological spectrum. As such, this bill meets the desire of all to honor the cause of Civil Rights and its leaders in a manner broadly acceptable to all. Under the amendment the third Monday in January will be designated as Civil Rights Day. Vote 14-0. Rep. John J. Sytek for Executive Departments and Administration.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

establishing Civil Rights Day and abolishing Fast Day.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose and Intent. Notwithstanding the provisions of this act, it is not the intent of the general court in establishing Civil Rights Day to create an additional paid holiday for state employees.

2 Holiday Replacing Fast Day. RSA 288:1 is repealed and reenacted to read as follows:

288:1 Holidays. January 1; the third Monday in January, known as Civil Rights Day; the third Monday in February, known as Washington's Birthday; May 30, known as Memorial Day; July 4, known as Independence Day; the first Monday in September, known as Labor Day; the second Monday in October, known as Columbus Day; the day on which the biennial election is held; November 11, known as Veterans Day; Thanksgiving Day, whenever appointed; and Christmas Day are legal holidays.

3 Civil Rights Day Holiday Established. In recognition of the courage, determination, and personal sacrifice of the many people from a variety of cultural backgrounds who fought and died in the struggle to gain freedom and equality for all individuals; and to celebrate these freedoms in a manner consistent with every individual's constitutional rights to free speech and liberty, this law seeks to honor those persons who have dedicated or will dedicate their lives to the issue of equality for all by establishing the third Monday in January as Civil Rights Day in New Hampshire. This recognized celebration of civil rights seeks to educate society, in an impartial manner, against prejudice.

4 Holiday Falling on Sunday. Amend RSA 288:2 to read as follows:

288:2 Falling on Sunday. When any holiday listed in RSA 288:1 falls on Sunday, the following day shall be observed as a holiday. *For the purposes of state employee contracts, Civil Rights Day shall have the same status as Fast Day.*

5 Effective Date. This act shall take effect July 1, 1991.

## AMENDED ANALYSIS

This bill establishes the third Monday in January as Civil Rights Day. The bill also rearranges the wording of RSA 288:1 so that holidays are listed in chronological order.

Rep. Dickinson moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass with Amendment, spoke in favor and yielded to questions.

and the amendment was adopted.

Report adopted.

Ordered to third reading.

Reps. Daniels and Baroody notified the Clerk that they inadvertently voted nay and meant to vote yea.

**SB 169, prohibiting steel leg traps. INEXPEDIENT TO LEGISLATE.**

The Committee feels that legalized trapping is an important tool in wildlife management. If we are to preserve our endangered species of wildlife and prevent the overpopulation of any species, trapping is the one way to preserve all species in a healthy state for our citizens to enjoy. Uncontrolled growth in some species could have a serious impact on the towns and cities faced with clogged sewers and flooded roads. Vote 18-1. Rep. Lester R. Perham for Fish and Game.

Rep. Tetu moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate.

Rep. Maviglio moved that debate be limited to 30 minutes on each side, excluding questions.

Adopted.

Rep. Tetu spoke in favor and yielded to questions.

Rep. Theriault spoke against and yielded to questions.

Rep. Martling spoke in favor.

Rep. Marilyn Campbell spoke against.

Rep. Katherine Wheeler spoke in favor and yielded to questions.

Rep. Kinney spoke against and yielded to questions.

Rep. Apple spoke in favor.

Reps. Richard Hill and Scanlan spoke against and yielded to questions.

Rep. Barnes spoke in favor.

Rep. Perham spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

Rep. Martin notified the Clerk that she wished to be recorded in favor of the Committee report.

**(Speaker in the Chair)**

**SB 49**, relative to alternate zoning board of adjustment members. **OUGHT TO PASS.**

This bill provides that an elected Zoning Board of Adjustment may appoint three alternate members for a term of three years each. Under the present law, there is no provision for appointing alternates to an elected zoning board. This bill does not

change the method of naming alternates to appointed zoning boards where all the members are appointed. Vote 10-6. Rep. Thomas B. Salatiello for Municipal and County Government.

Adopted.

Ordered to third reading.

**SB 132-FN**, establishing a committee to study an early warning system for monitoring licensed nuclear power plants. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: RE-REFER TO COMMITTEE.

MAJORITY: This bill calls for a study committee composed primarily of non-expert members to study the feasibility of an exercise in redundancy. The majority did not recommend passage. Vote 8-4. Reps. Alan B. Greenglass, Robert R. Jean and Thomas E. P. Rice for the Majority of Science, Technology and Energy.

MINORITY: Senate Bill 132 proposes a study committee to review radiation monitoring programs at the Seabrook Nuclear Power Plant. The study committee could allay concerns regarding safety and propose legislation if appropriate. The minority urges re-referral to look more closely at the make-up of the study committee and the scope of its inquiry. Reps. Arthur P. Ferlan, David C. Allison, Amanda A. Merrill and Gary R. Gilmore for the Minority of Science, Technology and Energy.

Rep. Gilmore moved that the words Re-refer to Committee be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Reps. Greenglass and McRae spoke against and yielded to questions.

Rep. Amanda Merrill spoke in favor and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

Rep. Fenton notified the Clerk that he wished to be recorded in opposition to the substitute motion.

Reps. Marilyn Campbell and Pignatelli abstained from voting under Rule 16.

**SB 205-FN**, establishing a committee to study the enforcement of RSA 205-A.  
**MAJORITY: RE-REFER TO COMMITTEE. MINORITY: INEXPEDIENT TO LEGISLATE.**

**MAJORITY:** There was much heated discussion on this Senate Bill, much discussion regarding the relative relationship between SB 205 and HB 695. A compromise was finally reached to possibly merge these two bills and arrive at some solution to the plight of the nearly 100,000 taxpaying New Hampshire residents living in mobile homes and mobile home parks throughout the state. It was further urged that this be done by the entire Committee and done as soon as possible. Vote 10-1. Rep. Lowell D. Apple for the Majority of State Institutions and Housing.

**MINORITY:** This Committee had previously re-referred HB 695 which addressed the same issues by actually proposing an instrument to carry out the task of enforcing RSA 205 as well as proposing a mechanism for financing it. The language of HB 695 was poor which was why it was re-referred so it could be reported out in an effective form next year. Any action that keeps SB 205 alive delays addressing the need of tenant home residents to have RSA 205 enforced. Rep. Scott E. Green for the Minority of State Institutions and Housing.

Re-referred to Committee.

**SB 32-FN**, permitting district and municipal courts to accept payment of fines by credit card. **OUGHT TO PASS WITH AMENDMENT.**

This bill allows district and municipal courts to accept payment of fines by credit card. The Committee amendment allows this privilege to all citizens, not just those

who have demonstrated an inability to pay. Vote 17-2. Rep. Nancy M. Ford for Judiciary.

### Amendment

Amend the bill by replacing section 1 with the following:

1 Fine Payment by Credit Card. Amend RSA 502-A:8 to read as follows:

502-A:8 Duties of Clerks; Disposition of Fines. The clerk shall receive all fines and forfeitures paid into the district court from any source. *The clerk of any district or municipal court may accept payment of the fine by credit card in lieu of cash payment. Any transaction costs assessed by the issuer of the credit card shall be paid out of the portion of the fine amount which is deposited in the general fund and not out of the penalty assessment charged by a district or municipal court.* After deducting witness fees, court seal, record books, printing blanks, and such other expenses as may be legally incurred in the maintenance and conduct of said court, the clerk shall, except in cases otherwise provided, pay the same over to the commissioner of administrative services, or to such department or agency of the state as the law provides, within 14 days. After deduction of expenses enumerated above, fines and forfeitures collected by the clerk for violations of municipal ordinances, codes, or regulations, except those adopted pursuant to RSA 31:39, I(g); RSA 41:11; RSA 47:17, IV, VI, VII, or VIII; and RSA 105:6-7, shall be remitted within 14 days to the treasurer of the municipality prosecuting said violations, for the use of the municipality. All expenses related to the processing of parking violations and the administrative collection of parking fines shall be the responsibility of the local unit of government, and all fines collected shall be retained in their entirety by the local unit of government.

### AMENDED ANALYSIS

This bill allows district and municipal courts to accept payment of fines by credit card in lieu of cash payment.

Adopted.

Rep. Burling offered a floor amendment.

### Floor Amendment

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

Rep. Burling spoke in favor.

Adopted.

Report adopted.

Ordered to third reading.

**SB 181-FN**, relative to the number of winner take all bingo games allowed on one game date. **OUGHT TO PASS WITH AMENDMENT.**

This bill increases from two to four the number of winner take all bingo games a charitable organization may conduct, the state collects a seven percent tax on the winnings. The amendment increases the license fees for distributors of Lucky 7 tickets from \$2,500 to \$10,000 and for manufacturers from \$3,000 to \$5,000. The Fiscal Note calls for state revenue increases of \$225,000 in FY '92 and \$450,000 each year after. Vote 16-1. Rep. Lynn C. Horton for Regulated Revenues.

### Amendment

Amend the bill by replacing all after section 1 with the following:

2 Distributors and Manufacturers of Lucky 7 Tickets; License Fee Increased. Amend RSA 287-E:23, I to read as follows:

I. The applicant *for a distributor's license* shall pay to the commission an annual license or license renewal fee of [\$2,500] **\$10,000**. *Such fee shall authorize the distribution of lucky 7 or similar break-open tickets within the state of New Hampshire and the warehousing of lucky 7 or similar break-open tickets for subsequent sale out of state.*

3 Distributors Removed. Amend RSA 287-E:23, VI(a) to read as follows:

VI.(a) The commission shall issue a special license to [distributors or] manufacturers of lucky 7 or similar break-open tickets stored in the state [but sold out of state. Such special license shall be in addition to the license required under RSA 287-E:23 and shall be issued in conjunction with a license issued under RSA 287-E:23. No special license issued under this section shall be issued to a distributor who is not also licensed under paragraph I].

4 Manufacturers of Lucky 7 Tickets; License Fee Increased. Amend RSA 287-E:23, VI(c) to read as follows:

(c) The fee for such special license shall be [\$3,000] **\$5,000** per year or for any part of a year.

5 Effective Date. This act shall take effect upon its passage.

### AMENDED ANALYSIS

This bill increases from 2 to 4 the number of winner take all bingo games which a charitable organization may conduct on any one game date in which the total amount paid by the players is divided among the winners of that game, after the payment of a 7 percent state tax on the winnings.

This bill increases various license application fees relative to the operation of bingo and lucky 7 games.

Rep. Ferlan moved that the words Re-refer to Committee be substituted for the report of the Committee, Ought to Pass with Amendment and spoke in favor.

Rep. Horton spoke against.

Reps. Ruth Gage and Fenton spoke in favor.

Rep. Robert Kelley spoke against.

On a division vote, 132 members having voted in the affirmative and 175 in the negative, the substitute motion lost.

Amendment adopted.

Report adopted.

Referred to Ways and Means.

**HOUSE JOURNAL No. 22**

Tuesday, May 14, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairsto.

Almighty God, who gives us far more than words can describe, may our every day begin with a prayer of thanksgiving for Your gifts. Help us now, we pray, to center our thoughts and our energies upon the tasks before us. Save us from unworthy distractions, help us to distinguish between the seemingly important and the genuinely important, and so guide our words and actions that all we do may serve to help make the Granite State a better place in which to live, both in our time and in the time of generations to come. Amen.

Rep. Appleby led the Pledge of Allegiance.

## COMMITTEE REPORTS CONSENT CALENDAR

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**SB 83**, relative to the investment of public funds, was removed at the request of Rep. Foss.

**SB 67-FN**, relative to establishing a study committee to study the feasibility of revising the school building aid formula, was removed at the request of Rep. Jacobson.

**SB 138-FN**, establishing a committee to study the bidding process on state construction projects, was removed at the request of Rep. William McCann.

**SB 223**, relative to prohibiting the study committee established under 1989, 281:1 from considering whether to move or relocate the Dover toll plaza, was removed at the request of Rep. William McCann.

**SB 157-FN**, relative to bingo, was removed at the request of Rep. Rosencrantz.

**SB 196-FN**, relative to administrative revocation of motor vehicle licenses of persons under age 21, was removed at the request of Rep. Martling.

Consent Calendar adopted.

**SB 28-FN-A**, relative to promoting New Hampshire businesses and products internationally. **OUGHT TO PASS.**

This bill establishes an international trade promotion program, advisory committee, and international trade promotion fund, under the supervision of the Commissioner, Department of Resources and Economic Development. The trade promotion fund is not funded with state funds but provides DRED a fiscal mechanism to accept public and private sector donations for the purpose of promoting international trade. Vote 19-0. Rep. Merle W. Schotanus for Appropriations.

**SB 125-FN**, relative to child abuse and neglect proceedings. **OUGHT TO PASS WITH AMENDMENT.**

Senate Bill 125 requires that the person summoned in a child protection act matter receive notice of the description and explanation of the proceedings and sign a statement stating that such person understands the possible consequences to parental rights. Vote 15-0. Rep. Sharon L. Nordgren for Children, Youth and Juvenile Justice.

#### **Amendment**

Amend RSA 169-C:15, III-a as inserted by section 2 of the bill by replacing it with the following:

III-a. The court shall determine whether each person summoned having custody or control of the child understands the possible consequences to parental rights should the court find that the child has been abused and neglected. Each person shall sign a statement stating that such person understands the consequences to parental rights. Such statement shall be in a form to be determined by the court.

#### **AMENDED ANALYSIS**

This bill requires the summons in a child protection act matter to contain a description and explanation of the proceedings and a statement of the rights of each person summoned under RSA 169-C, RSA 170-C and under the rules of court.

This bill also requires the court to determine whether each person summoned understands the possible consequences to parental rights. Such person shall also sign a statement stating that he understands such consequences.

**SB 140-FN**, establishing a committee to study rate setting for certain services, placements, and programs. **OUGHT TO PASS WITH AMENDMENT.**

The Committee agrees that a study of the method of rate setting for certain services provided by the Department of Education and the Division for Children and Youth

Services is necessary. The amendment provides for representation from the New Hampshire Association of Counties, New Hampshire School Boards Association and a financial analyst. Vote 15-0. Rep. Ellen-Ann Robinson for Children, Youth and Juvenile Justice.

#### **Amendment**

Amend subparagraph I(h) and (i) as inserted by section 1 of the bill by replacing them with the following:

(h) The president of the New Hampshire Private Providers Association, appointed by such association, or designee.

(i) The executive director of the New Hampshire Association of Counties, or designee.

(j) The executive director of the New Hampshire School Boards Association, or designee.

(k) A financial analyst from the New Hampshire business community, appointed by the governor.

Amend paragraph II as inserted by section 1 of the bill by replacing it with the following:

II. All appointments under paragraph I shall be made within 30 days of the effective date of this act. The director of the division for children and youth services or his designee shall, within 45 days of the effective date of this act, call the first meeting of the task force. The committee shall elect a chair from among its members at the first meeting.

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect upon its passage.

**SB 22.** relative to changes in reimbursement requirements for psychologists. **ought to pass with amendment.**

The Committee voted 13-0 that this bill pass as amended. The bill meets the concerns of the psychologists who objected to being forced to support an organization whose goals they do not support. As amended, it also protects the interests of consumers by permitting a wider range of acceptable psychologists. Rep. James B. Hogan for Commerce, Small Business and Consumer Affairs.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to changes in requirements for psychologists.

Amend the bill by replacing all after the enacting clause with the following:

1 Definition of Psychologist; Accident and Health Insurance. RSA 415:18-a, V(b) is repealed and reenacted to read as follows:

(b) "Psychologist" means a person who:

(1) Is certified under RSA 330-A as a psychologist or associate psychologist;

(2) Is certified or licensed under a statute in another state which meets or exceeds the standards under RSA 330-A; or

(3) Is certified or licensed in another state and is listed in the National Register of Health Service Providers in Psychology.

2 Definition of Psychologist; Hospital Service Corporations. RSA 419:5-a, IV(b) is repealed and reenacted to read as follows:

(b) "Psychologist" means a person who:

- (1) Is certified under RSA 330-A as a psychologist or associate psychologist;
- (2) Is certified or licensed under a statute in another state which meets or exceeds the standards under RSA 330-A; or
- (3) Is certified or licensed in another state or is listed in the National Register of Health Service Providers in Psychology.

3 Definition of Psychologist; Medical Service Corporations. RSA 420:5-a, IV(b) is repealed and reenacted to read as follows:

(b) "Psychologist" means a person who:

- (1) Is certified under RSA 330-A as a psychologist or associate psychologist;
- (2) Is certified or licensed under a statute in another state which meets or exceeds the standards under RSA 330-A; or
- (3) Is certified or licensed in another state or is listed in the National Register of Health Service Providers in Psychology.

4 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill removes certain requirements that psychologists or associate psychologists had to meet before their services were reimbursable under certain insurance coverages for mental or nervous conditions.

This bill also grants reciprocity privileges for psychologists and associate psychologists from other states if the standards in those states meet or exceed New Hampshire's standards or such person is certified or licensed in another state and is listed in the National Register of Health Service Providers in Psychology.

**SB 37-FN**, relative to amending provisions of the voluntary corporation statute. **OUGHT TO PASS WITH AMENDMENT.**

Under this bill a voluntary corporation may amend its bylaws or be dissolved by a 2/3 vote of the membership. The bill specifically exempts churches from this provision of the bill. The word church is meant in a generic sense to include all bodies organized for corporate religious observance. Vote 12-0. Rep. Eric N. Lindblade for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend section 10 of the bill by replacing it with the following:

10 Dissolution by 2/3 Vote. Amend RSA 292:10-a to read as follows:  
292:10-a Dissolution by Vote.

*1. Except as provided in paragraph II, whenever 2/3 of the membership or voting stock or both of any such corporation shall have voted [unanimously the dissolution of] to dissolve the corporation, then said corporation shall be automatically dissolved upon the filing with the secretary of state of a statement signed under the penalties of perjury by the treasurer and a majority of the directors or trustees setting forth (a) that [all] at least 2/3 of the members or stockholders voted dissolution; and (b) the plan for distribution of the corporation's assets and satisfaction of its obligations.*

*II. Whenever the voting membership of a church, organized under this chapter, shall have voted unanimously to dissolve the church, the church shall be automatically dissolved upon the filing with the secretary of state of a statement signed*

*under the penalties of perjury by the treasurer and a majority of the directors or trustees setting forth (a) that all members eligible to vote voted dissolution; and the plan for distribution of the church's assets and satisfaction of its obligations.*

#### AMENDED ANALYSIS

This bill expands the purposes for which a voluntary corporation may be organized to include recreational and athletic associations, broadens the requirements of the articles of agreement and allows for adoption and amendment of bylaws by a 2/3 majority of the shareholders or membership certificate holders.

The bill specifies the methods under which a voluntary corporation may generate funds and provides a procedure to protect and, if necessary, extinguish the interests of unknown shareholders or members.

The bill allows dissolution of a voluntary corporation on a 2/3 majority vote of the shareholders or membership certificate holders rather than a unanimous vote, except in the case of churches which still require an unanimous vote of the voting membership for dissolution.

This bill also specifies when stock may be considered abandoned and the procedures a corporation must use before the stock may be retained by the corporation as a capital asset.

**SB 59-FN**, relative to a state-sponsored credit card program. INEXPEDIENT TO LEGISLATE.

The Committee felt, as did the sponsor, that promotion funds were needed and the funding for the project was not in hand. Vote 13-0. Rep. Richard L. Hill for Commerce, Small Business and Consumer Affairs.

**SB 102-FN**, authorizing the bank commissioner to establish and administer a public deposit investment pool. OUGHT TO PASS.

This bill authorizes the Bank Commissioner, with the assistance of the advisory committee established under RSA 383:24, to establish and operate a public deposit investment pool. Participation can be by any governmental unit in the state. The pool will be operated by a private investment advisor approved by the Bank Commissioner and advisory board. Vote 12-2. Rep. C. Dana Christy for Commerce, Small Business and Consumer Affairs.

**SB 155**, relative to mechanics' liens. OUGHT TO PASS.

This is a good bill for the protection of the small sub-contractor against any and all general contractors. Any lender or bank has to post in a conspicuous place the fact of their responsibility and allows all contractors or suppliers to notify such lender of their involvement. Vote 14-0. Rep. George H. Baker, Sr. for Commerce, Small Business and Consumer Affairs.

**SB 160**, granting condominium associations a 6-month assessment lien priority over first mortgage or deed of trust liens. INEXPEDIENT TO LEGISLATE.

The Committee found in examining the issue, the problems are varied and multifaceted. The Subcommittee is going to submit new legislation dealing with the real issues of financial structures and organizations. Vote 14-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

**SB 5-FN**, relative to Skyhaven airport. OUGHT TO PASS.

This legislation establishes a commission to be responsible for the oversight of the operation of Skyhaven Airport. The makeup of the commission is representative of the area served by the Airport, and this commission has no financial impact on state.

county or local revenue or expenditures. Vote 15-0. Rep. Kathleen W. Ward for Executive Departments and Administration.

**SB 16-FN**, relative to the board of dental examiners. RE-REFER TO COMMITTEE.

The Committee felt that this bill in general was a fine bill; however, it has issues within it common to other boards that are currently under review, and as a result, the Committee would like to look at it again, together with other similar re-referred bills. Vote 12-0. Rep. Robert L. Wheeler for Executive Departments and Administration.

**SB 115-FN**, relative to livestock. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, limits the liability of towns and cities for injuries done to other animals or fowl by dogs. The bill requires that the owner sustaining damage must first seek reparation from the owner of the dog doing the damage or from insurance before submitting a claim to the city or town. Vote 13-1. Rep. Eugene W. Clark for Municipal and County Government.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to injuries done by dogs.

Amend the bill by replacing all after the enacting clause with the following:

1 Damage to Property by Dogs. Amend RSA 466:19 to read as follows:

466:19 Liability of Owner or Keeper. Any person to whom or to whose property, *including sheep, lambs, fowl, or other domestic creatures*, damage may be occasioned by a dog not owned or kept by him shall be entitled to recover such damage of the person who owns or keeps the dog, or has it in his possession, unless the damage was occasioned to him while he was engaged in the commission of a trespass or other tort. A parent or guardian shall be liable under this section if the owner or keeper of the dog is a minor.

2 Procedure to Enforce. Amend RSA 466:22 to read as follows:

466:22 Procedure to Enforce. Any person entitled to recover under RSA 466:21 may present a statement of such damage to one of the selectmen of a town, or to the clerk, mayor or one of the aldermen of a city, and the selectmen or board of mayor and aldermen shall thereupon make such investigation as they deem necessary to determine whether the damage was occasioned by dogs and the amount thereof if so occasioned. If they are of opinion that the damage was so occasioned *and that adequate recovery is not available from the owner of the dog or through insurance coverage*, they shall award the claimant the amount of his damages as found by them, and forthwith notify him of their award, and at the expiration of 60 days from such notice, if no action has been brought as hereinafter provided, they shall cause an order to be drawn in his favor upon the town or city treasurer for the amount so awarded. If they are of opinion that the damage was not so occasioned *or that adequate recovery is available from the owner of the dog or through insurance coverage*, they shall forthwith notify the claimant of the disallowance of the claim. In the absence or sickness of the mayor, it shall be the duty of any one of the aldermen of the city, who may be duly informed of damage supposed to have been done by dogs, to discharge forthwith the duties imposed by this section upon the mayor.

3 Remedies. RSA 466:27 is repealed and reenacted to read as follows:

466:27 Remedies. As a condition precedent to recovery under this subdivision, the owner of sheep, lambs, fowl, or other domestic creatures killed, driven away, wounded, or worried by dogs shall make reasonable efforts to locate and obtain recovery from the owner of the dog or to recover under applicable insurance coverage.

4 Killing Dogs. Amend RSA 466:28 to read as follows:

466:28 Killing Dogs Legalized. Any person may kill a dog that suddenly assaults him while he is peaceably walking or riding without the enclosure of its owner or keeper; and any person may kill a dog that is found out of the enclosure or immediate care of its owner or keeper worrying, wounding or killing [neat cattle,] sheep, *lambs*, *fowl*, or other domestic animals.

5 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill limits the liability of towns and cities for injuries done to other animals by dogs. The bill limits municipal liability to damage to sheep, lambs, fowl, or other domestic creatures for which the owner has no other reasonable means of recovery.

**SB 60-A**, creating a task force to study the Laconia - I-93 connector highway. REFER TO COMMITTEE.

Senate Bill 60 relates to the formation of a study committee relative to a Laconia I-93 connector. While the Committee is very sympathetic to the concerns addressed by the bill it feels that further study is needed to produce legislation to meet the needs of the communities affected. Testimony indicates that there are other possible solutions to these traffic problems, and Committee activity may need to be broadened with respect to better representation by the affected communities. Vote 13-0. Rep. A. Gibb Dodge for Public Works.

**SB 90-FN**, relative to the Salmon Falls Road in the cities of Somersworth and Rochester. OUGHT TO PASS.

This bill requires the Department of Transportation, Somersworth and Rochester city officials to meet and evaluate the possible reclassification of Salmon Falls Road from a class V to a class II highway. The road is a rural highway from Rochester to Berwick, Maine. Vote 12-0. Rep. Roland A. Frechette for Public Works.

**SB 165-FN**, relative to permit fees for excavating and dredging permits. OUGHT TO PASS WITH AMENDMENT.

The House amendment to SB 165 firms up an agreement between the Department of Transportation and the Wetlands Board controlling the cost of the wetlands application fee required for excavating and dredging. Vote 14-0. Rep. Beaton Marsh for Public Works.

#### Amendment

Amend RSA 482-A:3, X as inserted by section 1 of the bill by replacing it with the following:

X. The maximum cash application fee for the New Hampshire department of transportation shall be \$10,000 per application plus provisions for technical or consulting services or a combination of such services as necessary to meet the needs of the wetlands board. The Wetlands Board may enter into a memorandum of agreement with the New Hampshire Department of Transportation to accept equivalent technical or consulting services or a combination of such services in lieu of a portion of their standard application fees.

**SB 167-FN**, establishing a committee to study the sequencing of the central turnpike projects. **INEXPEDIENT TO LEGISLATE.**

This Senate Bill would create a committee to study various aspects of the central New Hampshire turnpike widening project in Nashua. This project is set to receive permits this summer with certain portions of construction going out to bid this fall. To further study this project (which has been thoroughly considered throughout the public hearing process) could seriously delay the actual construction of this project which is vital to the turnpike system and the Nashua region. Vote 13-0. Rep. David J. Alukonis for Public Works.

**SB 168-FN**, establishing a committee to study the toll highway system. **INEXPEDIENT TO LEGISLATE.**

The Committee unanimously voted SB 168 Inexpedient to Legislate. The public members of the committee would only consist of residents of towns with existing or proposed toll booths, thereby creating an immediate problem in trying to create a balanced report.

House Bill 683 deals with complete studies of the entire transportation system in New Hampshire, and the Committee feels that the toll system will be reviewed by this blue ribbon study.

It should be noted that present toll rates are not only paying for existing roads and bridges, but anticipated expansion costs over the next few years. Vote 13-0. Rep. Gene G. Chandler for Public Works.

**SB 224**, relative to increasing the bonding authority for industrial development projects for the city of Dover. **OUGHT TO PASS.**

Senate Bill 224 will increase the bonding authority and authorize the city of Dover to proceed with a pending industrial park. Vote 14-0. Rep. Beaton Marsh for Public Works.

**SB 189-FN**, allowing raffles to be conducted at the same place as bingo games. **OUGHT TO PASS WITH AMENDMENT.**

This bill permits raffles to be conducted at the same time and in the same place as bingo games. It authorizes one license per year for 10 days to operate games of chance which 10 days need not be consecutive. It also increases wholesale cost of prizes not to exceed \$500. Vote 14-0. Rep. Lynn C. Horton for Regulated Revenues.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

allowing raffles to be conducted at the same place  
as bingo games and increasing raffle  
prize award wholesale costs.

Amend the bill by replacing all after the enacting clause with the following:

1 Consecutive Day Not Required. Amend RSA 287-D:5, I to read as follows:

I. An applicant for a license under this chapter shall apply to the chief of police, and upon payment of a fee of \$25 and if the applicant meets all other requirements of this chapter, a license shall be issued. The fee shall be paid to the city or town treasurer for the use of the city or town. Only one license shall be issued to each applicant per year to operate games of chance for [a period not to exceed] 10 days, *which 10 days need not be consecutive.*

2 Raffles Permitted. Amend RSA 287-E:7, to read as follows:

X. [No raffles or other games of chance] *Raffles* permitted under RSA 287-A and RSA 287-D *may be conducted at the same time and in the same place as a bingo game licensed under this chapter.* [or other games of chance, except as provided in RSA 287-A:8 through RSA 287-A:11 and RSA 287-E:16 through RSA 287-E:24, shall be conducted at the same time and in the same place as a bingo game licensed under this chapter.]

3 Raffle Prize Award Cost Increased. Amend RSA 287-A:10 to read as follows:

287-A:10 Prizes. Prizes awarded as any raffle held in conjunction with a bingo game shall not exceed [\$100] **\$500** wholesale cost.

4 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill allows raffles to be conducted at the same time and in the same place as licensed bingo games. Current law prohibits such raffles, games of chance, and bingo games from being held at the same time and in the same location.

The bill increases from \$100 to \$500 the wholesale cost of prizes awarded as any raffle at a bingo game.

The bill also provides that the operation of games of chance under any license need not be held on consecutive days.

**SB 79-FN**, establishing a committee to study an expedited permit process for environmental permits. **OUGHT TO PASS.**

This bill establishes a committee to study an expedited process for environmental permits, when such permits are required with economic development. The study committee shall make its recommendations for any change to the Governor, Senate President and Speaker of the House before 12/31/91. Vote 10-1. Rep. Mary Ann Lewis for Resources, Recreation and Development.

**SB 114-FN**, requiring a report on certain water laws. **OUGHT TO PASS.**

The Committee completely agrees with the Senate in requesting a report concerning the rationale for continuing the corporate status of the Water Resources Council. Originally, the Water Resources Board was established as a private corporation in the late 1930s in order to issue bonds to finance the dam at Lake Francis, and it became the regulatory body of New Hampshire water resources. In 1986, the Board became advisory only, with all its former powers being transferred to the Department of Environmental Services. The question is: Why is it still a private corporation; what are the benefits and liabilities? Vote 14-0. Rep. Howard C. Dickinson for Resources, Recreation and Development.

**SB 107-FN**, relative to tenants' security deposits. **RE-REFER TO COMMITTEE.**

The bill addresses a serious problem, but every time an amendment is proposed to address flaws, the amendments themselves brought attention to other flaws in the bill that require attention. So, the best route is to re-refer this bill and come back with an improved version bill for next year. Vote 12-0. Rep. Scott E. Green for State Institutions and Housing.

**SB 191-FN**, relative to fines and to loss of driver's license and plates for court defaults. **OUGHT TO PASS WITH AMENDMENT.**

This bill allows for revocation of motor vehicle registration and plates effective 30 days after failure on default of payment of court-ordered fines or appearances. Vote 13-0. Rep. Sherman A. Packard for Transportation.

### Amendment

Amend the bill by replacing sections 2-4 with the following:

2 Reference to Revocation. Amend RSA 263:56-a, I(c) to read as follows:

(c) Fails to comply with a similar order of the director or a court on any matter within the director's or court's jurisdiction, his driver's license or resident or nonresident driving privilege *and in any motor vehicle case or related case the resident plates and motor vehicle registration shall be suspended or revoked only upon written consent of the director*, effective 30 days after such default or failure, except as provided in [paragraph] *subparagraph I(d)* of this section.

3 New Paragraph; Notice; Proof of Satisfaction. Amend RSA 263:56-a by inserting after paragraph I the following new paragraph:

I-a. The department shall cause written notice to be sent to any driver licensed by or person whose vehicle is registered by the state of New Hampshire who defaults as otherwise provided in this section on an appearance, summons, or court order issued in this state. Any person who defaults as provided in paragraph I(c) shall be required to produce proof of satisfaction of the default either in hand or through the court to the department.

4 Reference Added. Amend RSA 263:56-a, III(b) to read as follows:

(b) Appearance by such defendant, payment of his fine, or compliance with the order of the director, as applicable, or upon demonstration that such defendant is financially unable to pay the fine or to comply with the order. Any court which has ordered a suspension *or revocation* pursuant to paragraph II shall vacate the order and so notify the director and the affected defendant immediately after such defendant has appeared or paid his fine, as applicable, or has demonstrated that he is financially unable to pay the fine or to comply with the order.

### AMENDED ANALYSIS

This bill provides for license suspension or revocation and forfeiture of motor vehicle registration and license plates for failure to pay certain fees.

This bill also establishes the supplementary administrative fund into which are deposited certain license restoration fees collected by the division. The fund is to be used for administering the law relating to suspension or revocation of a driver's license or plates because of a default in this state.

The bill also authorizes courts to impose an administrative processing fee in the amount of \$50 against any person who defaults on a court appearance for any offense.

Referred to Appropriations

### REGULAR CALENDAR

**SB 3-A**, relative to exit 10 on the Spaulding turnpike and making an appropriation therefor. **OUGHT TO PASS.**

This bill adds \$100,000 to the one million dollars appropriated for the study of exit 10 on the Spaulding turnpike to defray additional environmental impact study costs. Exit 10 of the four lane east-west highway would intercept the Spaulding turnpike between existing exit 9 at Dover and exit 11 in Rochester. Vote 19-1. Rep. Charles L. Vaughn for Appropriations.

Adopted.

Ordered to third reading.

**SB 7-FN-A**, relative to an industrial research center at the university of New Hampshire. (A) OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, establishes an industrial research center at the University of New Hampshire to provide applied and basic research capability and technological transfer to support economic development in New Hampshire. Start-up funding was appropriated in the FY '91 supplemental budget. Vote 16-3. Rep. Merle W. Schotanus for Appropriations.

#### Amendment

Amend the bill by replacing section 2 with the following:

##### 2 Appropriations.

I. For the purposes of this act and notwithstanding the provisions of RSA 12-A:2-e, \$500,000 is appropriated to the oversight committee established in RSA 187-A:32 for the fiscal year ending June 30, 1992, from the New Hampshire economic development fund established in RSA 12-A:2-e. Of the sum appropriated, \$200,000 shall be considered start-up costs that shall not be subject to the dollar for dollar matching requirement under RSA 187-A:33.

II. For the fiscal year ending June 30, 1993, and notwithstanding the provisions of RSA 12-A:2-e, \$500,000 shall be appropriated to the oversight committee established in RSA 187-A:32 from the New Hampshire economic development fund, established in RSA 12-A:2-e, which shall be matched dollar for dollar from the operations of the center.

III. The department of resources and economic development is authorized to receive and expend funds, donations, grants or other moneys, gifts or bequests for the purposes of this act.

Rep. Ferguson spoke against.

Rep. Schotanus spoke in favor and yielded to questions.

On a division vote, 217 members having voted in the affirmative and 96 in the negative, the amendment was adopted.

Report adopted.

Ordered to third reading.

**SB 11-A**, appropriating funds for a new courthouse in Rockingham county. OUGHT TO PASS.

This bill makes an appropriation to the Department of Administrative Services for land acquisition, design, construction and furnishings of a new superior court in Rockingham County. A sum not exceeding \$11,165,000 will come from bonds and notes issued in the name of the State of New Hampshire in accordance with RSA 6-A. Vote 19-0. Rep. Charles L. Vaughn for Appropriations.

Adopted.

Ordered to third reading.

**SB 14-A**, relative to environmental and engineering studies and acquisition of rights-of-way for the construction of a truck lane on United States Route 2 in Jefferson, New Hampshire, and making an appropriation therefor. OUGHT TO PASS.

This bill provides for a much needed and timely improvement to make the "east-west" highway of the North country safe for rapidly increasing traffic loads. The bonded funds are a charge against the Highway Fund. Vote 19-0. Rep. Gerald P. Merrill for Appropriations.

Adopted.

Ordered to third reading.

**SB 18-FN-A**, relative to the conservation corps program and making an appropriation therefor. RE-REFER TO COMMITTEE ON EDUCATION.

This Committee has learned that available federal funds can be matched by private funds which are already earmarked; thus no public funds are required. On the other hand, there is a need for the state to prepare a plan for the longer term, hence the recommendation to Re-refer to the Committee on Education. Vote 20-0. Rep. John P. Chandler for Appropriations.

Re-referred to Committee.

**SB 41-A**, relative to the construction of a fire training academy for New Hampshire fire fighters and making an appropriation therefor, and relative to motor vehicle records fees. OUGHT TO PASS.

After 20 years of effort this bill establishes a fire academy. The House vote of 281-71 sent this bill to Appropriations. The Committee vote of 18-0 returns it for final passage. Rep. Paul I. LaMott for Appropriations.

Rep. Kenneth Cole moved that the words Re-refer to the Committee on Public Works be substituted for the report of the Committee, Ought to Pass and spoke in favor.

Rep. Hoar spoke against and yielded to questions.

Reps. Reidy and LaMott spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

**SB 61-FN**, relative to speedy payments for the care of children in foster homes. **OUGHT TO PASS WITH AMENDMENT.**

Senate Bill 61 requires that foster families be paid in a timely manner. The amendment adds all categories of foster children and extends the effective date to January 1, 1992, giving the Division for Children and Youth the time needed to get its payment system in order. Vote 14-4. Rep. Mary Jane Wallner for Appropriations.

### Amendment

Amend the bill by replacing all after section I with the following:

2 New Subparagraph; Speedy Payment of Expenses. Amend RSA 169-B:40, I by inserting after subparagraph (d) the following new subparagraph:

(e) Payments due under this section for the care of children in foster homes shall commence within 60 days of the child's placement in the foster home and shall be made every 30 days thereafter.

3 New Subparagraph; Speedy Payment of Expenses. Amend RSA 169-C:27, I by inserting after subparagraph (d) the following new subparagraph:

(e) Payments due under this section for the care of children in foster homes shall commence within 60 days of the child's placement in the foster home and shall be made every 30 days thereafter.

4 New Subparagraph: Speedy Payment of Expenses. Amend RSA 169-D:29, I by inserting after subparagraph (d) the following new subparagraph:

(e) Payments due under this section for the care of children in foster homes shall commence within 60 days of the child's placement in the foster home and shall be made every 30 days thereafter.

5 Effective Date. This act shall take effect January 1, 1992.

Adopted.

**SB 64-A**, relative to the superior courthouse in Nashua and making an appropriation therefor. OUGHT TO PASS.

This bill appropriates money to furnish the courthouse in Nashua that has been built but never furnished. Vote 18-0. Rep. Laurent J. Boucher for Appropriations.

Adopted.

Ordered to third reading.

**SB 71-FN-A**, relative to superior court justices. OUGHT TO PASS.

This bill will increase the number of judges authorized for the Superior Court by four for a total of 28. The four new positions are unfunded and if filled must be funded from the court's budget for the 92-93 biennium. Vote 11-6. Rep. Robert E. Murphy for Appropriations.

Adopted.

Ordered to third reading.

**SB 72-FN-A**, establishing and continually appropriating a fund for the purchase of vaccine. OUGHT TO PASS.

This bill establishes a fund to be used by the Director of Public Health Services for the purchase of children's vaccines to be provided to the public at virtually no cost. Agreements with insurance carriers are being negotiated for contributions to the funds in excess of \$650,000. These new private funds will supplement the meager state funds available in HB 25, the state budget. Vote 17-0. Rep. Douglas E. Hall for Appropriations.

Rep. Douglas Hall spoke in favor.

Adopted.

Ordered to third reading.

**SB 122-FN**, exempting certain solid waste districts from application fees. OUGHT TO PASS.

This one-time, one-subject bill exempts the town of Littleton from paying a vastly increased, unbudgeted solid waste permitting fee, which occurred as a result of a change in administrative rules in October 1990, after the city had budgeted and paid its required permitting fee. Vote 18-1. Rep. Merle W. Schotanus for Appropriations.

Adopted.

Ordered to third reading.

**SB 128-FN-A**, relative to the development of an electronic benefit transfer system and making an appropriation therefor. **OUGHT TO PASS.**

The Division of Human services is engaged in the development of an innovative method of distributing public assistance benefits through automatic teller machines and point of sale devices. This bill allows this project to be continued. When fully implemented such a distribution system will save the state administrative and processing costs. The appropriation of \$1.00 will allow federal funds to be received. Vote 16-1. Rep. Douglas E. Hall for Appropriations.

Adopted.

Ordered to third reading.

**SB 149-FN-A**, relative to reimbursing a certain school cooperative for certain expenses and making an appropriation therefor. **(A) OUGHT TO PASS.**

This bill appropriates \$5,030 to the Hollis-Brookline cooperative school district and \$6,000 to the Pemi-Baker regional school district for expenses incurred in converting AREA plans into cooperative school districts pursuant to RSA 195-A:15, II. This bill also repeals the provision that reimburses schools for expenses incurred in converting to a cooperative school district in future conversions. Vote 15-2. Rep. Pamela B. Bean for Appropriations.

Adopted.

Ordered to third reading.

**SB 173-FN-A**, relative to senior "meals on wheels" and senior transportation and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE.**

The Committee has had long, emotional discussions on this bill. It understands the need for adequate funding for meals on wheels but it also understands the need for adequate funding for the rest of the under-funded social service programs in New Hampshire and the lack of available revenue. Vote 11-7. Rep. Elizabeth S. Hager for Appropriations.

Rep. Salatiello moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Hager spoke against and yielded to questions.

Rep. Nardi spoke in favor and yielded to questions.

**(Deputy Speaker Michael Hill in the Chair)**

Rep. Parks spoke in favor.

Rep. Channing Brown spoke against and yielded to questions.

Rep. LaMott spoke in favor.

Rep. Gross spoke against.

**(Speaker Burns in the Chair)**

**SB 180-FN**, relative to the hearings process on tax abatements for property taxes and making a supplemental appropriation for the board of tax and land appeals. (A) **OUGHT TO PASS WITH AMENDMENT.**

This bill sets a time limit for selectmen to review and make a decision on tax abatement requests. It also provides for a speedier hearing process by the Board of Tax and Land Appeals. Therefore it improves access of the public to the appeals process. Upon review, the Committee found that the proposed \$6,000 appropriation was unnecessary and therefore deleted it from the bill. Vote 19-0. Rep. Joe B. Parks for Appropriations.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

relative to the hearings process on tax abatements for property taxes.

Amend the bill by deleting section 6 and renumbering section 7 to read as section 6.

**AMENDED ANALYSIS**

The bill changes the filing period for requesting a tax abatement from the municipalities from 60 days to 2 months to make time periods consistent in the statute. The bill also makes explicit the town's existing duty to review and decide abatement applications, specifying a time period to complete such review and decision. The bill amends the appeal procedure by requiring a decision or denial from the municipality before appealing to the board of tax and land appeals.

Adopted.

Report adopted.

Ordered to third reading.

**SB 210-FN-A**, relative to drugged driving and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

The amendment clarifies that the money should come from the Department of Safety. The expenditure is necessary because federal grants will cease. Vote 18-0. Rep. Channing T. Brown for Appropriations.

**Amendment**

Amend the bill by replacing section 3 with the following:

3 Appropriation. The sum of \$240,000 for the year ending June 30, 1992, is hereby appropriated to the division of public health services of the department of health and human services for the purposes of sections 1-2 of this act. This appropriation shall be in addition to any other appropriations made to the division of public health services of the department of health and human services for the biennium. The sum shall be a charge against funds already appropriated to the department of safety.

Adopted.

Report adopted.

Ordered to third reading.

**SB 220-FN**, relative to foster care. RE-REFER TO COMMITTEE.

The Committee voted 14-3 to re-refer SB 220 so that the fiscal note can be clarified. The Senate amendment needs further study. Rep. Josephine Mayhew for Children, Youth and Juvenile Justice.

Re-referred to Committee.

**SB 85-FN**, relative to women's sports. OUGHT TO PASS WITH AMENDMENT.

This measure creates a study committee to look into achieving greater gender equity in athletics. The Committee will be comprised of coaches, teachers, sports information personnel, community sports, interscholastic and intercollegiate, and sports media, all concerned with this issue. The Committee amendment includes two members from the House and Senate and a member appointed by the Commissioner of Education. Vote 13-2. Rep. Albert W. Caswell for Education.

### Amendment

Amend the bill by replacing sections 1 and 2 with the following:

1 Study Committee on Sport Gender Equity Established. There is hereby established a committee to study how to better achieve gender equity in athletics. The committee shall consist of the following members:

- I. Two house members, appointed by the speaker of the house.
- II. Two senators, appointed by the senate president.
- III. Two coaches, appointed by the governor.
- IV. One school administrator, appointed by the governor.
- V. One teacher, appointed by the governor.
- VI. One sports information person, appointed by the governor.
- VII. One representative from the department of education, appointed by the commissioner of education.
- VIII. Two persons involved in interscholastic athletic programs, appointed by the governor.
- IX. Two persons involved in intercollegiate athletic programs, appointed by the governor.
- X. One member from the New Hampshire Interscholastic Athletic Association, appointed by the governor.

2 Meetings; Chair; Mileage. Appointments to the committee shall be made within 30 days of the effective date of this act, and the first meeting of the committee shall be held within 60 days of the effective date of this act. The committee shall elect a chair at its first meeting. Legislative members of the committee shall receive mileage at the legislative rate.

Amend the bill by replacing paragraph II of section 3 with the following:

II. The committee shall report its findings to the governor, the senate president, and the speaker of the house on or before November 1, 1991.

### AMENDED ANALYSIS

This bill establishes a committee to study methods for achieving greater gender equity in athletics. The committee shall report its findings to the governor, the senate president, and the speaker of the house on or before November 1, 1991.

Adopted.

On a division vote, 219 members having voted in the affirmative and 95 in the negative, the bill was ordered to third reading.

**SB 225-FN**, relative to the higher educational building corporation and loan eligibility. OUGHT TO PASS WITH AMENDMENT.

This bill extends the tax free bond financing available through the New Hampshire Higher Education and Health Facilities Authority to not-for-profit secondary schools and additional healthcare institutions. The state is not liable to guarantee any bonds issued under this authority. Vote 14-0. Rep. Arthur B. Corte for Education.

**Amendment**

Amend RSA 195-D:3, XIV (b) and (c) as inserted by section 2 of the bill by replacing them with the following:

*(b) Is a residential facility which is licensed as a group home or child care institution by the department of health and human services pursuant to RSA 170-E.*

Adopted.

Report adopted.

Ordered to third reading.

**SB 183-FN**, relative to the Lamprey Regional Solid Waste Cooperative. RE-REFER TO COMMITTEE.

The Committee is sympathetic to the problem which the Lamprey District has with regard to the future of the district and also is concerned about the ramifications of RSA 53-A and RSA 53-B and recommends re-referral. Vote 13-0. Rep. Betty B. Hall for Environment and Agriculture.

Rep. Scanlan moved that SB 183 be made a Special Order for May 16.

Adopted.

**SB 186-FN**, establishing a committee to study household hazardous waste. RE-REFER TO COMMITTEE.

This bill deals with the same subject matter as other bills before the Committee. The Committee would like to study these bills together. Vote 11-3. Rep. Betty B. Hall for Environment and Agriculture.

Re-referred to Committee.

**SB 20-FN**, establishing a committee to study the licensure of dietitians and nutritionists. INEXPEDIENT TO LEGISLATE.

The majority of the Committee believes that the Legislature should not be expected to have to make a determination among the far-reaching opinions in the fields of nutrition and diet and still serve its mandate of public protection for licensure. Vote 10-5. Rep. Kathleen W. Ward for Executive Departments and Administration.

Adopted.

**SB 75**, relative to bargaining rights for state employees. INEXPEDIENT TO LEGISLATE.

This proposed legislation has come before the Legislature at least four times in the last few years, each time seeking to have management surrender its tools to manage, i.e., conditions of employment, promotion, transfer, demotion, or any other action to which any employer is entitled to properly manage his or her responsibilities. Since the Collective Bargaining legislation went into effect in 1975, negotiations have successfully brought forth an agreed-to contract over the years, which demonstrates that the mechanism in place is working. Vote 8-5. Rep. Kathleen W. Ward for Executive Departments and Administration.

Rep. Dunn moved that the words Re-refer to Committee be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Reps. William Boucher and Shibley spoke against.  
 Rep. William McCain spoke against and yielded to questions.  
 Rep. Ward spoke against.  
 Rep. Chambers spoke in favor.  
 Roll call request sufficiently seconded.  
 The question being on the substitute motion.

**SB 97**, relative to administrative rules and state mandates. **OUGHT TO PASS WITH AMENDMENT.**

This legislation requires a statement that a proposed rule does not violate the New Hampshire Constitution in regard to mandates. Vote 13-2. Rep. Kathleen W. Ward for Executive Departments and Administration.

### Amendment

Amend RSA 541-A:3, I as inserted by section 1 of the bill by replacing it with the following:

I. Filing a notice of proposed rule, including a fiscal impact statement *and a statement that the proposed rule does not violate the New Hampshire constitution, part I, article 28-a*, under RSA 541-A:3-a;

Amend RSA 541-A:3-a, I-a as inserted by section 2 of the bill by replacing it with the following:

I-a. The agency shall provide the legislative budget assistant a statement with adequate details and supporting data that the proposed rule does not violate the New Hampshire constitution, part I, article 28-a.

### AMENDED ANALYSIS

This bill requires that the contents of a notice of a proposed rule shall include a statement by the agency with supporting data that the proposed rule does not violate article 28-a of the New Hampshire constitution.

Adopted.

Report adopted.

Ordered to third reading.

**SB 153**, relative to licensing of pharmacists. **INEXPEDIENT TO LEGISLATE.**

This legislation was introduced on behalf of a single individual and would have required the Legislature to overturn the decision, not once but twice, of the Board of Pharmacy. Vote 11-3. Rep. Kathleen W. Ward for Executive Departments and Administration.

Adopted.

**SB 176-FN**, relative to ophthalmic dispensing. **INEXPEDIENT TO LEGISLATE.**

This legislation would have superseded the actions of last session which created a registration format for opticians. The majority of the Committee believes that this legislation is unnecessary. The opticians have state registration which went into effect last year, and this vehicle should be allowed to function as was intended. No public health or protection testimony was given that there is a need at this time for the state to intrude in the private practice of opticians. Last session, the Legislature defeated a bill to create a board and give licensure to opticians and no new testimony has been introduced that would be a reason for the House to reconsider the need today. Vote 8-7. Rep. Kathleen W. Ward for Executive Departments and Administration.

Rep. Buckley moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Gosselin spoke in favor.

Rep. William Boucher spoke against.

Rep. Scott Green spoke in favor and yielded to questions.

Rep. Ward spoke against and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

Lindblade, Eric N.  
 Rodeschin, Beverly T.

**SB 74-FN**, establishing a committee to study the use of funds appropriated for catastrophic illness care. MAJORITY: OUGHT TO PASS. MINORITY: OUGHT TO PASS WITH AMENDMENT.

MAJORITY: In the past, Vocational Rehabilitation funds were tapped to pay for catastrophic illness costs. Each time these funds are tapped, 81 eligible people are denied rehabilitation that would return them to the taxpaying workforce. Vote 12-1. Rep. Gary L. Daniels for the Majority of Labor, Industrial and Rehabilitative Services.

MINORITY: The minority of the Committee agrees with the majority in prohibiting the Division of Vocational Rehabilitation from paying for catastrophic illness. However, the bill, as amended, does not specify how catastrophic illness will be covered. It places the issue back into the political/media policy-setting arena. The minority believes that the intent of a bill is to provide clear policy to the citizens of New Hampshire, not to confuse them. Rep. Larry G. Elliott for the Minority of Labor, Industrial and Rehabilitative Services.

Adopted.

Ordered to third reading.

**SB 87-FN**, relative to replacement employees. OUGHT TO PASS.

This bill changes the penalty charged from criminal offense to civil with up to \$1,000 penalty per day of noncompliance to be imposed by the Labor Commissioner. This could be appealed in accordance with RSA 273:11-b. Vote 9-4. Rep. Benjamin C. Baroody for Labor, Industrial and Rehabilitative Services.

Adopted.

Ordered to third reading.

**SB 171-FN**, relative to discrimination in the workplace. MAJORITY: OUGHT TO PASS. MINORITY: RE-REFER TO COMMITTEE.

MAJORITY: This bill prohibits an employer from requiring, as a condition of employment, that a person abstain from using tobacco products while away from the workplace. The employee would still have to comply with any workplace policy concerning such use on site. Vote 11-3. Rep. David O. Dow for the Majority of Labor, Industrial and Rehabilitative Services.

MINORITY: The Committee and Subcommittee worked hard on this legislation, but there was not sufficient time to consider all the issues and no amendments, however slight, were acceptable. There are a lot of issues regarding health, the cost of health insurance and the rights of smokers and non-smokers alike which could have been dealt with. There are other rights which could have been addressed as they were in other states. The process has been rushed and the capacity for House input has been too limited. Rep. Gary L. Daniels for the Minority of Labor, Industrial and Rehabilitative Services.

Rep. Hawkins yielded to questions.

Rep. Daniels moved that the words Re-refer to Committee be substituted for the report of the Committee, Ought to Pass. spoke in favor and yielded to questions.

Rep. Dow spoke against.

Rep. Jasper spoke in favor and yielded to questions.

Rep. Drabinowicz spoke against.

Rep. Bradley spoke in favor and yielded to questions.

Rep. Baroody spoke against and yielded to questions.

Rep. Nielsen spoke against.

Rep. Arnesen spoke in favor and yielded to questions.

Rep. Hawkins spoke against and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion lost.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

Rep. Gross abstained from voting under Rule 16.

Rep. Hunt offered a floor amendment.

**Floor Amendment**

Amend the bill by replacing section 3 with the following:

3 Existing Agreements and Policies Not Affected. Nothing in this act shall affect the terms and provisions of any written employment agreement or published policy in effect prior to May 1, 1991, or to any extension of such an agreement or policy to new employees in the work place to which such agreements or such policies apply.

4 Insurance Benefit Differential Not Affected. Nothing in this act shall prohibit an employer from providing life or health insurance benefits to any employee at a different cost where such cost differential is based upon whether the employee abstains from using tobacco products.

5 Effective Date. This act shall take effect January 1, 1992.

Rep. Hunt requested that the question be divided.

The Chair ruled that the question was divisible.

The question was on Section 4 of the amendment.

Rep. Hunt spoke in favor and yielded to questions.

Rep. Hawkins spoke against and yielded to questions.

Section 4 lost.

The question was on Sections 3 and 5.

Sections 3 and 5 lost.

Rep. Rodgers moved that SB 171 be Laid on the Table

On a division vote, 116 members having voted in the affirmative and 206 in the negative, the motion lost.

Rep. Gross abstained from voting under Rule 16.

Report adopted.

Ordered to third reading.

**SB 202-FN**, relative to due process in the liquor commission's proceedings. MAJORITY: RE-REFER TO COMMITTEE. MINORITY: OUGHT TO PASS.

MAJORITY: The Committee is obviously divided between those people who feel that present policy is acceptable and those who feel that a change is indicated. The majority opinion was that it would like the opportunity to do more work on this bill to satisfy the desires of more members of the Committee. Vote 8-6. Rep. Stephen W. Bucu for the Majority of Regulated Revenues.

MINORITY: Representatives Robert N. Kelley, Thomas A. Behrens, Lynn C. Horton, Arthur Klemm, James A. Rosencrantz and Frank J. Reidy reporting for the minority concur with the intent of SB 202 which requires the Liquor Commission to adopt administrative rules in compliance with RSA 541. At present, the Liquor Commission is the only state agency authorized to adopt administrative rules, which operates outside due process as set forth in RSA 541. For instance, as presently written the State Liquor Commission administrative rules allow the Commission to suspend or revoke a liquor license prior to the licensee being granted a hearing. The minority of the Committee believes that the SLC should be required to adopt rules under the guidelines of RSA 541 as do all other agencies. Innocent until proven guilty. Reps. Robert N. Kelley, Thomas A. Behrens, Lynn C. Horton, Arthur Klemm, James A. Rosencrantz and Frank J. Reidy for the Minority of Regulated Revenues.

Rep. Behrens moved that the words Ought to Pass be substituted for the report of the Committee. Re-refer to Committee and spoke to his motion.

Rep. Ward spoke in favor.

Motion adopted.

Ordered to third reading.

**SB 86-FN**, to create low salt districts within the state highway system. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

MAJORITY: The majority of the Committee felt that with the greatly-improved calibrated mechanical salt spreaders and well-trained personnel, there is much better control over the amount of sand and salt used. In other states the amount of salt per

mile used on the posted low salt districts is greater than the amount used per mile in normal road salting in New Hampshire. The Department of Transportation engineers design highway drainage to reduce the danger of salt entering lakes and ponds used for drinking water. Because of the foregoing and the fact that the Highway Department and local municipalities have and will respond to official requests to reduce the use of salt on highways, the majority of the Committee believed that the problem is being addressed without the need for legislation. Vote 10-4. Rep. William H. Nehring for the Majority of Resources, Recreation and Development.

**MINORITY:** This bill addresses the growing concern dealing with salt contamination of public water supplies, resulting from excessive salt dispensing on the state's highways. Evidence and relative actions of neighboring states demonstrate that road salt is a source of non-point contamination of water supplies. Testimony from Manchester Water Works and the fact that the Department of Transportation replaces about 30 private wells a year, for salt contamination, gives validity to this growing problem. The excessive salting of these sensitive public water supplies continues to be an environmental and health issue. The state and local municipalities should be aware of the overall long term impact of salt contamination resulting from excessive road salting. Reps. Peter M. Jankowski and Gregory Janas for the Minority of Resources, Recreation and Development.

Report adopted.

**SB 126-FN**, relative to groundwater classification. **OUGHT TO PASS WITH AMENDMENT.**

This bill establishes a chapter for the purpose of protecting the groundwater resource of our state. It also provides a framework to assist municipalities and to facilitate local control of protective measures. The bill further addresses the Underground Injection Control Program of the Federal Safe Drinking Water Act. This bill has the support of the Business and Industry Association, the New Hampshire Municipal Association, the Department of Agriculture, and the Department of Environmental Services. The Committee recognizes the importance of groundwater quality to the integrity of our surface water and our drinking water. After extensive discussion in both the Subcommittee and the Committee, it was voted Ought to Pass with Amendment 12-I. Rep. Mary Ellen Martin for Resources, Recreation and Development.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Groundwater Protection Act. Amend RSA by inserting after chapter 485-B the following new chapter:

### CHAPTER 485-C

### GROUNDWATER PROTECTION ACT

485-C:1 Statement of Purpose.

I. The purpose of this chapter is to protect the natural quality of the groundwater resource of the state by assisting local groundwater protection efforts and by establishing procedures and standards for the classification of groundwater. The legislature recognizes the fundamental importance of the groundwater resource and the role of local planning and management in groundwater protection, and intends through this legislation to provide a framework for local groundwater protection. The natural quality of the groundwater resource shall be preserved and protected in order that groundwater may be used for drinking water supply. Ambient groundwater quality standards shall meet drinking water standards, and the classification of groundwater shall pro-

vide opportunity for protecting groundwater of high value as a drinking water supply. The legislature recognizes that groundwater constitutes an integral part of the hydrologic cycle and that the protection of groundwater quality is necessary to preserve the integrity of surface water.

II. The legislature finds that the most effective means of preserving the existing high quality of groundwater is by identification and careful management of operations or activities which may cause contamination of groundwater if not properly conducted. Because groundwater is primarily a local resource, cities and towns should have the first opportunity to institute programs for groundwater protection within the scope of this act. Suppliers of water should also have this opportunity because of their vital interest in preserving the quality of their groundwater supply. The state, which has general responsibility for groundwater management in the public trust and interest, should develop groundwater protection programs within the scope of this act when such programs are not developed by a local entity.

485-C:2 Definitions. In this chapter:

I. "Ambient groundwater quality standards" means maximum concentration levels for regulated contaminants in groundwater which result from human operations or activities, as delineated in RSA 485-C:6.

II. "Best management practice" means schedules of activities, prohibitions of practices, maintenance procedures, and other management practices to prevent or reduce the risk of contamination of groundwater.

III. "Commissioner" means the commissioner of the department of environmental services.

IV. "Contributing area" means the land above a class of groundwater, which is the vertical projection of the defined class on the land surface.

V. "Department" means the department of environmental services.

VI. "Director" means the director of the division of water supply and pollution control, department of environmental services.

VII. "Division" means the division of water supply and pollution control, department of environmental services.

VIII. "Groundwater" means subsurface water that occurs beneath the water table in soils and geologic formations.

IX. "Groundwater discharge permit" means a permit issued under RSA 485-A:13 for disposal of sewage or waste to the groundwater.

X. "Local entity" means a town or city, acting through a planning board, conservation commission, water department, health officer, or other duly constituted municipal unit; a village district established under RSA 52 or its predecessor statutes; an entity established by intergovernmental agreement under RSA 53-A; or a supplier of water for wellhead protection areas tributary to wells owned by the public water system.

XI. "Person" means any individual, partnership, company, public or private corporation, political subdivision or agency of the state, department, agency or instrumentality of the United States, or any other legal entity.

XII. "Public water system" means a public water system as defined in RSA 485:1-a, XV.

XIII. "Regulated contaminant" means any physical, chemical, biological, radiological substance or other matter, other than naturally occurring substances at naturally occurring levels, in water which adversely affects human health or the environment.

XIV. "Stratified drift aquifer" means a geologic formation of predominantly well-sorted sediment deposited by or in bodies of glacial meltwater, including gravel, sand, silt, or clay, which contains sufficient saturated permeable material to yield significant quantities of water to wells.

XV. "Supplier of water" means a supplier of water as defined in RSA 485:1-a, XVI.

XVI. "Transmissivity" means the rate at which water is transmitted through a unit width of a water-bearing formation under a unit hydraulic gradient. It is equal to the hydraulic conductivity times the thickness of the formation, and is given in units of distance squared per unit time.

XVII. "Well" means a hole or shaft sunk into the earth to observe, sample, or withdraw groundwater.

XVIII. "Wellhead protection area" means the surface and subsurface area surrounding a water well or wellfield, supplying a public water system, through which contaminants are reasonably likely to move toward and reach such water well or wellfield.

XIX. "Zone of contribution" means the subsurface volume from which groundwater flow is drawn to a pumping well.

485-C:3 Duties of the Division. The division shall:

I. Maintain a statewide map identifying the classes of groundwater.

II. Assist local and regional entities in the development and administration of local wellhead protection programs, including delineation of wellhead protection areas and the inventory and management of activities which have a potential effect on groundwater quality.

III. Cooperate with the office of state planning by providing technical assistance for local groundwater and wellhead protection programs under the water protection assistance program established under RSA 4-C:19.

IV. Maintain an inventory of wells serving public water supply systems, and establish a priority system for delineation of wellhead protection areas and reclassification of these areas to class GAA.

485-C:4 Rulemaking. The division shall adopt rules, pursuant to RSA 541-A, relative to:

I. Criteria and procedures for delineating classes of groundwater.

II. Criteria and procedures for reclassifying groundwater under RSA 485-C:9.

II.

III. Ambient groundwater quality standards as provided under RSA 485-C:6.

IV. Criteria and procedures for conducting and maintaining inventories of potential contamination sources and managing potential contamination sources under RSA 485-C:8.

V. Criteria and procedures for the issuance of groundwater release detection permits as provided under RSA 485-C:13.

VI. Fees for groundwater release detection permits required under RSA 485-C:13.

VII. Best management practices as provided under RSA 485-C:11, except those practices for agricultural operations and pesticide use, and rulemaking relative to such practices, shall be developed, administered and enforced by the New Hampshire department of agriculture.

485-C:5 Classes of Groundwater.

I. All groundwater shall be classified for the purpose of prescribing protections and management practices. These classifications do not necessarily reflect existing water quality. For purposes of classification, all groundwater shall be assigned to one of 4 classes as follows:

(a) Class GAA groundwater shall be the most protected class. Groundwater in this class is within the wellhead protection area for wells which presently are used or well sites which have been identified for future use as drinking water supply for public water systems. An inventory of potential contamination sources in the wellhead protection area shall be conducted, and a management program shall be implemented as provided under RSA 485-C:8.

(b) Class GAI shall be assigned to groundwater in a defined zone of high value for present or future drinking water supply. An inventory of potential contamination sources in the contributing area of this class shall be conducted, and a management program shall be implemented as provided under RSA 485-C:8.

(c) Class GA2 shall be assigned to groundwater within aquifers identified as highly productive for potential use as a public water supply by the U.S. Geological Survey regional groundwater studies, or other regional studies. Zones of stratified drift with a saturated thickness greater than 20 feet, and a transmissivity greater than 1,000 feet squared per day shall be designated as class GA2. Zones of bedrock with average well yields greater than 50 gallons per minute shall also be designated as class GA2.

(d) Class GB shall be assigned to all groundwater not assigned to a higher class.

II. The land area vertically above shall be assigned to the highest class of groundwater beneath it, for purposes of managing potential contamination sources.

#### 485-C:6 Ambient Groundwater Quality Standards.

I. The division shall establish and adopt ambient groundwater quality standards for regulated contaminants which adversely affect human health or the environment. Ambient groundwater standards shall apply to all regulated contaminants which result from human operations or activities, but do not apply to naturally occurring contaminants. Where federal maximum contaminant level or health advisories have been promulgated under the Federal Safe Drinking Water Act or rules relevant to such act, ambient groundwater quality standards shall be equivalent to such standards. Where such standards are based upon cancer risks, the ambient groundwater quality standards shall be equivalent to that exposure which causes a lifetime exposure risk of one cancer in 1,000,000 exposed population. Where no federal maximum contaminant level or health advisory has been issued, the division may adopt ambient groundwater quality standards on a basis which provides for an adequate margin of safety to protect human health and safety.

II. Ambient groundwater quality standards shall be the water quality basis for issuance of groundwater discharge permits under RSA 485-A:13.

III. Except for discharges of domestic wastewater regulated under RSA 485-A:13 and RSA 485-A:29, no person shall violate ambient groundwater quality standards.

#### 485-C:7 Potential Contamination Sources.

I. Human activities or operations upon the land surface shall be considered potential contamination sources if the activity or operation poses a reasonable risk that regulated contaminants may be introduced into the environment in such quantities as to degrade the natural groundwater quality.

II. For purposes of this chapter, potential contamination sources shall include the following:

(a) Vehicle service and repair shops, including but not limited to: automobile, truck, and equipment service or repair shops, autobody shops; and aircraft fueling, deicing, and maintenance areas.

(b) General service and repair shops, including but not limited to: furniture stripping, painting, and refinishing; photographic processing; printing; appliance and small engine repair; boat repair, service, and refinishing; refrigeration, heating, ventilating and air conditioning shops.

(c) Metalworking shops, including, but not limited to: machine shops; metal plating, heat treating, smelting and jewelry making shops.

(d) Manufacturing facilities, including, but not limited to: electronics and chemical manufacturing, processing, and reclamation; paper, leather, plastic, fiberglass, rubber, silicon and glass making; a pharmaceutical production; pesticide manufacture; and chemical preservation of wood and wood products.

(e) Underground and above ground storage facilities for oil and hazardous substances, as defined in RSA 146-C.

(f) Waste and scrap processing and storage, including, but not limited to: junkyards, scrap yards, and auto salvage yards; wastewater treatment plants; dumps, landfills, transfer stations and other solid waste facilities; and wastewater or seepage lagoons.

(g) Transportation corridors, including, but not limited to, highways and railroads.

(h) Septic systems, including, but not limited to large septic systems which require a groundwater discharge permit under RSA 485-A:13.

(i) Laboratories and professional offices, including but not limited to: medical, dental, and veterinary offices; and research and analytical laboratories.

(j) Use of agricultural chemicals, including but not limited to: golf courses; feed lots, kennels, piggeries, and manure stockpiles; parks; nurseries and sod farms; and the usage of registered pesticides.

(k) Salt storage and use for winter road and parking lot maintenance.

(l) Snow dumps.

(m) Stormwater infiltration ponds or leaching catch basins.

(n) Cleaning services, including but not limited to: dry cleaners, laundromats; beauty salons; and car washes.

(o) Food processing plants, including but not limited to: meat packing and slaughter houses; dairies; and processed food manufacture.

(p) Fueling and maintenance of excavation and earthmoving equipment.

(q) Concrete, asphalt and tar manufacture.

(r) Cemeteries.

(s) Hazardous waste facilities regulated under the resource conservation and recovery act, as implemented by RSA 147-A.

485-C:8 Inventory and Management.

I. Inventory and management under this section shall be performed in GAA or GA1 contributing areas by the division or, by the local entity requesting reclassification under RSA 485-C:9, II(a) or III(a).

II. The inventory of potential contamination sources required in contributing areas designated as class GAA or GA1 shall include the site address, tax map and lot number, property owner name and address, and operator name and address for all

potential contamination sources within the contributing area of a designated class. The inventory shall include estimates of the type and quantities of regulated substances used in the activity or generated as waste materials. The inventory shall be based on physical site inspections of the potential contamination sources within the designated class area.

III. Potential contamination sources in class GAA and GA1 contributing areas shall be managed by:

(a) Updating the inventory at intervals not to exceed 3 years.

(b) Notifying the owner of each potential contamination source by letter at intervals not to exceed 3 years that the activity is being conducted within a contributing area of a class of groundwater designated for high protection because of its value for drinking water supply. The notice shall state that such activities shall be subject to best management practices, and shall provide information concerning where copies of applicable best management practices may be obtained.

(c) Performing an inspection at least once every 3 years of all potential contamination sources located within the contributing area to ascertain compliance with best management practices provided, however, that the following shall not be subject to inspection under this chapter:

(1) Pesticides which are regulated under RSA 430:28-48; and

(2) Agricultural operations which are operated in compliance with all applicable chapters of RSA title XL, RSA 425 through RSA 443, and best management practices developed, administered and enforced by the New Hampshire department of agriculture.

(d) Enforcing rules for best management practices adopted under RSA 485-C:11.

IV. The authority granted to local entities and other agencies under this chapter shall not be interpreted to extend to RSA 430:28-48.

485-C:9 Procedures for Classification and Reclassification.

I. Within 180 days of the effective date of this act, the commissioner shall assign all groundwater within the state to class GB or class GA2.

II. Procedures for Reclassification to Class GAA.

(a) A local entity may request reclassification of a wellhead protection area to class GAA by submitting a written request to the division which includes a wellhead protection area delineation, a potential contamination source inventory, and a potential contamination source management program to be implemented by the local entity. When a local entity is a town or a city, the local governing body, as defined in RSA 672:6, shall concur in writing with the request for reclassification.

(b) The division may, on its own motion, propose reclassification of an area to class GAA after delineation of the wellhead protection area, inventory of potential contamination sources, and establishment of a written management program to be implemented by the division.

(c) The director shall review requests for reclassification by local entities and proposals for reclassification prepared on the division's own motion, and shall recommend reclassification to the commissioner when the director determines that the proposed reclassification meets all the requirements of this chapter and rules adopted under this chapter. The commissioner shall act upon such recommendation pursuant to RSA 485-C:9, VI.

III. Procedures for Reclassification to Class GA1.

(a) A local entity may request reclassification of a zone of groundwater to class GA1 by submitting a written request to the division which includes a definition of the contributing area of the proposed zone, a potential contamination source inventory, and a potential contamination source management program, to be implemented by the local entity. When the local entity is a town or a city, the local governing body, as defined in RSA 672:6 shall concur in writing with the request for reclassification.

(b) The division may, on its own motion, propose reclassification of groundwater to class GA1 for any groundwater previously classified GA2, after definition of the contributing area, inventory of potential contamination sources, and establishment of a written management program to be implemented by the division.

(c) The director shall review requests for reclassification by local entities and proposals for reclassification prepared on the division's own motion, and shall recommend reclassification to the commissioner when the director determines that the proposed reclassification meets all the requirements of this chapter and its rules. The commissioner shall act upon such recommendations pursuant to RSA 485-C:9, VI.

IV. Procedures for reclassification to class GA2. When the division receives a report or study which identifies areas of bedrock or stratified drift aquifers which are highly productive for public water supply, the division shall review the report or study, and shall recommend reclassification to class GA2 to the commissioner for all areas which meet the criteria for this class, and are not currently classified GA1 or GAA.

#### V. Procedures for reclassification to Class GB.

(a) The division may, on receipt of a request, or on its own motion, review any contributing area classified as GAA or GA1 to determine if the requirements for inventory and management of potential contamination sources are being met. If the division determines that requirements are not being met, the division shall request correction of deficiencies in writing to the responsible local entity. If deficiencies are not corrected within 6 months, the division may either assume inventory and management of the potential contamination sources in the contributing area and correct the deficiencies, or the director shall recommend reclassification to class GB or GA2 to the commissioner.

(b) For a class GA2 area, the director shall recommend reclassification to class GB to the commissioner if a review of regional groundwater studies shows that the criteria of RSA 485-C:5, I(c) for the class are not met.

VI. Procedures applicable to all reclassifications. The commissioner shall reclassify groundwater upon recommendation of the director, when the commissioner determines that the proposed reclassification meets all the requirements of this chapter and rules adopted under this chapter. Prior to any such reclassification the commissioner shall:

(a) Provide written notice of the proposed reclassification and public hearing to the town or city clerk of all affected municipalities at least 30 days prior to the public hearing.

(b) Provide written notice of the proposed reclassification and public hearing to landholders of record within the contributing area at least 30 days prior to the public hearing.

(c) Hold a public hearing.

485-C:10 Degraded Groundwater.

I. Groundwater which has been degraded below ambient groundwater quality standards by past operations, discharges, or other human activities shall not be excluded from the designated class.

II. Groundwater which does not meet ambient groundwater quality standards due entirely to natural causes shall not be excluded from the designated class.

485-C:11 Best Management Practices.

I. The division shall develop best management practices for the activities identified in RSA 485-C:7 as potential contamination sources, except those activities under RSA 485-C:7, II(j) which shall be subject to best management practices and the applicable provisions of RSA title XL, RSA 425 through RSA 443, developed, administered and enforced by the New Hampshire department of agriculture.

II. Best management practices shall strike a reasonable balance between environmental, energy, and economic impacts. These best management practices shall apply to all potential contamination source activities in the state. In developing best management practices for an activity or type of activity over which another state agency has regulatory jurisdiction, the division shall consult with that agency, and may, through a memorandum of agreement delegate to that agency the administration of best management practices. Best management practices shall not be inconsistent with applicable state or federal rules and regulations concerning such activities or with the intent of this chapter.

485-C:12 Prohibited Uses. Within any wellhead protection area classified as GAA, the following new uses are prohibited:

I. The siting or operation of a hazardous waste disposal facility as defined under RSA 147-A.

II. The siting or operation of a solid waste landfill.

III. The outdoor storage of road salt or other deicing chemicals in bulk.

IV. The siting or operation of a junk or salvage yard.

V. The siting or operation of a snow dump.

VI. The siting or operation of a wastewater or septage lagoon.

485-C:13 Groundwater Release Detection Permit.

I. The purpose of a groundwater release detection permit shall be to monitor groundwater for early detection of any impact to groundwater quality.

II. A groundwater release detection permit shall be required for the following activities in all classes of groundwater:

(a) The siting or operation of a hazardous waste disposal facility as defined under RSA 147-A.

(b) The siting or operation of a lined solid waste landfill.

(c) The siting or operation of a lined wastewater lagoon.

(d) The siting or operation of a facility for processing soils contaminated with petroleum products.

III. A groundwater release detection permit shall be required for the following additional activities in a class GAA wellhead protection area:

(a) The siting or operation of a new solid waste composting or solid waste resource recovery facility.

(b) The operation of an existing activity which is listed in RSA 485-C:12 as a prohibited new use, unless such activity is required to obtain a groundwater discharge permit under RSA 485-A:13.

IV. The groundwater release detection permit:

- (a) Shall require compliance with all applicable state and local laws and regulations;
- (b) Shall include periodic monitoring of on site groundwater quality to be performed by the permittee with reports to the division;
- (c) May contain such other conditions as are reasonable and consistent with the purpose of this chapter; and
- (d) Shall be issued for a fixed term of 5 years.

V. Applications for groundwater release detection permits shall be on forms provided by the division and shall contain such information as the division shall require by rule.

VI. Application for a groundwater release detection permit for an existing facility or activity shall be made within 6 months of the date of notification of reclassification to GAA, or when a permit is required in any class, within 18 months of the effective date of this act. No person shall be deemed in violation of this chapter if such person shall have made application for a groundwater release detection permit for an existing facility or activity which is made within the required period, and the division has failed to grant or deny such permit.

485-C:14 Notice to Municipality. Upon submission to the department of an application for a permit necessary for an activity in a contributing area classified as GA1 or GAA, which is a potential contamination source under RSA 485-C:7, the state shall notify the local governing body, as defined in RSA 672:6, as well as the local entity, if known, of the filing of the application and shall suspend action on the application for 30 days to allow time for receipt of recommendations from the local entity. For any application required by law to be acted upon within a certain prescribed time, the time shall be extended automatically by 30 days to allow for comment. The department shall proceed to act upon the application at the end of 30 days, even if no comments have been received. If the local entity submits recommendations to the department on the application, the department shall make written findings explaining any deviation from such recommendations. This section shall not apply to applications to construct domestic septic systems, provided that the system has an aggregate capacity of less than 20,000 gallons per day on one lot.

485-C:15 Investigation and Inspection. The division, any authorized representative, any authorized representative of any agency operating under a memorandum of agreement with the division, or any town or city health officer may enter any land or establishment for the purpose of administering the provisions of this chapter, and shall at reasonable times have access to any facility subject to this chapter.

485-C:16 Cease and Desist Orders.

I. The division may issue a written cease and desist order against any violation of this chapter or rule adopted under this chapter. Local health officers shall have concurrent power to issue such orders. Such orders shall set out the specific acts which are alleged to be in violation, and the specific activities which are to be enjoined. Such orders shall be effective immediately. Health officers shall provide copies of such orders to the commissioner upon issuance. The commissioner may take whatever action is deemed necessary to ensure uniform state enforcement. Any person to whom an order is issued by a local health officer may, within 15 days, request review of the order by the division.

The division shall review the order within 15 days of receipt of the request for review. If the division fails to act on the request for review, the order shall no longer

be in effect. If the division finds the order to have insufficient basis or to be no longer necessary, it shall state that fact in writing, and the order shall no longer be in effect.

II. A written cease and desist order issued by the division under paragraph I may be recorded by the division in the registry of deeds for the county in which the property is situated and, on recordation, such order shall run with the land; provided, however, that an appropriate description of the land involved, including the accurate name of the record owner, shall be incorporated in the cease and desist order. No fee shall be charged for recording such an administrative order; however, the fee for discharge of any such order shall be the same as for the discharge of a lien on real property.

III. No fine or penalty shall be imposed for failure to comply with an order if such failure did not otherwise result in a violation of this chapter or rules adopted under this chapter.

485-C:17 Appeals. Actions of the division under RSA 485-C:16 may be appealed to the water supply and pollution control council under RSA 21-O:7 and RSA 21-O:14.

485-C:18 Administrative Fines. The commissioner, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not to exceed \$2,000 for each offense upon any person who violates any provision of this chapter or any rule, permit or order adopted or issued under this chapter. Rehearings and appeals from a decision of the commissioner under this section shall be in accordance with RSA 541. Any administrative fine imposed under this section shall not preclude the imposition of further penalties under this chapter. The commissioner shall adopt rules, under RSA 541-A, relative to:

I. A schedule of administrative fines which may be imposed under this section for violation of this chapter.

II. Procedures for notice and hearing prior to the imposition of an administrative fine.

485-C:19 Penalties and Other Relief.

I. Any person who knowingly violates this chapter, or any rule, permit, or order adopted or issued under this chapter; or who knowingly or recklessly makes any material false statement in any document required to be filed or maintained pursuant to this chapter; or who knowingly or recklessly renders inaccurate, falsifies, or tampers with any monitoring device or method required under this chapter; or who knowingly fails, neglects, or refuses to obey any lawful order of the division, shall be guilty of a misdemeanor if a natural person, and a felony if any other person. Such person shall also be subject to a civil penalty not to exceed \$25,000 for each violation or for each day of a continuing violation.

II. Any person who violates this chapter or a rule, permit, or order adopted or issued under this chapter, shall be subject to a civil penalty not to exceed \$10,000 for each violation or for each day of a continuing violation.

485-C:20 Effect on Local Ordinances. Nothing in this chapter shall be deemed to preempt the authority of municipalities, under other statutes, to enact local ordinances or regulations affecting groundwater, provided, however, that requirements imposed under this chapter shall be considered as minimum.

2 Reference Changed. Amend the introductory paragraph of RSA 485:48 to read as follows:

The division may institute a wellhead protection program [and may adopt rules, pursuant to RSA 541-A, to implement such program. The program, if instituted,] as

*described in section 1428 of the federal Safe Drinking Water Amendments of 1986. The program shall be consistent with the provisions of RSA 485-C and shall include, but not be limited to, the following:*

3 New Paragraph: Underground Injection Control Program; Rulemaking Authority. Amend RSA 485:3 by inserting after paragraph IX the following new paragraph:

X. The division may adopt rules to implement the Underground Injection Control Program of the Federal Safe Drinking Water Act, 42 U.S.C. section 300F, et, seq. as well as rules pertaining to permits for the regulation and remediation of contamination from previous discharges or disposal of waste to the groundwater. The division's rules shall include criteria and procedures to ensure that past and present underground injection will not endanger drinking water sources, and shall provide for consideration of varying geologic, hydrologic, or other conditions in different areas within the state.

4 Effective Date.

I. RSA 485-C:18 and RSA 485-C:19 as inserted by section 1 of this act shall take effect July 1, 1993.

II. The remainder of this act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill protects the groundwater resource by regulating possible contaminants and provides assistance to municipalities by facilitating protective measures at the local level. The division of water supply and pollution control is responsible for administering this chapter. Under this bill, groundwater is divided into 4 qualities, GAA, GA1, GA2 and GB, with GAA being the most protected and GB the least.

This bill also grants the division of water supply and pollution control the authority to adopt rules to implement the Underground Injection Control Program of the Federal Safe Water Drinking Act.

Adopted.

Report adopted.

Ordered to third reading.

**SCR 2**, urging the Federal Energy Regulatory Commission to deny a rate increase for Public Service Company of New Hampshire. RE-REFER TO COMMITTEE.

Given continuing uncertainty surrounding the future of the New Hampshire Electric Cooperative, the majority believes that it is prudent for the Committee to retain this resolution regarding coop rates. Vote 6-4. Rep. Amanda A. Merrill for Science, Technology and Energy.

Re-referred to Committee.

**SB 76**, relative to the age requirement for retirement communities. RE-REFER TO COMMITTEE.

This bill is similar to HB 241 and the Committee feels that work should be done to make certain that the language conforms to federal statutes. Vote 10-2. Rep. Patricia A. Dowling for State Institutions and Housing.

Re-referred to Committee.

**SB 193-FN**, relative to limits on motorboat speeds. RE-REFER TO COMMITTEE.

The Committee, by a vote of 16-1, recommended re-referral of a bill that would have set speed limits on the lakes of New Hampshire. The majority of the Committee felt more time was needed to revise a Senate Bill that seemed to have many flaws. Rep. Richard L. Haynes for Transportation.

Re-referred to Committee.

**SPECIAL ORDERS**

Reps. Gross and Chambers moved that **SB 83**, relative to the investment of public funds, **SB 67-FN**, relative to establishing a study committee to study the feasibility of revising the school building aid formula, **SB 138-FN**, establishing a committee to study the bidding process on state construction projects, and **SB 223**, relative to prohibiting the study committee established under 1989, 281:1 from considering whether to move or relocate the Dover toll plaza, all removed from the Consent Calendar, be made Special Orders for May 16.

Adopted.

**SB 157-FN**, relative to bingo. OUGHT TO PASS.

This bill increases the number of bingo game dates per month to 10 and for the year to 120. It increases total money prize for one game from \$2,050 to \$3,500. It also authorizes more than one senior citizen bingo game per week. The Fiscal Note calls for state expenditures of \$10,000 in FY 91 and increases state revenues by \$50,000 in FY 92 and each year thereafter. Vote 13-0. Rep. Lynn C. Horton for Regulated Revenues.

Rep. Rosencrantz offered a floor amendment, spoke in favor and withdrew his amendment.

Adopted.

Referred to Appropriations

**SB 196-FN**, relative to administrative revocation of motor vehicle licenses of persons under age 21. OUGHT TO PASS WITH AMENDMENT.

This bill establishes procedures for administrative revocation of motor vehicle licenses. The program shall apply in the first year only to persons under 21 years of age and shall apply to all persons effective January 1, 1993.

The bill also authorizes the Commissioner of the Department of Safety and the Attorney General to transfer funds, upon approval of the Legislative Fiscal Committee and Governor and Council to support implementation of this act, if adequate funds are not otherwise appropriated.

The bill increases driver's license fees and establishes a special account for placement of all monies collected for the purposes of establishing and implementing an on-line imaging system for driving licenses. All monies remaining in the account on July 1, 1993 shall lapse to the highway fund. Vote 12-1. Rep. George N. Katsakiores for Transportation.

**Amendment**

Amend RSA 265:94-d, I(c) as inserted by section 1 of the bill by replacing it with the following:

(c) Two years from the date on which the revoked license was surrendered to and received by the department or from such other date as shall be determined by the department in cases of revocation for refusing to submit to a test under the provisions of RSA 265:92 or for submitting to a test disclosing an alcohol concentration of 0.10 or more under the provisions of RSA 265:94-b where the person has any prior driving while intoxicated or aggravated driving while intoxicated offense or for any prior refusal of consent or any prior administrative revocation of a motor vehicle license under this subdivision for submitting to a test disclosing an alcohol concentration of 0.10 or more under the provision of RSA 265:94-b.

Amend RSA 265:94-e as inserted by section 1 of the bill by replacing it with the following:

265:94-e Appeal. Any person aggrieved by a decision of the department under RSA 265:94-b, I(d) may appeal the decision in Merrimack county superior court as specified in RSA 263:76. Should the volume of cases exceed the capacity of the court, then the chief justice of the superior court may transfer cases brought under this section to another superior court in the state.

#### AMENDED ANALYSIS

The bill establishes procedures for administrative revocation of motor vehicle licenses. The program shall apply in the first year only to persons under 21 years of age and shall apply to all persons effective July 1, 1992. The program covers:

- (a) Implied consent.
- (b) License revocation, suspension, and reinstatement.
- (c) Notification requirements to persons charged under the law.
- (d) Hearing procedures.
- (e) Appeals.
- (f) Rulemaking.

This bill also authorizes the commissioner of the department of safety and the attorney general to transfer highway funds, upon approval of the legislative fiscal committee and governor and council, to support implementation of this act if adequate funds are not otherwise appropriated.

The bill also increases drivers' license fees and establishes a special account for the placement of all moneys collected as a result of the increase in drivers' license fees. The account is for the purpose of establishing and implementing an on-line imaging system for driver licensing. All moneys remaining in the account on July 1, 1993, shall lapse to the highway fund.

In addition, this bill allows the chief justice of the superior court to transfer cases brought under RSA 265:94-e to other superior courts if the volume of cases in Merrimack county superior court exceeds the court's capacity to hear them.

Rep. Martling moved that the words Re-refer to Committee be substituted for the report of the Committee, Ought to Pass with Amendment and spoke in favor.

Rep. Katsakiores spoke against.

Rep. Lozeau spoke in favor.

Rep. Sherman Packard spoke against.

On a division vote, 251 members having voted in the affirmative and 63 in the negative, the motion was adopted.

Re-referred to Committee.

**HOUSE JOURNAL No. 23**

Thursday, May 16, 1991

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairsto.

Eternal God, who brought forth the universe and gives and sustains life, for all that we receive from Your hand we offer our praise and our thanksgiving. Be with us this day, we pray, as we undertake the business before this body. In our speaking give us clarity of thought and voice that others might fully understand what we say. In our listening give us openness and sensitivity that we may understand our colleagues' points of view as clearly as we wish them to understand ours. And in our voting guide us, we ask, in the way of truth, justice, and compassion, that in all the very difficult choices before us the very best may be found. Amen.

Rep. Tarpley-Bamberger led the Pledge of Allegiance.

**SB 83**, relative to the investment of public funds. **OUGHT TO PASS.**

This bill provides guarantees for local governmental subdivisions investing public funds, by requiring that any person accepting such public funds make available the option to have such funds secured by collateral segregated for the exclusive benefit of such local governmental subdivision and having a value at least equal to the amount of such funds. The bill authorizes the Bank Commissioner to adopt rules pertaining to collateralization and creates an advisory committee to assist the Commissioner with such rules. Vote 14-0. Rep. Bonnie B. Packard for Commerce, Small Business and Consumer Affairs.

Rep. Foss offered a floor amendment.

### Floor Amendment

Amend RSA 35:9 as inserted by section 4 of the bill by replacing it with the following:

35:9 Investment. The moneys in each such fund shall be kept in a separate account and not intermingled with other funds of said municipality. Said capital reserve fund shall be invested only by deposit in some savings bank or in the savings department of a national bank or trust company, cooperative bank, building and loan association, or federal savings and loan association, in this state, or in bonds, notes or other obligations of the United States government, or in bonds or notes of this state, and when so invested the trustees hereinafter named shall not be liable for the loss thereof. Any interest earned or capital gains realized on the moneys so invested shall accrue to and become a part of the fund. Deposits in banks shall be made in the name of the town, district or county which holds the same as a reserve, and it shall appear upon the books thereof that the same is a capital reserve fund. *Any person who directly or indirectly receives any such capital reserve funds for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the town, school district, village district or county depositing or investing such funds. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.*

Amend RSA 41:29 as inserted by section 5 of the bill by replacing it with the following:

41:29 Duties. The town treasurer shall have custody of all moneys belonging to the town, and shall pay out the same only upon orders of the selectmen, or, in the case of a conservation fund established pursuant to RSA 36-A:5, upon the order of the conservation commission. He shall deposit all such moneys in solvent banks in the state, except that funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits United States government obligations, United States government agency obligations, or obligations of the state of New Hampshire in value at least equal to the amount of the deposit in each case. Said out-of-state banks shall make a monthly report of such deposits to the state treasurer. The amount of collected funds on deposit in any one bank shall not for more than 20 days exceed the sum of its paid-up capital and surplus. The town treasurer shall keep in suitable books provided for the purpose a fair and correct account of all sums received into and paid from town treasury, and of all notes given by the town, with the particulars thereof. At the close of each fiscal year, he shall make a report to the town, giving a particular account of all his financial transactions during the year. He shall furnish to the selectmen statements from his books, and submit his books and vouchers to them and to the town auditors for examination, whenever so requested. Whenever the town treasurer has in his custody an excess of funds which are not immediately needed for the purpose of expenditure, he shall, with the approval of the selectmen, invest the same in obligations of the United States government, in savings bank deposits of banks incorporated under the laws of the state of New Hampshire or in certificates of deposits of banks incorporated under the laws of the state of New Hampshire or in national banks located within this state or the state of Massachusetts. *Any person who directly or indirectly receives any such funds or moneys for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of*

*such funds. Such collateral shall be segregated for the exclusive benefit of the town. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.*

Report adopted.

Ordered to third reading.

**SB 67-FN**, relative to establishing a study committee to study the feasibility of revising the school building aid formula. **OUGHT TO PASS.**

This bill establishes a study committee on school building aid to determine how to best deal with revising the School Building Aid Formula. The Committee will consist of three members of the House, three members of the Senate, the State Treasurer or designee, and a member of the public. Vote 16-0. Rep. Susan D. Carter for Education.

Rep. Carter yielded to questions.

Adopted.

Ordered to third reading.

**SB 138-FN**, establishing a committee to study the bidding process on state construction projects. **INEXPEDIENT TO LEGISLATE.**

This bill would adversely affect the ability of New Hampshire contractors to compete for in-state contracts. The bill is unfair in singling out the construction trades and excluding all other state vendors. The Department of Transportation estimates the bill would add almost 8 million dollars to construction projects annually. Vote 11-2. Rep. David K. Wheeler for Public Works.

Rep. William McCann moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

**(Rep. Gross in the Chair)**

Rep. David Wheeler spoke against.

Rep. Gene Chandler spoke against and yielded to questions.

Roll call request sufficiently seconded.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

Report adopted.

**SB 223**, relative to prohibiting the study committee established under 1989, 281:1 from considering whether to move or relocate the Dover toll plaza. **OUGHT TO PASS WITH AMENDMENT.**

The Committee feels that the original study established in 1989, 281:1 should continue and be completed. The amendment removes the charge of the study to recommend locations that maximize revenues. It also deletes from the Senate version the charge of the study, to not study the relocation of the Dover Toll Plaza. The study is 89 percent complete and in order to present a fair report all facets of the original study area should be explored and made public. Vote 12-1. Rep. Gene G. Chandler for Public Works.

#### Amendment

Amend the title of the bill by replacing it with the following:

AN ACT  
 relative to modifying the duties of the study  
 committee established under 1989, 281:1  
 to include consideration of the  
 location of toll plazas.

Amend 1989, 281:1 as inserted by section 1 of the bill by replacing it with the following:

281:1 Appropriation; Study. The sum of \$630,000 is hereby appropriated to the department of transportation for the biennium ending June 30, 1991, for an environmental study and the development of preliminary design plans for the section of the

Spaulding turnpike from the Dover toll plaza southerly to the future Gosling Road interchange in Newington and Portsmouth. This study shall include the redesign of exit 6, widening of the Little Bay bridge, provision for a full service interchange in Newington, rehabilitation of the General Sullivan bridge, and the determination *and location* of one-way or 2-way toll plazas [in a location to maximize revenues]. This appropriation shall be nonlapsing and is in addition to any other appropriation to the department of transportation for the biennium. The appropriation shall be a charge against the turnpike fund.

#### AMENDED ANALYSIS

This bill modifies the duties of the study committee established under 1989, 281:1 to include consideration of the location of one-way or 2-way toll plazas.

Rep. Katherine Wheeler spoke against and yielded to questions.

Reps. Pantelakos and Corte spoke against.

Rep. Oliver spoke in favor.

Reps. Amanda Merrill and McGovern spoke against and yielded to questions.

Rep. William McCann spoke against.

Rep. Gene Chandler spoke in favor and yielded to questions.

Roll call request sufficiently seconded.

The question being on the adoption of the amendment.

### COMMITTEE REPORTS

#### CONSENT CALENDAR

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

Consent Calendar adopted.

**SB 27-FN**, relative to extended terms of imprisonment for assault crimes where the victim is a law enforcement officer. **RE-REFER TO COMMITTEE**.

This bill has followed a rocky path through House Judiciary. It came to the Committee as a one-sided "enhanced penalty" provision, which would have applied in cases of assault on a police officer. An amendment was prepared which attempted to provide for a balance of penalties, and which also allowed peace officers to sue for damages caused by assaults upon them. This led the Committee into a heated debate, and into the consideration of other new ideas, all of which led the Committee to believe that further work on this issue is required. Vote 15-2. Rep. Peter Hoe Burling for Judiciary.

Adopted.

**REGULAR CALENDAR**

**SB 55-A**, relative to replacing the Warren Bridge on New Hampshire Route 25. **OUGHT TO PASS WITH AMENDMENT.**

This bill adds the Warren Bridge to the 10-year plan, and the amendment extends the deadline on the East/West Study authorized in 1986, 203:8-a, to March 31, 1992. Vote 19-0. Rep. Paul I. LaMott for Appropriations.

**Amendment**

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Deadline. Amend 1986, 203:8-a, as inserted by 1988, 266:2, as amended by 1990, 244:3 to read as follows:

203:8-a Deadline. The department of transportation shall complete the study authorized by 1986, 203:8 by [September 30, 1991] **March 31, 1992.**

**AMENDED ANALYSIS**

This bill directs the department of transportation to replace the Warren Bridge on New Hampshire Route 25.

This bill also extends the deadline for the department of transportation's study for a 4-lane east-west highway from Concord to the Spaulding turnpike.

Adopted.

Report adopted.

Ordered to third reading.

**SB 170-FN-A**, to study the revenue structure in New Hampshire and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

The amendment does two things: first; it insures that one element of the revenue structure study will deal with shifting intergeneration tax burdens as a result of the aging of our population, and second, it provides for up to a \$10,000 state contribution from the legislative contingency account, which is expected to be matched by the New Hampshire Charitable Fund. The rest of the cost of the study, now estimated to be \$50,000 will be donated by private sector groups. Vote 15-3. Rep. Neal M. Kurk for Appropriations.

**Amendment**

Amend paragraph I of section 1 of the bill by inserting after subparagraph (f) the following new subparagraph:

(g) The demographic makeup of our state is changing. The elderly are becoming an increasingly larger proportion of the population and children, who will become the working members of the population in the coming decades, are becoming a much smaller proportion of the total population.

Amend paragraph V of section 3 of the bill by replacing it with the following:

V. State and local spending needs, economic and demographic trends, including the aging of our population and the economic and revenue consequences of shifting intergenerational tax burdens, and the role of the public sector in New Hampshire.

Amend the bill by replacing section 5 with the following:

5 Appropriation. A sum not to exceed \$10,000 is hereby appropriated for the fiscal year ending June 30, 1991, from the general court, house contingency, PAU 01, 02, 01, 02, class line 96. This sum shall be appropriated for the purposes of sections 1-4 of this act. The committee is authorized to accept any private contributions which are

received for the purpose of conducting the study, and any such contributions which are received shall be in addition to the sum appropriated in this section.

#### AMENDED ANALYSIS

This bill authorizes a study of the spending and revenue structure in New Hampshire. The study is to be conducted by an independent organization which is chosen by the chairpersons of the house and the senate ways and means committees. The house and the senate ways and means committees shall oversee the study. The independent organization is given a specific list of topics to consider as part of its study.

The independent organization shall study the state's spending and revenue structure at all levels of government and the fiscal relationship between the state and its subdivisions.

The independent organization shall report its findings to the senate and house ways and means committees for transmission to the governor, the speaker of the house, and the president of the senate no later than November 1, 1991.

The bill appropriates a sum not to exceed \$10,000 for the purposes of the study from the general court house contingency PAU. Any private contributions which the committee receives shall be in addition to this appropriation.

Adopted.

Report adopted.

Ordered to third reading.

**SB 192-FN-A**, relative to the office of chief medical examiner. RE-REFER TO EXECUTIVE DEPARTMENTS AND ADMINISTRATION.

There appear to be many questions and because no one appeared at the hearing to provide informed answers, the Committee voted to re-refer the bill to the Committee on Executive Departments and Administration. Vote 16-0. Rep. Robert G. Holbrook for Appropriations.

Re-referred to Committee.

**SB 42-FN**, relative to the board of podiatry. OUGHT TO PASS WITH AMENDMENT.

This bill extends the rulemaking authority of the Board of Podiatry. The amendment addresses the Board of Registration in Medicine's renewal of licenses and written complaints. In addition, this legislation allows Emergency Medical Technicians to administer necessary IVs prior to hospitalization. Vote 15-0. Rep. Sandra K. Dowd for Executive Departments and Administration.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to the board of podiatry, the board of registration  
in medicine, emergency medical technicians, and the  
possession of non-controlled prescription  
drugs for emergency use.

Amend RSA 315:2, I as inserted by section 1 of the bill by replacing it with the following:

**I.** Any person admitted to practice podiatry in this state shall be required to pass an examination before the board. [He] *The person* shall be of good professional character and at least 18 years of age. [He] *The person* shall have graduated from a

college of podiatry or podiatry medicine which is accredited by the American Podiatry Association, and maintaining at that time a standard satisfactory to the board. No person who is not licensed as a podiatrist as provided by RSA 315:8 shall practice or attempt to practice podiatry in the state or designate or describe [his] *the person's* occupation by the use of any words or letters to lead others to believe that [he] *the person* is so licensed.

Amend RSA 315:10-a, I as inserted by section 11 of the bill by replacing it with the following:

I. Any complaint not resolved at or prior to a preliminary hearing shall be heard by the board. Such hearing shall be an open public hearing. Any member of the board shall have the authority to preside at such a hearing and to issue oaths or affirmations to witnesses.

Amend the bill by replacing all after section 14 with the following:

15 Renewals of Licenses. Amend RSA 329:16-d to read as follows:

329:16-d Notice of Renewal. On or before May [15] *I* of each year, the board shall mail each licensee, except those on the inactive list, an application for renewal of license *which shall be due on June 30 of every year. Any licensee who fails to file his application for renewal by June 30 shall be required to pay double the renewal fee.*

16 Reference Change. Amend RSA 329:16-e to read as follows:

329:16-e Neglect to Renew. Any failure, neglect or refusal on the part of any person licensed by the board to renew his license as provided in RSA 329:16-a shall automatically [suspend] *lapse* his license. Licenses [suspended] *lapsed* under this section shall not be restored except upon payment of a restoration fee as established [by the board] *in RSA 329:16-d*, and a showing of such evidence of professional competence as the board may reasonably require.

17 Written Complaints Added. Amend RSA 329:17, III-a to read as follows:

III-a. The board shall conduct an investigation of any person licensed by the board who has [had] *been the subject of 3 reservable claims, written complaints*, or actions for medical injury, as defined [in a paragraph] *by paragraphs I, II, and III*, [brought against him] *or any combination thereof which pertain to 3 different acts or events* within [a] *any consecutive 5-year period commencing with January 1, 1987.*

18 Administrative Fines. Amend RSA 329:17, VII(f) to read as follows:

(f) By requiring the person to practice under the direction of a physician in a public institution, public or private health care program or private practice for a period of time specified by the board[.]; *or*

*(g) By assessing administrative fines in amounts established by the board under RSA 541-A.*

19 Additional Licensure Category Created. Amend RSA 151-B:13, II to read as follows:

II. The director shall provide application forms for licenses under this section. Subject to the approval of the emergency medical service coordinating board, the director shall make reasonable minimum standards of health, performance fitness, education, and moral fitness. He may use the guides established by the American College of Surgeons' Board of Regents as a standard, except that a felony conviction shall not necessarily disqualify a person from providing emergency medical services as a paid or volunteer member of a public or private ambulance or rescue service.

*There shall be a separate licensure category under this section for persons who are qualified as emergency medical technician intermediates, paramedics, registered nurse emergency medical technicians, and physician assistant emergency medical technicians.*

20 New Paragraph: Possession of Non-Controlled Prescription Drugs for Emergency Use Only. Amend RSA 318:42 by inserting after paragraph IX the following new paragraph:

X. The possession, for emergency use only, by advanced medical care providers licensed under RSA 151-B of such non-controlled prescription drugs as are agreed upon jointly by the state board of registration in medicine and the pharmacy board. The advanced emergency medical care providers may only administer such prescription drugs upon receipt, either directly or by telephone or by radio or by other communication medium, of directions from their supervising physician.

21 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill, relative to the board of podiatry:

(a) Extends the rulemaking authority of the board to provide for the imposition of administrative fines and to permit regulation of any other matters related to the chapter.

(b) Delineates the board's responsibilities relative to recordkeeping and reporting to the governor and council.

(c) Specifies the scope of podiatric practice to preclude the performance of amputations or the administration of a general anesthesia.

(d) Specifies the types of podiatric conduct which could result in disciplinary action by the board.

(e) Sets forth licensing procedures and requirements for initial and renewal licenses and for failure to renew.

(f) Requires insurers providing professional liability insurance to file reports with the board relative to claims against insured licensees.

(g) Sets forth the procedures for hearings and investigations.

(h) Provides for a temporary 120-day license suspension pending a hearing where a threat to public safety is posed.

(i) Repeals several subparagraphs relating to disciplinary actions.

This bill, relative to the board of registration in medicine:

(a) Authorizes the board to establish fines for administrative and disciplinary actions.

(b) Doubles the renewal license fee for a licensee who fails to renew his license on time.

(c) Adds receipt by the board of 3 written complaints as a reason for the board to investigate any licensee.

(d) Makes certain technical changes in the law relative to the board of registration in medicine.

The bill also provides for a separate licensure category relative to emergency medical services for persons qualified as emergency medical technicians or in related fields.

The bill exempts the possession for emergency use only of non-controlled prescription drugs by advanced medical care providers from prosecution for unlawful possession.

Adopted.

Report adopted.

Ordered to third reading.

**SB 110-FN**, relative to protection of first amendment rights of students. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

**MAJORITY:** The Committee heard eloquent testimony from the editor of the Manchester Central student newspaper which was closed down by the principal for a month in 1989 for printing an editorial criticizing a student advisor. While the Committee majority strongly questioned the wisdom of the shutdown, it was felt that the Legislature's role is not to direct local school boards or school administrators in what should be their local jurisdiction. Vote 11-8. Rep. Elizabeth D. Lown for the Majority of Judiciary.

**MINORITY:** The minority believes that this bill will restore full First Amendment protection to students in the context of school publications which were seriously impaired by a 5-4 majority of the United States Supreme Court.

The minority further believes that the bill adequately protects the legitimate authority of school boards to oversee the contents of school publications which are : (1) obscene, or (2) libelous or slanderous; (3) substantially or materially disruptive of school discipline, or (4) invasive of the privacy rights of private individuals.

The minority believes that young adults, exemplified by the representatives of the school newspapers who appeared at the hearing, cannot be taught the First Amendment's crucial value in our democracy, if they are denied its protection. We cannot teach students to be responsible by denying them responsibility. Reps. Peter Hoe Burling, Alf E. Jacobson, David E. Cote, Donnalee M. Lozeau, Nancy M. Ford, C. William Johnson and Niels F. Nielsen for the Minority of Judiciary.

Rep. Burling moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Richard Campbell spoke against and yielded to questions.

Rep. Scott Green spoke against.

Rep. Nielsen spoke in favor.

Rep. Daniel Healey spoke against.

Rep. Robinson spoke against and yielded to questions.

Rep. Jacobson spoke in favor and yielded to questions.

Rep. Lockwood spoke against and yielded to questions.

On a division vote, 99 members have voted in the affirmative and 230 in the negative, the motion failed.

Rep. Vaughn notified the Clerk that he inadvertently voted nay and meant to vote yea.

#### **SPECIAL ORDER**

**SB 183-FN**, relative to the Lamprey Regional Solid Waste Cooperative. **REFER TO COMMITTEE.**

The Committee is sympathetic to the problem which the Lamprey District has with regard to the future of the district and also is concerned about the ramifications of

RSA 53-A and RSA 53-B and recommends re-referral. Vote 13-0. Rep. Betty B. Hall for Environment and Agriculture.

Rep. Scanlan moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Re-refer to Committee and spoke in favor.

Adopted.

Rep. Scanlan offered a floor amendment.

### Floor Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Funding and Bond Authorization; Lamprey Regional Solid Waste Cooperative. Amend 1989, 2:1 and 2:2 to read as follows:

2:1 Authorization; Lamprey Cooperative. The Lamprey regional solid waste cooperative as legalized by 1979, 8:1, is authorized to borrow funds up to [\$1,800,000] **\$2,500,000** for the purpose of the construction of a solid waste landfill. The facility shall be built in Somersworth on land owned by the city of Somersworth.

2:2 Bond Authorization.

I. The Lamprey regional solid waste cooperative is authorized to issue municipal bonds in the amount not to exceed \$1,800,000 for the purposes of this act and to refund its outstanding notes. The term of such bonds shall not exceed 5 years. The bonds shall be payable from the revenues of such solid waste landfill. Such bonds may be authorized by vote of the joint board of the cooperative without a vote of the members of the cooperative.

II. The Lamprey regional solid waste cooperative is authorized to issue municipal bonds for an additional amount not to exceed \$700,000 for the purposes of this act and to refund its outstanding notes. The terms of such bonds shall not exceed 5 years. The bonds shall be payable from the revenues of such solid waste landfill. Such bonds shall be authorized by vote of the legislative body of the municipality.

2 Effective Date. This act shall take effect upon its passage.

### AMENDED ANALYSIS

This bill increases the bonding authorization amount of the Lamprey regional solid waste district.

The bill also allows authorization of such bonds by a vote of the legislative body of the municipality.

Adopted.

Ordered to third reading.

### SUSPENSION OF RULES

Reps. Gross and Chambers moved that the Rules be so far suspended as to permit consideration at the present time of:

**SB 10-FN**, establishing a study committee on bonuses for veterans who served during the Persian Gulf crisis.

**SB 157-FN**, relative to bingo.

**SB 191-FN**, relative to fines and to loss of driver's license and plates for court defaults.

**HB 785-FN**, relative to the state's purchase and renovation of land and buildings in the capitol area government center and making an appropriation therefor.

**SB 208-FN**, relative to the administration of the tax on legacies and successions and other tax laws relating to decedents.

Adopted by the necessary two-thirds.

**SB 10-FN**, relative to a study committee on bonuses for veterans who served during the Persian Gulf crisis. **OUGHT TO PASS.**

It is fitting and appropriate that consideration be given, through the medium of a "Committee to Study," of the possibility of the payment of a bonus to those residents of New Hampshire who served in the Armed Forces during the Persian Gulf crisis. The Committee would consider all aspects of a proposed bonus and would render the report, not later than December 1, 1991, to the Governor, President of the Senate and Speaker of the House. Vote 14-0. Rep. Robert J. Daly for Public Protection and Veterans Affairs.

Rep. O'Brien moved that the words Inexpedient to Legislate be substituted for the report of the Committee Ought to Pass and spoke in favor.

Rep. Benton spoke against.

Motion failed.

Rep. Gross offered a floor amendment.

#### **Floor Amendment**

Amend the bill by replacing section 1 with the following:

1 Committee Established. There is established a committee to study the payment of bonuses to veterans who served during the Persian Gulf crisis. The committee shall consist of the following members: one senator appointed by the senate president and one house member appointed by the speaker of the house, both of whom shall be veterans; one representative of the governor's office, appointed by the governor; one public member appointed by the governor; the director of the veterans council or designee; and the adjutant general or designee. The committee shall elect a chairman from among its members. The committee shall submit a report on its findings and recommendations, including any recommendations for legislation, to the senate president, the speaker of the house, and the governor on or before November 1, 1991.

Adopted.

Report adopted.

Ordered to third reading.

**SB 157-FN**, relative to bingo. **OUGHT TO PASS.**

The Committee has determined that there is no appropriation needed to carry out this bill. Vote 11-2. Rep. Charles W. Ferguson for Appropriations.

Adopted.

Ordered to third reading.

**SB 191-FN**, relative to fines and to loss of driver's license and plates for court defaults. **OUGHT TO PASS WITH AMENDMENT.**

The amendment deletes the "special fund" established in the bill because it is not needed. It also adds the language from SB 196 that allows the Division of Motor Vehicle to establish an on-line imaging system for drivers' licenses. The rest of the bill is unchanged. Vote 13-1. Rep. Elizabeth S. Hager for Appropriations.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to fines and to loss of driver's license  
and plates for court defaults and increasing  
drivers' license fees.

Amend the bill by replacing all after section 5 with the following:

6 Supplementary Motor Vehicle Fund Eliminated. Amend RSA 261:141, X to read as follows:

X. Whenever a registration has been suspended, a fee of \$25 shall be paid for the restoration of such registration. Such fee shall be in addition to the fee required under RSA 263:42, V. This \$25 shall be placed in [a special fund known as the supplementary motor vehicle fund. Moneys from this fund may be used by the commissioner for personnel or equipment or both as necessary to carry out the provisions of RSA 261:180, subject to the approval of the fiscal committee and the governor and council. All sums in the supplementary motor vehicle fund in excess of \$300,000 as of June 30 of each year shall lapse into] the highway fund.

7 New Section; Default Fee. Amend RSA 597 by inserting after section 38 the following new section:

597:38-a Default Fees.

I. Whenever a party recognized to appear for any offense defaults, the court may impose an administrative processing fee in the amount of \$50 in addition to any other fine or penalty assessment.

II. The administrative processing fee provided for in paragraph I shall be retained by the court.

8 New Subparagraph: Rulemaking. Amend RSA 21-P:14, IV by inserting after subparagraph (n) the following new subparagraph:

(o) Criteria for waiver of the default fee required under RSA 263:56-a, I-a.

9 Purpose of Increase. The purpose of the increase of drivers' license fees contained in section 10 of this act is to provide sufficient funds for the department of safety to establish an on-line imaging system for driver licensing. This system shall enable the department to provide a system for licensing drivers that is more convenient for the public and that ensures greater licensing security. Any image, likeness, or photograph retrieved for the on-line imaging system shall be retained in the records of the department of safety unless an applicant for a driver's license or a renewal of a driver's license who is a resident of New Hampshire requests a waiver from the department of safety, which waiver shall be granted by the commissioner upon application.

10 Drivers' License Fees Increased. Amend RSA 263:42, I to read as follows:

I. For each original driver's license and examination or driver's license renewal, other than for a commercial vehicle - [~~\$30~~] **\$32**; for each original commercial driver license and examination or commercial driver license renewal - [~~\$40~~] **\$42**; for each commercial driver license reexamination in a one year period - \$20; for each commercial vehicle endorsement, renewal of an endorsement or removal of a restriction - \$10. For each original driver's license issued, \$5 shall be credited to the driver training fund established by RSA 263:52. Every license shall expire on the licensee's birthdate in the fourth year following the issuance of such license. No fee collected under this paragraph shall be refunded once an examination has been taken or a license issued, except as provided in RSA 263:43.

11 Effective Date. This act shall take effect July 1, 1991.

## AMENDED ANALYSIS

This bill provides for license suspension or revocation and forfeiture of motor vehicle registration and license plates for failure to pay certain fees.

The bill also authorizes courts to impose an administrative processing fee in the amount of \$50 against any person who defaults on a court appearance for any offense.

The bill also increases drivers' license fees for the purpose of establishing an on-line imaging system for driver licensing.

The bill eliminates the supplementary motor vehicle fund.

Adopted.

Rep. Hager offered a floor amendment.

**Floor Amendment**

Amend RSA 261:141, X as inserted by section 6 of the bill by replacing it with the following:

X. Whenever a registration has been suspended, a fee of \$25 shall be paid for the restoration of such registration. Such fee shall be in addition to the fee required under RSA 263:42, V. This \$25 shall be placed in [a special fund known as the supplementary motor vehicle fund. Moneys from this fund may be used by the commissioner for personnel or equipment or both as necessary to carry out the provisions of RSA 261:180, subject to the approval of the fiscal committee and the governor and council. All sums in the supplementary motor vehicle fund in excess of \$300,000 as of June 30 of each year shall lapse into] the highway fund. *All moneys remaining in the supplementary motor vehicle fund shall lapse to the highway fund on July 1, 1991.*

Adopted.

Report adopted.

Ordered to third reading.

**HB 785-FN**, relative to the state's purchase and renovation of land and buildings in the capitol area government center and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

After serious discussion as to whether or not it would be fiscally prudent to purchase the New Hampshire Savings Bank which is adjacent to the Legislative Office Building, the Committee found that the purchase would be appropriate. The Committee found that the office space is needed; and, that the real estate market at this time is most favorable. HB 785 also establishes a committee to study the future use of the property. Vote 14-1. Rep. Beaton Marsh for Public Works.

**Amendment**

Amend section 7 of the bill by inserting after paragraph IV the following new paragraph:

V. Study and make recommendations regarding the feasibility of the state of New Hampshire transferring property with a tax value comparable to the property acquired under section 2 of this act to the city of Concord or any private entity.

## AMENDED ANALYSIS

This bill authorizes the department of administrative services to acquire, renovate and rehabilitate land and buildings suitable for general office space in the capitol area government center.

This bill also authorizes the state treasurer to issue bonds and notes for the purposes of this bill.

This bill also establishes a committee to study the future utilization of such property as may be acquired pursuant to this bill, and the feasibility of transferring property of comparable tax value to the city of Concord or any private entity.

Rep. Marsh yielded to questions.

Rep. Nardi spoke against.

Rep. Hayes spoke in favor.

Rep. Maviglio moved that HB 785-FN be Laid on the Table.

Motion lost.

Roll call request sufficiently seconded.

The question being on the adoption of the amendment.

Report adopted.

Referred to Appropriations.

Rep. Teague abstained from voting under Rule 16.

Rep. Hambrick notified the Clerk that she wished to be recorded in opposition to the motion.

**SB 208-FN**, relative to the administration of the tax on legacies and successions and other tax laws relating to decedents. **OUGHT TO PASS WITH AMENDMENT.**

This bill changes the manner of collection of the tax on estates and legacies. Currently, the Department of Revenue Administration calculates the tax liability and notifies the executor of the estate of the amount due. The bill would require the executor to fill out the tax form and remit any tax due, the same way we collect all our other taxes. Additionally, the bill changes the time for payment of the tax from 12 to 9 months after the decedent's death, to coincide with payment date under federal law.

The amendment, developed with the help of DRA and the Bar Association, clarifies what happens when there is more than one person liable for the tax and when there is disagreement about the value of property. It also provides that for small estates, DRA will still ascertain the tax due, eliminating the need for a lawyer or accountant.

There are no changes in the rate or applicability of the tax. All current exemptions for spouses and linear relatives still apply. Vote 15-0. Rep. Donna P. Sytek for Ways and Means.

**Amendment**

Amend the bill by replacing section 2 with the following:

2 Joint Ownership: Surviving Joint Tenant. Amend RSA 86:8 to read as follows:

86:8 Joint Ownership. Whenever property, real or personal, is held in the joint names of [two] 2 or more persons or is deposited in banks or other depositories in the joint names of [two] 2 or more persons and payable to either or the survivor, upon the death of one of such persons, the right of the survivor to the immediate ownership [or possession and enjoyment] of such property shall be deemed a transfer taxable under this chapter. *The transfer shall be* in the same manner as though the whole property to which such transfer relates was owned by said parties as tenants in common and had been devised or bequeathed to the survivor by such deceased joint owner[, and the]. *The* survivor shall file with the [department] *executor or administrator* upon a form prescribed by [it] *the department*, a report of all transfers of real and personal property held in the joint names of the deceased joint tenant and the survivor and shall [satisfy] *notify* the [department] *executor or administrator* as to the amounts paid by such survivor from said property for necessary expenses of the funeral of the deceased joint tenant, expenses of the last sickness and medical expenses of [said] *the* deceased joint tenant. In the computation of the tax under this chapter [the depart-

ment] *there* shall [deduct] *be deducted* from the value of the property so reported such amounts as [it shall determine] were paid from said property for such funeral expenses, expenses of last sickness and medical expenses. *The surviving joint tenant shall remit the appropriate tax liability to the executor or administrator, or if the estate is liable for the tax, the executor or administrator shall pay the tax liability from the assets being held by the executor or administrator. The executor or administrator shall incorporate the value of the joint assets and the tax liability into the legacy and succession tax return required by RSA 86:90.*

Amend RSA 86:90, II as inserted by section 8 of the bill by replacing it with the following:

II. In those estates in which no executor or administrator has been appointed, the person who receives immediate ownership shall make and file such return. If there is more than one such person in immediate ownership, all such persons shall be jointly responsible for completing and filing one return reporting all of the assets of the estate. If there is more than one such person in immediate ownership and any such person is unable to agree on or file a joint return such person shall file an individual return with the department with a written explanation of why a joint return was not filed. The liability for the tax shall be individual and not joint.

Amend RSA 86:90, III as inserted by section 8 of the bill by replacing it with the following:

VI. The failure to file returns, except for good cause shown, the filing of fraudulent returns or the making, causing to be made or permitting to be made any false entry in the books or records of the estate with the intent to defraud the state or to evade the payment of the tax or any part thereof shall subject the executor or administrator to the penalties provided in RSA 21-J for such actions.

Amend section 8 of the bill by inserting after RSA 86:93 the following:

86:94 Liability of Executor or Administrator. Notwithstanding any other provision to the contrary:

I. The executor or administrator shall not be responsible for the accuracy of the value submitted for property passing to a joint tenant unless the estate is responsible for the tax thereon. Any dispute as to the value of such property shall be addressed between the department and the surviving joint tenant outside of the administration of the estate.

II. At the request of the executor or administrator, the department of revenue administration shall collect directly any tax due on joint property and the estate shall thereby be relieved of any responsibility of collection which would otherwise result under this chapter.

III. In any probate estate with a gross value not exceeding \$25,000, the executor or administrator may elect to opt out of any responsibility concerning the tax liability for property passing outside of the estate other than to report to the department any information concerning such property of which the executor or administrator may be aware. Upon written notification of such election by the executor or administrator, the department shall assume all responsibilities for the ascertainment and collection of the tax due.

Amend RSA 89:10, II as inserted by section 12 of the bill by replacing it with the following:

II. In those estates in which no executor or administrator has been appointed, the person who receives immediate ownership shall make and file such return. If there is more than one such person in immediate ownership, all such persons shall be jointly responsible for completing and filing one return reporting all of the assets of the estate. If there is more than one such person in immediate ownership and any such person is unable to agree on or file a joint return such person shall file an individual return with the department with a written explanation of why a joint return was not filed. The liability for the tax shall be individual and not joint.

#### AMENDED ANALYSIS

This bill amends the tax on legacies and successions, RSA 86, by:

(1) Requiring that the surviving joint tenant shall remit the appropriate tax liability to the executor or administrator or requiring the executor or administrator to pay the tax liability from the assets being held by the executor or administrator.

(2) Requiring the executor or administrator, rather than the department of revenue administration, to perform certain administrative duties.

(3) Changing the time for the payment of taxes from 12 to 9 months after the date of the decedent's death.

(4) Providing that interest shall accrue on the tax due during the period of an extension of time for payment of the tax.

(5) Giving the commissioner of revenue administration the authority to audit returns and to administer the chapter in general.

(6) Requiring the person who receives immediate ownership to make and file returns in those estates in which no executor or administrator has been appointed.

(7) Relieving the executor or administrator of certain tax liabilities.

The bill amends the tax on the transfer of estates, RSA 87, by giving the commissioner of revenue administration additional authority over returns and adjustments to tax.

The bill also amends the transfer tax on the personal property of nonresident decedents, RSA 89, by:

(1) Giving the commissioner of revenue administration new administrative powers over the making and auditing of returns.

(2) Requiring the resident executor or administrator to compute the tax due, and to remit the tax to the department of revenue administration.

(3) Changing from 15 to 9 months the time period within which the taxes shall be due.

The bill also includes the disclosure of returns and return information filed under RSA 86, 87, and 89 within the confidentiality requirements of RSA 21-J.

This bill is a request of the department of revenue administration.

Rep. Donna Sytek spoke in favor and yielded to questions.

Adopted.

Report adopted.

Ordered to third reading.

#### REMOVED FROM TABLE

Rep. Donna Sytek moved that HR 21 be taken from the table.

Adopted.

**HR 21**, affirming revenue estimates for fiscal years 1992 and 1993.

### REMARKS

Rep. Lewis moved that the remarks of Rep. Donna Sytek re: SB 208 be printed in the Journal.

Adopted.

Rep. Donna Sytek: Thank you Mr. Speaker. I rise in support of the Committee report and I urge you to adopt the amendment and also the whole bill. Because there

have been so many questions about this I thought I would stand up and first of all, tell you what this bill doesn't do. There were a lot of questions at the time of the hearing even on the part of the Committee, about what they thought this bill did and what it actually does.

What it doesn't do is raise the rate of the Legacy Tax. The Governor has suggested that it be changed from 15% to 18%. That is not in this bill. The Senate is taking up that matter. We are not dealing with that in this bill. This bill doesn't change the current exemptions under the Legacy Tax. Already, lineal descendants are exempted. Spouses, children, grandchildren, adopted children, step-children and their spouses are all exempted, even foster children if they grew up in your home, are exempted. Brothers who lived with you before you went to the nursing home are exempted. All those people are still exempt. This bill doesn't change that.

What does the bill do? It changes the way the legacy state taxes are collected. Right now, all our taxes in the state except the estate and legacy taxes, are so-called compliance taxes. That means the taxpayer fills out a form and mails in the check. This tax is different because DRA actually does the computation of the tax, says you owe this much, sends you a bill and then you pay it. That's kind of a peculiar way to do it because after all the executor of the estate has to do these same computations for the Probate Court. So at the request of the Probate Court and others who are interested, a committee was formed and over the summer it developed this bill. It sailed through the Senate and it is coming, after a fair amount of examination by the Ways and Means Committee, with a unanimous Ought to Pass recommendation. I would urge you to support it. It doesn't make the drastic changes that the 25 people who called on the day of the hearing thought it made. We have gone through every chapter of this bill, every repeal. We have satisfied ourselves that it is the appropriate thing to do. It is a good idea to have the taxpayer fill out the form for this tax just as they do for any other tax. The passage of this bill will free up three of the people at the Department of Revenue Administration to do audits and to go after tax cheats, instead of doing the grunt work filling out forms for people. I would urge your support.

Rep. Christy: Thank you Mr. Speaker. Unless I'm reading wrong, the old form of joint tenants and right-of-survivorship has gone down the drain. Would you explain that to me, please.

Rep. Donna Sytek: Are you looking at the amendment? As you see, the first sentence of the amendment only changes the word "two" from being written out and changed to an arabic "2". If that is the sentence you are worried about, it is the current law. In the part that you are probably concerned about, says, "this is property deemed transfer taxable under this chapter". Under this chapter, everybody I mentioned before is exempt, doesn't have to fill out a form, doesn't have to do anything. Everybody I listed that is exempt, all those lineal descendants don't have to do a thing. If you are a joint tenant with your nephew, or with your neighbor, then this would apply.

Rep. Christy: In other words, if my wife and I have a joint bank account and I happen to go first, it doesn't automatically go to her unless she pays a transfer, or does it?

Rep. Donna Sytek: We are not changing the current law in which it automatically goes to her. We are not touching that at all.

Rep. Burling: Thank you Mr. Speaker. I have to admit, I'm not prepared, I'm still full of free speech. But I do want to present to you a question that a constituent (an attorney) passed to me a few days ago. Do you worry that the effective appointment of

the executor or administrator of an estate, essentially as the tax collecting agent for the State of New Hampshire, may cause us problems in the probate and managements of estates because people will no longer accept the obligation that we have applied to them?

Rep. Donna Sytek: No, I'm not worried about that all because the executor or the administrator of the estate does not become the tax collector unless there is a tax clause in the will. If the will says, I'm going to leave \$25,000 to my nephew Johnny after taxes, they (the administrator or the executor who is bonded for that purpose) pays the tax and gives \$25,000 to the little nephew. If there is not a tax clause in the will, the executor gives the \$25,000 to Johnny, files the report with DRA saying Johnny is liable for this tax and DRA goes after Johnny.

Rep. Burling: I'm correct am I not that this amendment changes the current law which creates a direct obligation from the obligor, the person who is supposed to pay the tax directly to the state or its department, and it now....., well perhaps you can help me then with the various changes that are in here, because as I read the amendment what we are doing is making the executor or the administrator personally responsible for the taxation.

Rep. Donna Sytek: No, the executor or the administrator is responsible only for filling out the form notifying DRA. DRA goes after these taxpayers the way they go after every taxpayer.

Rep. Martling: I was a member of the study committee to examine probate court reporting requirements. This came about because of the Judge Fairbanks fiasco, he is a fugitive from justice right now. The whole point of the study was to see if we could button up some of the loopholes in the reporting in the probate court proceedings so something like those actions wouldn't happen again. As a result, there were several bills recommended. Two came through Senator Podles as sponsor and Alice Record and I were co-sponsors. We sponsored a couple of bills earlier, but this stemmed from this study committee, which was made up of two Senators, two Representatives, a probate judge, Director of Charitable Trusts, attorneys from the New Hampshire Bar, one representative from the Division of Elderly and Adult Services, the Registrar of Probate, one attorney appointed by the Chief Justice of the Supreme Court, one bank trust officer, a member of the Office of Public Guardian and three other public members. Although this is a technical bill, in which everything you explained is correct, I wanted to give you the background and the reason why it came about. Thank you.

Rep. Donna Sytek: Rep. Martling, I'm glad you gave me the chance to point out that had this law been in effect, we would be in a much better situation if something like the Judge Fairbanks case came up again.

Rep. Lewis: Thank you Mr. Speaker. Rep. Sytek, it says here that the bill also amends the transfer tax on the personal property of non-resident descendants. I have four sons who live in four different states, other than New Hampshire, under this bill they would now be required to pay tax, am I correct?

Rep. Donna Sytek: Rep. Lewis, as Major Hoople said, you're as wrong as a worm on a wax apple. Those sons are exempt and they will still be exempt under this law.

**HOUSE JOURNAL No. 24**

Tuesday, May 21, 1991

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Deputy Speaker.

Prayer was offered by House Chaplain, Henry A. Bearsto.

O God of majesty and power, who brings the beauty of spring and the warming of the days, we thank You for these signs of Your continuing care for Your creation. Make us aware of Your caring presence among us, we pray. Especially we pray for Eleanor Burns and for all others related to this body who are ill. Bless them in their time of need and bring healing to them. Be with us now as we face the work ahead. Cleanse our hearts of impure motives and selfish desires, expand our vision beyond what is to what can be if we will help to make it so, and so inspire us in our actions that some day we may look back upon this session with the knowledge that on this day the people's business was done well. Amen.

Rep. Martling led the Pledge of Allegiance.

## COMMITTEE REPORTS REGULAR CALENDAR

**SB 158**, relative to advanced registered nurse practitioners. **OUGHT TO PASS WITH AMENDMENT.**

This bill was introduced to preserve the Advanced Registered Nurse Practitioners' (ARNP) prescriptive authority in New Hampshire. The United States Drug Enforcement Agency (DEA) filed a rule change that only those with legislative authority to prescribe controlled drugs would be able to receive and hold a DEA number and be able to prescribe controlled drugs. The Committee wanted the delivery of medical services to the residents of New Hampshire to remain as it now is, so far as possible. This bill gives the ARNPs legislative approval to prescribe drugs from the approved formulary within the ARNPs scope of practice. The ARNPs will still have a collaborative relationship with a physician in the medical regimen of a patient. In addition to prescriptive powers, this bill establishes a formulary with protocols for the ARNPs and establishes a council, made up of two from the Nursing Board, two from the Pharmacy Board, two from the Medical Board and one additional physician, to establish a formulary and protocols. The Council must meet at least quarterly and must dispose of items on the agenda within three months. This Council will discuss other matters of mutual interest to the practitioners of the various Boards. This bill was extensively amended from the Senate version and modifies the Board of Nursing by staggering the terms of the Board members and establishes one of the Registered Nurse seats on the Board as one to be held by an ARNP. There are two housekeeping measures in this bill also: (1) continues the present formulary in use until the Council can prepare a new one, (2) repeals an outdated reference to operations of the Laconia State School which closed in February. Vote 16-1. Rep. Merton S. Dyer for Executive Departments and Administration.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. The general court recognizes that a collaborative relationship between advanced registered nurse practitioners and physicians is vital in assuring continued quality health care in New Hampshire. With this goal in mind, the general court finds that a joint health council is necessary to establish a forum in which members of the board of registration in medicine, the board of nursing and the board of pharmacy can discuss matters of mutual interest. The council will decide on any additions or alterations to the A.R.N.P. formulary and determine protocol guidelines.

2 Board of Nursing: Members. Amend RSA 326-B:3, I to read as follows:

I. The board of nursing shall be composed of 9 members to be appointed by the governor with the consent of the council. Suggestions for appointment may be made to the governor by any interested individual, association, or other entity. [The term of office for board members shall be 3 years, and no member of the board shall be appointed to more than 2 consecutive terms.] The members of the board shall include 5 registered nurses, *one of whom shall be an advanced registered nurse practitioner*, 2 licensed practical nurses, and 2 representative members of the public. *The terms of members appointed or reappointed after June 1, 1991, shall be staggered as determined by the governor and council, provided that the A.R.N.P. member shall be appointed to a 3-year term. Three members shall be appointed for a term of one year, 3 for a term of 2 years, and 3 for a term of 3 years. All subsequent terms shall*

*be for 3 years, and no member of the board shall be appointed to more than 2 consecutive terms.*

3 When A.R.N.P. May Prescribe Drugs. RSA 326-B:10, II is repealed and reenacted to read as follows:

II. A registered nurse, legally recognized as an advanced registered nurse practitioner, shall have plenary authority to prescribe medications from the official formulary established by the joint health council established in RSA 326-B:10-a and within the scope of the A.R.N.P.'s practice as defined by the New Hampshire board of nursing based on usual and customary advanced nursing practice standards. Controlled and non-controlled substances shall be prescribed from the formulary according to protocol guidelines approved by the joint health council. The privilege of prescriptive authority may be denied, suspended or revoked by the board of nursing upon proof that the privilege has been abused.

4 New Section; Joint Health Council. Amend RSA 326-B by inserting after section 10 the following new section:

I. The joint health council shall consist of 7 members as follows: the chair of the board of nursing; one member of the board of nursing currently licensed to practice nursing under RSA 326-B and appointed by the chair of that board; the chair of the board of registration in medicine; 2 physicians currently licensed to practice medicine under RSA 329 and appointed by the chair of that board, provided that one of the physicians is a member of the board of registration in medicine; the chair of the board of pharmacy, and one member of the board of pharmacy currently licensed to practice as a pharmacist under RSA 318 and appointed by the chair of that board. The chairmanship of the council shall rotate annually among the chairs of the respective boards. The chair of the board of nursing shall serve as the first chair of the council, the chair of the board of pharmacy shall serve as the second chair of the council, and the chair of the board of registration in medicine shall serve as the third chair of the council.

II. The council shall meet not less than once every 3 months to discuss matters pertinent to the A.R.N.P. formulary and matters of mutual concern to the board of registration in medicine, the board of nursing and the board of pharmacy. Each of the 3 boards may submit items to be assigned to the agenda for every meeting of the council. Any items on the agenda not addressed at a particular council meeting shall be decided at the next meeting of the council.

III. The duties of the joint health council shall include, but not be limited to, adding or altering the list of controlled and non-controlled substances on the A.R.N.P. formulary and approving protocol guidelines for A.R.N.P. prescription of both controlled or non-controlled substances deemed necessary by the council. Decisions on such additions or alterations shall be rendered within 3 months of initial consideration by the council and shall be determined by an affirmative vote of at least 5 members of the council.

5 Continuance of Existing Formulary. The formulary presently jointly agreed upon by the board of registration in medicine and the board of nursing and administered by any advanced registered nurse practitioner shall remain in effect until the joint health council established pursuant to RSA 326-B:10-a convenes and issues a decision on the formulary to be adopted by the board of nursing.

6 Repeal. RSA 326-B:17, VII, relative to Laconia developmental services direct care employees, is hereby repealed.

7 Effective Date.

I. Sections 1-5 of this act shall take effect 90 days after its passage.

II. Section 6 shall take effect upon its passage.

Rep. Dyer spoke in favor.

Adopted.

Rep. Dyer offered a floor amendment.

### **Floor Amendment**

Amend the bill by replacing section 7 with the following:

Ward for Executive Departments and Administration.

### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to the division of information services  
and establishing a committee to study  
data based management issues.

Amend the bill by replacing all after section 1 with the following:

2 New Section; Data Based Management Advisory Committee. Amend RSA 21-I by inserting after section 40 the following new section:

21-I:40-a Data Based Management Advisory Committee. There is hereby established an advisory committee to advise the commissioner of the department of administrative services regarding data based management issues including, but not limited to, detailed operational procedures and hardware and software acquisition criteria. The committee members shall be as follows:

I. The speaker of the house of representatives, or designee.

II. The president of the senate, or designee.

III. The governor, or designee.

IV. Two members of the house of representatives, appointed by the speaker of the house of representatives. The speaker may appoint alternates for these positions.

V. Two members of the senate, appointed by the president of the senate. The president may appoint alternates for these positions.

VI. The commissioner of the department of administrative services who shall act as chairman of the committee.

3 Position Abolished. The unclassified position of director of the division of information services is hereby abolished when the current incumbent resigns or when his commission expires, whichever is earlier.

4 Effective Date. This act shall take effect upon its passage.

### AMENDED ANALYSIS

This bill extends the division of information services, department of administrative services' moratorium on purchasing or leasing computer hardware and software.

This bill also establishes an advisory committee to advise the commissioner of the department of administrative services regarding data based management issues, including detailed operational procedures and hardware and software acquisition criteria.

This bill also abolishes the unclassified position of director of the division of information services, upon the death, resignation, retirement or termination of the incumbent.

### INTRODUCTION OF HCR

Its introduction having been approved by the Rules Committee, Reps. Gross and Michael Hill offered the following:

**HCR 14**, adopting joint rules relative to committees of conference.

Resolved, by the House of Representatives, the Senate concurring:

That the General Court adopt the following joint rules for 1991:

Joint Rule 1. Bills Indefinitely Postponed Not to be Admitted. No bill which has been indefinitely postponed shall be admitted under color of amendment by a committee of conference or otherwise.

Joint Rule 2. Committees of Conference.

(a) Whenever there be any disagreement between the Senate and the House on the content of any bill or resolution, and whenever both bodies, voting separately, have agreed to establish a committee of conference, the President of the Senate shall appoint three members to the Senate conference committee on the bill and the Speaker of the House shall appoint four members to the House conference committee. Exceptions: (1) the House committee of conference on the operating budget shall consist of five members; (2) the number of the members of the committees of conference on any bill may increase or decrease if the President and the Speaker both agree. The two committees of conference on a bill shall meet jointly but vote separately while in conference. A unanimous vote by both committees of conference shall be necessary for an agreed report to the Senate and the House by the committees of conference.

(b) The first-named person from the body where the bill or resolution in disagreement originated shall have the authority to call the time and place for the first meeting of the committees of conference on said bill.

(c) The first-named person on a committee of conference shall be the chairman of that conference. The chairman of the committee of conference of the body where the bill or resolution in disagreement originated shall chair the joint meeting of the committees of conference.

(d) No action shall be taken in either body on any committee of conference report earlier than some subsequent day, after the report has been delivered to the seats or placed on a member's desk. A committee of conference may neither change the title of any bill submitted to it nor add amendments which are not germane to the subject matter of the bill as originally submitted to it.

(e) Conference Committees on Budget Bills. The report of each committee of conference on either the general appropriation bill, or the capital improvements bill shall be printed in the journal or a supplement thereto of the appropriate body before action on said report is taken on the floor. Non-germane amendments, sections and footnotes to such bills (except footnotes in explanation of the principal text of such bills or designating the use or restriction of any funds or portions thereof) are prohibited and shall not be allowed under any circumstances. Notwithstanding the general provisions of paragraph (h) of this section, the Conference Committee on general appropriations bill may propose new items for inclusion in said bill but no such item may be so included unless and until it shall have been returned to both the Senate and the House and adopted in identical form by a majority vote in each body.

(f) When both committees of conference on a concurrent resolution proposing an amendment to the constitution have agreed, the committee of conference from the body which acceded to a request for committees of conference shall file its report with the clerk of that body who shall print it in full in the journal or supplement of that body. The report shall be made a special order of business at the late session of a subsequent day. After said report has been adopted by the first body, a message shall be transmitted to the second body which shall then act upon the report of its committee of conference.

(g) A sponsor of any bill or joint resolution referred to committees of conference shall, upon his request, be granted a hearing before said committees prior to action thereon.

(h) No member of a committee of conference shall sign any report that contains non-germane amendments or subject matter that has been indefinitely postponed in either body. For the purposes of this rule, a non-germane amendment would be any subject matter not contained in either the House or the Senate version of the bill.

Rep. Gross spoke in favor.

Adopted.

Rep. Lozeau offered a floor amendment.

#### **Floor Amendment**

Amend paragraph (h) of Joint Rule 2 by replacing it with the following:

(h) No member of a committee of conference shall sign any report that contains non-germane amendments or subject matter that has been indefinitely postponed or found inexpedient in either body. For the purposes of this rule, a non-germane amendment would be any subject matter not contained in either the House or the Senate version of the bill.

Amend Joint Rule 2 by inserting after paragraph (h) the following new paragraph:

(i) Any matter which has been re-referred by either body shall not be amended to any bill in a committee of conference unless approved for inclusion by the standing committee to which the bill was re-referred.

Rep. Lozeau requested that the question be divided.

The Chair ruled that the question was divisible.

The question was on section (h) of the floor amendment.

Rep. Lozeau spoke in favor.

Rep. Gross spoke against and yielded to question.

Section (h) lost.

The question was on section (i) of the floor amendment.

Rep. Lozeau spoke in favor.

Section (i) was adopted.

Amended report adopted.

Ordered to third reading.

### REMARKS

Rep. Skinner moved that Rep. Grodin's remarks on HB 391-FN be printed in the Journal.

Adopted.

Rep. Grodin: Thank you Mr. Speaker. Members of the House, if we concur with the Senate amendment we will have approved of something very important for the cities and towns in the effort to keep property taxes down. This, to a number of us, is a very historic moment. Four times the House overwhelmingly passed an impact fee bill only to find it defeated by the Senate. This is the fifth time, and this time the Senate amendment is something that we can concur with. I ought to take a moment to acknowledge some of those responsible for this legislation. I'd like to begin with Rep. Len Smith, who five or six years ago introduced the first impact fee bill. The co-sponsors of this bill did more than just sign on. Sen. Currier led the fight in the Senate. William McCann, Bob Wheeler and Susan Spear did yeoman work. This bill also had the support both overtly and behind the scenes of both the Minority Leader

and the Majority Leader. Finally, and most importantly, Rep. Wadsworth. Two years ago, Karen chaired a House/Senate Study Committee. We thought that was an exercise in futility but it turned out the work that committee did actually formed the basis of the Senate amendment. Over the past two years Karen has written articles, given speeches and had more interviews than I can count. She deserves the lion's share of the credit for spreading the word and the resulting strong support that impact fee legislation has among the cities and towns of New Hampshire. Fellow representatives, I ask the privilege of asking you to join me in support in expressing your appreciation to those Democrats and Republicans who have given such strong support and final passage of impact fee legislation. Thank you.

### COMMITTEE REPORTS CONSENT CALENDAR

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

Consent Calendar adopted.

**SB 119-FN**, relative to the business profits tax, the real estate transfer tax, and the communications services tax. INEXPEDIENT TO LEGISLATE.

The original bill made technical corrections to the Business Profits Tax, which the Committee previously incorporated into HB 322. The Committee had held a hearing on a proposed amendment to SB 119, which would establish a business receipts tax. However, this subject matter is now being placed in HB 40, which has been admitted by the Rules Committee. Vote 17-0. Rep. Robert C. Hayes for Ways and Means.

**SB 181-FN**, relative to the number of winner take all bingo games allowed on one game date. **OUGHT TO PASS WITH AMENDMENT.**

In addition to increasing from two to four the number of winner take all bingo games, this bill increases license fees for distributors of Lucky 7 tickets. The estimated new revenue of \$245,500 in FY 92 and \$470,000 in FY 93 will be distributed to local school districts as Foundation Aid. The amendment, which was requested by the Governor, sets up a Committee to evaluate whether statutes relating to Las Vegas nights need to be tightened up in view of the proliferation of these types of events. Vote 17-0. Rep. Donna P. Sytek for Ways and Means.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to the number of winner take all bingo games allowed  
on one game date and establishing a committee to  
study certain gambling events.

Amend the bill by inserting after section 4 the following and renumbering the original section 5 to read as 6:

#### **5 Committee Established.**

I. There is hereby established a 9-member committee, consisting of 2 members of the senate, appointed by the president of the senate; 2 members of the house of representatives, appointed by the speaker of the house of representatives; one member from the department of safety, appointed by the commissioner of safety; the executive director of the sweepstakes commission; one member from the department of justice, appointed by the attorney general; and 2 members from the general public, appointed by the governor. The committee shall elect a chairman from among its membership.

II. The committee's study shall include, but not be limited to, Monte Carlo nights and Las Vegas nights; whether or not the current statutes relative to these activities need further changes; and any other matters relative to these activities that may be of concern to the committee.

III. The committee members shall serve without compensation, but the legislative members shall receive legislative mileage.

IV. The committee shall report its findings and recommendations for legislation to the president of the senate, the speaker of the house of representatives, and the governor, on or before November 1, 1991.

#### **AMENDED ANALYSIS**

This bill increases from 2 to 4 the number of winner take all bingo games which a charitable organization may conduct on any one game date in which the total amount paid by the players is divided among the winners of that game, after the payment of a 7 percent state tax on the winnings.

This bill increases various license application fees relative to the operation of bingo and lucky 7 games.

The bill also establishes a committee to study certain gambling events.

Rep. Ferlan wished to be recorded in opposition to Sections 1 through 4 of the bill but in favor of Section 5.

**REGULAR CALENDAR**

**HB 785-FN-A**, relative to the state's purchase and renovation of land and buildings in the capitol area government center and making an appropriation therefor. **OUGHT TO PASS.**

This bill authorizes the Department of Administrative Services to acquire and renovate land and buildings of New Hampshire Savings Bank with a cap of five million dollars. It authorizes the Treasurer to issue the necessary bonds and notes. It also establishes a committee to study future utilization of the property. The act takes effect July 1, 1991. Vote 11-6. Rep. Channing T. Brown for Appropriations.

Rep. Laughlin spoke against.

Rep. Welch offered a floor amendment.

**Floor Amendment**

Amend the bill by replacing section 2 with the following:

2 Department of Administrative Services; Capitol Area Government Center; Appropriation. A sum not exceeding \$5,000,000 for the fiscal year ending June 30, 1992, is hereby appropriated to the department of administrative services for the sole purpose of acquiring, renovating, and rehabilitating land and buildings suitable for general office space in the capitol area government center. Within the limits of the appropriated amount, the department of administrative services is authorized to negotiate the purchase of such land and buildings. Prior to occupancy of such land or buildings, the state of New Hampshire shall discontinue renting other office space, the square footage of which shall be equal to the amount to be occupied by the state in such land or buildings. Such purchase agreement may include an arrangement for leasing back a portion of the land or buildings acquired to the seller. Plans for the acquisition, renovation, rehabilitation and occupancy of any land or buildings to which this section is applicable shall receive prior approval from the governor and council and the joint committee on legislative facilities. After expenditures are approved by the governor and council and the joint committee on legislative facilities, the resulting contracts shall receive such review and approval as required by state law. This appropriation shall be nonlapsing and is in addition to any other funds appropriated to the department of administrative services.

Rep. Welch spoke in favor and yielded to questions.

Rep. Trombly spoke against the bill.

Rep. Gross spoke against the amendment and yielded to questions.

Roll call request sufficiently seconded.

The question being the adoption of the floor amendment.

and the bill was ordered to third reading.

Reps. Douglas Hall and Teague abstained from voting under Rule 16.

**SB 129-FN**, establishing a study committee on sale and distribution of cigarettes. **INEXPEDIENT TO LEGISLATE.**

This bill is somewhat vague as to what perceived problems the proposed study committee would be charged with solving. Specific problems, if there are any, should be addressed through specific legislation. The issues raised do not require us to create another study committee. Vote 15-1. Rep. Donna P. Sytek for Ways and Means.

Rep. Perham moved that SB 129 be made a Special Order for May 29, spoke in favor and yielded to questions.

Rep. Maviglio spoke against and yielded to questions.

Rep. Gross spoke in favor and yielded to questions.

Rep. Jacobson spoke against.

On a division vote 144 members having voted in the affirmative and 206 in the negative, the motion to Special Order failed.

Adopted.

**SB 213-FN-A**, relative to the distribution of meals and rooms tax revenue. **INEXPEDIENT TO LEGISLATE.**

At first and second blush, this bill received serious consideration because it does address the revenue problem of local government. However, it assumes that future economic conditions will be favorable enough that the state can divert tax collections to local government. The Committee felt this was too uncertain an assumption on which to base such a change in tax revenue distribution. Vote 13-5. Rep. David M. LaMar for Ways and Means.

Rep. Donna Sytek moved that the words Re-refer to Committee be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. LaMott spoke in favor.

Rep. O'Rourke spoke in favor.

Adopted.

The Rules Committee offered the following:

**HR 23.** Amending House Rules as prescribed by House Resolution No. 1 Rule 34(c)

Amend the House Rules by inserting after 34(c) the following:

Introduction of Bills in the Second-year Session

34(d)

1. *JULY 1, 1991* - Deadline for publication by the House Clerk of certain first-year session bill titles.

The House Clerk shall publish lists of all bills which have been killed or re-referred in the first-year session, and all bills passed in the first-year session which created study committees due to report by November 1, 1991.

Publication shall be in the House Calendar. The listings shall be both in numerical order by bill number/title, and by subject by bill number/title.

2. *SEPTEMBER 3, 1991* - First day that requests for drafting of bills, including all supplementary or necessary drafting information for introduction in the second-year session may be filed with the Office of Legislative Services.

The Office of Legislative Services shall identify LSRs in language which makes clear the intent of the bill. LSRs, with the name(s) of the sponsor(s), shall be published by the Office of Legislative Services in the House Calendar.

The Speaker of the House shall adjudicate any disagreement concerning the publication of LSRs that may arise between bill sponsors and the Office of Legislative Services.

A request shall not be accepted to draft any bill which is the same, or essentially the same, as any bill killed or re-referred in the first-year session unless approved for drafting and introduction by a majority vote of the House Rules Committee or a two-thirds vote of the House.

A request shall not be accepted to draft any bill which is the same, or essentially the same, as any other drafting request already accepted by the Office of Legislative Services for introduction in the second-year session, unless approved for drafting and introduction by a majority vote of the House Rules Committee or by a two-thirds vote of the House.

However, the name of the House member whose LSR request was denied due to duplication may be substituted on request for that of the original sponsor should the original sponsor withdraw his/her drafting request prior to the deadline for sign-off of the bill.

3. *SEPTEMBER 16, 1991* - Final day to file state-agency bill-drafting requests.

4. *OCTOBER 1, 1991* - Final day to file bill-drafting requests for all other bills.

5. *OCTOBER 15, 1991* - The final day to sign off all agency bills shall be 10 calendar days after receipt by the sponsor of the draft legislation from OLS, or October 15th, whichever day is earlier.

6. *NOVEMBER 10, 1991* - Final day for sign off of study committee bills shall be 10 calendar days after receipt by the sponsor of the draft legislation from OLS, or November 10th, whichever day is earlier.

7. *NOVEMBER 15, 1991* - The final day to sign off all bills requiring fiscal notes (FNs) shall be 10 calendar days after receipt by the sponsor of the draft legislation, or November 15th, whichever day is earlier.

8. *NOVEMBER 22, 1991* - The final day to sign off all other bills shall be 10 calendar days after receipt by the sponsor of the draft legislation, or November 22nd, whichever day is earlier.

9. *DECEMBER 16, 1991* - Final day for the publication of all bills

Rep. Michael Hill spoke in favor and yielded to questions.

Adopted.

**HOUSE JOURNAL No. 27**

Wednesday, June 5, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by guest Chaplain, Rev. Bernard J. Campbell from the Ministry for Persons with Disabilities.

Let us pray, Your ways, O Lord, make known to me; teach me Your paths, guide me in Your truth and teach me, for You are God my savior. Almighty and eternal God, You have revealed Your glory to all nations. God of power and might, wisdom and justice, through Your authority is rightly administered, laws are enacted, and judgment is decreed. Let the light of Your divine wisdom direct the deliberations of our New Hampshire State Legislature. Let Your wisdom and justice shine forth in all the proceedings and laws framed for our rule and government. May the members of the Legislature seek to preserve peace, promote the happiness of our State, and continue to bring us the blessing of liberty and equality. We thank You for the livelihood we enjoy as citizens of this State. We are grateful that our land is founded upon the rock of liberty and built with the hopes and dreams of rising generations in mind. We pray for His Excellency Judd Gregg, the governor of this fair state. We lift before You now Members of the Executive Council, Courts of Law, Elected Civil Officials, and all others, who are entrusted to guard our political welfare. We also commend to Your unbounded mercy all the citizens of New Hampshire. May we be blessed in the knowledge and sanctified in the observance of Your holy law. May we be preserved in union and that peace which the world cannot give; and after enjoying the blessing of this life, be admitted to those which are eternal. We pray to You, who are Lord and God, for ever and ever. Amen.

Rep. Lionel Johnson led the Pledge of Allegiance.

RESOLVED, that Laurel Thatcher Ulrich receive the highest of accolades for her literary contribution to the world of history, and that a suitable copy of this Resolution be prepared for presentation to her.

Adopted.

Professor Ulrich presented the Speaker with a signed copy of her book for the State Library.

**TREASURER'S REPORT**

The Sergeant-at-Arms introduced State Treasurer, Georgie A. Thomas, who addressed the House.

Mr. Speaker, members of the General Court, thank you for the invitation to address the House on some important questions surrounding debt management. Majority Leader Gross has asked me to cover three specific areas; that is:

1. What the current issue we're marketing represents and how this issue is viewed by the rating agencies.
2. What do the rating agencies think of New Hampshire and why.
3. What do the agencies think of the various bonding proposals currently under consideration.

The first topic is by far the simplest. The issue we presently intend to market before the end of the month is composed of the authorizations included in Chapter 4 of the laws of 1991, the 20 million dollars initially appropriated for the Land Conservation Investment Program in 1987 and \$4.2 million for the capital reserve account established in the same year. The balance, some 13.8 million dollars, is for previously authorized capital projects such as Department of Corrections Phase V, Equipment for Liquor Commission and Revenue Administration, and Ski operations for Department of Resources and Economic Development. Funds have been expended but these projects have yet to be bonded. In the post tax reform world, we seldom bond in anticipation of expenditures.

The rating agencies recognize the 24.2 million dollars of this issue for what it is; a restoration to surplus of capital items previously expended. The 13.8 million dollars is a normal borrowing which would have been funded through a bond anticipation note prior to our usual issuance in November or early December of capital improvement bonds.

Unfortunately the timing of this issue could be better. The issue itself occasions a review of the State at a time when a budget for the biennium is not in place and still very much under discussion. In addition, revenues have fallen below projections in March and April while May was saved by a timing difference, no doubt at the expense of June's results. However, we cannot postpone the issue. We must go to market by June 30 for cash flow reasons and to include the 24.2 million dollars in 1991 results as authorized in Chapter 4.

Now to the less obvious areas I've been asked to discuss. It's helpful to examine the rating agencies' view of New Hampshire in both an historical and technical context. Beginning with the technical, many of you have heard me mention the four ratios which play a significant part in the Rating Agencies' analysis. First, there is per capita debt or how much debt per person has the State issued. All the agencies agree that New Hampshire's debt load is manageable, moderate, or at the median. Second, we discuss debt to personal income. Like per capita debt, this is a measure of debt burden to wealth and ability to pay. Again the debt load is perceived to be manageable or moderate. Third, we have debt to estimated full value of the real property here in the State. It also is a wealth measure, but given the condition of the real estate sector it may not be viewed as accurate in this economic environment. Finally, the most important ratio is general fund debt service to general fund revenues. Without discussing absolute levels, through June 1990 all four ratios have been stable at relatively low levels for the past five years. However, the single most important factor in the credit analysis is the results of operations, which impacts most immediately and most directly the most important ratio, debt service to revenues.

Let's step back for a moment and review how the State arrived at its present rating. Many of you in this room lived through that period. Until March 1982, New Hampshire enjoyed a triple A rating when the State was downgraded to a double A. Successive operating deficits in fiscal years 1980 and 1981 combined with a generally negative economic climate certainly caused the re-evaluation of the State's credit worthiness. Continued perceived weakness through fiscal 1982 sent the rating to A1 in

July 1982, a precipitous decline in a very short period of time. The successive deficits resulted in several draconian measures being taken to bring fiscal operations into balance; expenditures were reduced, and taxes raised. New management tools such as the integrated financial system were introduced. And finally, in 1986, the legislature enacted the revenue stabilization reserve account, the "rainy day fund" effective July 1, 1987. These and subsequent actions which generated, at the minimum, a balanced budget, aided and abetted by a booming regional economy, enabled the State to climb by October of 1988 to AA1, AA+ credit rating; almost, but not quite, regaining the triple A.

To date we have managed to retain our rating. New Hampshire's willingness to act has earned us a great deal of credibility in the financial community at large in the face of an economic climate that is stagnant at best. Moody's Investors Service, the agency which lowered our rating in 1982, recognizes that the State has taken steps in three successive years to control a fiscal situation in which revenues continue to erode while expenditure demands continue to increase. Fitch Investors Service, a new Rating Agency name captained by a familiar face in Claire Cohen, cites remedial actions taken in the context of a severe regional economic downturn. Standard & Poor's ratings group views our debt burden as low, our tax burden as low, and our yearly deficits as relatively small. Further, New Hampshire's past willingness to provide the level of revenues necessary to meet the level of expenditures has enabled the State to retain its AA+ from Standard & Poor's. These, in Standard & Poor's view, are the plusses. On the negative side of the ledger the list is longer. And I quote:

1. Expenditures have exceeded revenues every year since 1987.
2. A fund balance deficit occurred in 1990 and 1991 and under some scenarios will occur again in 1992.
3. Short term borrowing in 1990 and 1991 (the first since 1984) will be necessary again in early 1992 and is likely to recur again in fiscal 1993 because of continuing cash weakness.
4. The "Rainy Day Fund" was depleted in fiscal 1990, with no likelihood of replenishment in the foreseeable future. The fund was a key factor in Standard & Poor's upgrade to AA+.
5. The budget for 1992-93, while not overly optimistic, relies on a significant improvement in BPT collections. This improvement is necessary just to break even.
6. The economic performance has been much weaker than expected and not likely to see any strong rebound for some time.

What does all this mean for our credit standing? Without 100 percent certainty, it appears that Fitch and Moody's may, only may, place New Hampshire's continuing efforts in a larger regional and comparative context, and with the passage of a balanced budget, keep the rating at its current levels. Standard & Poor's does not want to place us on their "credit watch" list and see the budget process fail (as they would define it) and be forced to downgrade immediately thereafter. Their requirements are quite clear. Enact a balanced budget with a positive fund balance for fiscal 1992, and start to restore the revenue stabilization account during fiscal 1993, without the use of fiscal sleight of hand.

To return to specifics and Representative Gross's third area for discussion, what do the agencies think of bonding (1) sewer grants and school building aid, (2) revenue sharing, and (3) deficit financing.

On the sewer grants and school building aid, the precedent exists in other states such as Connecticut and Michigan, and the argument can be made that both uses are

capital in nature (like the Land Trust and the capital reserve account). Standard & Poor's actually thought this might be a good idea as a one-shot measure, to be retired over the short term. Fitch stressed the need to make this a non-recurring event. Moody's expressed no direct opinion. I conclude that this borrowing would not by itself cast our credit rating in an unfavorable light.

The same cannot be said for the last two categories of borrowing. In fact, there are no differences between the two from a Rating Agency perspective. Both are borrowing to finance operations. In certain circumstances in the past, deficit financing occasionally was acceptable to credit analysts; i.e. did not result in a downgrade when the financings were part of a comprehensive financial plan that provided for fiscal balance primarily through ongoing revenue increases and spending cuts. Such was the case in Vermont in 1984 and West Virginia in 1989. Interestingly, it was Moody's, then led by Claire Cohen, who maintained the ratings. The circumstances under which a deficit financing might be acceptable include:

1. The borrowing is only one component of a comprehensive financial plan that relies ongoing revenue increases and expenditure cuts.
2. The amount of the borrowing is small relative to the revenue and expenditure components of the plan.
3. The term of the borrowing is relatively short but long enough so that debt service is manageable.
4. The economic environment is such that closing the gap with revenue increases alone would severely hamper economic recovery.
5. The gap is so large that the size of the expenditure reductions would prevent the government from providing essential services.

On the other hand many more states have been downgraded when deficit borrowing programs were instituted, ranging from Connecticut to Washington, and by both Moody's and Standard & Poor's.

Ongoing discussions with the rating agencies as recently as yesterday have elicited the following reactions:

Fitch (Claire Cohen in her new role) believes that scenarios exist where a deficit borrowing could be combined with other fiscal measures to clear past deficits.

Moody's focuses on how the overall deficit question is resolved on a permanent basis. If the deficit borrowing is a manifestation of the government's failure to deal with fiscal problems, such borrowing becomes a matter for "paramount concern," which is about as definitive as Moody's gets before the fact.

Standard & Poor's is much less equivocal. The agency does not like revenue anticipation notes even to balance out timing differences. To quote a letter received from them on June 4, "In response to your questions this afternoon, I can safely tell you that the rating committee at Standard & Poor's feels that the prospect of deficit financing by New Hampshire is not consistent with the high rating of "AA+" currently enjoyed by the State. As you know we have been concerned with the State's budget and financial trends, and deficit financing to solve them would likely result in a lowered credit rating. I can also say, with safety, that any issuer contemplating deficit financing as a "solution" to budget imbalance, is likely to put its rating at risk for a downgrade. One only has to look at your neighbors in Massachusetts and Connecticut for examples of our rating views for such proposals."

Lastly, why do we care? I have heard it expressed that the impact of a lower rating may be minimal. Loss of the credit rating on this \$38 million issue may cost the State a million or two dollars over the life of the issue. But this is only step one. A lowering

of the State's credit rating costs not only the State but the Municipal Bond Bank and the local governments as the rating for both state guaranteed and non-guaranteed debt also is lowered. In addition, every subsequent borrowing carries that same or larger penalty. Short term notes also are affected. The extra borrowing costs, which could accumulate to tens of millions of dollars, would absorb funds which could be utilized for other purposes, competing in an unproductive fashion for a portion of the revenue stream.

No agency has indicated that a downgrade would consist only of losing the plus or the 1 from the double A; New Hampshire has been as low as A1 before. In a worse case scenario, the State eventually could be denied access to the capital markets. This sounds apocalyptic, but in June 1983, there was a real question as to whether or not the State could rollover its outstanding revenue anticipation notes in the public credit markets. To avoid the possibility of a failed sale, the State privately placed 40 million dollars in notes with institutional investors. This is not a comfortable situation; the only time an issuer knows it has lost public market access is after the fact.

In no way does this imply that the State of New Hampshire does not enjoy full market access and will continue to enjoy that access. But a downgrade could set us on the slippery slide to "1983 revisited" and that is why we should care.

### BUDGET BRIEFING

As prescribed by the Rules, Rep. Gross, Chairman of the Committee of Conference on HB 25, the Operating Budget, briefed the House on the Senate version of the budget as follows:

As the first-named member of the Committee of Conference on the House Operating Budget, I am working closely with the members of that Conference Committee and with the members of the Ways and Means Committee of Conference, chaired by Rep. Donna Sytek, which has been sent the revenue bills that are still alive and have passed both bodies in one version or another.

The situation that we are facing in conference committee is as bad as I have seen it since I first walked through the doors of this State House in December of 1966 as the new secretary to the person who held the title then for the job I now hold.

Last Wednesday, I stayed with the Senate until they finished just before midnight of Memorial Day morning. When the Senate voted to turn down the House-passed proposals to increase court fees for 10 million dollars for the biennium and to raise the BPT to nine percent for 30 million dollars, the gap between the House budget (which is the lowest net spending proposal of the three - the House, the Governor and the Senate) and revenues available to fund it grew to about 150 million dollars when the Senate killed these two bills. This is the size of the gap before the House and Senate Ways and Means Committees agree on revenue estimates for the current fiscal year 1991 and the upcoming fiscal years 1992 and 1993. Their agreement will probably result in a gap that is more than 150 million dollars.

House budget conferees are willing to consider - indeed are actively seeking - any specific budget cuts that can help with this problem. But, having tried to do it myself, I must advise you that the level of cuts we can make, without shifting the cost down to the businesses and families who pay property taxes are limited as are the cuts we can make without seriously damaging the ability of the state government to function at a very basic level. The current level of state government spending, a level all three parties agree we can no longer afford, already has been cut. It was cut by six million dollars worth of personnel layoffs in a budget bill we passed. Through executive orders put out by the Governor and approved by the Fiscal Committee, we cut an additional nine percent in personnel and three percent in anything else we could find. So even assuming that the Senate would agree to additional budget cuts, budget cuts can, at best, be seen as only part of the answer. They cannot be the entire answer.

Among the other options available to us are the taxes voted by the Senate instead of court fees and the BPT increase. These taxes - a three percent increase in the estate and legacy tax and reimposition of the telephone property tax, which we repealed when we passed the new telecommunications tax, are items that we must look at seriously because they are among the few choices still open to us. But even if the House agrees with the Governor and the Senate and passes both these taxes, they will raise only 34.4 million dollars instead of the 40 million dollars the Senate refused to accept. Adoption of both these Senate proposals will still mean we are short by about 115 million dollars.

The Senate has a proposal for this, too. Specifically, they have proposed in their version of the budget to cover a gap that is roughly the same size with two types of bonding, and the treasurer has just addressed these.

First, the Senate has proposed that we bond capital type projects for localities. This includes not only the state share of water pollution projects, but the state share of school building aid as well. Together, these proposed bonds would cover about 66 million dollars worth of expenditures.

Secondly, there is no other way to say it, the Senate proposes that we bond the remaining operating deficit in the amount of approximately \$40 million for the bien-nium.

Because these choices are among the options still remaining to us we also have to look at them seriously and that is why the Speaker invited the State Treasurer to talk to us today.

Here, then, are the choices currently before us - none of which taken either singly or together do I believe are a satisfactory solution to support the House level of spending, let alone the Governor's or the Senate's. They are:

1. Pass the estate and legacy tax for 10.4 million dollars, and, in addition
2. Pass the telephone property tax for 24 million dollars, and, in addition
3. Bond school building aid and water pollution grants at 66 million dollars (which all adds up to 98.4 million dollars) and, in addition
4. We cut spending and/or bond operating costs to make up the difference which is a minimum of 50 million dollars to fund the House version before we revise our revenue estimates downwards which is going to happen probably this afternoon. And to the extent that we will have to compromise with the Senate whose level of spending is higher, any compromises made must be added to the gap. This is why the Committee of Conference on the Operating Budget has not made significant progress to date.

I cannot not see how a package that looks like this will be accepted in its entirety by this House. Downshifts to the property tax have never been acceptable on this House floor. Nor can I imagine that even in a real crisis - which this is - that this House will agree to bond basic operating costs.

To get a budget in place - and we must have one and we must have it soon - we need other options. Our Ways and Means Committee, has a clean vehicle in House Bill 40. It is the only revenue bill that is not in conference committee and it is thus available for amendment by this body to give us additional options. Committee of Conference Reports, as you know, must be voted up or down as a whole. House Bill 40, on the other hand, is a vehicle which can still come to this floor and permit the House to divide the question and vote separately on whatever it contains. Ways and Means is still looking at bringing us other options, but they have to bring them to us by next week. At the present time we are still in a situation where our major problem is the amount of revenue that we can agree on that will be available to fund the budget.

The decisions to be made with respect to both revenue and spending are decisions which now must be made in a matter of days. I don't know how else to say it.

#### CONFEREE CHANGE

**HB 341**, relative to a foundation aid formula study committee and establishing a maximum equalization factor for the foundation aid formula. Rep. Hoelzel replaces Rep. Corte.

**(Rep. Chambers in the Chair)****SENATE MESSAGES  
CONCURRENCE**

**HB 561**, enabling towns to limit reconsideration of town meeting votes.

**HB 622-FN**, relative to a debt management plan.

**HB 649-FN**, relative to the cigarette tax.

**NONCONCURRENCE**

**HB 592-FN-A**, relative to court fees.

**RECONSIDERATION**

Having voted with the prevailing side, Rep. Donna Sytek moved that the House reconsider its action whereby it nonconcurred with the Senate amendment to HB 353-FN-A and requested a committee of conference, and spoke in favor of her motion.

Reconsideration prevailed and the question was concurrence with the Senate amendment.

Wednesday, June 12, 1991

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by David Lamarre-Vincent, Executive Director of the New Hampshire Council of Churches.

As seekers after the truth, O God, we confess the hesitancy and inconstancy which hinder us in our search. That which we find is often unwelcome and uncomfortable; we evade the truth and reassure ourselves by self-deception, clinging to old familiar errors or cherishing the lie in the soul. The problems of our time are bewildering; let us not take refuge in evasion and indifference. Renew our candor and our courage and our courtesy in the deliberations of this day. Amen

memorializing State Representative Lester R. Perham of Milford

WHEREAS, we have learned with great sorrow of the death of our distinguished colleague, Lester R. Perham, who was in the midst of his fourth consecutive term as an honorable member of the New Hampshire House of Representatives, and

WHEREAS, throughout his seven years of legislative service, Lester R. Perham sat as an esteemed member of the Standing Committee on Fish and Game, serving the two most recent terms as the esteemed Chairman, and

WHEREAS, having been blessed with an abundance of community spirit and the credentials of leadership, Lester R. Perham served the voters of Milford as Supervisor of the Checklist, as a member of the Budget Committee, and as Chairman of the School Building Committee, and

WHEREAS, having been a native New Hampshire son who was born in the Town of Greenfield, Lester R. Perham lived nearly his entire life in Milford, a community that occupied a special place in his heart, and

WHEREAS, Lester R. Perham did serve honorably in the United States Navy during World War II, and later served three terms as an American Legion Post Commander, now therefore be it

RESOLVED, by the House of Representatives in Regular Session convened that Lester R. Perham be granted highest praise and recognition for his dedicated and exemplary legislative and community service, and be it further

RESOLVED, that expressions of heartfelt sympathy be extended to his family, and that a suitable copy of this Resolution be prepared for presentation to his family.

### COMMUNICATION

June 11, 1991

James A. Chandler, Clerk, N.H. House of Representatives

This is to advise you that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Rockingham County District No. 5 (Auburn, Chester, Sandown)

Henry E. Wells, r, Sandown (122 Wells Village Rd.) 03873

William M. Gardner, Secretary of State

### COMMITTEE REPORTS REGULAR CALENDAR

**HB 41**, relative to setting the moose season. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, gives the Fish and Game Director the authority to extend the moose season and to work with the Departments of Transportation and Safety to address the problems on our highways. Vote 19-0. Rep. Lester R. Perham for Fish and Game. (report signed 6/5/91)

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to setting the moose season and reducing collisions between moose and motor vehicles.

Amend the bill by replacing all after the enacting clause with the following:

1 Taking of Moose: Hunting Season Extended. Amend RSA 208:1-a, I to read as follows:

I. No person shall hunt, take, or have in his possession any moose or any part of the carcass of a moose taken in this state without first obtaining a valid license for such activities from the department of fish and game. The executive director of fish and game, with the consent of the commission, may establish, by rules adopted under RSA 541-A, a hunting season [of up to 3 consecutive days] for moose in any county of the state, or any portion thereof. Such rules shall include, but not be limited to, the mode by which moose may be taken; the length of the season; requirements for reporting by hunters; sex limitations; and total take in any one year[. which may not exceed 75 the first season]. *The authority of the executive director as granted by this section shall expire on December 31, 1996, except that such authority shall permit the executive director, with the consent of the commission, to set the opening date of hunting season for moose for 1997.*

2 Report. The executive director of the department of fish and game, in conjunction with the commissioner of the department of transportation and the commissioner of the department of safety, shall prepare a report for the speaker of the house of representatives and the president of the senate. The report shall recommend measures,

including, but not limited to, educational programs, signage, trimming of roadside vegetation, and any other means available to reduce collisions between moose and motor vehicles on New Hampshire's highway's and within the White Mountain National Forest. The report shall be delivered to the speaker of the house and president of the senate by November 1, 1991.

3 1991 Moose Hunting Season. Notwithstanding any other provision of law, the 1991 opening date for the moose season shall be October 15, 1991, and the closing date shall be October 24, 1991.

4 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill authorizes the executive director of fish and game, with the consent of the fish and game commission, to extend the hunting season for moose and the total take of moose for any one year. Such authority expires on December 31, 1996. Current law limits the moose season to 3 days and the take to 75 moose.

This bill also requires the executive director of the fish and game department, the commissioner of the department of transportation and the commissioner of the department of safety, to prepare and submit a report to the speaker of the house and president of the senate recommending measures to reduce collisions between moose and motor vehicles.

This bill also sets the 1991 moose season from October 15, 1991, to October 24, 1991.

Ordered to third reading.

**HB 40-FN-A**, relative to a business receipts tax and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

The original version of House Bill 40, the Business Receipts Tax, is the Committee's best effort to reform the Business Profits Tax. While it would have expanded the number of payers fourfold and increased state revenues by \$75 million, the Committee did not vote to impose a tax of this nature on businesses that have a high sales volume and low profit margin. Instead, the Committee approved an amendment which replaces the Business Receipts Tax with a package of other measures which collectively raise \$46 million over the biennium.

1. The rate of Legacy Tax is increased from 15 percent to 18 percent, but the current exemptions for spouses, lineal descendants and charities are maintained. The biennial revenue is estimated at \$10 million. This measure was attached by the Senate to HB 146, which is in Conference, but we are including it here to avoid any constitutional question about whether the Senate can originate a tax increase. (Section 1 of amendment)

2. The Telecommunications Tax is raised from the current 5 percent to 6 percent for two years with a permanent tax rate of 4 percent. This is in place of the Telephone Property Tax proposed by the Senate, and will yield \$9 million for the biennium. (Sections 12 and 14 of amendment)

3. The amendment also expands the definition of telecommunications to include Cable TV. Video rentals and medical devices are exempted. The revenue from this tax is estimated at \$12 million for the biennium. (Sections 10 and 11 of amendment)

4. The business poll tax is an assessment of \$150 on all businesses grossing more than \$12,000 per year, payable in November 1991 and 1992. This will yield \$15 million for the biennium. The 50,000 businesses which currently avoid paying the BPT would be included under this tax. (Sections 2-9 and 13 of the amendment).

Vote 12-5. Rep. Donna P. Sytek for Ways and Means.

Rep. Jacobson offered a floor amendment.

### **Floor Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to a one percent state income tax  
and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; State Aid to Municipalities. Amend RSA by inserting after chapter 77-D the following new chapter:

#### **CHAPTER 77-E**

#### **STATE AID TO MUNICIPALITIES**

77-E:1 Definitions. In this chapter:

I. "Commissioner" means the commissioner of revenue administration.

II. "Department" means the department of revenue administration.

III. "Nonresident estate or trust" means an estate or trust which is not a resident estate or trust.

IV. "Nonresident individual" means an individual who is not a resident of this state.

V. "Person" includes an individual, a fiduciary, a trust, and an estate, but it does not include trusts created and managed exclusively for charitable or educational uses, or enterprises expressly made exempt from state income taxation under the United States Internal Revenue Code of 1986 as amended.

VI. "Resident estate or trust" means:

(a) The estate of a decedent who at his death was domiciled in this state;

(b) A trust created by will of a decedent who at his death was domiciled in this state; or

(c) A trust created by, or consisting of the property of, a person domiciled in this state.

VII. "Resident individual" means an individual who:

(a) Is domiciled in this state, unless he maintains no permanent place of abode in this state and does maintain a permanent place of abode elsewhere and spends in the aggregate not more than 30 days of the taxable year in this state; or

(b) Is not domiciled in this state, but maintains a permanent place of abode in this state and spends in the aggregate more than 183 days of the taxable year in this state.

VIII. Any other term used in this chapter shall have the same meaning as when used in a comparable context in the laws of the United States relating to federal income taxes, unless a different meaning is clearly required. Any reference in this chapter to the laws of the United States shall mean the provisions of the Internal Revenue Code of 1986, and amendments thereto, and other provisions of the laws of the United States relating to federal income taxes, as of January 1, 1992.

77-E:2 Tax Imposed. A tax is hereby imposed on the entire gross income for federal income tax purposes of every resident individual, on the entire gross income for

federal income tax purposes of nonresident individuals which is derived from sources within this state and on the entire gross income for federal income tax purposes of resident and nonresident estates and trusts. The rate of the tax shall be one percent.

77-E:3 Distribution of Revenue.

I. The revenue received from the tax imposed by RSA 77-E:2, after paying the expenses of administering this chapter, shall be distributed annually as provided in paragraphs II and III.

II. The sum of the moneys remaining after the payment of expenses in paragraph I shall be deposited in a restricted fund in the state treasury, to be called the municipal support fund. No later than August 15 of each year, the state treasurer shall determine whether a deficit exists in the state operating budget for the prior fiscal year. If the state treasurer determines that a deficit does exist, the state treasurer shall first use moneys deposited in the municipal support fund to balance the state operating budget for the prior fiscal year by depositing a sum sufficient for this purpose in the general fund. Money due the restricted fund shall not be appropriated for any purpose which is not listed in this section unless specific legislation requiring such an appropriation is proposed, passed by  $\frac{3}{4}$  of those voting in both the house and senate, and signed into law by the governor.

III. After the distribution made in paragraph II, if any, the state treasurer shall then distribute the moneys deposited in the municipal support fund on September 15 of each year to the cities and towns to be used for such purposes as shall be determined by each city and town. The moneys distributed to cities and towns under this section shall be in addition to any other moneys which are distributed to cities and towns by the state.

77-E:4 Association, Trust, or Other Unincorporated Organization.

I. An association, trust or other unincorporated organization which is taxable as a corporation for federal income tax purposes shall not be subject to taxation under this chapter.

II. An association, trust, or other unincorporated organization which by reason of its purposes or activities is exempt from federal income tax shall be exempt from the tax imposed by this chapter except with respect to its unrelated business taxable income.

77-E:5 Credits. The following credits shall be allowed against the tax due under this chapter:

I.(a) A resident individual shall be allowed a credit against the tax otherwise due under this chapter for the amount of any income tax imposed on him for the taxable year by another state of the United States or a political subdivision thereof or the District of Columbia on income derived from sources therein and which is also subject to tax under this chapter.

(b) The credit provided under this section shall not exceed the proportion of the tax otherwise due under this chapter that the amount of the taxpayer's adjusted gross income derived from sources in the other taxing jurisdiction bears to his taxable income.

II. A resident estate or trust shall be allowed the credit provided in paragraph I except that the limitation shall be computed by reference to the taxable income of the estate or trust.

III.(a) A resident beneficiary of a trust whose taxable income includes all or part of an accumulation distribution by such trust, as defined in section 665 of the Internal Revenue Code, shall be allowed a credit against the tax otherwise due under this

chapter for all or a proportionate part of any tax paid by the trust under this chapter for any preceding taxable year which would not have been payable if the trust had in fact made distribution to its beneficiaries at the times and in the amounts specified in section 666 of the Internal Revenue Code.

(b) The credit under this section shall not reduce the tax otherwise due from the beneficiary under this chapter to an amount less than would have been due if the accumulation distribution or his part thereof were excluded from his adjusted gross income.

IV. A nonresident beneficiary of a trust whose taxable income derived from sources in this state includes all or part of an accumulation distribution by such trust, as defined in section 665 of the Internal Revenue Code, shall be allowed a credit against the tax otherwise due under this chapter, computed in the same manner and subject to the same limitation as provided by paragraph I with respect to a resident beneficiary.

V. Notwithstanding any other provision of this chapter, a percentage of any tax paid pursuant to RSA 77-A by a business organization shall be allowed as a credit against the tax due under this chapter, except that the credit shall not exceed the tax due under this chapter.

VI. In order to determine the percentage of the tax paid which shall be allowed as a credit under paragraph V, the commissioner of revenue administration shall divide the rate of the tax imposed by RSA 77-E:2 by the rate of the business profits tax.

VII. Federal tax on catastrophic health care.

77-E:6 Dual Residence; Reduction of Tax. If the taxpayer is regarded as a resident both of this state and another jurisdiction for purposes of personal income taxation, the commissioner shall reduce the tax on that portion of the taxpayer's income which is subjected to tax in both jurisdictions solely by virtue of dual residence, provided that the other taxing jurisdiction allows a similar reduction. The reduction shall be in an amount equal to that portion of the lower of the 2 taxes applicable to the income taxed twice which the tax imposed by this state bears to the combined taxes of the 2 jurisdictions on the income taxed twice.

77-E:7 Employer to Withhold Tax from Wages.

I. Every employer maintaining an office or transacting business within this state and making payment of any wages taxable under this chapter to a resident or nonresident individual shall deduct and withhold from such wages for each payroll period a tax computed in such manner as to result, so far as practicable, in withholding from the employee's wages during each calendar year an amount substantially equivalent to the tax reasonably estimated to be due from the employee under this chapter with respect to the amount of such wages included in his adjusted gross income during the calendar year. The method of determining the amount to be withheld shall be set by rules adopted by the commissioner under RSA 541-A. This section shall not apply to payments by the United States for service in the armed forces of the United States.

II. The commissioner may enter into agreements with the tax departments of other states which require income tax to be withheld from the payment of wages and salaries so as to govern the amounts to be withheld from the wages and salaries of residents of such states under this chapter. Such agreements may provide for recognition of anticipated tax credits in determining the amounts to be withheld and, under rules adopted by the commissioner, may relieve employers in this state from withholding income tax on wages and salaries paid to nonresident employees. The agreements

authorized by this paragraph are subject to the condition that the tax department of such other states grant similar treatment to residents of this state.

77-E:8 Information Statement for Employee. Every employer required to deduct and withhold tax under this chapter from the wages of an employee, or who would have been required to deduct and withhold tax if the employee had claimed no more than one withholding exemption, shall furnish to each such employee in respect to the wages paid by such employer to such employee during the calendar year on or before February 15 of the succeeding year, or, if his employment is terminated before the close of such calendar year, within 30 days from the date on which the last payment of wages is made, a written statement showing the amount of wages paid by the employer to the employee, and the amount deducted and withheld as tax. The commissioner shall adopt rules under RSA 541-A relative to the form of written information statements and the information which they must contain. Such written statement shall conform as nearly as possible to that required by the Internal Revenue Service. A penalty of \$2 shall be imposed for each statement not provided, up to \$2,000 in a calendar year.

77-E:9 Credit for Tax Withheld. Wages upon which tax is required to be withheld shall be taxable under this chapter as if no withholding were required, but any amount of tax actually deducted and withheld under this chapter in any calendar year shall be deemed to have been paid to the commissioner on behalf of the person from whom withheld, and such person shall be credited with having paid that amount of tax for the taxable year beginning in such calendar year.

77-E:10 Employer's Return and Payment of Tax Withheld.

I. Every employer required to deduct and withhold tax under this chapter shall, for each calendar quarter, on or before the fifteenth day of the month following the close of such calendar quarter, file a withholding return as prescribed by the commissioner and pay over to the commissioner or to a depository designated by the commissioner, the taxes so required to be deducted and withheld, except that for the fourth quarter of the calendar year, the return shall be filed and the taxes paid on or before January 31 of the succeeding year. Where the aggregate amount required to be deducted and withheld by any employer for a calendar month exceeds \$500, the employer shall by the fifteenth day of the succeeding month pay over such aggregate amount to the commissioner. The amount so paid shall be allowed as a credit against the liability shown on the employer's quarterly withholding return required by this section. Where the aggregate amount required to be deducted and withheld by any employer is less than \$100 in a calendar quarter, the commissioner may by rule permit an employer to file a withholding return on or before July 31 for the semi-annual period ending on June 30 and on or before January 31 of the succeeding year for the semi-annual period ending on December 31. The commissioner may, if he believes such action necessary for the protection of the revenue, require any employer to make such return and pay him the tax deducted and withheld at any time, or from time to time. Whenever the amount of wages paid by an employer is not sufficient under this chapter to require the withholding of tax from the wages of any of his employees, the commissioner may by rule permit such employer to file an annual return on or before January 31 of the succeeding calendar year.

II. Whenever any employer fails to collect, truthfully account for, pay over the tax, or make returns of the tax as required by this section, the commissioner may serve a notice requiring such employer to collect the taxes which became collectible after service of such notice, to deposit such taxes in a bank approved by the commis-

sioner, in a separate account, in trust for and payable to the commissioner, and to keep the amount of such tax in such account until paid over to the commissioner. Such notice shall remain in effect until a notice of cancellation is served by the commissioner.

**77-E:11 Employer's Liability for Withheld Taxes.** Every employer required to deduct and withhold tax under this chapter is hereby made liable for such tax. For purposes of assessment and collection, any amount required to be withheld and paid over to the commissioner, and any additions to tax, penalties and interest with respect thereto, shall be considered the tax of the employer. Any amount of tax actually deducted and withheld under this chapter shall be held to be a special fund in trust for the commissioner. No employee shall have any right of action against his employer in respect to any money deducted and withheld from his wages and paid over to the commissioner in compliance or in intended compliance with this chapter.

**77-E:12 Employer's Failure to Withhold.** If an employer fails to deduct and withhold tax as required, and thereafter the tax against which such tax may be credited is paid, the tax required to be deducted and withheld shall not be collected from the employer, but the employer shall not be relieved from liability for any additions to tax, penalties, or interest otherwise applicable in respect to such failure to deduct and withhold.

**77-E:13 Period for Computation of Taxable Income.**

I. For purposes of the tax imposed by this chapter, a taxpayer's taxable year shall be the same as his taxable year for federal income tax purposes.

II. If a taxpayer's taxable year is changed for federal income tax purposes, his taxable year for purposes of the tax imposed by this chapter shall be similarly changed. If a change in taxable year results in a taxable period of less than 12 months, the amount of the exemption allowed by this chapter shall be prorated.

III. Notwithstanding the provisions of paragraphs I and II, if the commissioner terminates the taxpayer's taxable year under RSA 77-E:45 relating to tax in jeopardy, the tax shall be computed for the period determined by such action.

**77-E:14 Methods of Accounting.**

I. For purposes of the tax imposed by this chapter, a taxpayer's method of accounting shall be the same as his method of accounting for federal income tax purposes. If no method of accounting has been regularly used by the taxpayer, taxable income for purposes of this chapter shall be computed under such method that in the opinion of the commissioner fairly reflects income.

II. If a taxpayer's method of accounting is changed for federal income tax purposes, his method of accounting for purposes of this chapter shall similarly be changed.

**77-E:15 Adjustments.** In computing a taxpayer's taxable income for any taxable year under a method of accounting different from the method under which the taxpayer's taxable income for the previous year was computed, there shall be taken into account those adjustments which are determined, under rules adopted by the commissioner, to be necessary solely by reason of the change in order to prevent amounts from being duplicated or omitted.

**77-E:16 Limitation on Additional Tax.**

I. If a taxpayer's method of accounting is changed, other than from an accrual to an installment method, any additional tax which results from adjustments determined to be necessary solely by reason of the change shall not be greater than if such adjust-

ments were ratably allocated and included for the taxable year of the change and the preceding taxable years, not in excess of 2, during which the taxpayer used the method of accounting from which the change is made.

II. If a taxpayer's method of accounting is changed from an accrual to an installment method, any additional tax for the year of such change of method and for any subsequent year which is attributable to the receipt of installment payment properly accrued in a prior year, shall be reduced by the portion of tax for any prior taxable year attributable to the accrual of such installment payments, under rules adopted by the commissioner.

77-E:17 Returns.

I. Every resident or nonresident individual or estate or trust having any gross income for federal income tax purposes shall make a return to the commissioner under the rules of and in the form and manner adopted by the commissioner under RSA 541-A on or before the fifteenth day of the fourth month after the end of the taxable year. A husband and wife shall file a joint return for any taxable year for which they file a joint return under the United States Internal Revenue Code, but not otherwise.

II. An income tax return for any deceased individual shall be made and filed by his executor, administrator, or other person charged with the care of his property. A final return of a decedent shall be due when it would have been due if the decedent had not died.

III. An income tax return for an individual who is unable to make a return by reason of minority or other disability shall be made and filed by his duly authorized agent, guardian, conservator, fiduciary or other person charged with the care of his person or property other than a receiver in possession of only a part of the individual's property.

IV. The income tax return of an estate or trust shall be made and filed by the fiduciary of the estate or trust.

V. If 2 or more fiduciaries are acting jointly, the return may be made by any one of them.

VI. All persons shall return full data as to exemptions, and as to all matters required by the commissioner for the correct computation of the taxes imposed under this chapter.

VII. All returns required by this chapter must be signed by the person filing the return or by his agent, subject to the penalties of perjury.

VIII. If a tax return is not filed or is incorrectly filed, the commissioner shall give notice to the person responsible for the omission or error, requiring that a return or a correct return be filed.

77-E:18 Additional Returns.

I. When the commissioner has reason to believe that a person has failed to file a return or has failed to include taxable income in a filed return, the commissioner may require the person to file a return or a supplementary return showing what items of income the person has received during the period involved.

II. Upon receipt of the return or supplementary return, or if none is received within the time set by the commissioner, the commissioner may find and assess the amount due upon the information that is available. The making of such an additional return does not relieve the person of any penalty for failure to make a correct original return, or relieve the person from liability for interest on payments not made when due.

77-E:19 Notice of Qualification as Receiver. Every receiver, trustee in bankruptcy, assignee for benefit of creditors, or other like fiduciary, shall give notice of his qualification as such to the commissioner, as he may require.

77-E:20 Change of Status as Resident or Nonresident During Year. The commissioner may adopt rules under RSA 541-A relative to requiring an individual to file one return for the portion of the year during which he is a resident and one for the portion of the year during which he is a nonresident, if he changes his status during his taxable year from resident to nonresident or from nonresident to resident.

77-E:21 Taxable Income as Resident and Nonresident.

I. Except as provided in paragraph II, the taxable income of the individual shall be determined for residents and for nonresidents as if the individual's taxable year for federal income tax purposes were limited to the period of his resident and nonresident status respectively.

II. There shall be included in determining taxable income from sources within or without this state, as the case may be, income, gain, loss, or deduction accrued prior to the change of status even though not otherwise includible or allowable in respect of the period prior to such change, but the taxation or deduction of items accrued prior to the change of status shall not be affected by the change.

77-E:22 Minimum Tax and Prorating of Exemptions. Where 2 returns are required to be filed as provided in RSA 77-E:20:

I. Personal exemptions shall be prorated between the 2 returns, under rules adopted pursuant to RSA 541-A by the commissioner, to reflect the proportions of the taxable year during which the individual was a resident and a nonresident; and

II. The total of the taxes due shall not be less than would be due if the total of the taxable incomes reported on the 2 returns were included in one return.

77-E:23 Declaration of Estimated Tax by Individuals.

I. Except as otherwise provided in this chapter, every individual shall make a declaration of his estimated tax under this chapter for the taxable year if:

(a) The individual is required to make a declaration of his estimated tax for federal income tax purposes; or

(b) The taxable income can reasonably be expected to include more than \$1,000 from sources other than wages subject to withholding under RSA 77-E:11.

II. "Estimated tax" shall be the amount which the individual estimates to be his income tax under this chapter for the taxable year less the amount which he estimates to be the sum of any credits allowable for tax withheld.

III. Notwithstanding the provisions of this section, no declaration is required if the estimated tax can reasonably be expected to be less than \$100, after taking into account the amounts withheld.

IV. In the case of a husband and wife, a single declaration under this section may be made by them jointly, in which case the liability with respect to the estimated tax shall be joint and several.

V. Such declarations shall be made at such times as declarations of returns of tax due are made.

VI. The taxpayer may pay his entire estimated tax, less amounts expected to be withheld by employers, at the time of making his estimate or may pay it in equal installments on or before April 15, June 15, September 15, and January 15.

77-E:24 Information Returns. Each individual, partnership, corporation, company, or association resident or doing business in this state, including commercial lessees, mortgagors, fiduciaries, employers, officers of the state or of any of its political

subdivisions, having control of the payment of interest, salaries, rentals, premiums, dividends, profits, annuities, and other income of \$1,000 or more, or \$100 or more in the case of interest or dividends, paid or payable to any person in this state, shall file an information return with the commissioner showing the income paid or payable to such a person during the calendar year. The information return is due on or before March 1 of the year following the calendar year in which the income was paid. A penalty of \$2 shall be imposed for each return not filed, up to \$2,000 in a calendar year. The commissioner may change the necessity of information returns or other provisions of this section so as to make the state requirements for filing similar to the federal requirements.

77-E:25 Extension of Time for Filing Return. The commissioner may grant, for reasonable cause, an extension of time for filing any return, declaration or other document required under this chapter. The commissioner may adopt rules under RSA 541-A relative to the terms and conditions for filing any such return, declaration, or other document. Except for a taxpayer who is outside of the United States, no such extension shall exceed 7 months.

77-E:26 Corrections. Each person shall report to the commissioner any change in the amount of his taxable income as finally determined by the United States Internal Revenue Service with respect to any previous year for which the person has made a return under this chapter. Such a report shall be made not later than 90 days after the person has received notice that such a change has been finally determined.

77-E:27 Adjustment Procedures. The commissioner may determine whether there has been an error in the assessment of any tax imposed by this chapter under the following procedures:

I. The taxpayer, within 3 years after the tax was due, may make a request for a determination in writing. In the request, the taxpayer shall set forth the errors claimed to have been made in the assessment.

II. The commissioner may make a determination on his own motion upon written notice to the taxpayer given within 3 years after the tax was due, or paid, whichever date is later. If the taxpayer has reported a correction made by the Internal Revenue Service under RSA 77-E:26, the commissioner shall give the notice within 6 months after the report. In either case, the commissioner shall set forth the errors it claims the taxpayer has made, if any.

III. If the commissioner finds that any adjustment should in justice be made as requested by the taxpayer, he shall order a decrease or increase of a tax previously assessed. Any decrease thus made shall bear interest at the same rate as the interest on 13-week United States treasury bills as of August 1 of the tax year, or 10 percent per year, whichever is higher, from the date when the tax was paid, and shall be credited against any unpaid tax then due from the taxpayer, and any balance due the taxpayer shall be certified by the commissioner to the state treasurer who shall pay the balance to the taxpayer. However, no such credit and payment together may exceed the amount of the tax originally paid. Any increase ordered by the commissioner shall be assessed against the taxpayer and shall carry interest, calculated in the same way, from the date it was payable to the date it is paid.

IV. In any case arising under this section, the commissioner shall grant a hearing on written request by the taxpayer.

77-E:28 Appeal. Within 30 days after notice of any assessment or adjustment of a tax under this chapter, a taxpayer shall have the option of electing to appeal the finding to:

I. The superior court in the county where the taxpayer resides, if a resident of this state, or if not a resident, to the superior court in the county in which the taxpayer has a place of business or a resident agent or a source of income; or

II. The board of tax and land appeals, which shall determine the issue de novo. An election by a taxpayer to bring an action before the board of tax and land appeals shall be deemed a waiver of any right to bring an action in the superior court.

77-E:29 Mathematical Error. In the event that the amount of tax is understated on the taxpayer's return due to a mathematical error, the commissioner shall notify the taxpayer that an amount of tax in excess of that shown on the return is due and has been assessed. Such a notice of additional tax due shall not be considered a notice of a deficiency assessment nor shall the taxpayer have any right of protest or appeal as in the case of a deficiency assessment based on such notice, and the assessment and collection of the amount of tax erroneously omitted in the return is not prohibited by any provision of this chapter.

77-E:30 Recovery of Erroneous Refund. An erroneous refund shall be considered an underpayment of tax on the date made, and an assessment of a deficiency arising out of an erroneous refund may be made at any time within 2 years from the making of the refund, except that the assessment may be made within 5 years from the making of the refund if it appears that any part of the refund was induced by fraud or the misrepresentation of a material fact. Any portion of the tax imposed by this chapter or any interest, penalty, or addition to tax which has been erroneously refunded and which is recoverable shall bear interest at the same rate as the interest on 13-week United States treasury bills as of August 1 of the tax year, or 10 percent per year, whichever is higher, from the date of payment of the refund.

77-E:31 Administration.

I. This chapter shall be administered and enforced by the commissioner of revenue administration. Subject to appropriations therefor, the commissioner shall appoint, subject to personnel statutes, such technical, administrative and clerical assistants as may be necessary to carry out the provisions of this chapter, who shall have such powers, duties, and functions in the enforcement and administration of this chapter as the commissioner may from time to time assign.

II. The commissioner may, subject to approval by the governor and council, appoint unclassified employees, who shall serve at his pleasure. The commissioner, subject to appropriation therefor, may equip the department with the furniture, equipment, and supplies and may incur other expenses necessary to administer this chapter.

III. The commissioner shall administer and enforce the tax imposed by this chapter. The commissioner may, for enforcement and administrative purposes, divide the state into a reasonable number of districts in which branch offices may be maintained.

77-E:32 Rulemaking Authority. The commissioner shall adopt the rules, pursuant to RSA 541-A, which he deems necessary to insure the proper administration of this chapter which shall be consistent with the provisions of RSA 21-J:12. The commissioner shall adopt specific rules relative to:

I. The reporting of facts and information necessary for the enforcement of the provisions of this chapter.

II. The form and contents of all returns, written information statements and documents required to be filed under this chapter.

III. The apportionment and allocation of items of income and deduction for non-residents.

IV. The attribution of items of fiduciary adjustment for trusts and estates.

V. Determining the proper withholding credit and proration of exemptions for taxable years of less than 12 months.

VI. The inspection of income tax returns of individuals.

VII. Any other matters necessary for the proper administration of this tax.

77-E:33 Timely Mailing. If any claim, statement, notice, petition, or other document including, to the extent authorized by the commissioner, a return or declaration of estimated tax, required to be filed within a prescribed period or on or before a prescribed date under the authority of any provision of this chapter is, after such period or such date, delivered by United States mail to the commissioner, or the office, officer or person in the department with which or with whom such document is required to be filed, the date of the United States postmark stamped on the envelope shall be deemed to be the date of delivery. This section shall apply only if the postmark date falls within the prescribed period or on or before the prescribed date for the filing of such document, determined with regard to any extension granted for such filing, and only if such document was deposited in the mail, postage prepaid, properly addressed to the commissioner, office, officer or person in the department with which or with whom the document is required to be filed. If any document is sent by United States registered mail, such registration or certification shall be prima facie evidence that such document was delivered to the commissioner, or the office, officer or person to which or to whom it is addressed. This section shall apply in the case of postmarks not made by the United States Postal Service only if and to the extent provided by rules adopted by the commissioner under RSA 541-A. When the last day prescribed under the authority of this chapter, including any extension of time, for performing any act falls on Saturday, Sunday, or a legal holiday in this state, the performance of such act shall be considered timely if it is performed on the next succeeding day which is not a Saturday, Sunday or a legal holiday.

77-E:34 Interest. If any of the tax imposed by this chapter, including tax withheld, is not paid on or before the due date, interest at the rate determined under RSA 21-J:27 shall be paid for the period from the due date to the date paid. No interest shall be imposed if the amount of interest due is less than \$1. This section shall not apply to any failure to pay estimated tax under RSA 77-E:23.

77-E:35 Collection Procedures.

I. The tax imposed by this chapter shall be collected by the commissioner, and he may establish the mode or time for the collection of any amount due if not otherwise specified. The commissioner shall, on request, give a receipt for any amount collected under this chapter. The commissioner may authorize incorporated banks or trust companies which are depositories or fiscal agents of this state to receive and give a receipt for any tax imposed under this chapter, in such manner, at such times, and under such conditions as he may prescribe; and the commissioner shall prescribe the manner, times and conditions under which the receipt of tax by such banks and trust companies is to be treated as payment of tax to the commissioner.

II. The commissioner shall, as soon as practicable, give notice to each person liable for any amount of tax, addition to tax, additional amount, penalty, or interest which has been assessed but remains unpaid, stating the amount and demanding within 10 days of the date of the notice and demand payment thereof. Such notice shall be left at the dwelling place or usual place of business of such person or shall be sent by mail to such person's last known address. Except where the commissioner determines that collection would be jeopardized by delay, if any tax is assessed prior

to the last date, including any date fixed by extension, prescribed for payment of such tax, payment of such tax shall not be demanded until after such date.

77-E:36 Issuance of Warrant. If any person liable to pay any tax, addition to tax, penalty, or interest imposed under this chapter neglects or refuses to pay the same within 10 days after notice and demand, the commissioner may issue a warrant directed to the sheriff of any county of this state or to his own representative commanding him to levy upon and sell such person's real and personal property for the payment of the amount assessed, with the cost of executing the warrant, and to return such warrant to the commissioner and to pay him the money collected by virtue thereof within 60 days after receipt of the warrant. If the commissioner finds that collection of the tax is in jeopardy, notice and demand for immediate payment of such tax may be made by the commissioner and upon failure or refusal to pay such tax the commissioner may issue a warrant without regard to the 10-day waiting period provided in this section.

77-E:37 Lien of Tax. If any tax imposed by this chapter is not paid when due, the commissioner may file in the office of any register of deeds a certificate specifying the amount of the tax, addition to tax, penalty and interest due, the name and last known address of the taxpayer liable for the amount and the fact that the commissioner has complied with all the provisions of this chapter in the assessment of the tax. From the time of the filing, the amount set forth in the certificate constitutes a lien upon all property of the taxpayer in the county then owned by him or thereafter acquired by him in the period before the expiration of the lien. The lien provided therein has the same force, effect and priority as a judgment lien and continues for 10 years from the date of recording unless sooner released or otherwise discharged.

77-E:38 Extension; Release of Lien. Within 10 years from the date of the recording or within 10 years from the date of the last extension of the lien in the manner provided in this section, the lien may be extended by recording a new certificate in the office of the register of deeds of any county. The commissioner may, at any time, release all or any portion of the property subject to any lien provided for in this chapter or subordinate the lien to other liens if he determines that the taxes are sufficiently secured by a lien on other property of the taxpayer or that the release or subordination of the lien will not endanger or jeopardize the collection of the taxes.

77-E:39 Taxpayer Not a Resident. When notice and demand for the payment of a tax is given to a nonresident and it appears to the commissioner that it is not practicable to locate property of the taxpayer sufficient in amount to cover the amount of tax due, he shall send a copy of the certificate provided for in RSA 77-E:37 to the taxpayer at his last known address together with a notice that such certificate has been filed with the register of deeds. Thereafter, the commissioner may authorize the institution of any action or proceeding to collect or enforce such claim in any place and by any procedure that a civil judgment of a court of record of this state could be collected or enforced. The commissioner may also, in his discretion, designate agents or retain counsel outside this state for the purpose of collecting outside this state any taxes due under this chapter from taxpayers who are not residents of this state. He may fix the compensation of such agents and counsel to be paid out of money appropriated or otherwise lawfully available for payment of such compensation. He may require of them bonds or other security for the faithful performance of their duties. The commissioner is authorized to enter into agreements with the tax departments of other states and the District of Columbia for the collection of taxes from persons found in this state who are delinquent in the payment of income taxes imposed by those states

or the District of Columbia on condition that the agreeing states and the District of Columbia afford similar assistance in the collection of taxes from persons found in those jurisdictions who are delinquent in the payment of taxes imposed under this chapter.

77-E:40 Action for Recovery of Taxes. The commissioner may bring an action within 6 years after the assessment of any tax in any court of competent jurisdiction within or without this state in the name of the people of this state to recover the amount of any taxes, additions to tax, penalties, and interest due and unpaid under this chapter. In such action, the certificate of the commissioner showing the amount of the delinquency shall be prima facie evidence of the levy of the tax, of the delinquency, and of the compliance by the commissioner with all the provisions of this chapter in relation to the assessment of the tax.

77-E:41 Income Tax Claims of Other States. The courts of this state shall recognize and enforce liabilities for personal income taxes lawfully imposed by any other state which extends a like comity to this state, and the duly authorized officer of any such state may sue for the collection of such a tax in the court of this state. A certificate by the secretary of state of such other state that an officer suing for the collection of such a tax is duly authorized to collect the tax shall be conclusive proof of such authority. For the purposes of this section, the word "tax" shall include additions to tax, interest, and penalties. Liability for such taxes, additions to tax, interest, and penalties shall be recognized and enforced by the courts of this state to the same extent that the laws of such other state permit the enforcement in its courts of liability for such taxes, additions to tax, interest, and penalties due this state under this chapter.

77-E:42 Order to Compel Compliance.

I. If any person willfully refuses to file an income tax return required by this chapter, the commissioner may apply to a judge of the superior court for the county in which the taxpayer or other person required to file an income tax return resides, for an order directing such person to file the required return. If a person fails or refuses to obey such order, he shall be guilty of contempt of court.

II. If any person willfully refuses to make available any books, papers, records or memoranda for examination by the commissioner or his representative or willfully refuses to attend and testify, the commissioner may apply to a judge in the superior court for the county where such person resides, for an order directing that person to comply with the commissioner's request for books, papers, records or memoranda or for his attendance and testimony. If the books, papers, records or memoranda required by the commissioner are in the custody of a corporation, the order of the court may be directed to any principal officer of such corporation. If a person fails or refuses to obey such order, he shall be guilty of contempt of court.

77-E:43 Transferees.

I. The liability, at law or in equity, of a transferee of property of a taxpayer for any tax, addition to tax, penalty, or interest due the commissioner under this chapter shall be assessed, paid and collected in the same manner and subject to the same provisions and limitations as in the case of the tax to which the liability relates except as otherwise provided in this section. The term transferee includes donee, heir, legatee, devisee, and distributee.

II. In the case of the liability of an initial transferee, the period of limitation for assessment of any liability is within one year after the expiration of period of limitation against the transferor; in the case of the liability of a transferee to a transferee, within one year after the expiration of the period of limitation against the preceding

transferee, but not more than 3 years after the expiration of the period of limitation for assessment against the original transferor; except that if, before the expiration of the period of limitation for the assessment of the liability of the transferee, a proceeding for the collection of the liability has been begun against the initial transferor of the last preceding transferee, respectively, then the period of limitation for assessment of the liability of the transferee shall expire one year after the proceeding is terminated.

III. If any person is deceased, the period of limitation for assessment against such person shall be the period that would be in effect had death not occurred.

#### 77-E:44 Jeopardy Assessments.

I. If the commissioner finds that the assessment or the collection of a tax or a deficiency for any year, current or past, will be jeopardized in whole or in part by delay, he may mail or issue notice of his finding to the taxpayer, together with a demand for immediate payment of the tax or the deficiency declared to be in jeopardy, including additions to tax, interest and penalties.

II. In the case of a tax for a current period, the commissioner shall declare the taxable period of the taxpayer immediately terminated, and his notice and demand for a return and immediate payment of the tax shall relate to the period declared terminated, including income accrued and deductions incurred up to the date of termination if not otherwise properly includible or deductible with respect to the period.

III. A jeopardy assessment is immediately due and payable, and proceedings for collection may be commenced at once. The taxpayer, however, may stay collection and prevent the jeopardy assessment from becoming final by filing, within 10 days after the date of mailing or issuing the notice of jeopardy assessment, a request for reassessment, accompanied by a bond or other security in the amount of the assessment including additions to tax, penalties, and interest as to which the stay of collection is sought. If a request for reassessment, accompanied by a bond or other security on the appropriate amount, is not filed within the 10-day period, the assessment becomes final.

IV. If a request for reassessment accompanied by a bond or other security is filed within the 10-day period, the commissioner shall reconsider the assessment; and, if the taxpayer has so requested in his petition, the commissioner shall grant him or his authorized representatives an oral hearing. The commissioner's action on the request for reassessment becomes final upon the expiration of 30 days from the date when he mails notice of his action to the taxpayer unless, within that 30-day period, the taxpayer files an application to seek judicial review of the commissioner's determination.

V. In any proceeding brought to enforce payment of taxes made due and payable by this section, the finding of the commissioner under paragraph I is for all purposes presumptive evidence that the assessment or collection of the tax or deficiency was in jeopardy.

VI. The commissioner may abate the jeopardy assessment if he finds that jeopardy does not exist.

#### 77-E:45 Bankruptcy or Receivership.

I. Upon the adjudication of bankruptcy of any taxpayer in any bankruptcy proceeding or the appointment of a receiver for any taxpayer in any receivership proceeding before any court of the United States or any state or territory or of the District of Columbia, any deficiency, together with additions to tax and interest provided by law, determined by the commissioner may be immediately assessed.

II. Claims for the deficiency and such additions to tax and interest may be presented for adjudication in accordance with law to the court before which the bank-

ruptcy or receivership proceeding is pending. No protest against a proposed assessment shall be filed with the commissioner after the adjudication of bankruptcy or appointment of the receiver.

77-E:46 Unlawful Acts and Penalties.

I. The following acts or omissions are unlawful:

(a) Failing to make any return or declaration required by this chapter.

(b) Making, causing to be made or permitting to be made any false or fraudulent return or declaration of false statement in any return or declaration, with intent to defraud the state or to evade payment of the tax or any part of the tax imposed by this chapter.

(c) Making, causing to be made or permitting to be made any false entry in books, records or accounts with intent to defraud the state or to evade the payment of the tax or any part of the tax imposed by this chapter.

II. Any person who violates this section shall be guilty of a misdemeanor.

77-E:47 Examination of Books and Witnesses. The commissioner shall have the power to examine or to cause to have examined, by any agent or representative designated by him for that purpose, any books, papers, records or memoranda bearing upon the matters required to be included in the return and may require the attendance of the person rendering the return or any officer or employee of such person, or the attendance of any other person having knowledge in the premises, and may take testimony and require proof material for his information, with power to administer oaths to such person or persons. Such examination shall be for the purpose of ascertaining the correctness of any return, or for making an estimate of the taxable income of any person.

77-E:48 Secrecy of Returns and Information.

I. Except in accordance with proper judicial order or as otherwise provided by law, it shall be unlawful for the commissioner or any officer or employee of the department, any person engaged or retained by the department on an independent contract basis, or any person who, pursuant to this section, is permitted to inspect any report or return or to whom a copy, an abstract or a portion of any report or return is furnished, to divulge or make known in any manner the amount of income or any particulars set forth or disclosed in any report or return required under this chapter.

II. The officers charged with the custody of reports and returns in paragraph I shall not be required to produce any such reports or returns or any evidence of anything contained in them in any action or proceeding in any court, except on behalf of the commissioner in an action or proceeding under the provisions of the tax law to which he is a party, or except on behalf of any party to any action or proceeding under the provisions of this chapter when the reports or facts shown thereby are directly involved in such action or proceeding.

III. In the event that a report or return, or any evidence contained therein, shall be produced on behalf of the commissioner or on behalf of any party as provided in paragraph II, the court may require the production of, and may admit into evidence, only so much of said reports or of the facts contained in them, as are pertinent to the action or proceeding. Nothing in this section shall be construed to prohibit the delivery to a taxpayer or his duly authorized representative of a certified copy of any return or report filed in connection with his tax or to prohibit the publication of statistics so classified as to prevent the identification of particular reports or returns and the items contained in them, or the inspection by the attorney general or other legal representa-

tives of the state of the report or return of any taxpayer who shall bring an action to review the tax based on it, or against whom an action or proceeding for collection of tax has been instituted.

IV. Any person who violates the provisions of this section shall be guilty of a misdemeanor. If the violator is an officer or employee of the state, he shall be dismissed from office and be ineligible to hold any public office in this state for a period of 5 years.

77-E:49 Cooperation with the United States and Other States. Notwithstanding the provisions of 77-E:46, the commissioner may permit the Secretary of the Treasury of the United States or his delegates, or the proper officer of any state imposing an income tax upon the incomes of individuals, or the authorized representative of either such officer, to inspect the income tax returns of any individual. The commissioner may also furnish to such officer or his authorized representative an abstract of the return of income of any individual or supply him with information concerning an item of income contained in any return, or disclosed by the report of any investigation of the income or return of income of any individual. Such permission shall be granted only if the statutes of the United States or of the various states grant substantially similar privileges to the commissioner as the officer charged with the administration of the tax imposed by this chapter. Inspection shall be permitted only for purposes of enforcing a tax law and only to the extent and under the conditions prescribed by the rules adopted by the commissioner.

77-E:50 Reports and Returns Preserved. Reports and returns required to be filed under RSA 77-E:10, 77-E:17, 77-E:18, 77-E:20, and 77-E:24 shall be preserved for 3 years and thereafter until the commissioner orders them to be destroyed.

77-E:51 Closing Agreements.

I. The commissioner, or any person authorized in writing by him, is authorized to enter into an agreement with any person relating to the liability of such person, or of the person or estate for whom he acts, in respect to the tax imposed by this chapter for any taxable period.

II. If a closing agreement is approved within such time as may be stated in such agreement or later agreed to, the agreement shall be final and conclusive and, except upon a showing of fraud or malfeasance, or misrepresentation of a material fact:

(a) The case shall not be reopened as to matters agreed upon nor shall be modified by any officer, employee or agent of this state; and

(b) In any suit, action or proceeding under such agreement, or any determination, assessment, collection, payment, abatement, refund, or credit made in accordance with it, the agreement shall not be annulled, modified, set aside or disregarded.

77-E:52 Levy Power.

I. The levy power of the commissioner under this section shall be exercised in accordance with the duties of the division of collections under RSA 21-J:8.

II. If any person liable to pay any tax neglects or refuses to pay the same within 10 days after notice and demand, it shall be lawful for the commissioner or his delegate to collect such tax and such further sum as shall be sufficient to cover the expenses of the levy, by levy upon all property and rights to property belonging to such person or on which the department has secured a lien for the payment of such tax. If the commissioner or his designee makes a finding that the collection of such tax is in jeopardy, notice and demand for immediate payment of such tax may be made by the commissioner or his designee and, upon failure or refusal to pay such tax,

collection thereof by levy shall be lawful without regard to the 10-day period provided in this paragraph.

III. The term "levy" as used in this section includes the power of distraint and seizure by any means. A levy shall extend only to property possessed and obligations existing at the time thereof. In any case in which the commissioner or his designee may levy upon property or rights to property, he may seize and sell such property or rights to property whether real or personal, tangible or intangible.

IV. Whenever any property or right to property upon which levy has been made by virtue of paragraph II is not sufficient to satisfy the claim of the state for which levy is made, the commissioner or his designee may, thereafter, and as often as may be necessary, proceed to levy in like manner upon any other property liable to levy of the person against whom such claim exists, until the amount due from him, together with all expenses, is fully paid.

V. In those cases in which the commissioner or his designee is authorized to impose a lien on a person's salary or wages, levy may be made under paragraph I upon such salary or wages with respect to any unpaid tax only after the commissioner or his designee has notified such person in writing of his intention to make such levy. Such notice shall be given in person, left at the dwelling or usual place of business of such person, or shall be sent by mail to such person's last known address no less than 10 days before the day of the levy. No additional notice shall be required in the case of successive levies with respect to such tax. If the commissioner or his designee makes a finding under paragraph II that the collection of tax is in jeopardy, then the levy on salary or wages may be made without complying with the notice requirements provided in this paragraph.

2 Estimated Tax Payments. Amend RSA 21-J:33-a, I to read as follows:

I. If there is a substantial understatement of tax imposed under **RSA 77-E**, **RSA 77**, **RSA 77-A**, **RSA 78-A**, **RSA 78-C**, **RSA 82-A**, or **RSA 83-C**, for any taxable period, there shall be added to the tax an amount equal to 25 percent of the amount of any underpayment attributable to such understatement.

3 Appropriation. There is hereby appropriated to the department of revenue administration for the fiscal year ending June 30, 1992, the sum of \$1,500,000, to be expended for the purpose of the administration of the tax imposed by section 1 of this act. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

4 First Taxable Year of Income Tax; Application and Referendum.

I. The first taxable period under **RSA 77-E**, as inserted by section 1 of this act, begins July 1, 1991, and ends December 31, 1992. Thereafter, the taxable period under **RSA 77-E** shall begin on January 1 and end on December 31 of each calendar year. Persons liable for a tax during the first taxable period and who do not report the payment of federal income taxes on a calendar year basis are entitled to such proportion of the exemptions allowed in **RSA 77-E** as the period bears to their taxable year. The determination of the tax shall be made under rules adopted by the commissioner under **RSA 541-A**, consistent with the general purposes and provisions of **RSA 77-E**. Persons required to make information returns for the first taxable period shall make them on a proportional basis in such form as the commissioner requires.

II. The provisions of **RSA 77-E** as inserted by section 1 of this act shall not be amended or repealed unless specific legislation requiring an amendment or a repeal is passed by 2/3 of those voting in both the house and the senate, and signed into law by the governor.

5 Returns for Certain Taxes. All persons who are liable for taxes under RSA 77 and RSA 77-A as of June 30, 1991, who thereafter become exempt from taxes under RSA 77 and 77-A because of the passage of this act shall make a return of such taxes due the commissioner of revenue administration in such manner and on such forms as the commissioner shall prescribe in rules adopted under RSA 541-A. The administrative provisions of RSA 77 shall remain in effect to permit the collection of taxes upon income taxable under RSA 77 which is received by persons subject to taxation under that chapter through June 30, 1991, and to permit the distribution of that revenue. Persons who are liable for a tax under RSA 77 who do not report the payment of federal income taxes on a calendar year basis are entitled to such proportion of the exemptions allowed in RSA 77 as the reporting period bears to their taxable year.

6 Repeal. RSA 77, relative to the taxation of incomes, is repealed.

7 Repeal. The following are repealed:

I. RSA 76:3 and 78:20, relative to a state tax.

II. RSA 77-A:4, I, relative to an adjustment to business profits.

III. RSA 261:52-a, relative to notice that the interest and dividends tax may be due.

IV. RSA 391:3, relative to the taxation of common trust funds under RSA 77.

8 Effective Date.

I. Sections 5 and 6 of this act shall take effect upon its passage, and shall apply to returns and taxes due on account of taxable periods ending after June 30, 1991.

II. The remainder of this act shall take effect July 1, 1991.

#### AMENDED ANALYSIS

This bill imposes a tax of one percent on the entire gross income for federal income tax purposes, with certain credits, of resident and nonresident individuals and on the income from estates and trusts.

The revenue received from the tax is first used to balance any deficit in the state operating budget for the prior fiscal year. The remaining balance is then distributed annually to cities and towns for such purposes as they shall determine.

The administrative costs of the tax are paid for from the revenues of the tax. An appropriation is made for administrative costs for the first fiscal year of the tax.

The bill repeals RSA 77, the tax on income from interest and dividends.

Rep. Jasper spoke against and yielded to questions.

Rep. Douglas Hall spoke in favor and yielded to questions.

Rep. Thomas Christie spoke against.

Rep. Weeks spoke in favor and yielded to questions.

Rep. Teschner spoke against and yielded to questions.

Roll call request sufficiently seconded.

and the floor amendment failed.

Rep. Malcolm notified the Clerk that he wished to be recorded in opposition to the floor amendment.

The question being on the Committee amendment.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

relative to certain state taxes and  
making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Rate of Legacies and Successions Tax Increased. Amend RSA 86:6, I to read as follows:

I. All property within the jurisdiction of the state, real or personal, and any interest therein, belonging to domiciliaries of the state; and all real estate within the state, or any interest therein, belonging to persons who are not domiciliaries of the state; which shall pass by will, or by the laws regulating intestate successions, or by deed, grant, bargain, sale or gift, made in contemplation of death, or made or intended to take effect in possession or enjoyment at or after the death of the grantor or donor, to any person, absolutely or in trust, shall be subject to a tax of [15] 18 percent of its value for the use of the state, except as provided in paragraphs II and III and RSA 86:9-a.

2 Legislative Intent. By the enactment of sections 2-9 of this act, the general court intends to exercise its authority under Part II, Article 6 of the New Hampshire constitution, to raise a portion of the public charges of government by taxation upon polls, that is, to levy a poll tax of a fixed amount on every person of the class specified in section 2 of this act. The general court further intends to exercise its discretion as to the persons who should be taxed for their polls, and to levy such a tax proportionally and reasonably on all such persons within the designated class, defined in section 3 of this act as business organizations. The general court determines that business organizations have distinctive characteristics and carry on activities which draw distinctive benefits from and impose distinctive burdens upon the operations of government. The general court does not intend by this enactment to levy a tax on property, nor to exact a fee for a special privilege or for special regulatory activity.

3 Business Tax Imposed upon Business Organizations. A tax of \$150 shall be assessed upon every business organization, as defined in RSA 77-A:1, I, with gross business income, as defined in RSA 77-A:1, VI, in excess of \$12,000.

4 Payment. The tax imposed by section 3 of this act shall be assessed annually, and is due and payable on November 15, 1991, and on November 15, 1992.

5 Informational Filing. Each business organization subject to section 3 of this act shall provide to the commissioner of revenue administration, at a minimum, the following:

I. The name and tax identification number (T.I.N.) of the business organization.

II. Any other names or trade names the business organization may use in conducting business within this state or which it uses in filing tax returns relative to conducting business in this state.

III. The address of the principal office of the business organization within this state.

IV. A brief statement of the purpose for which the business organization is organized, including the Standard Industrial Classification System (SIC code).

6 Interest; Penalties. Any business organization which fails to make the payments with a return as required by sections 3-5 of this act when due shall pay interest and penalties as prescribed in RSA 21-J.

7 Administration.

I. The commissioner of revenue administration shall collect the taxes, interest, additions to tax and penalties imposed under sections 2-9 of this act.

II. The commissioner may institute actions in the name of the state to recover any tax, interest on tax, additions to tax or the penalties imposed by sections 2-9 of this act.

III. In the collection of the tax imposed by section 3 of this act, the commissioner may use all of the powers granted to tax collectors under RSA 80 for the collection of taxes, except that the tax imposed by section 3 of this act shall not take precedence over prior recorded mortgages. The commissioner shall also have all of the duties imposed upon the tax collectors by RSA 80 that are applicable to him. The provisions of RSA 80:26 apply to the sale of land for the payment of taxes due under section 3 of this act, and the state treasurer is authorized to purchase the land for the state. If the state purchases the land, the state treasurer shall certify the purchase to the governor, and the governor shall draw his warrant for the purchase price out of any money in the treasury not otherwise appropriated.

8 Business Organizations Discontinuing Business. No business organization may be dissolved or discontinue doing business in the state until all taxes and interest imposed upon the business organization under sections 2-9 of this act are paid.

9 Lien for Tax. No lien upon real estate for taxes imposed by section 3 of this act is valid and binding against any person other than the taxpayer until notice of such lien stating the name and address of the taxpayer and the amount of the tax due shall have been filed and recorded in the registry of deeds in the grantor index in the county in which such real estate is located. Notwithstanding the provisions of any other law, the lien shall continue and shall be valid and binding until the liability for the sum, with interest and costs, is satisfied or becomes unenforceable.

10 Statement of Purpose; Change in Communications Services to be Taxed. Amend RSA 82-A:1 to read as follows:

82-A:1 Statement of Purpose. It is the intent of the general court to impose a tax on those who use [2-way] communications services. It is also the intent of the general court that basic communications services essential to public health, safety, and welfare shall not be subject to the tax imposed by this chapter.

11 Communications Services Redefined. Amend RSA 82-A:2, III to read as follows:

III. "Communications services" means services for transmitting, emitting, or receiving signs, signals, writing, images, sounds or intelligence of any nature by any electromagnetic system capable of [2-way] communication and includes, without limitation, messages or information transmitted through use of local, toll and wide area telephone service; private line services and networks, whether leased, rented or

owned; channel services; telegraph services; teletypewriter services; cable television *services*; *community antenna television*; computer exchange services; cellular mobile telecommunications services; facsimile services; specialized mobile radio; stationary [2-way] radio; paging services; or any other form, whether stationary, portable or mobile[, of 2-way] communications; or any other transmission of messages or information by electronic or similar means, between or among points by wire, cable, fiber-optics, laser, microwave, radio, satellite or similar facilities. "Communications services" shall not include:

(a) Value added services in which computer processing applications are used to act on the form, content, code and protocol of the information for purposes other than transmission; *or*

(b) Purchases of communications services by a communications services provider for use as a component part of the service provided by him to the ultimate retail consumer who originates or terminates the taxable end-to-end communications, including carrier access charges, right of access charges, charges for use of inter-company facilities, and all communications services resold in the subsequent provision of, used as a component of, or integrated into end-to-end communications services; *or*

(c) The one-way transmission of [radio or television programming, by cable, broadcast, satellite, microwave or similar facility, which is made available generally to any person able to receive such transmission, together with the interaction, if any, of such person required for the selection of such programming other than by use of the same facility by which such transmission was received] *paging, signalling or beeping services utilized by persons with life threatening medical conditions for the purpose of transmitting emergency medical signals to emergency personnel or facilities*; *or*

(d) *Video rentals.*

12 Rate of Communications Services Tax Increased. Amend RSA 82-A:3 and 82-A:4 to read as follows:

82-A:3 Imposition of Tax; Intrastate Communications Services. A tax is imposed upon intrastate communications services furnished to a person in this state and purchased at retail from a retailer by such person, at the rate of [3] **4** percent of the gross charge therefor. However, such tax is not imposed on any communications services to the extent a tax on such services may not, under the Constitution and statutes of the United States, be made the subject of taxation by the state.

82-A:4 Imposition of Tax; Interstate Communications Services. A tax is imposed upon interstate communications services furnished to a person in this state and purchased at retail from a retailer by such person, at the rate of [3] **4** percent of the gross charge when such service is originated in this state and terminated outside this state or originated outside this state and terminated in this state. To prevent actual multi-state taxation of communications services that are subject to taxation under this section, any taxpayer, upon proof that taxpayer has paid a tax in another state on such services, shall be allowed a credit against the tax imposed in this section to the extent of the amount of such tax properly due and paid in such other state. However, such tax is not imposed on communications services to the extent such services may not, under the Constitution and statutes of the United States, be made the subject of taxation by the state.

13 Supplemental Appropriation: Department of Revenue Administration. In addition to any other sums appropriated to the department of revenue administration, the sum of \$148,000 is hereby appropriated for the fiscal year ending June 30, 1992, and

the sum of \$50,600 is hereby appropriated for the fiscal year ending June 30, 1993, for the purposes of administering sections 2-9 of this act. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

14 Rate of Tax for Biennium Ending June 30, 1993. Communications Services Tax. For the period beginning July 1, 1991, and ending June 30, 1993, there is imposed a surcharge of 50 percent on the tax imposed under RSA 82-A:3 and 82-A:4 on the gross charge for communications services purchased at retail from a retailer.

15 Severability. If any provision of this act or the application thereof to any person or circumstance is held to be invalid, the invalidity shall not affect any other provision or the application of such provision to other persons or circumstances, and to this end the provisions of this act are severable.

16 Effective Date.

I. Sections 1-9 and sections 13-15 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect for gross charges collected from the taxpayer by a retailer for communications services purchased at retail on or after July 1, 1991.

#### AMENDED ANALYSIS

This bill amends state taxes as follows:

(1) The bill increases the rate of the legacies and successions tax from 15 to 18 percent.

(2) The bill levies a poll tax of \$150 on every business organization with gross business income in excess of \$12,000. The tax is imposed on a temporary basis, with 2 annual payments to be made on November 15, 1991, and on November 15, 1992.

The bill makes supplemental appropriations to the department of revenue administration of \$148,000 for the fiscal year ending June 30, 1992, and \$50,600 for the fiscal year ending June 30, 1993, for the purpose of administering the poll tax.

(3) The bill removes the 2-way communications limitation in the definition of "communication services" under the communications services tax. The bill exempts from the definition of "communications services" (a) certain devices for transmitting emergency medical signals used by persons with life threatening medical conditions, and (b) video rentals. The bill also extends the increased rate for the communications services tax for the biennium ending June 30, 1993.

Rep. Donna Sytek requested that the question be divided.

The Chair ruled that the question was divisible.

The question was on Section 1, the Estate and Legacy Tax.

Rep. Donna Sytek spoke in favor.

Roll call request sufficiently seconded.

and Sections 2-9 and 13 failed.

Reps. Douglas Hall and Jasper offered a floor amendment.

**Floor Amendment**

Amend the bill by replacing sections 2-9 with the following:

2 Legislative Intent. By the enactment of sections 2-9 of this act, the general court intends to exercise its authority under Part II, Article 6 of the New Hampshire constitution, to raise a portion of the public charges of government by the taxation of income, that is, to levy an occupation tax of a fixed amount on every person of the class specified in section 3 of this act. The general court further intends to exercise its discretion as to the persons whose income should be taxed, and to levy such a tax proportionally and reasonably on all such persons within the designated class, defined in section 3 of this act as occupations which are licensed, certified, or registered by the state. The general court determines that such occupations have distinctive charac-

teristics and carry on activities which draw distinctive benefits from and impose distinctive burdens upon the operations of government. The general court further determines that such a tax is properly regarded as recompense for the right to exercise a licensing, certification, or registration privilege granted to persons in certain occupations by the state.

3 Occupation Tax Imposed Upon Occupations. A tax of \$100 shall be assessed upon every individual whose occupation is licensed, certified, or registered by a state board, state commission, or state department. Employees of the state of New Hampshire, or a political subdivision thereof, shall be exempt from payment of the tax. The tax shall be assessed upon every individual who is actively engaged in the following occupations and who is so licensed, certified, or registered:

4 Payment. The tax imposed by section 3 of this act shall be assessed annually, and is due and payable on November 15, 1991, and on November 15, 1992.

5 Informational Filing. Each person whose occupation is subject to section 3 of this act shall provide the commissioner of revenue administration with such information as the commissioner shall determine is necessary under rules adopted pursuant to RSA 541-A, relative to informational filings to be made with each tax payment.

6 Interest; Penalties. Any person who fails to make the payments with a return as required by sections 3-5 of this act when due shall pay interest and penalties as prescribed in RSA 21-J.

#### 7 Administration.

I. The commissioner of revenue administration shall collect the taxes, interest, additions to tax and penalties imposed under sections 3-9 of this act.

II. The commissioner may institute actions in the name of the state to recover any tax, interest on tax, additions to tax or the penalties imposed by sections 3-9 of this act.

III. In the collection of the tax imposed by section 3 of this act, the commissioner may use all of the powers granted to tax collectors under RSA 80 for the collection of taxes, except that the tax imposed by section 3 of this act shall not take precedence over prior recorded mortgages. The commissioner shall also have all of the duties imposed upon the tax collectors by RSA 80 that are applicable to him. The provisions of RSA 80:26 apply to the sale of land for the payment of taxes due under section 3 of this act, and the state treasurer is authorized to purchase the land for the state. If the state purchases the land, the state treasurer shall certify the purchase to the governor, and the governor shall draw his warrant for the purchase price out of any money in the treasury not otherwise appropriated.

8 Persons not Actively Engaged in Occupations. No person shall be considered to be exempt from the taxes due under section 3 of this act because he is no longer actively engaged in a taxable occupation until all taxes and interest imposed upon the occupation under sections 3-9 of this act are paid.

9 Lien for Tax. No lien upon real estate for taxes imposed by section 3 of this act is valid and binding against any person other than the taxpayer until notice of such lien stating the name and address of the taxpayer and the amount of the tax due shall have been filed and recorded in the registry of deeds in the grantor index in the county in

which such real estate is located. Notwithstanding the provisions of any other law, the lien shall continue and shall be valid and binding until the liability for the sum, with interest and costs, is satisfied or becomes unenforceable.

### AMENDED ANALYSIS

This bill amends state taxes as follows:

(1) The bill increases the rate of the legacies and successions tax from 15 to 18 percent.

(2) The bill levies an occupation tax of \$100 on every individual whose occupation is licensed, certified, or registered by a state board, commission, or department. The tax is imposed on a temporary basis, with 2 annual payments to be made on November 15, 1991, and on November 15, 1992.

The bill makes supplemental appropriations to the department of revenue administration of \$148,000 for the fiscal year ending June 30, 1992, and \$50,600 for the fiscal year ending June 30, 1993, for the purpose of administering the occupation tax.

The bill also extends the increased rate for the communications services tax for the biennium ending June 30, 1993.

Rep. Jasper spoke in favor and yielded to questions.

Reps. Valerie Cook, Haettenschwiller and William McCain spoke against and yielded to questions.

Rep. Scott Green spoke against.

Rep. Douglas Hall spoke in favor and yielded to questions.

Roll call request sufficiently seconded.

The question being on the floor amendment.

#### COMMITTEE OF CONFERENCE REPORT ON SB 180-FN

The committee of conference to which was referred Senate Bill 180-FN, An Act relative to the hearings process on tax abatements for property taxes and making a supplemental appropriation for the board of tax and land appeals having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrency with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 76:16, II as inserted by section 3 of the bill by replacing it with the following:

*II. Upon receipt of an application under paragraph I, the selectmen or assessors shall review the application and grant or deny the application in writing within 6 months after notice of such tax, and failure to do so shall constitute a denial, except that in the year following a property revaluation, municipalities having 9,000 or more parcels shall have an additional 2 months to respond to appeals. "Notice of such tax" is defined in RSA 76:16-a, I.*

Amend RSA 76:16-a, I as inserted by section 4 of the bill by replacing it with the following:

I. [If] *After the selectmen neglect or refuse to so abate, in accordance with RSA 76:16, any person aggrieved, having complied with the requirements of RSA 74, upon payment of a \$40 filing fee, may, within [6] 8 months after notice of such tax, and not afterwards, apply in writing to the board of tax and land appeals which, after inquiry and investigation, shall hold a hearing if requested as provided in this section and shall make such order thereon as justice requires; and such order shall be enforceable as provided hereafter. Property owners who have appealed a tax assessment to the board of tax and land appeals and who receive a tax bill for a subsequent year prior to the time the board of tax and land appeals has acted on the original appeal shall be automatically considered as having appealed the subsequent bill and no further filing fee shall be required. "Notice of such tax" means the date the department of revenue administration determines to be the last date of mailing of tax bills by the taxing district. The person aggrieved shall state in its appeal to the board either the date of the municipality's decision on the RSA 76:16 application, or that 6 months has passed since the notice of the tax and that the municipality failed to issue a decision in accordance with RSA 76:16.*

#### AMENDED ANALYSIS

The bill changes the filing period for requesting a tax abatement from the municipalities from 60 days to 2 months to make time periods consistent in the statute. The bill also makes explicit the town's existing duty to review and decide abatement applications, specifying a time period to complete such review and decision. The bill amends the appeal procedure by requiring a decision or denial from the municipality before appealing to the board of tax and land appeals.

The bill also specifies that a person must only pay one filing fee for each appeal to the board of tax and land appeals.

Conferees on the Part of the Senate: Sen. Roberge, Dist. 9, Sen. W. King, Dist. 2, Sen. Delahunty, Dist. 22

Conferees on the Part of the House: Rep. Grodin, Ches. 6, Rep. Perry, Ches. 10, Rep. Salatiello, Belk. 3, Rep. Soucy, Hills. 39.

Report adopted.

### **SUSPENSION OF RULES**

Rep. Ward moved that the rules be so far suspended as to permit the House to consider the Committee of Conference report on SB 182-FN which contains a non-germane amendment. (Secs. 1-10, 14-18)

Adopted by the necessary two-thirds.

### **COMMITTEE OF CONFERENCE REPORT ON SB 182-FN**

The committee of conference to which was referred Senate Bill 182-FN, An Act relative to the division of information services having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrency with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House adopt the following new amendment to the bill as passed by the Senate, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. For over 2 years, the state data processing and computer management study committee has reviewed almost every aspect of state computer operations. The committee's duties were to examine all aspects of data processing throughout the state. As a result of the study, it is the intent of the legislature to establish an office of information technology management, as the first step in decentralizing computer operations. This is to be accomplished by dissolving the division of information services and assigning the computer development activities directly to several user agencies while the data center operations activities will be assigned to the department of administrative services and the department of health and human services. The office of information technology management will be staffed by a director and a small staff, whose function will be to assist state agencies in developing state-wide plans, develop system standards, coordinate development of agency budgets for information systems, provide agency training and educational programs, provide technical consultation and review agency plans and equipment acquisitions. In addition, the office will monitor the effectiveness of the use of information technology resources and report to the governor and legislature. A data base management advisory committee shall serve as the transition authority through January 1, 1993, to ensure the orderly transition of operations.

2 New Subdivision; Office of Information Technology Management Established. Amend RSA 21-I by inserting after section 65 the following new subdivision:

Office of Information Technology Management

21-I:66 Definitions. In this subdivision:

I. "Director" means the director of information technology management.

II. "Information technology" means the equipment and software used in electronic data processing and in voice and data communications.

III. "Information technology management" means the management of the equipment, software, personnel, budgets, and other resources involved in the operation of electronic data processing and voice and data communications.

21-I:67 Office Established; Functions. There is hereby established the office of information technology management, which shall be administratively attached to the department of administrative services. The office shall be under the supervision of a director of information technology management, who shall be responsible for the following functions:

I. Providing technical information technology consultation to any agency which requests it, including technical advice during the development or acquisition of information systems.

II. Monitoring technological trends and informing all state employees and officials about state of the art information systems and management techniques.

III. Developing a formal information technology planning process for approving agency information technology plans, provided that a legislative appropriation shall be considered final approval for any project requiring expenditure of funds.

IV. Preparing and maintaining a statewide information technology plan based upon agency data processing plans.

V. Reviewing and assessing the feasibility of agency plans, including cost estimates and impacts on other agencies.

VI. Developing those standards necessary to assure that hardware, software, and telecommunications systems acquired or developed by the state are as compatible among themselves and with existing state systems as is necessary and practical.

VII. Providing training and educational programs to technicians and managers.

VIII. Monitoring and reporting to the governor and legislature on the effectiveness of the use of information technology resources and on statewide progress in implementing technology plans.

IX. Coordinating information technology development efforts that affect multiple agencies or other levels of government.

X. Assigning to the various data centers throughout the state the data processing operations service responsibilities for those state agencies which do not have access to a data center and which request to be provided with such a service.

XI. Developing in concert with the commissioner of administrative services and the budget director the capital and operating budget requests for implementing each agency's information technology plan, including, but not limited to, appropriate standards for the uniform presentation of the general budget requests.

XII. Developing in concert with the director of plant and property management specifications for the procurement of computer equipment and software.

21-I:68 Director; Qualifications; Compensation.

I. The director shall be appointed by the governor, with the consent of council, and shall serve at the pleasure of the governor.

II. The director of the office shall be qualified to hold his position by reason of education and experience. He shall possess a broad working knowledge, with demonstrated expertise and proven organizational skills in the field of information technology management.

III. The salary of the director of the office shall be as specified in RSA 94:1-a.

21-I:69 Special Duties. In addition to the powers, duties, and functions otherwise vested in the director by RSA 21-I:67, the director shall:

I. Develop and implement, subject to approval by the governor and the legislature, a long-range information technology plan for the state of New Hampshire.

II. Report to the governor and to the legislature on January 1 of each year as to the progress made in implementing the state information technology plan.

III. Act as chairman of the information technology management advisory board.

IV. Establish technical committees to advise office staff in the development of technical standards, procedures, and processes.

21-I:70 Rulemaking. Notwithstanding any other provision of law, the director shall have the authority to adopt rules, pursuant to RSA 541-A, and to enforce such rules.

21-I:71 Information Technology Management Advisory Board.

I. There is hereby established the information technology management advisory board. The board shall advise the office on policy matters, strategic direction, and emerging trends in information technology, and shall review the information technology management office plan and state information technology plans.

II. The board shall consist of the following members:

(a) The director of the office of information technology management.

(b) The commissioner of administrative services.

(c) The commissioner of transportation.

(d) The commissioner of health and human services.

(e) The commissioner of safety.

(f) The commissioner of revenue administration.

(g) The legislative budget assistant.

(h) Two heads of departments, appointed by the governor.

(i) Two senior information technology executives from the private sector, appointed by the governor.

21-I:72 Technical Committees. The director may establish, as needed, working committees to advise the staff on technical issues. Each technical committee shall be composed of personnel from state agencies who are expert in the specific issue that is the focus of the committee. These issues may include but are not limited to:

I. Hardware, software, and telecommunications standards.

II. Information technology planning process.

III. Development of statewide policies and procedures.

3 New Section; Information Technology Plan. Amend RSA 9 by inserting after section 4-a the following new section:

9:4-b Information Technology Plan. Each executive department shall prepare an information technology plan in accordance with the information technology planning process developed by the director of the office of information technology management. The portion of each plan which addresses the upcoming biennium shall define the capital and operating budgets necessary for implementing the plan. The budget data in the information technology plan shall provide for both new information technology initiatives and existing operations and shall be consistent with the budget data submitted under RSA 9:4 and 9:4-a. In the case of the failure of any executive department to submit an information technology plan, the director of information technology management shall cause a plan to be prepared as in his opinion is reasonable and proper.

4 New Paragraph; Legislative Budget Assistant Audit Division. Amend RSA 14:31-a by inserting after paragraph IV the following new paragraph:

V. Conduct audits of the compliance of state agencies with statewide information technology standards and procedures.

5 New Paragraph: Budget Unit of Department of Administrative Services. Amend RSA 21-I:6 by inserting after paragraph VII the following new paragraph:

VIII. Cooperate with the office of information technology management in the preparation of the statewide information technology plan, and incorporation of information technology planning into the budget process.

6 New Paragraphs; Functions of Division of Plant and Property Management. Amend RSA 21-I:11 by inserting after paragraph X the following new paragraphs:

XI. Requiring, prior to an agency's submission of a request for proposal for state data processing equipment, software, or services exceeding \$5,000 in total cost, that the agency obtain approval of the proposal by the director of the office of information technology to ensure that the procurement is consistent with the state information technology plan.

XII. Requiring agencies to submit the approval from the director of the office of information technology in support of requests for purchases of information technology equipment or software in excess of \$5,000.

7 New Paragraph; Bureau of Graphic Services in Division of Plant and Property Management. Amend RSA 21-I:12 by inserting after paragraph III the following new paragraph:

IV(a). A bureau of graphic services under the supervision of a classified administrator of graphic services who shall be responsible for the following functions:

(1) Supervising all state printing and its procurement.  
(2) Ensuring that all legislative printing within the capability of the bureau of graphic services shall, at all times, have priority over other work of the bureau.  
(3) Providing the capability to levy cost charges on the use of each state photocopier.

(4) Using the prison printshop to the extent it can efficiently do so to function as a vocational rehabilitation facility under the direct supervision of prison authority, provided the prison printshop shall be entitled to bid on any appropriate state printing job.

(5) Managing a service operation which shall provide graphic services to all state agencies.

(b) With reference to the bureau of graphic services and the rulemaking authority of the commissioner in this area, "graphic services" shall mean any method of producing written or pictorial representations and shall include, but not be limited to, all forms of photography, photocopy, duplicating and printing.

(c) The following exceptions to the authority of the administrator of graphic services shall apply:

(1) He shall exercise no management or other authority over the state police photo laboratory.

(2) He shall exercise no management or other authority over the printing, duplication, photocopying, photographic or other graphic services equipment or personnel of the university system of New Hampshire, the department of transportation, the department of employment security, and the general court.

8 Prohibition on Future Employment. Amend RSA 21-I:14-b to read as follows:  
21-I:14-b Prohibition on Future Employment.

1. No commissioner, financial data manager, accounting director, [director of information services, or] director of plant and property management of the department of administrative services, *or director of the office of information technology management* shall accept any employment, including work as a consultant or lobby-

ist, with any vendor of goods or services holding a valid contract with the department, in excess of \$10,000 over the previous 2 years, until one year after he shall become separated from the department.

II. No vendor of goods or services holding a valid contract with the department, in excess of \$10,000 over the previous 2 years, shall employ any commissioner, financial data manager, accounting director, [director of information services, or] director of plant and property management of the department *or director of the office of information technology management* until one year after such employee has become separated from the department. Any such vendor who violates the provisions of this paragraph shall be barred from bidding on any future contract with the department for 5 years after such violation.

9 Work Order Required . Amend RSA 21-I:38 to read as follows:

21-I:38 Work Order Required.

I. Notwithstanding any other provision of law to the contrary, [the] *any provider* department [of administrative services], *excluding the legislative branch*, prior to performing *system development or* computer operation services for any user agency, shall obtain a written work order which:

(a) Defines the services being requested by the user agency *and the product to be delivered by the provider department*

(b) Describes the effort which the *provider* department must expend in order to accomplish the services requested and, if 5 man-days or more are required to complete the work, includes a cost estimate.

(c) Is agreed to by both the *provider* department and the user agency, as evidenced by the signatures of representatives of both parties on the work order.

II. Any change or modification to the services requested by the user agency shall likewise be agreed to in writing by a supplement to the pertinent work order approved by both parties.

III. The work order form shall be furnished to the user agency by the *provider* department [of administrative services].

IV. As used in this section, "user agency" means any department, board, commission, institution or other agency or office of the state utilizing data processing services provided by [the] *any other* department [of administrative services], *excluding the legislative branch*.

10 Data Base Management Advisory Committee.

I. There is hereby established an advisory committee to advise the commissioner of the department of administrative services regarding data base management issues. The committee members shall be as follows:

(a) The speaker of the house of representatives, or designee.

(b) The president of the senate, or designee.

(c) The governor, or designee.

(d) Two members of the house of representatives, appointed by the speaker of the house of representatives. The speaker may appoint alternates for these positions.

(e) Two members of the senate, appointed by the president of the senate. The president may appoint alternates for these positions.

(f) The commissioner of the department of administrative services who shall act as chairman of the committee.

II.(a) The advisory committee shall serve as the transition authority to coordinate and oversee the transition to the new data processing management structure. During the transition period, in the absence of a state information technology plan, the direc-

tor of the office of information technology management shall review and approve requests for proposals in accordance with RSA 21-I:11, XI to ensure that the procurement is consistent with agency budget requests, current operating environments, and any other criteria as may be determined by the advisory committee to be in the best interest of the state. The committee shall be authorized to provide any reviews and approvals required of the director of the office of information technology management until the appointment of a director of that office.

(b) Notwithstanding other provisions of the law, the data base management advisory committee shall be authorized to approve transfers of personnel, positions, and equipment between the data processing units of the department of administrative services, the office of information technology, the department of health and human services, and other user agencies. In addition, the committee shall be authorized to establish positions and to review and revise, when necessary, job specifications and supplemental job descriptions within the data processing units of the department of administrative services, the office of information technology, and the department of health and human services, and other user agencies within the limits of appropriated funds. The advisory committee shall not transfer funds unless such transfer is approved by the fiscal committee.

(c) At the direction of the data base management advisory committee, the commissioner of administrative services shall submit a plan for the transfer, where feasible, of systems development support directly to the end users of those services. The committee, upon approval of said plan, shall set the schedule and oversee the implementation of the system development decentralization process.

(d) At the direction of the data base management advisory committee, the commissioner of health and human services and the commissioner of the administrative services shall each submit detailed support plans which demonstrate their ability to provide computer operations support to other user agencies in a decentralized environment. The committee, upon the approval of said plan, shall set the schedule and oversee the implementation of the computer operations decentralization process.

III. The advisory committee shall submit a comprehensive report including its recommendations and a summary of its activities to the governor, senate president, and speaker of the house on or before December 31, 1992.

11 Report; Date Extended. Amend 1989, 408:91 as amended by 1990, 184:2 to read as follows:

408:91 Report. The study committee shall submit a comprehensive report with its recommendations to the governor, senate president, and speaker of the house on or before its termination date in 1991 [covering detailed operational procedures, hardware and software acquisition criteria, and any proposed legislation necessary to fully implement its recommendations]. Public notice of each meeting which the committee holds in order to perform its duties shall be placed in the house and senate calendars. Minutes of such meetings shall be available for public inspection by every citizen during regular business hours.

12 Moratorium Date Extended; Committee Approval Required. Amend 1990, 184:5 to read as follows:

184:5 Limitation on Acquisition or Disposal of Computer Equipment by Department of Administrative Services. Other provisions of law notwithstanding, [for the biennium ending] *until* June 30, [1991] **1992**, other than for purposes of maintaining current operational levels, including projects currently approved by 1990, 1 (HB 1500-FN-A) [or] other special act, *or with the prior approval of the data base man-*

*agement advisory committee*, [the division of information services,] *the* department of administrative services, *and the department of health and human services*, shall not acquire by purchase, lease, or other method, and shall not dispose of by any method, any computer hardware or software that will modify or change current operations or applications for data entry, processing of data, or report generation. After the completion of the study authorized by 1989, 408:89 and 408:91, the committee may recommend, for introduction at the next session of the legislature, legislation to implement any or all of the report recommendations.

13 Position Abolished. The unclassified position of director of the division of information services is hereby abolished when the current incumbent resigns or when his commission expires, whichever is earlier.

14 Salary. Amend RSA 94:1-a, I by inserting in group P the following: Director, office of information technology management.

15 Salary. Amend RSA 94:1-a, I by deleting in group P the following: Director, division of information services.

16 Transition. All books, papers, records, equipment, unexpended appropriations, classified personnel, actions, records and other property or obligations of the division of information services are hereby transferred to the financial data management unit.

17 Appropriation; Office of Information Technology Management; Department of Administrative Services; Department of Health and Human Services. The following funds are hereby appropriated for the fiscal year ending June 30, 1992, for the purposes of this act. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

#### COMMITTEE OF CONFERENCE REPORT ON SB 195-FN

The committee of conference to which was referred Senate Bill 195-FN, An Act relative to campaign expenditure limitations having considered the same, report having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

I Declaration of Purpose. Amend 1989, 212:1, IV to read as follows:

IV. Unimpeded access to the ballot is crucial to the realization of the constitutional guarantee of a representative form of government. The philosophical basis for democracy is the equal opportunity to participate. Greater participation increases effective representation, preserving the political power guaranteed to the people by the constitution. Expenditure limitations will allow greater ballot access, freer competition of ideas through individual speech and interaction, and more competitive campaigns. Voluntary compliance with expenditure limitations will help provide greater ballot access, which by its nature is necessary to and a part of the election process. *In further recognition of the state's traditional role in regulating ballot access and candidate qualifications, the general court finds that these objectives can be accomplished by the voluntary procedure set forth herein.* The general court finds that these objectives can be accomplished by campaign expenditure limitations.

2 Filing Declaration of Intent with Secretary of State. Amend RSA 655:14-a to read as follows:

655:14-a Filing by Other Candidates. Every candidate for state or federal office who intends to have his name placed on the ballot for the state general election by means other than nomination by party primary shall file a declaration of intent with the [appropriate official] *secretary of state* as provided in RSA 655:17-a or RSA 655:17-b during the same time period in which party candidates file a declaration under RSA 655:14.

3 Filing Fees for all Candidates. RSA 655:19 is repealed and reenacted to read as follows:

655:19 Filing Fees.

I. At the time of filing declarations of candidacy, each candidate for the following offices shall pay to the official with whom the declarations are filed the following filing fees, and shall file with the appropriate official the requisite number of primary petitions as provided in RSA 655:20 and 655:22, unless the candidate agrees to limit his expenditures in accordance with RSA 664:5-a. At the time of filing declarations of intent, each candidate for the following offices shall pay to the secretary of state the following filing fees, and the following filing fees shall be paid in addition to the requisite number of nomination papers which must be submitted and filed. The filing fee paid under this section shall be in addition to the administrative assessment paid under RSA 655:19-c. The filing fees shall be as follows:

(a) For governor, United States senator, and representative to Congress, \$5,000.

(b) For executive councilor, \$500.

(c) For county officer, \$100.

(d) For state senator, \$100.

(e) For state representative, \$25.

II. The fees paid to a town or city clerk by candidates for state representative shall be forwarded to the treasurer of the town or city and shall be for the use of the town or city. The fees paid to the secretary of state shall be deposited by him in the general fund.

4 Reference to Filing Declaration of Intent. Amend RSA 655:19-b to read as follows:

655:19-b Waiver of Filing Fee *and Primary Petitions*.

I. A candidate for any of the offices enumerated in RSA 655:19 who, pursuant to RSA 664:5-a, voluntarily accepts the expenditure limitation set forth in RSA 664:5-b shall have the filing fee *under RSA 655:19* either waived or refunded, *and shall have*

*the requirement for filing petitions under RSA 655:20 waived*, as provided in paragraph II.

II. If a candidate files the affidavit as specified in RSA 664:5-a at the time he files the declaration of candidacy *or declaration of intent*, the filing fee *required under RSA 655:19 and the petitions required to be filed under RSA 655:20* shall be waived. If such affidavit is filed within [10] 3 days following the filing of the declaration of candidacy, the appropriate officer shall refund the filing fee paid by the candidate as soon as practicable.

5 New Section: Administrative Assessment and Primary Petitions. Amend RSA 655 by inserting after section 19-b the following new section:

655:19-c Administrative Assessment; Primary Petitions; Nomination Papers.

I. Candidates for governor, United States senator, representative to Congress, executive councilor, state senator, county officer, and state representative who file declarations of candidacy shall pay the administrative assessment in paragraph I or file primary petitions as provided in paragraph III in addition to the filing fee and primary petition requirements of RSA 655:19 and 655:20. Candidates for governor, United States senator, representative to Congress, executive councilor, state senator, county officer, and state representative who file declarations of intent shall pay the administrative assessment in paragraph I in addition to the filing fee required by RSA 655:19 and shall meet the requirements of RSA 655:40-45 for nomination by nomination papers. Neither the administrative assessment which is paid nor the primary petitions which are filed under this section, nor the nomination papers which must be submitted under RSA 655:41 and filed under RSA 655:43, shall be waived or refunded for a candidate for any of the offices listed in this section who, pursuant to RSA 664:5-a, voluntarily accepts the expenditure limitation set forth in RSA 664:5-b. At the time of filing declarations of candidacy or declarations of intent, the administrative assessment shall be as follows:

- (a) For governor and United States senator, \$100.
- (b) For representative to Congress, \$50.
- (c) For executive councilor, \$25.
- (d) For state senator, \$10.
- (e) For county officer, \$10.
- (f) For state representative, \$2.

II. The administrative assessment paid to a town or city clerk by candidates for state representative shall be forwarded to the treasurer of the town or city and shall be for the use of the town or city. The administrative assessment paid to the secretary of state shall be deposited by him into the general fund.

III. Any person otherwise qualified to run for office who chooses not to pay the administrative assessment as prescribed in paragraph I may have his name printed on the primary ballot of any party by filing with the appropriate official the requisite number of primary petitions made by members of the party, together with one written assent to candidacy. The number of primary petitions to be filed for each office shall be as follows: for governor and United States senator, 200; for representative in Congress, 100; for executive councilor and county officer, 50; for state senator, 20; for state representative, 5. Candidates for delegate to the state convention shall not be required to submit any primary petitions.

6 Filing Primary Petitions. Amend RSA 655:20, II to read as follows:

II. Any person qualified to run for office who does not, pursuant to RSA 664:5-a, voluntarily accept the expenditure limitation set forth in RSA 664:5-b shall, in order

to have his name printed on the primary ballot of any party, in addition to the filing fees prescribed in RSA 655:19, file with the appropriate official the requisite number of primary petitions *required under RSA 655:22* made by members of the party, together with one written assent to candidacy. *Primary petitions filed under this section shall be filed in addition to the requirement for filing petitions under RSA 655:19-c.*

7 Filing Number of Petitions. Amend RSA 655:22 to read as follows:

655:22 Number of Petitions. The number of primary petitions to be filed for each office under RSA 655:20 shall be as follows: for governor and United States senator, 2,000; for representative in Congress, 1,000; for executive councilor, *500; for* county officer, *100; [and] for* state senator, [500] *100*; for state representative, [20] *10*. Candidates for delegate to the state convention shall not be required to submit any primary petitions. *The provisions of this section shall apply to candidates who do not, pursuant to RSA 664:5-a, voluntarily accept the expenditure limitations set forth in RSA 664:5-b. Primary petitions filed under this section shall be in addition to the number of petitions filed under RSA 655:19-c.*

8 Application of Excess Campaign Contributions Restrictions to Congressional Elections. Amend RSA 664:1 to read as follows:

664:1 Applicability of Chapter. The provisions of this chapter shall apply to all state primary, general, and special elections, but shall not apply to presidential preference primaries. The provisions relating to political advertising, RSA 664:14 through 17-a, shall additionally apply to city, town, school district and village district elections. The provisions relating to voluntary expenditure limitations, RSA 664:5-a and 664:5-b, [and excess campaign contributions, RSA 664:4-c.] shall additionally apply to elections for United States senator and representative to Congress.

9 Expenditure Redefined. Amend RSA 664:2, IX to read as follows:

IX. "Expenditure" shall mean the disbursement of money or thing of value or the making of a legally binding commitment to make such a disbursement in the future *for the purpose of influencing the nomination for election or election of any candidate*. It does not include the candidate's filing fee or his expenses for personal travel and subsistence.

10 New Paragraph; Independent Expenditures Defined. Amend RSA 664:2 by inserting after paragraph X the following new paragraph:

XI. "Independent expenditures" means expenditures by a person, political committee, or other entity expressly advocating the election or defeat of a clearly identified candidate which are made without cooperation or consultation with any candidate, or any authorized committee or agent of such candidate, and which are not made in concert with, or at the request or suggestion of, any candidate, or any authorized committee or agent of such candidate. As used in this paragraph, "clearly identified" means that the name of the candidate involved appears; a photograph or drawing of the candidate appears; or the identity of the candidate is apparent by unambiguous reference.

11 Reference to Independent Expenditures. Amend RSA 664:3, 1 is repealed and reenacted to read as follows:

I. Any political committee, except the political committee of a political party, shall register with the secretary of state as provided in this section. The committee shall register with the secretary of state before receiving any contribution or making any expenditure, and in no event shall any political committee register with the secretary of state later than the second Wednesday following any primary election. The

registration shall be accompanied by a fee of \$50, which shall be deposited by the secretary of state into the general fund; provided, however, that the political committee of a candidate which registers under this section shall not be required to pay the \$50 fee. The political committee shall file with the secretary of state a statement of the purpose of the committee and shall indicate whether the committee will be making independent expenditures in support of or in opposition to any candidate including the full name of each candidate, a statement of the name, address, occupation, and principal place of business of its chairman, treasurer, and other officers, and a declaration signed by its chairman and treasurer that the political committee will not exceed the expenditure limitations allowed under RSA 664:5, V.

12 Reference to Independent Expenditures. Amend RSA 664:3, II to read as follows:

II. No member of a political committee, except members of political committees of political parties, shall do any act directly or indirectly on behalf of the committee to promote the success or defeat of a political party, a measure or a candidate, until the statements required by paragraph I are filed. *Only those political committees that have filed a declaration with respect to independent expenditures as provided in paragraph I may make such expenditures.*

13 Prohibited Political Contributions. Amend the introductory paragraph of RSA 664:4 to read as follows:

No contribution, whether tangible or intangible, shall be made to a candidate, a political committee, or political party, or in behalf of a candidate or political committee or political party, directly or indirectly, for the purpose of promoting the success or defeat of any candidate or political party *at any state primary or general election:*

14 Limiting Amount of Political Contribution. Amend RSA 664:4, V to read as follows:

V. By any person (1) if in excess of \$5,000 in value, except for contributions made by a candidate in behalf of his own candidacy, *or if in excess of \$1,000 in value by any person or by any political committee to a candidate or a political committee working on behalf of a candidate who does not voluntarily agree to limit his campaign expenditures and those expenditures made on his behalf as provided in RSA 664:5-a*, (2) if made anonymously or under a name not that of the donor, (3) if made in the guise of a loan, (4) if in any other manner concealed, (5) if made without the knowledge and written consent of the candidate or his fiscal agent, a political committee or its treasurer, or not to any one of the same.

15 New Paragraph: Prohibited Political Expenditures. Amend RSA 664:5 by inserting after paragraph IV the following new paragraph:

V. No political committee shall make independent expenditures in excess of \$1,000 for any or against any candidate running for a particular office in a state primary election, and a like amount in a state general election, in support of or to oppose any candidate.

16 Reference to Declaration of Intent. Amend RSA 664:5-a, III to read as follows:

III. Affidavits in compliance with this section shall be filed within [10] 3 days after the date on which a candidate files his declaration of candidacy *or his declaration of intent*, or is declared a write-in winner of a primary election.

17 New Paragraph: Political Expenditures for Primary and General Elections. Amend RSA 664:5-b by inserting after paragraph V the following new paragraph:

VI. For the purposes of this section, RSA 664:5-a and the enforcement provisions of this chapter, total expenditures shall mean the sum of all expenditures made to

influence either a state primary or a state general election made by a candidate and those made on his behalf by his committee or committees, his party, and his immediate family. Each campaign expenditure limitation amount shall apply solely and independently to either the state primary election or the state general election.

18 Advisory Committee; Additional Member. Amend RSA 664:5-c, II to read as follows:

II. The committee shall consist of the secretary of state, and [4] 5 other members: one person appointed by the house majority leader; one person appointed by the house minority leader; one person appointed by the senate majority leader; [and] one person appointed by the senate minority leader; *and one person appointed by the governor.*

19 Additional Reports. Amend RSA 664:6, I and II to read as follows:

I. Any political committee whose receipts or expenditures in support of a candidate, measure or political party exceed \$500 *except, for the purposes of this paragraph only, the political committee of a political party or the political committee of a candidate*, shall file with the secretary of state an itemized statement, signed by its chairman and treasurer showing each of its receipts exceeding \$25 with the full name and post office address of the contributor in alphabetical order and the amount of the contribution and the date it was received. [Such report] *The statement* shall be filed not later than the Wednesday [3] 12 weeks immediately preceding [an] *a primary* election, before 5 o'clock in the afternoon, and shall cover the period beginning on the day of the committee registration [or report, whichever is later.] and ending on the Monday before the [report] *statement* is due. All receipts of \$25 or under shall appear on the [reports] *statements* as unitemized receipts. Any listing exceeding \$100 shall be accompanied by the contributor's occupation and principal place of business, if any. The statement shall also show each committee expenditure with the full name and address of persons, corporations, committees or to whomever paid or to be paid and the date paid, with the specific nature and amount of each expenditure since the date of the registration [or report, whichever is later].

II. [A second] *AnE* itemized statement in the same form as in paragraph I shall be filed with the secretary of state not later than the Wednesday 3 weeks immediately preceding [an] *a primary and a general* election, before 5 o'clock in the afternoon. [Such report] *The statement* shall summarize the [first] period *under paragraph I if a statement is filed and shall* itemize all receipts and expenditures since the cutoff of [the first] *that* statement up until the Monday preceding the filing of the [second report. In addition to the reporting requirements contained in this section, the secretary of state shall be notified by the fiscal agent within 24 hours of any contribution exceeding \$500 which is received after the second report is filed and prior to the day of election] *statement under this paragraph.*

20 New Paragraph; Itemized Statement on Wednesday Preceding Election. Amend RSA 664:6 by inserting after paragraph II the following new paragraph:

II-a. A statement in the same form as in paragraph I shall be filed with the secretary of state not later than the Wednesday immediately preceding a primary and a general election, before 5 o'clock in the afternoon. The statement shall summarize the statements under paragraphs I and II if such statements are filed and itemize all receipts and expenditures since the cutoff of the statement under paragraph II up until the Monday preceding the filing of the statement under this paragraph. In addition to the reporting requirements contained in this section, the secretary of state shall be

notified by the fiscal agent within 24 hours of any contribution exceeding \$500 which is received after the statement under this paragraph is filed and prior to the day of election.

21 Itemized Statement as of Day of Election. Amend RSA 664:6, III to read as follows:

III. [A third] *An* itemized statement in the same form as in paragraph I summarizing the [periods of the first and second] *previous* statements *if such statements are filed* and itemizing all receipts and expenditures since the cutoff of the [second] *previous* report *and ending on the day of the primary or the general election* shall be filed with the secretary of state not later than the second [Friday] *Wednesday* after the election, before 5 o'clock in the afternoon.

22 New Paragraph: Itemized Statement for Expenditures Exceeding \$500. Amend RSA 664:6 by inserting after paragraph IV the following new paragraph:

IV-a. Any political committee whose independent expenditures exceed \$500 shall file an itemized statement with the secretary of state not later than 24 hours after such expenditures are made, and thereafter each time a further \$500 is expended. Such itemized statements shall cover the period during which independent expenditures totalling \$500 were made. Each statement shall contain the date of the independent expenditure; the name and address of the person to whom the expenditure was made; the name of the candidate on whose behalf or against whom each expenditure was made; the amount of each expenditure; the purpose of each expenditure and the aggregate amount of all previous independent expenditures. If the independent expenditure is made in support of or to oppose more than one candidate, the statement made under this paragraph shall allocate the way in which the expenditure was made among the candidates on a reasonable basis. For the purposes of this paragraph, "reasonable basis" means a statement which reflects the benefit or the burden reasonably expected to be derived or suffered by each candidate. The filing requirements of this paragraph shall be in addition to all other filing requirements under this section, and shall not be limited to the filing periods during which expenditures must otherwise be reported.

23 Information Required on Statement. Amend RSA 664:7 to read as follows:

664:7 Reporting by *Candidates*. Each candidate at the primary or *general* election for governor, councilor, state senator, representative to general court, or county officer, who has expenditures exceeding \$500, shall file statements before and after an election in like manner and detail as prescribed in RSA 664:6, [I-VI], *II, II-a, III, IV, and V*, excepting, however, the expenditures of political committees of the party to which the candidate belongs in elections other than primaries.

24 Signature of Treasurer of Political Committee. Amend RSA 664:14, I and II to read as follows:

I. All political advertising shall be signed at the end with the names and addresses of the candidate, his fiscal agent, or the name and address of the chairman or the [secretary] *treasurer* of a political committee, or the name and address of a natural person, according to whether a candidate, political committee, or natural person is responsible for it. Said signature shall clearly designate the name of the candidate, party or political committee by or on whose behalf the same is published or broadcast.

II. Political advertising to promote the success or defeat of a measure by a partnership, corporation, labor union, or other organization shall be signed. The name of such organization shall be indicated and the chairman or [secretary] *treasurer* of such

organization shall sign his name and address. Nothing in this section shall be construed to permit contributions which are prohibited under RSA 664:4.

25 New Paragraph; Advertising by Political Committee. Amend RSA 664:14 by inserting after paragraph V the following new paragraph:

VI. Notwithstanding any other provision of this section, any advertising in support of or in opposition to a candidate by a political committee not authorized by the candidate or candidate committee shall so state.

26 Investigation of Complaint Concerning Violation of RSA 664. RSA 664:18, I is repealed and reenacted to read as follows:

I. Upon receipt of such complaint, the attorney general or his designee shall review the complaint, and where sufficient evidence of a violation is presented, conduct investigations to determine whether a violation of this chapter has occurred.

27 Power of Attorney General. RSA 664:21, III is repealed and reenacted to read as follows:

III. Nothing in this section shall be construed to limit the enforcement powers of the attorney general under RSA 664:18.

28 New Paragraphs; Additional Penalties. Amend RSA 664:21 by inserting after paragraph III the following new paragraphs:

IV. In addition to the fines levied under paragraph I, any person who fails to file any report or statement on the date on which the report or statement is due under this chapter shall be subject to a daily fine of \$25 for every day for which the report or statement is late and until the report or statement is actually filed.

V. The provisions of this paragraph shall apply to violations of this chapter other than the violation of RSA 664:5-a and 5-b, and a person liable under the provisions of this paragraph shall not also be subject to the penalties imposed under paragraphs I, II and IV. Any person who otherwise violates any provision of this chapter shall be guilty of a misdemeanor if a natural person or shall be guilty of a felony if any other person.

29 New Section; Severability. Amend RSA 664 by inserting after section 22 the following new section:

664:23 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect any other provisions or applications of the chapter which can be given effect without the invalid provisions or applications, and to this end the provisions of this chapter are severable.

30 Repeal. 1989, 212:1, VI, relative to a declaration of purpose and changes in federal law, is repealed.

31 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill amends the law on campaign expenditure limitations.

The bill makes it apply to candidates who intend to have their names placed on the state general election ballot by means of primary petitions or nominating petitions. The current law only applies to candidates who are nominated in their party primary, and to write-in candidates.

The bill also:

(1) Changes the membership on the advisory committee which monitors campaign financing statutes.

(2) Requires a candidate who does not voluntarily accept expenditure limitations to pay both a filing fee and to file primary petitions.

(3) Establishes minimum filing fee and primary petition requirements, regardless of whether a candidate voluntarily accepts expenditure limitations.

(4) Adds new definitions for "expenditures" and "independent expenditures."

(5) Limits the independent expenditures which a political committee may make to support or oppose candidates.

(6) Adds new penalty provisions for violation of RSA 664.

The Concord Delegation offered the following:

#### HOUSE RESOLUTION NO. 26

observing the city of Concord's role and history  
as capital of New Hampshire

WHEREAS, the city of Concord, since 1814, has served officially as capital and seat of state government for the people of New Hampshire, and

WHEREAS, for several decades prior to 1814, the city of Concord did serve as New Hampshire's unofficial capital and ultimately did repel all challenges from other eligible communities that sought to become the state capital, among them being Manchester, Hopkinton and Salisbury, and

WHEREAS, throughout the years, Concord has grown and become a capital city which engenders pride in every New Hampshire citizen, and

WHEREAS, in June of 1791, the New Hampshire General Court, for the very first time did meet in a special Town House which was built by the citizens of Concord who expended \$755 of their own money, to house the Legislature, and

WHEREAS, at that time, the Legislature did resolve that "the thanks of the General Court be returned to the town of Concord for the generous and very polite offer

made by the Select Men in behalf of said town of the use of the well-designed and elegant public building lately erected for the accommodation of the General Court," and

WHEREAS, the 1791 General Court also did resolve that "this mark of attention and liberality in the town of Concord will be gratefully remembered by the Legislature, whose deliberations will be facilitated by improving the fabric of the laudable purposes for which it was erected; and the rising prosperity of this town will at all times add to the happiness of the General Court," and

WHEREAS, that historic first home of the General Court was a one-story building which stood at the present site of the Merrimack County Court House and did include chambers for the 80-member House and the 12-member Senate, along with several committee rooms, and

WHEREAS, the spirit of cooperation and pride in the democratic process that marked the beginning of Concord's history as capital of the State of New Hampshire does, indeed, remain with us today, now therefore be it

RESOLVED by the House of Representatives, in regular session convened, that deepest gratitude be expressed to the citizens of Concord for their continued hospitality and generosity toward state government personnel and particularly the members of the General Court, and be it further

RESOLVED that the House of Representatives voice its appreciation for all that the City of Concord has done to further the cause of the free exercise of democracy in New Hampshire, and the hope that this cooperative relationship will grow ever stronger in the years ahead, and be it further

RESOLVED that copies of this resolution be presented to the Mayor of Concord and to the members of the Concord City Council.

Adopted.

The Durham Delegation offered the following:

#### **HOUSE RESOLUTION NO. 27**

saluting the University of New Hampshire Space Science Center

WHEREAS, the Space Science Center at the University of New Hampshire has played a major role in the conception, design, construction and operation of the CONTEL telescope, one of the four instruments on the NASA Gamma Ray Observatory recently launched by the space shuttle, and

WHEREAS, by having its proposal, known as the CONTEL project, accepted by NASA, the University of New Hampshire Space Science Center won out in a competition among the most prestigious universities in the country, and

WHEREAS, the CONTEL project has infused more than a million dollars into the New Hampshire economy, while affording opportunities to students to conduct research and earn money for their educations, and

WHEREAS, the CONTEL project team at the University of New Hampshire was led by Professor Jack Lockwood and his successor Jim Ryan, who each, throughout the fourteen years of the project, demonstrated great dedication, persistence and enthusiasm, and

WHEREAS, the University of New Hampshire Space Science Center has blossomed into a world-class research facility that attracts world-class scientists, now therefore be it

RESOLVED, by the New Hampshire House of Representatives in Regular Session convened, that the University of New Hampshire Space Science Center be saluted

and lauded for its scientific achievements and successes with the CONTEL project, and be it further

RESOLVED, that all past and present faculty, students and staff who have contributed to the successes of the University of New Hampshire Space Science Center be saluted as outstanding citizens of New Hampshire, and that a suitable copy of this Declaration be prepared for presentation to project leaders.

Rep. Corte spoke in favor.

Adopted.

**HOUSE JOURNAL No. 30**

Thursday, June 20, 1991

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairisto.

Almighty God, who gives power to achieve far beyond what we can hope or even imagine, as this year's sessions of the House draw near to conclusion, we pray with thanksgiving that You will grant us that power to achieve. Remove the cobwebs from our minds, the haze from our eyes, the extraneous noises from our ears, and any impure motives from our hearts, that with hearts pure and senses clear we might work through the confusion of conflicting claims that surround us, and find worthy solutions to the challenges that are ours as representatives of Your people in this part of Your world. Amen.

Rep. Kennison led the Pledge of Allegiance.

Adopted.

Ordered to third reading.

**HB 517-FN**, relative to watercraft safety and moorings. (Recalled from Governor on 6/13/91)

Reps. Stewart and Haynes offered a floor amendment

### **Floor Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 Sale Added. Amend RSA 270:25, I to read as follows:

I. No person shall own or operate *or sell or offer for sale*, within the jurisdiction of this state, a boat propelled in whole or in part by gas, gasoline, diesel, or naphtha unless the boat is provided with an underwater exhaust or other muffling device constructed and used so as to muffle the noise of the explosion. *Nothing in this paragraph shall be construed to require an underwater exhaust or other muffling device on a boat that is being sold for salvage purposes.*

2 New Paragraph; Attendance Waived. Amend RSA 270:46-a by inserting after paragraph II the following new paragraph:

III. The commissioner is authorized to waive the attendance requirement at the boat safety course and the penalty imposed under this section.

3 New Section: Penalties Added. Amend RSA 270 by inserting after section 12-c the following new section:

270:12-d Penalties.

I. Any person who buys, receives, possesses, sells or disposes of a boat, boat engine or outboard motor, with knowledge that a hull identification number or serial number has been removed, defaced or changed, with the intent to conceal or misrepresent the identity, shall be guilty of a class B felony if a natural person and guilty of a felony if any other person.

II. It shall be a misdemeanor to buy, receive, possess, sell or dispose of a boat, engine or outboard motor knowing the hull identification number or serial number has been removed, changed or altered. If upon discovery of the removed, defaced, changed, or altered hull identification number or serial number, the person reports it to the nearest police station or the bureau of marine patrol, he shall not be charged with a violation.

III. Anyone who willfully removes, defaces, obliterates, changes or alters a hull identification number, or serial number shall be guilty of a misdemeanor.

IV. Any person who operates a boat on public water while knowingly having in his possession or in any part of the boat a controlled drug, in violation of RSA 318-B, shall be guilty of a misdemeanor and shall have his right to operate a boat suspended for a period of one year.

4 Revocation of Operating Privileges Added. Amend the introductory paragraph of RSA 270-E:17 to read as follows:

270-E:17 Revocation of Registration. In addition to any other authority provided by law, the commissioner is hereby authorized to revoke or suspend any registration

issued pursuant to this chapter *or any privilege to operate a boat, or both*, upon a showing that:

5 New Section; Docking, Mooring Prohibited. Amend RSA 270 by inserting after section 64 the following new section:

270:64-a Docking, Mooring Prohibited.

I. No person shall dock, moor, make fast, or otherwise secure a vessel to a dock or pier of another, knowing that he is not licensed or privileged to do so.

II. The commissioner of the department of safety may adopt rules pursuant to RSA 541-A relative to the operation, mooring or anchoring of commercial and construction vessels and barges.

III. No person shall cause a vessel that he is operating or otherwise in control of, to remain secured in violation of this section in defiance of an order to move such vessel or have such vessel removed, which was personally communicated to him, whether verbally or in writing by the owner or authorized agent of the owner of the structure or other property or by a peace officer.

IV. For the purpose of this section, the commissioner of safety or any peace officer with jurisdiction, may impound any vessel found to be in violation of this section or may order the removal and storage at a place of safekeeping of any such vessel. All reasonable charges of such impoundment, removal and storage shall be a lien against the boat.

V. Any person who violates the provisions of this section or any rules adopted under this section shall be guilty of a violation for a first offense and misdemeanor for any subsequent offense.

6 Effective Date.

I. Section 4 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill prohibits the sale of boats which are unequipped with muffling devices. The bill allows the commissioner to waive certain administrative penalties for violations of boating laws and rules. It establishes criminal penalties for certain boating offenses.

The bill permits the commissioner of safety to revoke the privilege to operate or register a boat.

In addition, this bill prohibits any person from securing, in any manner, a vessel to a dock or pier without the consent of the owner or his agent. The bill also establishes penalties for violations of the docking or mooring requirements.

Rep. Stewart spoke in favor.

Adopted.

#### ENROLLED BILLS AMENDMENTS

**SB 83**, relative to the investment of public funds.

##### Amendment

Amend sections 1-7 of the bill by replacing them with the following:

1 Duties of County Treasurer. Amend RSA 29:1 to read as follows:

29:1 Duties. The county treasurer shall have custody of all moneys belonging to the county, and shall pay out the same only upon orders of the commissioners. He shall deposit the same in participation units in the public deposit investment pool estab-

lished pursuant to RSA 383:22 or in solvent banks in the state, except that funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits United States government obligations, United States government agency obligations, or obligations of the state of New Hampshire in value at least equal to the amount of the deposit in each case. Said out-of-state banks shall make a monthly report of such deposits to the state treasurer. The amount of collected funds on deposit in any one bank shall not at any time exceed the sum of its paid-up capital and surplus. The county treasurer shall keep in suitable books provided for the purpose a fair and correct account of all sums received into and paid from the county treasury, and of all notes given by the county, with the particulars thereof. At the close of each fiscal year, he shall make a report to the county, giving a particular account of all his financial transactions during the year. He shall furnish to the commissioners statements from his books, and submit his books and vouchers to them and to the county auditors for examination, whenever so requested. Whenever the county treasurer has in his custody an excess of funds which are not immediately needed for the purpose of expenditure, he shall, with the approval of the commissioners, invest the same in obligations of the United States government, in participation units in the public deposit investment pool established pursuant to RSA 383:22, in savings bank deposits of banks incorporated under the laws of the state of New Hampshire or in certificates of deposits of banks incorporated under the laws of the state of New Hampshire or in national banks located within this state or the commonwealth of Massachusetts. **Any person who directly or indirectly receives any such funds or moneys for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment, an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the county. Only securities defined by the bank commissioner in rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.**

2 County Treasurer; Excess Funds. Amend RSA 29:3 to read as follows:

29:3 Excess Funds. Whenever the county treasurer has in his custody an excess of funds which are not immediately needed for the purpose of expenditure he may, with the approval of the county commissioners and county executive committee, invest the same in short-term obligations of the United States or in participation units in the public deposit investment pool established pursuant to RSA 383:22, upon such terms as shall be approved by the county commissioners. **Any person who directly or indirectly receives any such funds or moneys for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment, an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the county. Only securities defined by the bank commissioner in rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.**

3 Investment; Capital Reserve Fund for Cities. Amend RSA 34:5 to read as follows:

34:5 Investment. The moneys in such fund shall be kept in a separate account and not intermingled with the other funds of the city. Said capital reserve fund shall be invested only by deposit in some savings bank or in the savings department of a national bank or trust company, or in the shares of a cooperative bank, building and

loan association, or federal savings and loan association, in this state or in bonds, notes or other obligations of the United States government, in bonds or notes of this state, or in participation units in the public deposit investment pool established pursuant to RSA 383:22, and when so invested in good faith the trustees hereinafter named shall not be liable for the loss thereof. Any interest earned or capital gains realized on the moneys so invested shall accrue to and become a part of the fund. Deposits in banks shall be made in the name of the city, and it shall appear upon the book thereof that the same is a capital reserve fund. **Any person who directly or indirectly receives any such funds or moneys for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment, an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the county. Only securities defined by the bank commissioner in rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.**

4 Investment; Capital Reserve Fund; Counties; Towns; Districts. Amend RSA 35:9 to read as follows:

35:9 Investment. The moneys in each such fund shall be kept in a separate account and not intermingled with other funds of said municipality. Said capital reserve fund shall be invested only by deposit in some savings bank or in the savings department of a national bank or trust company, or in the shares of a cooperative bank, building and loan association, or federal savings and loan association, in this state, or in bonds, notes or other obligations of the United States government, or in bonds or notes of this state, or in participation units in the public deposit investment pool established pursuant to RSA 383:22. When so invested the trustees hereinafter named shall not be liable for the loss thereof. Any interest earned or capital gains realized on the moneys so invested shall accrue to and become a part of the fund. Deposits in banks shall be made in the name of the town, district or county which holds the same as a reserve, and it shall appear upon the books thereof that the same is a capital reserve fund. **Any person who directly or indirectly receives any such capital reserve funds for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the town, school district, village district or county depositing or investing such funds. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.**

5 Town Treasurer; Duties. Amend RSA 41:29 to read as follows:

41:29 Duties. The town treasurer shall have custody of all moneys belonging to the town, and shall pay out the same only upon orders of the selectmen, or, in the case of a conservation fund established pursuant to RSA 36-A:5, upon the order of the conservation commission. He shall deposit all such moneys in participation units in the public deposit investment pool established pursuant to RSA 383:22 or in solvent banks in the state, except that funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits United States government obligations, United States government agency obligations, or obligations of the state of New Hampshire in value at least equal to the amount of the deposit in each case. Said out-of-state banks shall make a monthly report of such deposits to the state treasurer. The amount of collected funds on deposit in any one

bank shall not for more than 20 days exceed the sum of its paid-up capital and surplus. The town treasurer shall keep in suitable books provided for the purpose a fair and correct account of all sums received into and paid from town treasury, and of all notes given by the town, with the particulars thereof. At the close of each fiscal year, he shall make a report to the town, giving a particular account of all his financial transactions during the year. He shall furnish to the selectmen statements from his books, and submit his books and vouchers to them and to the town auditors for examination, whenever so requested. Whenever the town treasurer has in his custody an excess of funds which are not immediately needed for the purpose of expenditure, he shall, with the approval of the selectmen, invest the same in obligations of the United States government, in the public deposit investment pool established pursuant to RSA 383:22, in savings bank deposits of banks incorporated under the laws of the state of New Hampshire or in certificates of deposits of banks incorporated under the laws of the state of New Hampshire or in national banks located within this state or the commonwealth of Massachusetts. **Any person who directly or indirectly receives any such capital reserve funds for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the town, school district, village district or county depositing or investing such funds. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.**

6 City Treasurer; Duties. Amend RSA 48:16 to read as follows:

48:16 City Treasurer; Duties. The city treasurer shall have custody of all moneys belonging to the city. He shall deposit the same in participation units in the public deposit investment pool established pursuant to RSA 383:22, or in solvent banks in the state, except that funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits United States government obligations, United States government agency obligations, or obligations of the state of New Hampshire in value at least equal to the amount of the deposit in each case. Said out-of-state banks shall make a monthly report of such deposits to the state treasurer. The amount of collected funds on deposit in any one bank shall not at any time exceed the sum of its paid-up capital and surplus, except that a city with a population in excess of 50,000 is authorized to deposit funds in a solvent bank in excess of the paid-up capital surplus of said bank. The city treasurer shall keep in suitable books provided for the purpose a fair and correct account of all sums received into and paid from the city treasury, and of all notes given by the city, with the particulars thereof. At the close of each fiscal year, he shall make a report to the city giving a particular account of all his financial transactions during the year. He shall furnish to the mayor and council statements from his books, and submit his books and vouchers to them and to the city auditors for examination, whenever so requested. Whenever the city treasurer has in his custody an excess of funds which are not immediately needed for the purpose of expenditure, he shall, with the approval of the mayor and a majority of the city council, invest the same in obligations of the United States government, in participation units in the public deposit investment pool established pursuant to RSA 383:22, in savings bank deposits of banks incorporated under the laws of the state of New Hampshire or in certificates of deposits of banks incorporated under the laws of the state of New Hampshire or in national banks

located within this state or the commonwealth of Massachusetts. **Any person who directly or indirectly receives any such funds for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the city. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.**

7 School Districts; Treasurer's Duties. Amend RSA 197:23-a to read as follows:

197:23-a Treasurer's Duties. The treasurer shall have custody of all moneys belonging to the district and shall pay out the same only upon orders of the school board or upon orders of the 2 or more members of the school board empowered by the school board as a whole to authorize payments. He shall deposit the same in participation units in the public deposit investment pool established pursuant to RSA 383:22, or in solvent banks in the state, except that funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits United States government obligations, United States government agency obligations, or obligations of the state of New Hampshire in value at least equal to the amount of the deposit in each case. Said out-of-state banks shall make a monthly report of such deposits to the state treasurer. The amount of collected funds on deposit in any one bank shall not at any time exceed the sum of its paid-up capital and surplus. The treasurer shall keep in suitable books provided for the purpose a fair and correct account of all sums received into and paid from the district treasury, and of all notes given by the district, with the particulars thereof. At the close of each fiscal year, he shall make a report to the district, giving a particular account of all his financial transactions during the year. He shall furnish to the school board statements from his books, and submit his books and vouchers to them and to the auditors for examination, whenever so requested. Whenever the treasurer has in his custody an excess of funds which are not immediately needed for the purpose of expenditure, he shall, with the approval of the school board, invest the same in obligations of the United States government, in participation units in the public deposit investment pool established pursuant to RSA 383:22, in savings bank deposits of banks incorporated under the laws of the state of New Hampshire or in certificates of deposits of banks incorporated under the laws of the state of New Hampshire or in national banks located within this state or the commonwealth of Massachusetts. **Any person who directly or indirectly receives any such funds for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the city. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.**

Amend the bill by replacing section 9 with the following:

9 Town Treasurer; Duties; Combination of SB 83, SB 102, and HB 633. RSA 41:29 is repealed and reenacted to read as follows:

41:29 Duties.

I. The town treasurer shall have custody of all moneys belonging to the town, and shall pay out the same only upon orders of the selectmen, or, in the case of a conser-

vation fund established pursuant to RSA 36-A:5, upon the order of the conservation commission, or in the case of fees held pursuant to RSA 673:16, II, upon the order of the local land use board or its designated agent.

II. He shall deposit all such moneys in participation units in the public deposit investment pool established pursuant to RSA 383:22 or in solvent banks in the state, except that funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits United States government obligations, United States government agency obligations, or obligations of the state of New Hampshire in value at least equal to the amount of the deposit in each case. **SB 180-FN**, relative to the hearings process on tax abatements for property taxes.

#### Amendment

Amend the bill by inserting after section 4 the following and renumbering the original sections 5 and 6 to read as 9 and 10:

5 Hearing Procedure on Abatement of Taxes. Amend RSA 76:16 to read as follows:

76:16 By Selectmen or Assessors.

I. Selectmen or assessors, for good cause shown, may abate any tax assessed by them or by their predecessors. Any person aggrieved by the assessment of a tax and who has complied with the requirements of RSA 74, may, within [60 days] **2 months** after notice of the tax, and not afterwards, apply in writing to the selectmen or assessors for an abatement of the tax. **"Notice of the tax"** means the date the board of tax and land appeals determines to be the last date of mailing of the final tax bill by the taxing district.

II. Upon receipt of an application under paragraph I, the selectmen or assessors shall review the application and grant or deny the application in writing within 6

months after notice of such tax, and failure to do so shall constitute a denial, except that in the year following a property revaluation, municipalities having 9,000 or more parcels shall have an additional 2 months to respond to appeals. "Notice of such tax" is defined in RSA 76:16-a, I.

6 Information Required in Appeal Following Failure to Abate Taxes. Amend RSA 76:16-a, I to read as follows:

I. After the selectmen neglect or refuse to so abate, in accordance with RSA 76:16, any person aggrieved, having complied with the requirements of RSA 74, upon payment of a \$40 filing fee, may, within 8 months after notice of such tax, and not afterwards, apply in writing to the board of tax and land appeals which, after inquiry and investigation, shall hold a hearing if requested as provided in this section and shall make such order thereon as justice requires; and such order shall be enforceable as provided hereafter. Property owners who have appealed a tax assessment to the board of tax and land appeals and who receive a tax bill for a subsequent year prior to the time the board of tax and land appeals has acted on the original appeal shall be automatically considered as having appealed the subsequent bill and no further filing fee shall be required. "Notice of such tax" means the date the [department of revenue administration] **board of tax and land appeals** determines to be the last date of mailing of the **final tax [bills] bill** by the taxing district. The person aggrieved shall state in its appeal to the board either the date of the municipality's decision on the RSA 76:16 application, or that 6 months has passed since the notice of the tax and that the municipality failed to issue a decision in accordance with RSA 76:16.

7 Contingency. Sections 5 and 6 of this act shall take effect April 1, 1992, if HB 652-FN becomes law. If HB 652-FN does not become law, sections 5 and 6 shall not take effect.

8 Provisions Contingently Voided. If HB 652-FN becomes law, sections 10 and 11 of HB 652-FN shall not take effect.

Amend the bill by replacing section 10 with the following:

10 Effective Date.

I. Sections 5 and 6 shall take effect as provided in section 7 of this act.

II. The remainder of this act shall take effect upon its passage.

Adopted.

**SB 195-FN**, relative to campaign expenditure limitations.

#### **Amendment**

Amend the bill by replacing section 31 with the following:

31 Filing Primary Petitions. Amend RSA 655:20, II to read as follows:

II. Any person qualified to run for office who does not, pursuant to RSA 664:5-a, voluntarily accept the expenditure limitations set forth in RSA 664:5-b shall, in order to have his name printed on the primary ballot of any party, in addition to the filing fees prescribed in RSA 655:19, file with the appropriate official the requisite number of primary petitions required under RSA 655:22 made by members of the party, together with one written assent to candidacy. **If a person is required to file primary petitions under the provisions of this paragraph, the primary petitions which he files shall contain the following language in bold print at the top of each petition in addition to the language required in RSA 655:21: "This candidate has reserved his or her rights under the federal constitution and New Hampshire laws and may choose not to agree to limit campaign spending according to amounts**

set by state law and as a result may be required to submit these petitions.” Primary petitions filed under this section shall be filed in addition to the requirement for filing petitions under RSA 655:19-c.

32 Provision Voided. 1991, 218:2 shall not take effect.

33 Effective Date.

I. Section 31 of this act shall take effect August 9, 1991.

II. The remainder of this act shall take effect upon its passage.

Adopted.

**SB 206-FN**, relative to liquor licenses for caterers.

#### **Amendment**

Amend RSA 178:20, V(e)(1)(A) as inserted by section 1 of the bill by replacing it with the following:

(1)(A) The commission may issue a cocktail lounge license to any caterer with on-site permanent kitchen facilities and permanent dining facilities capable of seating 100 persons or more. Such license shall allow the licensee to serve liquor and beverages with or without meals to members of a private party in any room of such on-site catering facility designated by the commission. For the purposes of this paragraph, persons under the age of 18 shall be allowed in rooms where beverages and liquor are served without a parent or guardian present. Such lounge license may allow the licensee to serve liquor and beverages on the premises of any public building approved by the commission. Licenses shall be granted only to such caterers as the commission, at its discretion, shall approve and then only to such caterers as shall show the commission on forms and under rules adopted by the commission that at least 50 percent of their combined food and liquor and beverage sales shall fall within the category of food. Caterers with annual food sales of \$100,000 or more shall be exempt from the 50 percent requirement. Caterers shall notify the commission not less than 5 days in advance of a function specifying date and time of the scheduled function. Notwithstanding any other provision of law, a caterer, with the approval of the commission, may subcontract for the cooking, preparing or serving of food pursuant to the caterer's liquor license. The commission shall adopt rules in accordance with RSA 541-A to carry out the provisions of this subparagraph. New premises or locations shall be approved by the commission 10 days before the scheduled events.

#### **SUSPENSION OF RULES**

Rep. Donna Sytek moved that the rules be so far suspended as to permit the House to consider at the present time HB 1-FN-A, relative to a medicaid enhancement tax, creating a medicaid enhancement fund and making an appropriation therefor.

Rep. Donna Sytek spoke in favor.

Adopted by the necessary two-thirds.

**HB 1-FN-A**, relative to a medicaid enhancement tax, creating a medicaid enhancement fund and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

The bill imposes a tax on certain hospital revenue. The money is placed in a restricted fund from which the Commissioner of Health and Human Services is authorized to make distributions back to the hospitals to support services to medicaid and low income patients.

Under current federal regulations such payments qualify for federal matching funds, so that the state will pay the hospitals 53 percent of the amount raised from the tax and this will be matched dollar for dollar by the federal government. The hospitals are thus held harmless, and the remaining tax collected, less one percent for administration, lapses to the general fund. The net amount of unrestricted revenue generated through this arrangement is \$35 M in FY 91, \$41 M in FY 92 and \$41 M in FY 93.

The amendment provides a grace period for payment of the tax, and generally clarifies the language of the bill. Vote 13-3. Rep. Donna P. Sytek for Ways and Means.

#### **Amendment**

Amend the bill by replacing all after the enacting clause with the following:

I Statement of Purpose and Findings. The general court determines that gross patient services revenue, as defined in section 2 of this act, is a distinct class of property for the purpose of the special tax imposed by this act, because it provides a fair base for measuring the contribution of eligible health care providers to the special programs authorized by this act. The general court also determines that it is appropriate to authorize and direct the commissioner of health and human services to revise portions of the state medicaid plan to assist eligible health care providers in making

services available to medicaid qualified recipients and to qualify the state for receipt of additional medicaid matching funds from the federal government.

2 New Chapter; Medicaid Enhancement Tax. Amend RSA by inserting after chapter 84 the following new chapter:

#### CHAPTER 84-A MEDICAID ENHANCEMENT TAX

84-A:1 Definitions. In this chapter:

I. "Commissioner" means the commissioner of revenue administration.

II. "Gross patient services revenue" means the amounts recorded by the hospital at the hospital's established rates for services provided to patients, regardless of whether full payment of such amounts is expected or paid.

III. "Hospital" means general hospitals and special hospitals for rehabilitation required to be licensed under RSA 151 and receiving medicaid diagnosis related group (DRG) payments, but not including government facilities.

IV. "Medicaid enhancement tax" means the tax imposed upon gross patient services revenue pursuant to this chapter.

V. "Taxable period" means a 12-month period beginning July 1 and ending June 30.

84-A:2 Imposition of Tax. A tax is imposed at the rate of 8 percent upon the gross patient services revenue of every hospital for the hospital's fiscal year ending during the first full calendar year preceding the taxable period.

84-A:3 Tax Due.

I. For the taxable period ending June 30, 1991, each hospital shall pay 100 percent of its medicaid enhancement tax due and payable for the taxable period on or before June 28, 1991. Notwithstanding any provision of this chapter or any other law, no penalty or interest shall be imposed for failure to make payment of tax when due if such payment is made on or before August 31, 1991.

II. For the taxable period beginning July 1, 1991 and ending June 30, 1992, and for every taxable period thereafter, each hospital shall pay 1/4 of its medicaid enhancement tax due and payable for the taxable period on the fifteenth day of the fourth month of the taxable period; 1/4 of the tax due and payable for the taxable period shall be paid on the fifteenth day of the sixth month of the taxable period; 1/4 of the tax due and payable for the taxable period shall be paid on the fifteenth day of the ninth month of the taxable period; and 1/4 of the tax due and payable for the taxable period shall be paid on the fifteenth day of the twelfth month of the taxable period. Notwithstanding any provision of this chapter or any other law, no penalty or interest shall be imposed for failure to make payment of tax when due if such payment is made on or before the last day of the month in which such payment is due.

III. If the return required by RSA 84-A:4 shows an additional amount of tax to be due, such additional amount is due and payable at the time the return is due.

84-A:4 Returns. Every hospital shall on or before the tenth day of the month following the expiration of the taxable period make a return to the commissioner. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the form of such return and the data which it must contain for the correct computation of gross patient services revenue and the tax assessed upon such amount. All returns shall be signed by the taxpayer or by its authorized representative, subject to the pains and penalties of perjury. If such return shows an overpayment of the tax due, the commissioner

shall refund or credit the overpayment to the hospital in accordance with RSA 21-J:28-a.

84-A:5 Method of Payment and Deposit of Tax.

I. The payments required by RSA 84-A:3, I and II shall be made by electronic transfer of moneys to the state treasurer and deposited to the medicaid enhancement fund established by RSA 167:64.

II. The state treasurer is authorized to establish an account or accounts and to take all steps necessary to facilitate the electronic transfer of moneys required in paragraph I. The state treasurer shall provide the commissioner a record of any moneys so transferred and deposited.

84-A:6 Additional Returns. When the commissioner has reason to believe that a hospital has failed to file a return or to include any part of its gross patient services revenue in a filed return, the commissioner may require the hospital to file a return or a supplementary return showing such additional information as the commissioner prescribes. Upon the receipt of the supplementary return, or if none is received within the time set by the commissioner, the commissioner may find and assess the amount due upon the information that is available. The making of such additional return does not relieve the hospital of any penalty for failure to make a correct original return or relieve it from liability for interest imposed under RSA 21-J:28 or any other additional charges imposed by the commissioner. This section shall not be construed to modify the statute of limitations provided in RSA 21-J:29.

84-A:7 Extension of Time for Returns. For good cause, the commissioner may extend the time within which a hospital is required to file a return, and if such return is filed during the period of extension no penalty or late filing charge may be imposed for failure to file the return at the time required by this chapter, but the hospital shall be liable for interest and late payment charges as prescribed in RSA 21-J:28 or 33. Failure to file the return during the period of the extension shall void the extension.

84-A:8 Taxpayer Records. Every hospital shall:

I. Keep such records as may be necessary to determine the amount of its liability under this chapter.

II. Preserve such records for the period of 3 years or until any litigation or prosecution hereunder is finally determined.

III. Make such records available for inspection by the commissioner or his authorized agents, upon demand, at reasonable times during regular business hours.

IV. Whoever violates the provisions of this section shall be subject to the penalties imposed under RSA 21-J:39.

84-A:9 Administration.

I. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:

(a) The administration of the medicaid enhancement tax; and

(b) The recovery of any tax, interest on tax, or penalties imposed by this chapter or by RSA 21-J.

II. The commissioner may institute actions in the name of the state to recover any tax, interest on tax, additions to tax or penalties imposed by this chapter or by RSA 21-J.

III. In the collection of any overdue tax, penalties or interest imposed by this chapter or RSA 21-J, the commissioner may use all of the powers granted to tax collectors under RSA 21-J and RSA 80 for the collection of taxes.

84-A:10 Confidentiality of Records. Notwithstanding the provisions of RSA 21-J:14, the commissioner shall not be prohibited from providing tax information to the

commissioner of health and human services with respect to the tax imposed by this chapter, provided that the commissioner of health and human services and his agents and employees shall be subject to the provisions of RSA 21-J:14 with respect to any tax information provided by the commissioner.

84-A:11 Protection of Tax Exemption. Nothing in this chapter shall be construed to limit or impair the availability of tax exemptions currently provided under RSA 72:23.

84-A:12 Automatic Recission Provision. In the event that federal matching funds for the payments authorized under RSA 167:64, I are no longer available to the state, the tax imposed by RSA 84-A shall be rescinded at the end of the taxable period in which an amount equal to all payments made under RSA 167:64, I are recovered.

3 Application of Penalty for Failure to File Return. Amend RSA 21-J:31 to read as follows:

21-J:31 Penalty for Failure to File. Any taxpayer who fails to file a return when due, unless an extension has been granted by the department, shall pay a penalty equal to 5 percent of the amount of the tax due or \$10, whichever is greater, for each month or part of a month during which the return remains unfiled. The total amount of any penalty shall not, however, exceed 25 percent of the amount of the tax due or \$50, whichever is greater. This penalty shall not be applied in any case in which a return is filed within the extended filing period as provided in RSA 77:18-b, RSA 77-A:9, RSA 77-E:10, [or] RSA 83-C:6, **or RSA 84-A:8**, or the failure to file was due to reasonable cause and not willful neglect of the taxpayer. The amount of the penalty is determined by applying the percentages specified to the net amount of any tax due after crediting any timely payments made through estimating or other means.

4 Application of Substantial Underpayment Penalty. Amend RSA 21-J:33-a, I to read as follows:

I. If there is a substantial understatement of tax imposed under RSA 77, RSA 77-A, RSA 78-A, RSA 78-C, RSA 82-A, [or] RSA 83-C, **or RSA 84-A** for any taxable period, there shall be added to the tax an amount equal to 25 percent of the amount of any underpayment attributable to such understatement.

5 New Subdivision: Medicaid Enhancement Fund. Amend RSA 167 by inserting after section 62 the following new subdivision:

Medicaid Enhancement Fund

167:63 Definitions. As used in this subdivision:

I. "Commissioner" means the commissioner of health and human services.

II. "Department" means New Hampshire department of health and human services.

III. "Disproportionate Share Allocations" means payments made to hospitals as defined in the Omnibus Reconciliation Act of 1990, Pub. L. No. 101-508, section 4703, as amended, and the New Hampshire state medicaid plan.

IV. "Hospital" means general hospitals and special hospitals for rehabilitation required to be licensed under RSA 151 and receiving medicaid diagnosis related group (DRG) payments, but not including government facilities.

V. "Medicaid" means the New Hampshire medicaid assistance program as described in RSA 161 and RSA 167, and in Title XIX of the Social Security Act as amended.

167:64 Medicaid Enhancement Fund.

I. There is hereby established in the state treasury a medicaid enhancement fund which shall consist of the moneys collected pursuant to RSA 84-A. Investment earn-

ings of the fund shall be credited to the fund. Moneys paid into the fund shall be exempt from any state budget reductions, and the commissioner is authorized to expend these funds, together with matching federal funds, as follows:

(a) No less than 50 percent of the moneys paid into the fund shall be utilized to pay Disproportionate Share Allocations to the hospitals in accordance with rules adopted by the commissioner, pursuant to RSA 541-A.

(b) No less than 3 percent of the moneys paid into the fund shall be utilized to pay enhanced disproportionate share medicaid payments to hospitals, based on each hospital's pro rata share of medicaid utilization in accordance with rules adopted by the commissioner pursuant to RSA 541-A, and shall be used by the hospitals to support services to medicaid and other low income patients.

(c) One percent of the moneys paid into the fund shall be placed in a separate PAU reserved for the expenses of the department in administering this subdivision.

II. Moneys in the medicaid enhancement fund shall be continually appropriated to the department for the purposes of this subdivision.

III. The balance of the moneys remaining in the fund at the end of each fiscal year shall lapse into the general fund.

167:65 Duties of Commissioner. The commissioner shall:

I. Develop a medicaid enhancement reimbursement system consistent with the requirements of Title XIX of the Social Security Act as amended.

II. Ensure payments to hospitals without disruption to hospital finances.

III. Ensure that each hospital receives no less than 100 percent of the tax imposed by RSA 84-A.

IV. Adopt rules pursuant to RSA 541-A to implement this system.

6 Emergency Rulemaking Authorized. Notwithstanding RSA 541-A, the commissioner of revenue administration, the commissioner of health and human services, and the state treasurer shall adopt emergency rules under RSA 541-A:3-g implementing the provisions of sections 1-5 of this act relating to the administration and collection of the medicaid enhancement tax and the protection and distribution of the medicaid enhancement fund as soon as possible.

7 Appropriation. The sums of \$2,000 for the fiscal year ending June 30, 1991, and \$2,000 for the fiscal year ending June 30, 1992, are hereby appropriated to the department of revenue administration for the purpose of administering the tax imposed in section 2 of this act. These sums shall be in addition to any other funds appropriated to the department of revenue administration and said sums shall not lapse, but whenever the amount available exceeds \$2,000, the excess shall be paid over to the state treasurer. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

8 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill establishes a medicaid enhancement fund. A medicaid enhancement tax is imposed at the rate of 8 percent upon the gross patient services revenue of every hospital for the hospital's fiscal year ending during the preceding calendar year. The first taxable period ends June 30, 1991, and the first payment of the tax is due and payable on or before June 28, 1991. Moneys paid into the fund from the tax are expended as follows:

(a) No less than 50 percent of the moneys paid into the fund shall be used to pay Disproportionate Share Allocations to the hospitals.

(b) No less than 3 percent of the moneys paid into the funds shall be utilized to pay enhanced disproportionate share medicaid payments to hospitals, based upon each hospital's pro rata share of medicaid utilizations and shall be used by the hospitals to support services to medicaid and other low income patients.

(c) One percent of the moneys paid into the fund shall be placed in a separate PAU reserved for the expenses of the health and human services department in administering the medicaid enhancement program.

The bill also makes appropriations to the department of revenue administration for fiscal years 1992 and 1993 for the administration of the new tax.

Adopted.

Reps. Douglas Hall and Hayes spoke in favor and yielded to questions.

Rep. Donna Sytek spoke in favor.

Roll call request sufficiently seconded.

The question being on the committee report.

Rep. Michael Hill moved that the House adopt the Enrolled Bill Amendments currently in the possession of the Clerk.

Adopted.

**ENROLLED BILL AMENDMENTS****HB 532-FN**, relative to the color of ballots used in municipal elections and relative to the time for holding town and district business meetings and elections.**Amendment**

Amend the bill by replacing section 5 with the following:

39:3 Articles. Upon the written application of 25 or more registered voters or 2 percent of the registered voters in town, whichever is less, although in no event shall fewer than 10 registered voters be sufficient, presented to the selectmen or one of them not later than the fifth Tuesday before the day prescribed for an annual [or biennial] meeting, the selectmen shall insert in their warrant for such meeting the petitioned article with only such minor textual changes as may be required. For the purposes of this section, the number of registered voters in a town shall be the number of voters registered prior to the last state general election. The right to have an article inserted in the warrant conferred by this section shall not be invalidated by the provisions of RSA 32. Upon the written application of 50 or more voters or 1/4 of the voters in town, whichever is fewer, so presented not less than 60 days before the next annual meeting, the selectmen shall warn a special meeting to act upon any question specified in such application. The checklist for an annual or special town meeting shall be corrected by the supervisors of the checklist as provided in RSA 654:25-31, except that the session 3 weeks before the meeting shall not be required. Those persons qualified to vote whose names are on the corrected checklist shall be entitled to vote at the meeting. The same checklist used at a recessed town meeting shall be used at any reconvened session of the same town meeting. **In no event shall a special town meeting be held on the biennial election day.**

**Amendment**

Amend the bill by replacing section 1 and 2 with the following:

1 Fees Received from Local Land Use Board. Amend RSA 41:29 to read as follows:

41:29 Duties.

**I.** The town treasurer shall have custody of all moneys belonging to the town, and shall pay out the same only upon orders of the selectmen, or, in the case of a conservation fund established pursuant to RSA 36-A:5, upon the order of the conservation commission, **or in the case of fees held pursuant to RSA 673:16, II, upon the order of the local land use board or its designated agent.**

**II.** He shall deposit all such moneys in participation units in the public deposit investment pool established pursuant to RSA 383:22 or in solvent banks in the state, except that funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits United States government obligations, United States government agency obligations, or obligations of the state of New Hampshire in value at least equal to the amount of the deposit in each case. Said out-of-state banks shall make a monthly report of such deposits to the state treasurer. The amount of collected funds on deposit in any one bank shall not for more than 20 days exceed the sum of its paid-up capital and surplus.

**III.** The town treasurer shall keep in suitable books provided for the purpose a fair and correct account of all sums received into and paid from town treasury, and of all notes given by the town, with the particulars thereof. At the close of each fiscal year, he shall make a report to the town, giving a particular account of all his financial transactions during the year. He shall furnish to the selectmen statements from his books, and submit his books and vouchers to them and to the town auditors for examination, whenever so requested.

**IV.** Whenever the town treasurer has in his custody an excess of funds which are not immediately needed for the purpose of expenditure, he shall, with the approval of

the selectmen, invest the same in obligations of the United States government, in the public deposit investment pool established pursuant to RSA 383:22, in savings bank deposits of banks incorporated under the laws of the state of New Hampshire or in certificates of deposits of banks incorporated under the laws of the state of New Hampshire or in national banks located within this state or the commonwealth of Massachusetts.

2 Fees Received from Local Land Use Board. Amend RSA 48:16 to read as follows:

48:16 City Treasurer; Duties.

I. The city treasurer shall have custody of all moneys belonging to the city. He shall deposit the same in participation units in the public deposit investment pool established pursuant to RSA 383:22, or in solvent banks in the state, except that funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits United States government obligations, United States government agency obligations, or obligations of the state of New Hampshire in value at least equal to the amount of the deposit in each case. Said out-of-state banks shall make a monthly report of such deposits to the state treasurer. The amount of collected funds on deposit in any one bank shall not at any time exceed the sum of its paid-up capital and surplus, except that a city with a population in excess of 50,000 is authorized to deposit funds in a solvent bank in excess of the paid-up capital surplus of said bank.

II. The city treasurer shall keep in suitable books provided for the purpose a fair and correct account of all sums received into and paid from the city treasury, and of all notes given by the city, with the particulars thereof. At the close of each fiscal year, he shall make a report to the city giving a particular account of all his financial transactions during the year. He shall furnish to the mayor and council statements from his books, and submit his books and vouchers to them and to the city auditors for examination, whenever so requested.

III. Whenever the city treasurer has in his custody an excess of funds which are not immediately needed for the purpose of expenditure, he shall, with the approval of the mayor and a majority of the city council, invest the same in obligations of the United States government, in participation units in the public deposit investment pool established pursuant to RSA 383:22, in savings bank deposits of banks incorporated under the laws of the state of New Hampshire or in certificates of deposits of banks incorporated under the laws of the state of New Hampshire or in national banks located within this state or the commonwealth of Massachusetts.

**IV. The city treasurer shall pay out fees held pursuant to RSA 673:16, II upon the order of the local land use board or its designated agent.**

Amend the bill by replacing section 6 with the following:

6 Town Treasurer; Duties; Combination of SB 83, SB 102, and HB 633. RSA 41:29 is repealed and reenacted to read as follows:

41:29 Duties.

1. The town treasurer shall have custody of all moneys belonging to the town, and shall pay out the same only upon orders of the selectmen, or, in the case of a conservation fund established pursuant to RSA 36-A:5, upon the order of the conservation commission, or in the case of fees held pursuant to RSA 673:16, II, upon the order of the local land use board or its designated agent.

II. He shall deposit all such moneys in participation units in the public deposit investment pool established pursuant to RSA 383:22 or in solvent banks in the state, except that funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits United States government obligations, United States government agency obligations, or obligations of the state of New Hampshire in value at least equal to the amount of the deposit in each case. V. Any person who directly or indirectly receives any such funds or moneys for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the town. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.

7 City Treasurer; Duties; Combination of SB 83, SB 102, and HB 633. RSA 48:16 is repealed and reenacted to read as follows:

48:16 City Treasurer; Duties.

### RECESS

Rep. Michael Hill moved that the House adjourn.  
Adopted.

**HOUSE JOURNAL No. 31**

Thursday, June 27, 1991

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairsto.

Eternal God, who alone is perfect, help us, we pray, in our imperfection. Help us to be thankful for one another, for the friendships made, the lessons learned, and the challenges met these past few months. Help us to be thankful for those among us who have labored long days and long nights to prepare a budget which, as imperfect as it may be, is set before us to chart the course ahead. Help us in our prayers to remember our colleagues who this day are ill. Guide us now, we pray, in all that we say and in all that we do, that we may ever seek to do your holy will. Amen.

Rep. David Young led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Golden, Feuerstein, Splaine, McCarthy, Anderson, Martling and William McCain, the day, illness.

**HOUSE RESOLUTION NO. 28**

saluting the women and men of Graphic Services

WHEREAS, the New Hampshire House of Representatives, throughout the course of its yearly legislative deliberations, does require ready and easy access to a mountain of documents bearing the printed word, and

WHEREAS, that prodigious number of printed documents takes the recognizable form of House Bills, Budgets, Committee of Conference Reports, Calendars, Journals, and such other typescripts as may be needed to efficiently conduct business, and

WHEREAS, each legislative year, the four hundred honorable members of this august body do rely on the skills and knowledge of the women and men of Graphic Services who, with great consistency, do demonstrate their positive attitudes, their commitment to getting the job done, and their willingness to serve above and beyond the call of duty at Bill-Introduction time, at Crossover time and at Committee-of-Conference time, and

WHEREAS, the men and women of Graphic Services have never failed to come through when meeting the demands of the General Court, now therefore be it

RESOLVED, by the House of Representatives in Regular Session convened, that the men and women of Graphic Services be publicly saluted and recognized alphabetically by name, to wit: Nancy Barker, Karole Brownell, Ken Collins, Brian Cummings, Donna Cummings, Jim Dufour, Jim Frost, Rich Frost, Bob Gagne, Paul

Maloney, Dick Moulton, Lou Newton, Marie Parenteau, Jim Picknell, Roger Quimby, Dave Roy, Tim Russell, Steve Saturley, Joe Shea, Andy Stout, and Ted Welch.

Adopted.

**SUSPENSION OF RULES**

Rep. Gross moved that the rules be so far suspended as to permit consideration of the Committee of Conference report on HB 669, relative to the borrowing authority of the state treasurer, which contains a non-germane amendment and spoke to her motion. (Sections 5 and 6)

On a division vote, 252 members having voted in the affirmative and 89 in the negative, the rules were suspended by the necessary two-thirds.

**COMMITTEE OF CONFERENCE REPORT ON HOUSE BILL**

**HB 669-FN**, relative to the borrowing authority of the state treasurer. (Report printed SJ 33, 6/26/91)

The Conference report was adopted.

**REMARKS**

The Speaker recognized Rep. Parr who addressed the House.

Rep. Malcolm moved that Rep. Parr's remarks be printed in the Journal.

Adopted.

Rep. Parr: Mr. Speaker and wonderful colleagues, thank you so much. You have no idea how wonderful it is to be back. When I stood up here before, I wasn't real sure whether I'd ever be back in front of you again. Believe you me, I was frightened and scared of such a long operation. But, with your prayers and with your thoughts I came through it with flying colors. I'm now taking radiation treatments and I have two more weeks of that to go. But, I'm going to be fine and when this is over I'm going to be all right and everything will be behind me. I also wish to thank you from the bottom of my heart for all the cards that you have sent me, both in the hospital and at home. And also, for you wonderful committee chairmen that have sent me flowers. You have no idea what they do for you in a hospital when you are so ill and the individuals that sent me flowers. I'm still shaky and I still can't write any thank you notes, but I'm here and that's the main thing. And I love each one of you. You're every one just as precious to me as you can be.

**SUSPENSION OF RULES**

Reps. Gross and Chambers moved that the rules be so far suspended as to permit consideration of CACR 13 and HCR 15 at the present time.

Rep. Sytek spoke in favor and yielded to questions.

Rep. Murphy spoke against.

Rep. Hawkins spoke in favor and yielded to questions.

Rep. Burling spoke in favor.

Rep. Warburton spoke against.

Rep. Trombly spoke in favor.

On a division vote, 159 members having voted in the affirmative and 174 in the negative, the motion to suspend failed lacking the necessary two-thirds.

**GOVERNOR'S VETO MESSAGE ON HB 649**

To the Honorable Members of the General Court:

I have this day vetoed HB 649-FN, an act relative to the cigarette tax.

If HB 649-FN becomes law, New Hampshire will lose three to six million dollars in revenue per year.

Further, lowering the cigarette tax 4 cents per pack will not measurably increase sales. Cigarette sales are decreasing in New Hampshire for two obvious reasons: (1) fewer people are smoking and a number of people who do some are smoking less and (2) the New Hampshire economy has slowed and fewer tourists or other travelers have been present in the New Hampshire marketplace. Neither reason has anything to do with the existing New Hampshire tax.

Under existing law, New Hampshire cigarette sales are 10 percent higher than the national average. It is unreasonable to believe that lowering the tax will substantially increase that 10 percent margin. If lowering prices meant substantially greater sales, then tobacco manufacturers would be reducing their wholesale prices, not increasing them as they have consistently done in the past several years.

Nationwide, cigarette sales are declining. The more Americans learn about the hazards of smoking, the smaller the demand for cigarettes will be. Cigarette usage already burdens society with huge health care costs and state government should not have to pick up the additional costs of funding this tax reduction.

Retaining our tax at 25 cents per pack compare to the following rates of the surrounding states, including sales taxes, on the average retail price of a pack of cigarettes:

Connecticut: 54 cents, Maine: 46 cents, Massachusetts: 35 cents, Rhode Island: 50 cents, Vermont: (eff. 7/1/92) 29 cents, New York: 52 cents.

The existing tax is reasonable in relation to our surrounding states and is entirely appropriate. It produces the revenue New Hampshire needs without penalizing buyers or sellers; therefore, I do not believe it is in the best interest of the State of New Hampshire that HB 649-FN become law.

Judd Gregg, Governor

The question being, notwithstanding the Governor's veto, shall HB 649-FN pass?

Rep. Barnes spoke against and yielded to questions.

Rep. Welch spoke in favor and yielded to questions.

Reps. Coffey and Soldati spoke against.

Rep. Donna Sytek spoke in favor and yielded to questions.

Roll call request sufficiently seconded.

and the Conference report was adopted.

Rep. Pignatelli abstained from voting under Rule 16.

**SUSPENSION OF RULES**

Reps. Gross and Chambers moved that the rules be so far suspended as to permit consideration of the Committee of Conference report on HB 322 at the present time.

On a division vote, 213 members having voted in the affirmative and 115 in the negative, the motion to suspend failed lacking the necessary two-thirds.

**ENROLLED BILL REPORT**

**HB 25-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 1992, and June 30, 1993.

Rep. Marsh, Sen. Currier  
for the Committee

Rep. Burling offered the following:

**HOUSE RESOLUTION NO. 29**

The Members of the New Hampshire House declare that service in the New Hampshire House is a privilege and a duty of the citizens of the State, and not a job or mode of employment, and that except for the purposes of the Internal Revenue Service mileage reimbursements made to legislators are not wages or payments for employment.

Adopted.

**RESOLUTION**

Rep. Gross offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet at the call of the Chair.

Adopted.

**LATE SESSION****Third reading and final passage****RECONSIDERATION**

Having voted with the prevailing side, Rep. Kurk moved that the House reconsider its action whereby suspension of the rules to consider the Conference report on HB 322 failed, lacking the necessary two-thirds and spoke in favor of his motion.

Rep. Donna Sytek spoke in favor.

Reconsideration adopted.

### **SUSPENSION OF RULES**

Reps. Gross and Chambers moved that the rules be so far suspended as to permit consideration of the Committee of Conference report on HB 322 at the present time.

On a division vote, 230 members having voted in the affirmative and 105 in the negative, suspension was adopted by the necessary two-thirds.

# RECALL SESSION OF 1991

## HOUSE JOURNAL No. 32

Tuesday, November 12, 1991

The House assembled at 11:00, the hour to which it was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairsto.

Almighty God, under Whose care the seasons come and go in never-ending procession, we praise You for bringing us through the warmth of summer into the coolness of fall.

We pray Your spirit will be upon us now as we attempt to deal with the difficulties which face our government.

Guide us in our thoughts and in our actions, that out of sincere discussion and carefully made decisions may come solutions adequate to meet the challenges before us. In all things, give us a measure of compassion toward one another and toward the citizens of this state, and a commitment to fairness to all. Amen.

Rep. Parr led the Pledge of Allegiance.

### COMMUNICATIONS

September 20, 1991

Harold Burns, Speaker of the House

As you know, I've been stricken with chronic renal failure since last December, and have been receiving dialysis treatments twice a week since then. I have tried not to let this ailment interfere with my duties as an elected representative.

However, since the beginning of September, I have experienced further complications with my kidneys. It is the opinion of my physicians that the time has arrived—and the decision has been made—to remove both kidneys in order to stabilize my condition, owing to severed renal infection. This stabilization will also enhance my ability to receive a transplant, when that opportunity arrives, without any pre-medical problems which could interfere with the transplant.

The possibility of needing dialysis more than twice a week will certainly interfere with my obligations as a Representative. Therefore, it is with deep regret that, as of this date, I resign my seat as a member of the New Hampshire General Court, representing Rockingham District 28.

It has been my pleasure, as well as an honor, to have served four terms as a member of the General Court. Over the last seven years, I have made many friends, worked with the best staff, and developed a close relationship with members of the House Staff, the Sergeant-at-Arms Office, and more important, the members of my Committee, Health and Human Services.

In closing, I appreciate your concern for my health, your leadership and your friendship. I will keep you informed of my progress, and wish you and all members of the House good luck, good health and a productive session in 1992.

Lawrence A. Chase, State Representative

September 25, 1991

Harold Burns, Speaker of the House

Please be informed that I was appointed Guardian over Mary E. Bernard, a member of the New Hampshire House of Representatives, by the Strafford County Probate Court on August 1, 1991. A copy of my appointment is enclosed.

Mrs. Mary E. Bernard is and has been a Representative in the New Hampshire House for almost 10 or more terms. She has selflessly served her constituents well over this period. It now appears, however, that she will be unable to continue to remain a member of the House because of personal reasons.

Because of Mrs. Bernard's long term in the New Hampshire House and her strong attachment to her legislative duties, every opportunity has been taken to determine whether she would be able to continue to serve the remainder of her term, which expires in December 1992.

Furthermore it now appears that the fiscal situation of our State is not in balance and a Special Session of the members of the House may be called in the near future to address this fiscal problem.

Under the present circumstances, I, as Guardian, must reluctantly submit Mrs. Bernard's resignation to take effect immediately.

Stan Hawthorne, the attorney for the Ward, Mary E. Bernard, agrees with the contents of the resignation.

Approval of this letter has been obtained by Petition as required.

Very truly yours, Mary E. Bernard, By Margaret M. McLaughlin, Guardian

### OPINION OF THE JUSTICES

October 29, 1991

The following Resolution No. 19, requesting an opinion of the justices, was adopted by the House of Representatives on March 21, 1991, and filed with the Supreme Court on March 27, 1991:

"Whereas, there is pending in the House, House Bill 762-FN, 'An Act to incorporate the inhabitants of the northeasterly part of Laconia into a separate town to be known as Weirs Beach, with all the privileges and immunities of other cities and towns in this state'; and

"Whereas, 'Revised Charter of City of Laconia, 1970,' as recorded at the office of the Secretary of State [a copy of which Charter shall accompany this resolution], contains in its Article I a description of the boundaries of the various wards of the city of Laconia; and

"Whereas, 'Revised Charter of City of Laconia, 1970,' as recorded at the office of the Secretary of State, provides for a city council-city manager form of government; and

"Whereas, enactment of HB 762-FN would, by establishing a new town of Weirs Beach within the current boundaries of the city of Laconia, effect a change of the boundaries of the city of Laconia; and

"Whereas, enactment of HB 762-FN would, by establishing a new town of Weirs Beach, cause those inhabitants of the new town of Weirs Beach who were formerly inhabitants of the city of Laconia to become inhabitants of a town as opposed to a city, but would not effect a change in the form of government of the remaining inhabitants of the city of Laconia; and

"Whereas, HB 762-FN contains a provision requiring a referendum of the inhabitants of that portion of the city of Laconia which would become the new town of Weirs Beach, as a precondition to the bill's taking effect if enacted; and

"Whereas, HB 762-FN contains certain provisions relating to the apportionment of debts, liabilities, obligations, real estate, equipment and personal property between the city of Laconia and the new town of Weirs Beach; and

"Whereas, a question has arisen as to the constitutionality of the provisions of the bill; and

“Whereas, it is important that the question of the constitutionality of said provisions should be settled in advance of its enactment; now, therefore, be it

“Resolved by the house:

“That the Justices of the Supreme Court be respectfully requested to give their opinion on the following questions of law:

1. Would the change of the current boundaries of the city of Laconia, effected by enactment of HB 762-FN, constitute a change to ‘the charter or form of government’ of the city of Laconia, as that phrase is contemplated by Part I, Article 39 of the New Hampshire Constitution, in view of the court’s decision in *Sedgewick v. City of Dover*, 122 N.H. 193 (1982).

2. Would enactment of HB 762-FN, by establishing a new town of Weirs Beach and causing those inhabitants of the new town of Weirs Beach who were formerly inhabitants of the city of Laconia to become inhabitants of a town as opposed to a city, change ‘the charter or form of government’ of the city of Laconia, as that phrase is contemplated by Part I, Article 39 of the New Hampshire Constitution?

3. Would any other provisions of HB 762-FN, if enacted constitute a change to ‘the charter or form of government’ of the city of Laconia, as that phrase is contemplated by Part I, Article 39 of the New Hampshire Constitution?

4. If the answer to question 1, 2, or 3 is in the affirmative, does the provision contained in HB 762-FN, requiring a referendum of the inhabitants of that portion of the city of Laconia which would become the new town of Weirs Beach as a precondition to the bill’s taking effect, satisfy the requirements of Part I, Article 39 of the New Hampshire Constitution?

5. Do any aspects of HB 762-FN violate or conflict with any provisions of the New Hampshire Constitution?

“That the clerk of the House of Representatives transmit copies of this resolution and HB 762-FN to the Justices of the New Hampshire Supreme Court.”

The following response is respectfully returned.

To the Honorable House of Representatives:

The undersigned Justices of the Supreme Court now submit the following replies to your question of March 21, 1991. After our receipt of your resolution on March 27, 1991, we invited interested parties to file memoranda of law with the court until May 15, 1991.

House Bill (“HB”) 762-FN proposes to incorporate a new town of Weirs Beach and partition portions of two existing wards of the city of Laconia for the new town’s territorial jurisdiction. The memoranda filed with this court demonstrate that this partition is earnestly sought by at least some Weirs Beach area residents, who perceive themselves geographically and politically isolated from Laconia. It is earnestly opposed by the city of Laconia. The existing Laconia City charter includes a detailed description of the boundaries of each ward of the city, Revised Charter of City of Laconia, 1970, Section 1:02, as well as a more generalized statement of what areas constitute the city, *id.* Section 1:01. A boundary description of some kind has been in the Laconia charter since it was first granted to the inhabitants of the area by the legislature, Laws 1893, ch. 241, several years after the legislature separated the Laconia area from Meredith, Laws 1855, ch. 1689.

Section one of HB 762-FN contains a detailed three-page description of a boundary line for the proposed town of Weirs Beach. The bill also states that “[t]he boundaries of the city of Laconia shall be as formerly established less those lands bounded and

described in this act.” Without question, the bill would define new boundaries for Laconia and, although not expressly amending the Laconia charter, would cause those sections of the Laconia charter which purport to delineate the city boundaries to be obsolete. The issue which arises is whether this redrawing of boundaries changes the “charter” of Laconia in the integral manner which would trigger the referendum requirement of part I, article 39 of the New Hampshire Constitution, or whether such redrawing is a legitimate exercise of legislative power outside the scope of the charter change requirements.

Municipalities in the State of New Hampshire are divisions of the State, and they derive their authority from the legislature. *Dugas v. Town of Conway*, 125 N.H. 175, 181, 480 A.2d 71, 75 (1984). As recently as 1962, in addressing similar partition legislation, this court held that the traditional “plenary control by the Legislature over municipalities” included the power to create, modify, or divide them for the advancement of the public interest. *Lisbon v. Lisbon Village District*, 104 N.H. 255, 258, 183 A.2d 250, 253 (1962). From time to time, the legislature has seen fit to vest certain local options in the towns and cities of this State. Such options have run to the enactment of charters and the ordering of affairs of conducting local government. See *Laws* 1963, 275:1.

In 1966, however, partly in response to a perception that the legislature was becoming a forum for concerns better handled at the level of local government, the legislature’s plenary control over municipalities was constitutionally limited. In that year, our constitution was amended to provide that the legislature could not, by legislative action alone, amend the “charter or form of government” of a town or city and could not enact local option enabling legislation for such amendment unless subject to a referendum requirement. The amendment reads:

“No law changing the charter or form of government of a particular city or town shall be enacted by the legislature except to become effective upon the approval of the voters of such city or town upon a referendum to be provided for in said law.

The legislature may by general law authorize cities and towns to adopt or amend their charters or forms of government in any way which is not in conflict with general law, provided that such charters or amendments shall become effective only upon the approval of the voters of each such city or town on a referendum.”  
N. H. CONST. pt. I, art. 39.

This amendment to our constitution has never been interpreted as a grant to municipalities of the supreme legislative authority over all municipal affairs, even when such affairs are memorialized by charter. See *Girard v. Town of Allenstown*, 121 N.H. 268, 272, 428 A.2d 488, 491 (1981). This broader authority is exclusively vested in the legislature by part II, article 2, of our constitution. Nor does the amendment have the effect of completely insulating municipalities from legislative control. It does not render inviolate, or subject to the constitutionally prescribed referendum procedure, any matter or issue that the municipality chooses to include in its charter. Rather, what part I, article 39 does is grant municipal citizens the right to approve a proposed change to “the form of their local government as enacted in their charters.” *Seabrook Citizens v. Yankee Greyhound Racing, Inc.*, 123 N.H. 103, 108, 456 A.2d 973, 975 (1983) (emphasis added); see also *Sedgewick v. City of Dover*, 122 N.H. 193, 197, 444 A.2d 490, 492 (1982). The amendment to our constitution did not remove from the legislature its traditionally unrestricted authority over other aspects of municipal functions. *Id.* This traditional legislative authority, unaffected by the constitutional provision, includes the power to create new municipalities or to modify the bounda-

ries of existing ones in furtherance of the public interest. Although HB 762-FN includes what are in effect textual changes to the Laconia city charter, the only elements of a particular municipality's charter which are constitutionally insulated from legislative change, absent referendum, are those provisions concerned with the form of local government. The alteration of city boundaries proposed by the bill does not fall within the constitutional prohibition. Therefore, we return a negative answer to question one.

Question two inquires whether the enactment of HB 762-FN would "change the charter or form of government" of the city of Laconia because the inhabitants of the new town of Weirs Beach would become inhabitants of a town as opposed to a city. We return a negative answer. Under the proposal, Laconia will continue with its present form of government intact, and there will be no change in the form of local government as enacted in its charter. Article 39 prohibits a change to the form of government of a particular city or town. A comparison of the city charter with the proposed legislation demonstrates that the city government of the territory remaining under the jurisdiction of Laconia would remain unchanged. The constitutional prohibition only bars a legislative change of Laconia's form of government. The proposed formation of the town of Weirs Beach, separate and apart from the newly legislatively defined Laconia, does not violate article 39. Legislation does not offend article 39 when it establishes the form of government of persons living outside the territorial jurisdiction of the charter city.

As for question three, we do not consider it appropriate to speculate whether this multipart bill might give rise to any part I, article 39 issues other than those suggested by questions one and two. Opinion of the Justices, 109 N.H. 396, 399, 254 A.2d 273, 276 (1969). We therefore answer question three by stating that there are no article 39 defects apparent upon the face of the bill.

As our answers to questions one and two are in the negative, we do not address question four. The matter of whether to hold referenda remains strictly a legislative consideration. We do call attention to RSA 51:9, enacted in 1903, which contains a referendum requirement. Since this is a creature of the legislature, the legislature is in a position to determine its applicability. See Laws 1959, 408:2 (finding RSA 51:9 inapplicable to change of boundary line between Stratham and Exeter). A consistent legislative approach might specifically refer to RSA 51:9. See Laws 1959, 408:2.

Finally, in accordance with our long-standing practice, we must also respectfully decline to answer question five, whether HB 762-FN violates or conflicts with any other provisions of the New Hampshire Constitution, due to its generality. Opinion of the Justices, 131 N.H. 640, 644, 577 A.2d 273, 276 (1989).

### RESOLUTION

Its introduction having been approved by the Rules Committee,

Rep. Michael Hill offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bill number 75-FN-A, shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

**INTRODUCTION OF HOUSE BILL****First, second reading and referral****HB 75-FN-A**, relative to the medicaid enhancement tax.**SUSPENSION OF RULES**

Reps. Michael Hill and Chambers moved that the rules be so far suspended as to permit consideration at the present time of HB 75-FN, relative to the medicaid enhancement tax.

Reps. Michael Hill and Chambers spoke in favor.

Adopted by the necessary two-thirds.

**REGULAR CALENDAR****WAYS AND MEANS**

**HB 75-FN-A**, relative to the medicaid enhancement tax. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Donna P. Sytek for Ways and Means: This bill, as amended, raises a net \$115 million per year for the general fund by imposing a supplemental Medicaid Tax on New Hampshire hospitals based on their number of Medicaid-patient discharges. Revenue from this source is deposited in the Medicaid Enhancement Fund established under HB 1 earlier in this session. Under current federal regulation, 53 percent of the amount raised is matched by an equivalent amount of federal Medicaid dollars and is returned to the hospitals to support medical services to Medicaid and other low-income patients.

The amendment, which entirely rewrites the bill, was necessary because the basis for this tax is different from that for the enhanced Medicaid Tax enacted in June. The Committee believes the new Chapter 84-B meets the requirements of both our State Constitution, and equally importantly, the Federal Medicaid Program. Vote 17-2.

4180L

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

relative to a supplemental medicaid tax and continually appropriating its proceeds in the medicaid enhancement fund.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose and Findings. The general court determines that medicaid patient discharges, as defined in section 2 of this act, are an appropriate subject for the purpose of the special tax imposed by this act, because they provide a fair base for measuring the contribution of eligible health care providers to the special programs authorized by this act.

2 New Chapter: Supplemental Medicaid Tax. Amend RSA by inserting after chapter 84-A the following new chapter:

**CHAPTER 84-B****SUPPLEMENTAL MEDICAID TAX**

84-B:1 Definitions. In this chapter:

I. "Commissioner" means the commissioner of revenue administration.

II. "Hospital" means general hospitals and special hospitals for rehabilitation required to be licensed under RSA 151 and receiving medicaid diagnosis related group (DRG) payments, but not including government facilities.

III. "Medicaid patient discharge" means the termination of medical care, funded in whole or in part by medicaid, and physical release of a patient from a hospital.

IV. "Supplemental medicaid tax" means the tax imposed upon medicaid patient discharges pursuant to this chapter.

V. "Taxable period" means a 12-month period beginning July 1 and ending June 30.

84-B:2 Imposition of Tax. A tax is imposed on each hospital's medicaid patient discharges in the amount of \$250,000,000 divided by the total number of medicaid patient discharges of all hospitals during each hospital's fiscal year ending during the first full calendar year preceding the taxable period, times the number of medicaid patient discharges of each hospital for the same period.

84-B:3 Tax Due.

I. For the taxable period ending June 30, 1992, each hospital shall pay 100 percent of its supplemental medicaid tax due and payable for the taxable period on or before 30 days from the effective date of this chapter. Notwithstanding any provision of this chapter or any other law, no penalty or interest shall be imposed for failure to make payment of tax when due if such payment is made on or before the end of the month within which the payment is due.

II. For the taxable period beginning July 1, 1992, and ending June 30, 1993, and for every taxable period thereafter, each hospital shall pay 100 percent of its supplemental medicaid tax due and payable for the taxable period on the fifteenth day of the third month of the taxable period.

III. If the return required by RSA 84-B:4 shows an additional amount of tax to be due, such additional amount is due and payable at the time the return is due.

84-B:4 Returns. Every hospital shall on or before the tenth day of the month following the expiration of the taxable period make a return to the commissioner. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the form of such return and the data which it must contain for the correct computation of medicaid patient discharges and the tax assessed upon such amount. All returns shall be signed by the taxpayer or by its authorized representative, subject to the pains and penalties of perjury. If such return shows an overpayment of the tax due, the commissioner shall refund or credit the overpayment to the hospital in accordance with RSA 21-J:28-a.

84-B:5 Method of Payment and Deposit of Tax.

I. The payments required by RSA 84-B:3, I and II shall be made by electronic transfer of moneys to the state treasurer and deposited to the medicaid enhancement fund established by RSA 167:64.

II. The state treasurer is authorized to establish an account or accounts and to take all steps necessary to facilitate the electronic transfer of moneys required in paragraph I. The state treasurer shall provide the commissioner a record of any moneys so transferred and deposited.

84-B:6 Additional Returns. When the commissioner has reason to believe that a hospital has failed to file a return or to include any part of its medicaid patient discharges in a filed return, the commissioner may require the hospital to file a return or a supplementary return showing such additional information as the commissioner prescribes. Upon the receipt of the supplementary return, or if none is received within the time set by the commissioner, the commissioner may find and assess the amount due upon the information that is available. The making of such additional return does not relieve the hospital of any penalty for failure to make a correct original

return or relieve it from liability for interest imposed under RSA 21-J:28 or any other additional charges imposed by the commissioner. This section shall not be construed to modify the statute of limitations provided in RSA 21-J:29.

84-B:7 Extension of Time for Returns. For good cause, the commissioner may extend the time within which a hospital is required to file a return, and if such return is filed during the period of extension no penalty or late filing charge may be imposed for failure to file the return at the time required by this chapter, but the hospital shall be liable for interest and late payment charges as prescribed in RSA 21-J:28 or 33. Failure to file the return during the period of the extension shall void the extension.

84-B:8 Taxpayer Records.

I. Every hospital shall:

(a) Keep such records as may be necessary to determine the amount of its liability under this chapter.

(b) Preserve such records for the period of 3 years or until any litigation or prosecution hereunder is finally determined.

(c) Make such records available for inspection by the commissioner or his authorized agents, upon demand, at reasonable times during regular business hours.

II. Whoever violates the provisions of this section shall be subject to the penalties imposed under RSA 21-J:39.

84-B:9 Administration.

I. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:

(a) The administration of the supplemental medicaid tax; and

(b) The recovery of any tax, interest on tax, or penalties imposed by this chapter or by RSA 21-J.

II. The commissioner may institute actions in the name of the state to recover any tax, interest on tax, additions to tax or penalties imposed by this chapter or by RSA 21-J.

III. In the collection of any overdue tax, penalties or interest imposed by this chapter or by RSA 21-J, the commissioner may use all of the powers granted to tax collectors under RSA 21-J and RSA 80 for the collection of taxes.

84-B:10 Confidentiality of Records. Notwithstanding the provisions of RSA 21-J:14, the commissioner shall not be prohibited from providing tax information to the commissioner of health and human services with respect to the tax imposed by this chapter, provided that the commissioner of health and human services and his agents and employees shall be subject to the provisions of RSA 21-J:14 with respect to any tax information provided by the commissioner.

84-B:11 Protection of Tax Exemption. Nothing in this chapter shall be construed to limit or impair the availability of tax exemptions currently provided under RSA 72:23.

84-B:12 Automatic Rescission Provision. In the event that federal matching funds for the payments authorized under RSA 167:64, I are no longer available to the state, the tax imposed by RSA 84-B shall be rescinded at the end of the taxable period in which an amount equal to all payments made under RSA 167:64, I are recovered.

3 Tax Due. RSA 84-A:3, II is repealed and reenacted to read as follows:

II. For the taxable period beginning July 1, 1991, and ending June 30, 1992, and for every taxable period thereafter, each hospital shall pay 100 percent of its medicaid enhancement tax due and payable for the taxable period no later than the fifteenth day of the sixth month of the taxable period. Notwithstanding any provision of this chapter

or any other law, no penalty or interest shall be imposed for failure to make payment of tax when due if such payment is made on or before the last day of the month in which such payment is due.

4 Application of Penalty for Failure to File Return. Amend RSA 21-J:31 to read as follows:

21-J:31 Penalty for Failure to File. Any taxpayer who fails to file a return when due, unless an extension has been granted by the department, shall pay a penalty equal to 5 percent of the amount of the tax due or \$10, whichever is greater, for each month or part of a month during which the return remains unfiled. The total amount of any penalty shall not, however, exceed 25 percent of the amount of the tax due or \$50, whichever is greater. This penalty shall not be applied in any case in which a return is filed within the extended filing period as provided in RSA 77:18-b, RSA 77-A:9, RSA 83-C:6, [or] RSA 84-A:[8]7, *or RSA 84-B:7*, or the failure to file was due to reasonable cause and not willful neglect of the taxpayer. The amount of the penalty is determined by applying the percentages specified to the net amount of any tax due after crediting any timely payments made through estimating or other means.

5 Application of Substantial Underpayment Penalty. Amend RSA 21-J:33-a, I to read as follows:

I. If there is a substantial understatement of tax imposed under RSA 77, RSA 77-A, RSA 78-A, RSA 78-C, RSA 82-A, RSA 83-C, [or] RSA 84-A, *or RSA 84-B*, for any taxable period, there shall be added to the tax an amount equal to 25 percent of the amount of any underpayment attributable to such understatement.

6 Reference; Medicaid Enhancement Fund. Amend the introductory paragraph of RSA 167:64, I to read as follows:

I. There is hereby established in the state treasury a medicaid enhancement fund which shall consist of the moneys collected pursuant to RSA 84-A *and RSA 84-B*. Investment earnings of the fund shall be credited to the fund. Moneys paid into the fund shall be exempt from any state budget reductions, and the commissioner is authorized to expend these funds, together with matching federal funds, as follows:

7 Reference to Taxes. Amend RSA 167:64, I(c) to read as follows:

(c) One percent of the [moneys] *taxes collected pursuant to RSA 84-A and 84-B* paid into the fund shall be placed in a separate PAU reserved for the expenses of the department in administering this subdivision.

8 Reference; Medicaid Enhancement Reimbursement System; Duties. Amend RSA 167:65, III to read as follows:

III. Ensure that each hospital receives no less than 100 percent of the tax imposed by RSA 84-A *and RSA 84-B*.

9 Emergency Rulemaking Authorized. Notwithstanding RSA 541-A, the commissioner of revenue administration, the commissioner of health and human services, and the state treasurer shall adopt emergency rules under RSA 541-A:3-g implementing the provisions of sections 1-6 of this act relating to the administration and collection of the supplemental medicaid tax and the protection and distribution of the medicaid enhancement fund as soon as possible.

10 Effective Date. This act shall take effect upon its passage.

## AMENDED ANALYSIS

This bill establishes a supplemental medicaid tax on medicaid patient discharges of hospitals. The proceeds are to be deposited into the medicaid enhancement fund which is continually appropriated to the department of health and human services for the purposes of RSA 167:63-65.

The bill also changes the payment schedule for the medicaid enhancement tax.

Reps. Donna Sytek, David Young and Chambers spoke in favor.

Reps. Haettenschwiller, Depecol, Domaingue and LaMar spoke against.

Reps. Hayes, Jacobson and Douglas spoke in favor and yielded to questions.

Rep. Frances Riley spoke against and yielded to questions.

Rep. Paul White spoke to the bill.

**(Rep. Michael Hill in the Chair)**

Roll call request sufficiently seconded.

The question being the adoption of the committee amendment.

**HJR 5**, urging Congress to place a moratorium on changes in the current medicaid regulations to ensure that New Hampshire's medicaid enhancement fund is fully funded for fiscal years 1992 and 1993.

Whereas, in order to avoid disruptions of state budgets, the current treatment under the medicaid program of provider-specific taxes should be maintained; and

Whereas, New Hampshire opposes the issuance by the Secretary of Health and Human Services of new regulations that would restrict the ability of states to use provider-specific taxes as a source of a state's share of federal financial participation under the medicaid program; now, therefore, be it

Resolved by the Senate and House of Representatives in General Court convened:

That the general court of New Hampshire hereby urges Congress to place a moratorium on changes in the current medicaid regulations to ensure that New Hampshire's medicaid enhancement fund is fully funded for fiscal year 1992 and fiscal year 1993; and

That copies of this resolution be transmitted to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, and to each member of the New Hampshire congressional delegation.

Reps. Chambers and Donna Sytek spoke in favor.
